When Sourness,
Pain and Bloating
Follow Every Meal
Make This Simple Test for
Swift and Sure Relief

To quickly prove 90 per cent. of
Stomach distress is absolutely unneces-
sary and that you can eat and enjoy
most any food you really want—get from
your druggist some Bisurated Magnesia
(powder or tablets) and take a little
after your next meal. This is a simple,
inexpensive test that can be depended
upon to prove its value in less than five
minutes. In most instances, relief
comes instantly!
Bisurated Magnesia is a pleasant,
harmless, non-laxative form of old fas-
hioned Magnesia that, when taken af-
ter meals, cleanses, sweetens and neu-
tralizes the dangerous acids that cause
most stomach troubles. One day's trial
will convince you—ask your druggist
for Bisurated Magnesia today.

Held on Jan 13 and 14

Annual Meeting of Porcupine Poultry
and Pet Stock Association Prepares
to Hold Another Successful
Show.

The annual meeting of the Porcupine
Poultry and Pet Stock Association was
held at the council chamber, Fourth
avenue, Timmins, on Friday evening
last, Oct. 23rd.

The report of the treasurer, W. W.
Orr, was read, showing the financial
position of the organization to be in
good standing, and the report was duly
adopted.

The election of officers for the ensu-
ing year was then proceeded with, the
officers elected being as follows:—

Hon. president—Mayor Geo. S. Drew.
President—J. H. Skelly.
Secretary—F. Huckerby, Box 1458,
Timmins.

Treasurer—J. Arscott.
Executive committee—R. J. Mills, W.
T. Montgomery, W. W. Orr, H. Lloyd,
M. Sarabura.

Business committee—O. Nelson, T.
Code, Chief H. Jones, A. D. Pearce
(South Porcupine), R. Allen.

Arch. Gillies, Nap Caron, J. Robertson
(Dome), Chief Borland.

Finance committee—Chief A. Bor-
land, W. W. Orr.
Auditors—A. Tomkinson, G. A. Mac-
donald.

The meeting was an enthusiastic one
and the association was agreed to make
the coming show the best yet. Previ-
ous poultry shows have been admittedly
of value and interest and this coming
year's feature is to be up to the high
standards of the past in every way.

It was decided to hold the annual
show of the Porcupine Poultry and Pet
Stock Association on Wednesday and
Thursday, January 13th and 14th, 1932.

To get preparations under way for the
coming show and to look after other
matters requiring immediate attention
another meeting of the association is
called for Friday evening of this week,
Oct. 30th, at 7.30 in the town hall,
Fourth avenue.

Community Society
Now at Schumacher

Meetings of Much Interest and Value.
Anniversary Events for Trinity
United Church, Schumacher,
on November 7th, 8th and
11th.

A new organization, designed to meet
the needs of the whole community,
came into being on Oct. 6th, when a
well attended meeting inaugurated
Trinity Community Society. The pur-
pose is to "encourage a wholesome
community spirit through speaking, de-
votions, discussions, social activities,
music, dramatics, debates, citizenship,
interest in travel and education."
Meetings will be held on Tuesday
evenings at 8 p.m. All who know Mr.
Boyce will know that no better selec-
tion could have been made for presi-
dent. The names of the other officers
have already been published. The pro-
grammes given and in prospect war-
rant large attendance.

During the month a Young People's
Rally was held at Schumacher for the
Southern part of the Presbytery. Dele-
gations were present in large numbers
wearing tags tied with a distinctive rib-
bon. Rev. John Manuel, Kapuskasing,
was present and delivered an address
worthy of the occasion. Hymns from
the new Hymnary were used and several
group selections were given. Follow-
ing the inspirational service the dele-
gates filled the basement where mo-
tion pictures of the Y.P.S. summer
school at Camp Lorraine were shown,
group yells and vocal numbers were given. Refreshments terminated a very
successful evening.

The large congregations at the even-
ing services have manifested deep in-
terest in "Social Aspects of Chris-
tianity." The messages were eagerly
awaited and the Pastor faithfully pre-
sented the teaching of Jesus. He
pointed out what Jesus has already
done for the world, comparing Greek
and Roman civilizations with the pres-
ent civilization. He opined that a new
age is being born and the choice of the
age is between Christ and Revelation.

