Weddings at South Porcupine Recently

Schools Open at South Porcupine. Visitors to and from South Porcupine. Other News from South Porcupine Correspondent.

South Porcupine, Sept. 1st, 1931. Spectral to The Advance.

School was resumed to-day with the various teachers in their places. At the Continuation School Mr. Purdy is the new principal with Mr. W. Thomson the new assistant. Misses McPhail and Lucas are back this year also in the Continuation School. At the public school there is no change in the personnel of the teachers. The full course for Senior Matriculation (Upper School) is now being taught in the South Porcupine Continuation School.

Married—On Saturday, August 22nd, at the manse here, by Rev. W. Sumner, of Schumacher, Mildred Donaldson Herbert to Wellington Osborne Davis, both of Golden City. The young couple are now honeymooning in the South.

Mr. Davis has been an employee of the George D. Hamilton lumber mill here for some years past, and there are many friends who wish them bon voyage through life.

Mrs. A. Boyki and daughter, Lily, have returned from a visit to Mrs. Ed. King at Hunta. Mrs. King's daughter, little Jean St. Paul, returned with them for a short visit here before school re-opened.

On Wednesday, Thursday, Friday and Saturday evenings of next week there will be a novelty entertainment at the skating rink here in the form of a Kazutha. Various attractions and displays will feature these evenings. The purpose is to raise money to remodel the dressing rooms that were damaged by fire last year. While insurance was received at the time for the damage done the amount received was applied on the heavy mortgage that is being carried at the time, as it was hoped that funds could be raised for the repairs later in the season. There has been no appeal to the public or no affair of this kind in South Porcupine for some time and it is hoped that

many will enjoy the novel entertainment.

Mrs. V. Laffin and little daughter, Viola, have returned from a visit at McCauley, Manitoba.

Mr. and Mrs. P. Richards and Molly have returned from an extended motor holiday through the various interesting parts, of Southern Ontario and the United States.

Archdeacon Woodall leaves on Sunday next, September 6th, for Guelph, to attend the meetings of the General Synod Board. Service in St. Paul's Church will therefore be at eleven a.m. on that date and not at seven-thirty p.m. as usual. St. Paul's Sunday School will re-open after the summer vacation on Sunday next, September 6th, at 2 p.m.

On Thursday, August 27th, a quiet marriage ceremony took place at the manse, South Porcupine, when Ruth, second youngest daughter of Mr. and Mrs. T. Lark, of the March Gold Mines, became the bride of Mr. W. Verdon Morrow, of Smoky Falls, Kapuskasing. The bride was given in marriage by her father and was attended by her young-

er sister, Grace. After the service the happy couple left by motor for a honeymoon in eastern Canada. On their return they will take up residence at Kapuskasing.

Mr. F. J. Hamilton left on Tuesday for Tashota where he will again be superintendent at the Tashota Gold Mines in Thunder Bay district, which is resuming activity this week after a temporary close down of more than a year. This mine which has been re-financed was showing ore values of considerable importance at depth and the results of their diamond drilling had justified the extensive work that had been planned just at the time of the Stobie-Purlong crash, when owing to the fact that they were such heavy shareholders it was deemed wiser to close the mine down temporarily. It is hoped now that the former plans for more extensive mining can be carried out. Mr. Jack Jenkins, of the Dome, and Mr. Steve Murdovich left on Tuesday also for this mine. The manager, Mr. W. A. Coughlan, of Montreal, is expected at the property with a number of men the latter part of this week.

Mrs. H. Kaufman and little son, have been visiting her sister in Kirkland Lake.

Mr. and Mrs. R. Cameron visited friends at Enlehart during the past week.

We congratulate Miss Beatrice Dowzer, one of our South Porcupine girls, on the excellent showing she made in the Upper School work which she took in Timmings during the past year. She wrote on six subjects and obtained them with five first class honours and one second. She is now attending Western University, London, Ontario.

Falconbridge Play at Dome on Sept. 12

No One Should Miss This Big Game in Ontario Football Cup Series. Other Items from Correspondent for South Porcupine and Dome.

South Porcupine, Sept. 2nd, 1931. Spectral to The Advance.

The Dome Football Club have received word of the draw for the semi-finals in the football. Falconbridge is to play at the Dome on Saturday, September 12th. Then the winners of that game play in Toronto on September 26th.

Lancashires of Timmings play at the Dome on Thursday evening, Sept. 3rd.

Mr. and Mrs. T. Lark and family of the March Mines are on a motor trip to the Maritime Provinces.

Mrs. H. M. Martin is opening up her Bluebird Tea Room next week in the premises formerly occupied by Dr. Cameron-Smith.

A Finlander, E. Jarvi, about twenty-eight years of age and supposed to be single, was brought in off the government road work having been suddenly taken ill. He died at the Porcupine

hospital on Tuesday afternoon at four o'clock. He formerly worked for Charles Nikkanen but had been unemployed for some time before going to work on the road.

The Crusher House gang and the Softball All Stars Tried out, at the Dome, in a football parley.

'Twas six against three for that ball-hurling crew

But Andy's brave Crushers were not crushed entirely.

McGinn was in goal, with Ken Farrell and Saunders.

A guard to the fore, and oftimes behind him.

With avoiddupois, Andy now is quite blest.

The backs took the kicks, that surely was kind to 'im.

But Cook for the hurlers, in Tooner-ville boots,

Caught deftly, and managed to keep down the score;

Their hands were like baggage excess to ball players.

For feet were the weapons in football lore.

Their heads, they wagged, too, but somehow that leather

Clove not to their cranium like that of Frank Blair.

But Rowe flanked by Uren was once their undoing.

He did the trick twice, and they got one Bright scare.

But Andy obligingly grinned when they came,

Football, or softball, a good hit or a tackle,

The same, were to him; 'twas a great winner to look at.

A few extra goals just gave them more cackle.

Mrs. Mary Jamieson, of Flesherton, Mr. and Mrs. Chas. Jamieson and two daughters, of Owen Sound, motored up and are the guests of Mrs. Honer and Mrs. T. A. Strain.

Midland Free Press.—A farmer in the West gave a barber three pennies and four bushels of oats for a haircut and shave. You might be able to get away with that kind of a deal with a barber, but don't try it on a manicurist.
