**PROVINCIAL POLICE MAKE DARING ARREST LAST WEEK**

A number of daily newspapers are expected now to switch over and support the use of the Ferguson highway as a part of the trans-Canada highway. These newspapers have been backing the Sault Ste. Marie route because they have believed all the stories they read about the Algoma wolves. Here is a story told by The North Bay Nugget that should link up all the sophisticated daily newspaper men as warm advocates of the trans-Canada going past Temagami. Quite evidently Temagami is a wonderful country, according to the despatches. Here is proof positive from The Nugget that should set the Stars all dancing:—"Provincial Officer Ted Berard went to Temagami on Wednesday afternoon with Pro. Constable Walker and in the evening the two started out for Cobalt. A half-mile from Temagami they saw two bear cubs on the highway and decided to make a capture. When chased, the cubs took to a tree and the mother bear hove in sight. Mr. Berard went to Temagami for assistance and got two men with rifles, who kept the old bear at bay while the tree was cut down and the cubs captured. They put up a real scrap, but were finally disposed of in the side car and taken back to Temagami. One of them is enjoying blueberries in Mr. Berard's back yard at present, and Mr. Walker has the other at Temagami."

**ABOUT THE PLANS MADE TO MOBILIZE THE UNEMPLOYED**

(From The North Bay Nugget)  
Despite announcement has been made that the government of Canada along with the governments of the province, and this province in particular, will take action to mobilize the unemployed in battalions for work this winter. Premier George S. Henry made the announcement at Windsor on Thursday in an interview, and intimated that work would begin within a month or two. It is an important, not to say revolutionary, step, which seems to be indicated by the situation. There are thousands of unemployed men in the various municipalities of Ontario for whom there seems to be little chance of getting employment. Northern Ontario has thousands scattered through the various towns and cities, and certainly right now the winter looks to be a bleak prospect for them. The proposal is to gather up the single men and form them into battalions for work on the trans-Canada highway or other work that may be designed. It is apparently planned to take them from the cities in the South and bring them North, but it is to be hoped that before that is done the ones here who have been a burden on the municipalities the past couple of years will be first taken into organization. Just how many men can be used on this work is not yet clear, but it is presumed that quite a number will be given employment, and thus lift the burden off the municipalities who have been carrying the load.

**Meeting of Council at South Porcupine**

Many Questions of Interest Dealt With. Township Helping Many Unemployed. Other News from South Porcupine Correspondent.

South Porcupine, Ont., July 21, 1931 Special to The Advance.

Mr. A. S. Fuller, president of the Paymaster Consolidated Gold Mines, is spending some time at the property. Mr. and Mrs. William Herbinson, of Toronto who have been guests at Paymaster Lodge returned by motor to Toronto this week.

Mrs. R. Curtis and little daughter, Patsy, of Toronto, accompanied by her sister, Miss Jean Sutherland, and Miss Stevens, of Toronto, are holidaying at "The Lodge" at Faymaster Mine.

At the regular meeting of the Tisdale township council last week the Reeve and Councillors Hawkins, Fairhurst and LaForest were present. It was decided that the contemplated road construction work would have to be cut down considerably even on the 50-50 basis with the Ontario government; the township finances would not allow much expenditure. There was some discussion as to whether a team and wagon could turn in the twelve-foot lane between Dome and Commercial avenues as there is a lot blocking the outlet of this lane and a right turn was proposed across another lot. It is to be investigated. A resolution re support for wards of the Children's Aid was to be sent to the Ontario Municipal Association. The unemployment situation is not abating any. Strict diligence is to be used to see that no outsiders come in. The township was paying temporarily twenty-five cents per day for a meal for around 100 unemployed at two Finnish boarding houses in town; for the next two weeks ten cents per day was to be given toward a breakfast for the same. Absolutely no promise of work could be given them on behalf of the township and the meals would have to be stopped soon, as the finances of many of the taxpayers would not permit the expenditure. A delegation to the Ontario Government was talked of. A man was present re the tying of dogs. He thought it was not human and that it was not required the same now as when prospectors had so many dogs around and all were running at large during the summer. A vote of all those present at the council was taken, just to see what popularity the by-law had and there was not a vote in favour of releasing the dogs before the time set in the by-law. Considerable time was taken over a question of arrears in water rates. One man had not been paying enough sometime ago and when this was found out he was billed with the balance due as arrears. As his water bill had been paid each quarter he did not see the reason for the arrears. Another checkup of the houses and apartments to which he had water supplied was to be made again. T. E. Cahill was present re cows running at large that were re-actors to the tubercular test and some that had not been tested. The sanitary conditions of the ditch between Goldale and Bruce from Crawford street was again up for discussion. As the use for which this ditch was made is now past it was decided to fill up the ditch. Water was to be made available for two families on Connaught Hill who were still using well water. Several tax cases were also up for consideration.