The Trinity Church anniversary is to
be held on Nov. 8th. Rev. Fred Smith
of Cobalt is to be the special preacher
for the occasion.

On Saturday, Nov. 7th Mr. Smith will
deliver an illustrated lecture "My Trip
Around the World." Those who have
seen the pictures have been loud in
their praise and say that they are real-
ly unique.

On Nov. 11th the Ladies' Auxiliary
are serving an Armistice Turkey Din-
ner. They have reason to expect a
large crowd and are preparing to take
care of all who have an "aching void
that the world cannot fill" but whom
good cooking can satisfy.

—The first of the series of rummage
sales to be held under the auspices of
the Girls' Club of the United Church,
Timmins, will be held in the basement
of the church on Saturday of this week.
Bargains will be obtainable all day from
9 a.m.

tion Army." On his visit here Com-
missioner Hay will be accompanied by
Major E. M. Owen, Divisional Com-

Car Crashes Into Front
Door of Empire Hotel

Sunday evening shortly after mid-
night a motor car crashed into the
front entrance of the Empire hotel and
created more than a little excitement.
The front door was damaged, but cen-
trary to the story told at first the car
did not crash through the door and hit
the inner door before stopping. As a
matter of fact the car struck only a
glancing blow at the front door of the
hotel, the side of the bumper striking
the door in passing. According to some
of the stories told the car would have
had to charge straight across the road
and sidewalk and strike the entrance
head-on. As it was, what really hap-
pened was that the car run on to the
sidewalk and before being gotten back
on the road again struck the door a
glancing blow. The explanation of the
driver of the car was that he made a
poor turn at the corner and got up on
the sidewalk and before he had the
car under proper control and back onto
the road the door was struck. There
were several in the hotel roundtable at
the time of the accident and the occur-
rence consequently created more or
less excitement. The driver of the car
was charged this week in police court
with reckless driving. He pleaded guilty
and paid a fine of \$10.00 and costs as
well as settling for the damage done
to the door and for the injury done to
the car which was one that had been
borrowed.

Roy Hamilton Goes
to Florida on Tour

Featherweight Champion of Ontario
Left Last Week for the South
Where he will Continue his
Work in the Ring.

Last week "Scotty" Wilson, the Bar-
ber, who has acted for some time as
trainer and manager for Roy Hamilton,
received a postcard from Roy who gave
the information that he was en route
to Florida where he was going under an
engagement to continue his work in
the ring. For some weeks previously
Roy had been in Kirkland Lake where
he had been training for a fight with
Arne Johnson at Winnipeg to decide
the Dominion featherweight champion-
ship. The bout had been arranged by
The Manitoba Free Press to take place
shortly, but evidently there had been
some hitch in the proceedings and Roy
receiving a good offer to go south to
Florida had accepted and was on his
way when he sent the word back here.
It appears that Roy had been unable
to receive any word from Winnipeg,
and so felt he could not afford to turn
down the flattering offer made him in
connection with the fights in Florida.
Earlier this year Roy won the feather-
weight championship of Ontario and
was expected to win the Dominion hon-
ours for his weight in the finals at
Winnipeg. He lost to Arne Johnson but
there was a very general feeling that
he had lost the decision rather than
the fight and this eventually resulted
in The Manitoba Free Press arranging
for the proposed battle in the course of
the next week or two, with Johnson
and Hamilton to fight it out again at
Winnipeg, the winner to take the Do-
minion championship. Roy entered in-
to the contest with enthusiasm and
his friends were sure that he would
win this time and so bring the Domi-
nion championship to Timmins. Roy
was training at Kirkland Lake with this
in view. He was in first-class condition
and going especially strong when he
took the attention of a promoter from
Florida. Roy had decided that he
could not make the necessary weight in
time for the Arne Johnson fight, and
also he was troubled by the fact that
he could get no satisfactory word from
Winnipeg. The offer to go to Florida
accordingly came at the right moment
and was taken up by Roy who left at
once for the South. His wide circle of
friends and admirers in this part of
the North will wish him the greatest
of success in the South and will follow
his career with the greatest interest.
He is expected to return to Timmins
in the course of the next six months.

There has been a complaint in some
past years that this North Land has
only two seasons—summer and winter.
Such a complaint would certainly not
be proper this year, as there has been
a remarkably fine autumn so far, with
the weather prophets saying there is
more to come before winter actually
sets in.
