About three o'clock on Monday morning as Mr. Fred Wilson, driver of the bus which was bringing Porcupine Goldfields Band back home after their concert at Kirkland Lake, noticed flames as he came down the Davidson road. It was W. C. Dillon's barn. An alarm was quickly turned in but the fire had made too much headway and the barn and contents were destroyed but the flames were kept from spreading farther. A fine team of horses perished. All Mr. Dillon's coal bags (120) were burned as well as tarpaulins, harness and other equipment. Five tons of hay, a large quantity of oats and other feed was lost. There was no insurance. How the fire started is not known but it is thought, that possibly some wayfarer had been smoking while sleeping in the hay.
On Monday evening a motor car with four occupants coming from Timmins bumped into another car just at the bridge west of the town on the Timmins road and careened head first into the ditch. The driver was thrown through the windshield and rather badly cut about the head. Two other occupants received minor cuts and bruises. The front of the car was rather badly smashed up but it is certainly lucky that those in the car were not more seriously hurt. The Everready Service Garage hauled the car out of the ditch and brought it to town for repairs.
Great sympathy is felt for Mr. and Mrs. J. Coyne in the loss of their eldest child, Phyllis, a bright little girl of three years. Mr. and Mrs. Coyne and children had been visiting at Eganville. Mr. Coyne had come back but was recalled this week. Mrs. Coyne's sister, Mrs. F. Demers, of the Dome Mines, also left for Eganville on hearing of the little girl's demise.
Mr. and Mrs. Bert Frisby and son, James, left this week for their home in Kemptonville after a pleasant month's sojourn at the home of Mrs. Frisby's parents, Mr. and Mrs. J. Costain. While here a number of bridge parties were given in her honour, among the hostesses entertaining being Mrs. M. Smith, Mrs. W. W. Wilson, and Mrs. A. Tompkinson.

Johns; 3b, Lett; s.s., McNab; fielders, D. Parsons, F. Parsons and Mason. No runs were made by the Mine but four by the Mill in the first, D. Parsons, McNabb, Longworth and Catarello (with 2-base hit) did the trick. In the second Ray clouted a three-base hit which let McLean and Zig both in. He completed for the third run and starting off with a two-base hit, T. Parsons got a fourth putting the teams on an even basis again. The Mill made no tallies which Monty started the chute working for the Miners with another of his home runs; Proulx, with a two-base hit came sixth and Ray got a seventh. Lett started the Mill off with a two-baser and completed the circuit for his side before they were three down. Poor fielding on the Mill's part let Clark tally while Zig with a two-base hit let Monty and Proulx in but being over anxious to get to third lost him his job just then and out his team went. In the fifth the Mine were still leading in a 10-5 score but Johns with a three-base hit and Parsons brought the Mill's score to seven. In the next Catarello's suppbirt gave way and any hope his team had also gave way as Burke, Monty, Proulx (with a 2-base hit), McLean and Ray all trotted home for the Mine, while in the seventh Michaelson, Clark, Monty, Proulx, and McLean made it an even twenty. McCann and Lett endeavoured to squeeze Monty out between third and home but he dodged them and got there much to the amusement of the fans. Catarello trotted off a home run for the Mill and Johns made another leaving the score at 20-9 for the Mine.

A Mattawa man was sentenced to six months in jail last week on a charge of robbing a fire ranger's siffack. The sentence was made lenient on account of the overseas record of the accused, the judge pointing out that interference with camps in the bush in this way was a serious matter and should be sternly punished.

The First South Porcupine Troop of Boy Scouts leave at ten thirty Saturday for their summer camp at Lake Sese-Rinika. The boys will remain under canvas until August 29th. The camp will be in charge of Scoutmaster Lemmon, assisted by Assistant Scoutmaster G. W. Newman, Harry Martin and C. S. Abramson. There have been two days set aside as visitors' days:—Sunday, August 23rd, is the regular visitors' day and Wednesday, August 26th is Water Sports Day to which friends are especially invited. The scouts plan to try some rescue demonstrations. The camp is situated about 500 yards from the railway station on the property leased by Iroquois Falls Scouts who kindly loaned the site and equipment to the South Porcupine boys.
Mr. and Mrs. D. Hughes and little daughter, Joyce, are on a trip to Buffalo where they will attend the Manx convention.
Miss Pearce, of Toronto, is the guest of her sister, Mrs. C. McInnis.
Rivalry is getting very keen among the three softball teams at the Dome and the factions supporting each. The Engineers' win over the Mine on Thursday last left the three teams tied for supremacy of the second half. On Tuesday by a defeat the Mill was eliminated and now the tussle is between the Mine and the Engineers, the latter having won the first half of the schedule. For Thursday's game Catarello and McCann acted as umpires. The teams were:—Mine—catcher, Clark; pitcher, W. McLean; 1b, Mulvihill; 2b, Montgomery; 3b, Ray; s.s., Burke; fielders, H. McLean, Zig Ostrowsky and T. Parsons. Engineers—catcher, Fell; pitcher, Rudd; 1b, Sullivan; 2b, Michaelson; 3b, Doran; s.s., Cook; fielders, McMurray, Crozier and McWilliams. The first innings was short but not so sweet for the Miners. Zig went out at first, Burke flied to Michaelson and Parsons fanned. For the Engineers Cook was walked, Doran got away on a bunt and both made the circuit when Sullivan made a three-base hit and later trotted home. "Monty" started off the Miners in the next with a home run but that was all that counted, for though Mulvihill and Ray got hits off Rudd they were left on bases. The Engineers did not get a run this time, Clarke catching McMurray's foul, Mulvihill beating Cook at first, and Doran flied to Burke. Zig made the diamond in the third for the Mine while Rudd and Fell did likewise for the Engineers. The play of McLean to Mulvihill which ousted McMurray was particularly quick work. Neither team tallied in the fourth but in the fifth the Miners dug out four runs, Zig, Clark, Burke and then a home run for Monty doing the work. Their fielding was very poor, when they went out. They must have been still dizzy from watching Monty whirl off that last home run. Anyway they let McMurray, McWilliams, Cook and Doran in, in quick succession and never got a chance to even the score again. Fell came home and Michaelson clouted a home run in the sixth. McLean got home when Mulvihill batted a two-base hit and later he touched the home-pan to make the eighth tally for the Mine as opposed to the Engineers' eleven.
On Tuesday evening the score was 20-9 in favour of the Mine over the Mill. J. Scully and S. Platus of Timmins, handled the game as feeling was getting a little tense with the hot competition and it was deemed wiser to have neutral umpires. Clark and Montgomery were the battery for the Mine with H. Michaelson at first and Proulx at second, the others being the usual line-up. Mill—catcher, McCann; pitcher, Catarello; 1b, Longworth; 2b,