Mr. and Mrs. M. Thomas, Jr., have taken up residence in Mr. Walton's house on Connaught Hill, lately vacated by Mrs. E. Jamieson.

Masters Stanley and Clifford Knutson, who have been visiting their aunt, Mrs. Charles E. Cook, at the Paymaster Mine, have returned to their home in Bourkes. Master Clifford was successful in passing his entrance examinations this year, the teacher at Bourkes having had all six of her pupils pass. They had to go up to Monteth to write their examinations.

Misses Marjorie and Vick Sheppard, of Sudbury, are guests at the home of Mr. Pope of Pioneer Stores, Dome Mines.

Miss Teresa Giachino, of Cobalt, was the guest of her cousin, Roma Catarello, over the week-end.

Mrs. (Dr.) Harper has returned to Toronto. Her young sister, Patsy Laforest, accompanied her home.

Mrs. Verner, of Bruce avenue, left on Sunday for a visit to Montana.

Quite a number of football fans accompanied the Dome team to Kirkland Lake for the game on Saturday last. Lake Shore team won by a score of 2-1. During the first half the Dome boys had much the better of the play. Munro scored their only goal in this half. The last half of the game was very much Kirkland Lake, Connelly and Rankin of the Lake Shore team making the two tallies in this half. This ties Lake Shore and Dome Mines teams in the King Cup series.

Next Saturday the first game for the Ontario Cup will be played between these two teams, also at Kirkland Lake. The return game will be played at the Dome the following Saturday.

Mr. and Mrs. Arthur Marjerrison, of the Dome, are on a motor holiday to Ottawa and Toronto.

Mr. T. Feldman and his mother are on a vacation in Montreal.

Miss Margaret Wendell, of Ashdale, Ontario, the guest of her sister, Mrs. E. McLellan.

The Y.P.L. society, of Timmins, entertained the Young Judeans Society of Ansonville at a bean supper on the beach at Golden City on Sunday.

Rev. A. Jackson of Connaught preached in the United Church Sunday while Rev. Hussey took a baptismal service at Connaught.

The following from The Renfrew Mercury will be of interest to the bride's many friends in camp as she was a resident here for five years:—"A quiet but pretty wedding was solemnized on Tuesday, June 30th, at high noon at the United Church parsonage, Adamston, when Laura Ann, youngest daughter of Mr. and Mrs. John Rose, of Haley's, was united in marriage to Angus Robert, son of Mr. and Mrs. Samuel Hamilton, of Wolfstown. The bride was lovely in a gown of beige chiffon and lace made on long lines, with large mohair hat, shoes and stockings in a matching shade, and carrying a bouquet of gladioli and carnations. She was attended by her niece, Miss Delta Olmstead, of Pembroke, who wore a gown of rib-egg blue crepe and lace and carried peonies and roses. Mr. Lorne Hamilton, brother of the groom, was best man. At four o'clock a wedding dinner was served at the bride's home to about sixty relatives and friends. On Tuesday evening a reception was held in the Orange hall, Haley's, after which Mr. and Mrs. Hamilton left by motor for Ottawa. On their return on Friday evening a large reception was held at the groom's home, Wolfstown. The many beautiful and costly gifts received showed the high esteem in which the young couple are held."

John Wait returned last week from a visit to the Peace River country.
