PLAN TO FORM OLD COUNTRY INSTITUTE FOR THE WINTER

A general meeting has been called for all Englishmen in the town to be held in the S.O.E. lodge room on Sunday afternoon, Oct. 11th, at 3 p.m. for the purpose of forming an Old Country Institute. The idea is to have reading rooms, daily papers, all kinds of games, and a place where a general comfortable evening can be spent during the winter months. The meeting is called to see if the plans used in the Old Country are practical here, and to discuss ways and means, fees, etc.

Dr. and Mrs. J. A. Pritchard, of Buffalo, N.Y., were guests this week at the home of Dr. Pritchard's brother, W. H. Pritchard this week. Dr. and Mrs. Pritchard recently went from Buffalo to California and then on to Timmins for a visit here before completing the round trip to Buffalo.

Stag Party on Monday in Honour of Tom Feldman

On Monday night a large number of relatives and friends assembled as guests at the home of Frank Feldman to honour and felicitate Tom Feldman who is departing from carefree bachelorhood to join the staunch ranks of the benedictines.

The long brilliantly-set tables were loaded with many varieties of delicacies. At the head of the table, A. J. Shragge presided with genial efficiency. Among the guests were many notables from South Porcupine, Schumacher and Timmins. The many speakers were eloquent in their good words for the prospective groom, while the usual humorous references added to the pleasure of the evening. Much constructive advice was tendered by the elders while all were agreed in extending sincere congratulations and good wishes. Among those making brief but happy speeches were: Mr. Burt, C. Butler, S. C. Platus, S. Shankman, C. Abrams, Sam Bucovetsky, L. Halperin, Harry Sky, Chas. Pierce, I. K. Pierce, Gordon Konegsberg and the groom's father, A. Feldman. A handsome gift was presented to the groom by Frank Feldman from those present, and the pleasant social time carried on, as one guest phrased it, "till departing became a matter of necessity rather than choice," to be ready for the new day.

All will be pleased to know that W. H. Pritchard continues to make good progress to recovery.

Successful Field Day at Schumacher

Annual Public School Event on Friday Last. Last Softball of Season Last Week Between McIntyre and Cochrane Ladies.

Schumacher, Oct. 7th, 1931. Special to The Advance.

Mr. and Mrs. Gilders and Mr. Gathfield of Peterborough, who motored up, were visitors at the home of Mr. and Mrs. Roy Heath, Third Avenue.

Mr. Jack Leny left last Thursday for Kingston where he will continue his studies at Queen's.

The Ladies Auxiliary of Trinity United Church are holding a rummage sale in the basement of the Church on Saturday morning, October the 10th at 9.30.

Mr. and Mrs. J. Caddy accompanied by Mr. and Mrs. J. Gannon, motored down to Cobalt to spend the week-end.

Last week notice was to the effect that Mr. M. Smith, tax collector, would be in town on Monday, October the 12th. As this happens to be Thanksgiving day, Mr. Smith has had to change his date, which will be Tuesday, October the 13th. He wishes to state that after October the 15th a charge of five per cent. penalty will be added to all standing taxes.

Possibly the last softball game of the season was played on Saturday, when Cochrane ladies came down to play the McIntyre in an exhibition game, which was a decided victory for the McIntyre, with a score of 16-3. As Cochrane did not get here until nearly five o'clock only five innings were played. Had there been the seven innings Cochrane might have gotten a few more runs.

Dr. and Mrs. Amos, of Brantford, accompanied by Mr. and Mrs. H. Farley of Brantford, visited at the home of their son-in-law and daughter, Mr. and Mrs. W. Wylie, last week.

Beginning Sunday the United Church Sunday School will meet at two o'clock p.m. for the fall and winter months.

Mr. and Mrs. Leo Paulait, of Sudbury, are visiting at the home of Mrs. Angrignon this week.

The public school annual field day was held on Friday afternoon with ideal weather for the occasion. A large crowd turned out for the event and by their co-operation kept the track and field clear, which is a great help to the athletes, and saves much

Announcement

This week we were advised by Mr. Bradshaw that it was impossible for him to be at our store on the dates advertised last week, with the Special Showing of the latest of Fashion's Modes as decreed by Paris and New York and presented by

Blackshire

This postponement was made necessary through the arrival direct from Paris of fifty new numbers, and the necessity of waiting until these were released by New York, so that the ladies of Timmins and surrounding towns would have the very latest modes presented to them—the modes which are popular on the boulevards of Paris and the avenues of New York. This special showing will be held at our store on

Monday and Tuesday October 19th and 20th

A special invitation is extended to all the ladies of Timmins and surrounding towns who desire to have garments to reflect their personality to attend this special showing of the very latest styles for fashionable fall and winter wear.

An invitation is extended to the teachers of the district now in convention at South Porcupine to visit our store at any time and inspect the beautiful and serviceable line of coats, dresses and hats now on display.
