Schumacher Loses an Esteemed Citizen

W. T. Trollope Passes Away Unexpectedly on Friday Morning. Other News from Schumacher Correspondent.

Schumacher, Ont., Nov. 4th, 1931. Special to The Advance.

The sudden passing of Mr. William Thomas Trollope, at St. Mary's hospital, Timmins, on Friday morning last, October 30th, came as a shock to his family and friends. He had been seriously ill only a short time when he passed away. The late Mr. Trollope was born in London, England, and at the time of death was in his sixty-fourth year. He served in the world war with credit to himself and value to his country and at all times he was generously public-spirited and an all-round good citizen who will be much missed. He had taken a keen interest in the Timmins branch of the Canadian Legion, of which he was an active and valued member, and was prominent and helpful in several other organizations. He was a member of long standing in the Manchester Unity, Independent Order of Oddfellows, in recent years belonging to the Toronto branch. As a member of the Schumacher L.O.L. he was highly regarded by his brothers in that Order. Mr. Trollope was a member of the session of Trinity United Church, and president of the choir. Some years ago he was a

member of the Timmins Citizens Band and held high place in the esteem of the other members of that organization for his high character as well as his musical gifts. As a tenor soloist Mr. Trollope was specially popular with all who had the pleasure of hearing him. In business and other circles the late Mr. Trollope had won many friends by his ability and geniality. He leaves to mourn his loss, the bereaved widow, one daughter, Mrs. Smart, of Toronto, and two sons, William and Robert, of Schumacher. The youngest son, Robert, was out of town at the time of his father's death and could not reach here in time for the funeral. Three brothers and three sisters in England and a sister in Calgary, Alberta, also survive. The funeral was held on Sunday afternoon from Trinity United Church and was very largely attended. Rev. Mr. Summerell spoke of the church's loss in the passing of Mr. Trollope and the loss also to the good citizenship of the community by his death. The Canadian Legion, Timmins Branch, took charge of the funeral from Timmins to the cemetery. The Timmins Citizens' Band turned out to do honour to their former member, but through some misunderstanding missed the route of the funeral. A very large number of members of the Legion, members of the L.O.L., and other friends and acquaintances followed the remains to the Timmins cemetery, where the "Last Post" was sounded over this faithful comrade as the casket, draped in the Union Jack he loved and honoured, was lowered to its last earthly resting place. The floral tokens were many and beautiful and included:—wreath, from Widow, Dell and Robert; wreath, from son and daughter-in-law; floral tributes from L.O.L. No. 2552, Timmins; Trinity United Church and organizations; L.O.L. No. 2975, Schumacher; Canadian Legion, Timmins Branch, No. 88; Mr. and Mrs. C. Miller and family; Mr. and Mrs. W. J. Lampkin, Mr. and Mrs. T. Jones, Mr. and Mrs. P. W. Gilbert, and others.

Northern Lignite Has Great Potential Value

The Ottawa Journal on Tuesday had the following under big display headings on its front page:—

"There are more than 200,000,000 tons of lignite coal deposits at Coral Rapids, Ont., on the Onakawana river some 150 miles north of Cochrane, Ont., which some day will be of inestimable value to the people of Canada.

"Tests now being carried out at the fuel-testing laboratory of the Department of Mines show that the fuel has great potential values. Two car loads of the lignite have been and are being submitted to pulverization and carbonization tests.

"Experts are cautious in declaring their enthusiasm for the coal as they point out its water content is high. On the other hand they admit it is not hard to mine and can be used in the pulverized form.

"Experiments are continuing to determine the value of the deposits which are up in the Moose river and James

Bay district in Northern Ontario. It is also understood that samples of the fuel will be sent to Germany where the most complete carbonization tests will be carried out.

"The domestic value of the coal must be proven before any announcement will be made. For the time being it is understood the fuel has no coke value, but some new experiments and new machinery may correct this.

"The fuel is described as a great asset as it lies in a coal-less area. The other nearest coal deposits are in Pennsylvania and West Virginia. The Northern Ontario lignite is present in such large deposits that to the Ontario government they justify attention. Their value is further accentuated by the fact that they are owned almost 100 percent by the Ontario Government.

"Meanwhile the experiments are going on and the prediction is made that the lignite will, in the not distant future, have great value."

LANCASHIRE CLUB WHIST DRIVE AND SOCIAL, NOV. 10TH

The Lancashire Social Club will hold a whist drive and social in the Hollinger Recreation hall on Tuesday, Nov. 10th, at 8 p.m. prompt. There will be good prizes for whist and a pleasant social evening for all attending. With the unusually fine October weather a lady on Second avenue picked American Beauty roses on Friday, the 30th. She states that they were better blooms than she has had all summer.

Born—Friday, Oct. 30th, 1931, to Mr. and Mrs. Charlie Ward, 103 Third avenue,—a daughter (Gloria Norene).

D. Craig was a visitor to town last week.

Mrs. Hornsberger, of New Liskeard, is visiting at the home of Mrs. and Mrs. Roy Foreman.

Sunday will be observed as anniversary Sunday at Trinity United Church. The Rev. F. Smith, of Cobalt, will conduct the services. On Wednesday, the 11th, Armistice Day, the Ladies Auxiliary are putting on a turkey supper and as usual this will be up to the standard of good dinners the ladies serve.

Mrs. Smart, of Toronto, is visiting her mother, having been called home owing to the illness and death of her father, the late Mr. Trollope.

Born—Tuesday, November 3rd, 1931, to Mr. and Mrs. James Stilt, 42 Second avenue—a daughter (Mildred).

Howard Wallace and Robert Trollope returned Sunday evening from a hunting trip.

Claimed to be Drunk When Taking Chickens

Sunday evening the police received a telephone call to the effect that a man had been seen coming out of a shed behind a house at the rear of 102 Pine street south, and it was suspected that a couple of chickens had been stolen. Sergt. Moore responded to the call and at the corner of Cedar and First ave. found two men from the house concerned holding Omer Chenier who had two chickens under his coat. Chenier was arrested and a charge of the theft of the chickens was laid against him. He came before the magistrate this week and pleaded guilty to the charge, saying that he was drunk at the time and did not realize what he was doing. He was fined \$10.00 and costs and bound over to keep the peace.

There was only one common drunk at police court this week, and that one was hardly common, being a lady from Sudbury who has been stopping at a local hotel for a few days. She was fined the common fine of \$10.00 and costs. She made more than the \$22.50 worth of noise when being arrested in a local cafe.

A man living on Maple street north, was charged with keeping liquor for sale, but was given the benefit of the doubt and the charge dismissed.

The proprietor of one of the smaller hotels in town was in the case against him. He was charged with having liquor not purchased on his permit. He claimed the liquor found in his bedroom by the police must have been planted there by someone who had a grudge against him as there was no liquor there shortly before the police visited there. One of the boarders of the hotel supported the evidence of the accused and the magistrate dismissed the case. The witness mentioned in his evidence that the hotel man often gave him a drink when he paid his board bill, and the magistrate warned against this as the wrong kind of "receipt" and liable to lead to a conviction for selling liquor.

The charge of reckless driving against Mrs. Mildred Ayotte was adjourned to next week all allow of the bringing in of more witnesses for the defence.

G. N. Ross has purchased the property on Third avenue formerly occupied by Dr. Joyall. Mr. Ross intends to make improvements to the property and will have offices at this residence when the alterations are completed.
