

Motor Car Accident at South Porcupine

Timmins Ladies Have Narrow Escape from Serious Injury. Other Items of Interest from Correspondent at South Porcupine.

South Porcupine, October 27th, 1931. Special to The Advance.

Messrs Walter and Cecil Bannerman, of St. Mary's, are the guests of the former's uncle, Mr. George Bannerman.

Miss Helen Michaelson, of Toronto, arrived on Sunday to visit her mother who has been ill.

On Thursday afternoon last about four o'clock what might have been a serious accident occurred at the corner of Bruce avenue and Moore street. Mrs. R. J. Smith and little daughter, of Timmins, accompanied by Mrs. Dalzell, of the same place, were driving west on Bruce avenue when a large Reo suddenly crossed the road in front of them. The two cars bumped, the Reo whirling around and turning upside down, and Mrs. Smith's car went down into the ditch against Dr. Russell's fence. The ladies were rather badly shaken up and frightened but escaped serious injury, going into Dr. Russell's until they recovered themselves. A throng soon gathered and the police were quickly on the scene. In fact, it happened right at the front door of the chief of police. The charge of reckless driving has been laid against the Finlander who was driving the Reo, and the case will probably be heard at Wednesday's court.

Born—On Saturday, October 24th, to Mr. and Mrs. Lorette, of Bloor avenue—a daughter.

Mrs. W. Johns and Mrs. P. Richards were joint hostesses at a bridge party given at the home of Mrs. Richards at the Dome Mines on Friday evening of last week in aid of the Anglican Sunday School. Mrs. J. McCaffrey won the first prize and Mrs. O. Spiers the consolation. All spent a pleasant evening.

Born—On Monday, October 26th, to Mr. and Mrs. W. Allen, of the Dome Extension—a daughter.

Mr. and Mrs. James McRae and infant son have returned home to the Dome. Mrs. McRae, of Ottawa, is the guest of her son, Mr. J. McRae, and Mrs. McRae.

Miss Nora Spurr has been holidaying in Timmins during the past week.

The date of the final games for the Ontario Cup games in soccer football has been delayed still further by postponements in South Ontario. The Dome football club have received no more definite word as to when they are to go to Toronto. It was ruled at one time that these play-offs were to take place by September but fate, protests, and postponements have intervened till it looks more as if the Dome football players will get to Toronto for a Christmas snowball party instead of soccer.

The bridge club have re-organized and are again planning their meetings for the winter and their first party will be held the first Thursday in November.

The firemen's masquerade dances in the Continuation School on Friday evening next promises to be one of the biggest events of the season.

Born—At Porcupine Presbyterian hospital on Tuesday, October 27th, to Mr. and Mrs. Russell Lang—a daughter.

There was a happy time at the Rebekah euchre and bridge on Friday last in the I.O.O.F. hall here. The prize winners were:—Ladies, first, Mrs. Webb; second, Mrs. Dunn; third, Mrs. Blood; gentlemen, first, Mrs. S. Kennedy; second, Mr. P. Millions; third, Mr. W. Dillon. In bridge Mrs. W. W. Wilson and Mrs. Cahill were the winners of the ladies prizes. Mr. Laforest and Mrs. Thomas carried off the men's prizes.

Last week the Young People's Society held their literary evening. The topic, "What do we get from newspapers?" was handled ably by Mr. Don Crozier, and a general discussion of several points followed. It seemed to be the consensus of opinion that some newspapers especially stressed too much the sensational in reporting murders, tragedies, accidents, etc. As many of the younger generation read these front pages it was thought that the lurid descriptions which were given the limelight were not conducive to the best type of citizenship. Independent papers were judged to be better than those who affiliated themselves with one side of politics and possibly exaggerate that side. The higher literary type that was featured by certain sections of some papers was particularly commended. Being a man, to Mr. Crozier, the space devoted to social doings in some papers seemed rather a wastage but some of the ladies present differed from him on that point. After the first part of the meeting was concluded, games and luncheon were enjoyed at the manse. The meeting this week is to take the form of a Halloween party.

A Tartarian Honeysuckle bush is blossoming again in one of the gardens in town. This bush produced a wonderful display of blossom last spring and now the balmy weather of this autumn has coaxed out more blossoms on some of the newer branches.

According to the Ottawa Journal of last Saturday Mr. G. A. Mulvihill, who has been visiting at his home in Arnprior, owing to the illness of his mother there has decided to cast in his lot with the Kansas City Hockey Club. It was hoped that "Ollie" would again be in the line-up for hockey here this winter as he had been two years ago but evidently other far-away fields have looked more green to him, that is hockey on a commercial basis has been more tempting than the merely amateur. While regretting his loss to our own

community, we wish him all sorts of success in his new field.

Miss Bess Hendry is holidaying in Kirkland Lake.

Suggests Acclamations for Councils This Year

Throughout Canada this year there is an idea suggested by many newspapers and public men that in view of the unemployment situation and other

conditions that municipalities avoid as much as possible the cost of civic elections this year, and that the money thus saved be used for paying for work and otherwise giving relief to those in need. In many centres the idea has been accepted gladly. It is felt that any unnecessary expense should be avoided this year to allow as much money as possible to be spent for purposes that will more directly provide employment and help along. In Tim-

mins it was estimated some years ago that every municipal election cost at least \$1,200.00 to the municipality directly, apart from what might be expended by candidates or others. The argument advanced is that at this particular time this money would be better spent in more helpful ways than in holding an election contest. "More money for work and avoid election expenses" is a popular suggestion these days. With no special issues before the

public, it should be an easy matter to arrange for the elections for municipal office being by acclamation for one year, thus leaving an extra thousand dollars or so for other purposes.

CHANGE OF OWNERSHIP OF THE NEW ONTARIO STUDIO

This week according to an announcement elsewhere in this issue the New Ontario Studio, formerly run by Mr.

W. Assad, has changed hands and is under the management of Mr. Chas. W. Napper of Hamilton, Ontario.

Mr. Napper is a newcomer to Timmins, and has had a wide experience in all lines of photographic work in his native city of Hamilton, and comes here prepared to give the very best service to old and new customers of the New Ontario Studio.
