Wants Information About the Band Here

"Citizen" Enquires Why There Have Been No Band Concerts This Summer, and Raises Other Points.

This week The Advance received the following letter from a ratepayer of the town, who attaches his name to the communication but requests that a non de plume be used in publishing the communication which is of interest to all citizens of the town.

Timmins, Sept. 16th, 1931.

To the Editor of The Advance, Timmins.

Dear Mr. Editor:—What has become of "The Timmins Citizens' Band"? Formerly we had Sunday evening concerts very regularly throughout the summer months and very often a week-day concert or two and although the band was not one which could be called "first-class," the community generally enjoyed the music, showing their appreciation by turning out in large numbers. This year has been one of the finest summers on record, yet we have not had one out of the band.

Making some enquiries the past few weeks I understand that a bunch have taken possession of things, and, as usual, "upset the apple cart." I also understand that the president and secretary resigned some time ago and that the band has broken away from Timmins, and is now an independent organization.

If this is so, how independent is it? We know, of course that it is independent enough not to give us any music, but is it independent enough to exist without the support of the public and the council. I am of an enquiring turn of mind, Mr. Editor, and I would like to hear something official, either from the past or present officers, and if the band is still in existence and needs re-organization, let a few of us get together and do the job. If it is still the Timmins Citizens' Band supported by the council, what are we getting for our money? Is a good musician and conductor like Mr. Wilford getting rusty while his band is all at fogger-heads? I would like to hear something about it and would welcome as a citizen any general information concerning the Band.

Yours truly,
"TIMMINS CITIZEN"

In reply to the above The Advance would say that "Timmins Citizen" has all the information available to the

Noted Swimmers to be Here This Week

Those who were disappointed because the noted swimmers training for the Canadian National Exhibition marathons at Toronto did not visit here some weeks ago as announced are promised a visit this week-end from Johnny Walker and his party of noted swimmers. Official word is given out that the party will be at Timmins on Friday on their way to Cochrane and that they will attend as guests at the Canadian Legion dance to-morrow (Friday) night the swimmers are expected here again under the auspices of the Goldfield Drug Store. They will give an exhibition of swimming and the various strokes used, at the Mattagami river Sunday afternoon at 3 o'clock. Reservations have been made for them at the Empire hotel so it is apparent this time that they will surely be here. At present they are on a tour of the North Land. They were given a rousing reception at North Bay, the mayor there taking part in the welcome. They were at Englehart yesterday, and are to be at Cochrane on Saturday this week, when a civic reception is planned for them. They are making the trip by motor and

public in the matter, and seems to have all his facts straight and clear. The past officers of the band have had nothing to say, hoping for the sake of the band and the town that affairs would eventually adjust themselves. Since July of last year the band has had at least three presidents. One of these told the council that the band no longer desired a grant from the town as they intended to go on their own and not "sponge on the ratepayers." That attitude is part of the present trouble. The fact is that it takes money to run a band and the band must get money from the ratepayers either through grants or contributions. Unless a grant is given the band must secure its support from individual ratepayers who are generous and public-spirited, which seems even more like "sponging" than the other plan. But in either case the public supplies the money and the public should receive something for it. For a number of years the Timmins Citizens' Band gave a concert each two weeks through the winter and at least once a week outside in the summer. In those days the band received nothing but kindness from the people in general and the band was popular. A year or two ago an element developed in the band that appeared to be of the opinion that they could run the band better than it was ever run before. They were given full opportunity to do so, but at least from the standpoint of the public they have not been very successful. The town has been without band music all season. The town misses the band. As to an "independent band," though it is rumoured that such a step has been planned, no group has any authority to make such a move. Property in the instruments and other equipment of the band is vested in the Timmins Citizens' Band, and it will take a large group of "Timmins Citizens" to change ownership to any small group. The matter of the band generally rests with the citizens, the ratepayers, of Timmins. It should be made plain in fairness to the public who pay under any plan of support proposed that the town that pays for the band should receive some "harmony" in public from that band, not only during the winter when concerts can be held, but also during the summer months.

Two Fatalities in Accidents at Mines

Alex. Middleton Dies After Fall of Rock at Vipond. Felix Mechinaud Killed at the Hollinger Mine.

There were three accidents and two fatalities at the mines in this immediate district last week.

At the Vipond on Thursday two men were injured in a blasting accident. J. Farmer had a finger blown off and his partner was bruised, but not seriously injured. On Saturday the Vipond had a more serious accident when Alex. Middleton, while doing some scale, was so injured by a fall of loose rock that he died in the hospital about an hour after admission.

The late Alex. Middleton was 32 years of age and single. He was a native of Fordyce, Scotland, and had been in Timmins about three months. So far as known he had no relatives in Canada. He had lived in Vancouver previous to coming here but had been in Canada since 1919. An inquest was held into the death and a verdict of death by accident was returned on Tuesday evening. The funeral took place on Tuesday afternoon from the Timmins Funeral Service parlours, the services being conducted by Rev. Mr. Wood, in charge of the Baptist church during the absence of Pastor Slade. Rev. Bruce Millar of the United Church, which church the deceased attended, was out of town at the time.

On Saturday evening about 11 p.m. there was another fatal accident at the Hollinger when Felix Mechinaud was caught in a fall of rock. An inquest will be held this evening. The deceased was 32 years of age and single, and was a native of France. He had been in Timmins a couple of years. He has no relatives in this country. The funeral took place on Tuesday, service being held at St. Anthony's church.

Both men killed were experienced miners.

House Wedding Here on Tuesday of This Week.

A quiet but pretty house wedding took place on Tuesday of this week, Sept. 15th, at the home of the bride's parents, Mr. and Mrs. J. A. Howe, 14 Maple street south, when Miss Margaret Howe and Mr. W. H. Nankervis were united in the bonds of matrimony. Rev. Bruce Millar, of the United Church officiating at the ceremony. Only a few of the immediate friends of the couple were present. The couple were unattended. The bride's dress was of brown lace. Immediately after the ceremony, which was at eight o'clock in the morning, a wedding breakfast was served at the home of the bride's parents after which the young couple left by motor for a wedding trip to the south.

Both bride and groom are very popular in town and all will extend sincere good wishes. On their return Mr. and Mrs. Nankervis will take up residence in Timmins, where the groom is on the survey staff of the Hollinger.

George Young, Margaret Ravior and Others in the Party Expected Here. To Give Swimming Demonstration on Sunday.

Those who were disappointed because the noted swimmers training for the Canadian National Exhibition marathons at Toronto did not visit here some weeks ago as announced are promised a visit this week-end from Johnny Walker and his party of noted swimmers. Official word is given out that the party will be at Timmins on Friday on their way to Cochrane and that they will attend as guests at the Canadian Legion dance to-morrow (Friday) night the swimmers are expected here again under the auspices of the Goldfield Drug Store. They will give an exhibition of swimming and the various strokes used, at the Mattagami river Sunday afternoon at 3 o'clock. Reservations have been made for them at the Empire hotel so it is apparent this time that they will surely be here. At present they are on a tour of the North Land.
