This road would consist of about 55 miles of new construction eastward of Norembega and would connect the Ferguson highway with the road system of North-western Quebec.

Want Help to Distribute Trout Fingerlings Here

Four truck loads of trout fingerlings are to arrive here on Saturday for the re-stocking of the various waters in the district. These have been secured through the efforts of the Rod and Gun Club with A. F. Kenning, M.P.P., taking an active interest. Now what is wanted is volunteers to get the fingerlings to the various streams for immediate distribution. All should be interested in this, and any interested should call up or see J. D. Brady, secretary of the Rod and Gun Club, Phone 680.

In a league final last Thursday played between Dome Football club and McIntyre Mines the McIntyre Mine won, thus obtaining the shield. In the first half of the schedule the Dome was ahead of the McIntyre in goals but equal in points. In the second half of the schedule the Dome also outclassed their opponents in points. Then some of the powers that be decided that the winners should play off with the runners-up and the result was as above stated.

In a closely contested game for the Boxer cup between Dome and McIntyre played on Timmins grounds on Monday evening the McIntyre were the victors in a 1-0 score. The winning goal was scored almost at the start. Strenuous playing was featured by both teams. In the second half for twenty-five minutes the McIntyre were kept in their own territory and Leonard was literally bombarded in the Mac's goal but none of the shots got past him. Three of the Dome players were injured. Several injuries were suffered in Thursday's game also. On Thursday the team consisted of—Scanlon, goal; Fell, McGuire, T. Blair, J. Whyte, Munro, Cook, Rudkin, White, Jones and Doran. On Monday Baxter was in goal with Foster, McGuire, T. Blair, Crawford, Munro, Jones, Cook, White, J. Whyte, and Gardiner making the team. It is rumoured there will be a Dickson cup game on Saturday so football fans would do well to watch for the posters.

The funeral of the late Christopher Purnis took place on Thursday last. Death was due to drowning. Mr. Purnis had not accidentally shot himself as was reported by some rumours. A very pretty wedding took place at the United Church manse on Saturday evening, September 26th, 1931, when the Rev. Mr. Summerell united in marriage, Molly, youngest daughter of Mr. and Mrs. Thomas Dougall, of Wishaw, Scotland, to Victor Albert Phillips, eldest son of Mr. and Mrs. A. Phillips, of Ayr, Scotland. The bride was given in marriage by her brother-in-law, Mr. W. Lampkin, and wore a bridal gown of white satin and lace made princess style, with a very long skirt, with lace inlays and long tight fitting sleeves. Her veil of silk tulle and lace was caught to the back of the head with a bandeau of orange blossoms. She wore white satin shoes, gloves and hose to match, and carried a shower bouquet of pink carnations, roses and lily-of-the-valley. She wore the gift of the groom, a white gold and diamond wrist watch. Miss C. Gray acted as bridesmaid and wore a becoming period gown of pink silk georgette and net with pink shoes, hose and gloves to match and wore a wreath of flowers in her hair, and carried a shower bouquet of pink carnations. The groom was supported by Mr. Frank Rankin. Immediately after the ceremony a reception was held at the home of the bride's sister, Mrs. W. Lampkin, 93 Second avenue, where the rooms were very prettily decorated with autumn leaves. A large number of friends gathered to shower congratulations on the happy couple, who received many beautiful gifts. The groom's gifts to the attendants were—bridesmaid, a necklet of white gold set with turquoise; to the groomsmen, a Masonic tie pin. Mr. and Mrs. Phillips have taken up residence in town.

Some of the pupils represented Schumacher public school at the recent field day held in Timmins, where Carl Williams was the outstanding athlete. Carl won the 100 yards dash for boys of

his own age, and then ran against boys in a class higher and came second. He also won the running broad jump in his class and was second in the broad jump for the class higher. The boys' relay team composed of Williams, Potbivch, Robinson, and Small ran a splendid race, and were second to the high school. In the girls' events our school had to be content with a third in the race for girls under 12 years, and a third for girls under fifteen. The relay team consisted of Alma Turcotte, Ada Duxfield, Violet Cripps and Jean Kittner. The girls were given an outside position in the relay race and on a circular course this is a handicap not easily overcome, especially against such good opponents as Central School and Junior High. All in all we were quite well pleased with the success of the boys and girls. We believe they were
