### NOT THE SAME MAN AS THE ONE FINED IN POLICE COURT

Last week The Advance in its police court news noted that E. Dingley had been fined \$100.00 and costs for illegally having liquor. This item has caused some annoyance to E. Dingley, 97 Third avenue, whom some have confused, or pretended to confuse with the man fined. Mr. Dingley, of Third avenue, is the sort of good citizen who keeps out of police court and keeps the law. He is not the E. Dingley referred to in the police court news, the latter's residence being given as one of the smaller hotels in town on the police court record.

### Hallowe'en Social at A.Y.P.A. Much Enjoyed

St. Matthew's A.Y.P.A. held a most successful Hallowe'en social. It was of a masquerade character, and many original, comic, and old-fashioned costumes were displayed by those participating in the frolic. Prizes for costumes were awarded as follows:—first, ladies' fancy, Miss M. Webb; second, Miss Baker; first gentlemen, S. G. Fowler; gentlemen's original costume, Miss V. Bell; ladies, original costume, Mrs. W. D. Forrester. The judging of the costumes was no easy task but was honorably acquitted by Mrs. H. L. Traver, F. Burt and C. P. Walker. A mystery person was a feature of the programme. This person had to be found by approaching him with the words, "Are You Progressing Agreeably, A.Y.P.A.?" Mrs. Forrester was the successful finder of Mr. A.Y.P.A. in the person of Mr. Burt. Games and competitions suitable to the occasion were indulged in. Miss Coleman was responsible for a novel competition of words ending in "sting." In the darkened room with the audience sitting in a circle, a ghost story was told, each one participating, adding their quota to the story. Refreshments were served under the convership of Mrs. Lawley. The president, S. G. Fowler, was the chairman upon this delightful occasion.

November 10th will be another good night at the A.Y.P.A. The topic for that evening will be:—"How we got our Bible."

### FORMER SUDBURY TREASURER ALLEGED SHORT IN ACCOUNTS

Robert H. Grant, former city treasurer of Sudbury, was arrested on Friday last on charges of theft of funds from the city during his time as treasurer. He was let go as city treasurer several months ago and afterwards an extended audit of the books was instituted. Last week the firm of outside auditors engaged on the work submitted their report which showed a shortage in city funds of over eight thousand dollars during the years from 1924 to 1931. The auditors say that the amount may exceed this figure. It is understood that the audit will cost Sudbury over ten thousand dollars, as it had to be carried on for several months and investigations of various kinds had to be undertaken to follow up the work. Mr. Grant denies any wrong-doing but was not able to explain to the satisfaction of the mayor certain items brought forward by the auditors and his arrest followed. He was before Magistrate McKessock in police court at Sudbury on Monday and a remand was granted until Nov. 17th. He is out on bail of \$12,000.00.

### Report that National to be Cut Off Nov. 22nd

Reports are current that the National, running daily over the T. & N. O. line, is to be discontinued after Nov. 22nd, this being said to be part of the reduction of trains planned by the two big railways in Canada now working in co-operation to reduce expenses and avoid overlapping of services. Enquiry at the T. & N. O. station this morning elicits the information that there is no official confirmation of this report or at any event the local station has no official word in the matter. In case the National is taken off the T. & N. O. will have to provide additional service to provide accommodation for the North in the way of train service. This may be accomplished with a few additions to the service, in which case the North will not be seriously affected by the taking off of the National, the latter running fairly close to the Toronto train.

Through an arrangement made recently between the C.N.R. and the C.P.R., the unnecessary duplication of service is being curtailed, the trains being arranged to avoid double service in certain sections. A large amount will be saved to each railway by the re-arrangement of the service, it is said.

### COMMUNIST MEETING ON MONDAY NIGHT A QUIET ONE

A communist mass meeting was advertised for Monday evening at the corner of Mountjoy and Second avenue, the Ukrainian hall property. The avowed purpose of the meeting according to the posters posted up in the dead of night a day or so before, was to protest against the arrest and trial of the nine men charged this week in Toronto with belonging to an unlawful assembly. Probably fifty answered the call, this not being much of a mass meeting, but it was the best that could be achieved, the weather being such that spectators did not gather to watch in the hopes of seeing some excitement. There were some speeches and then adjournment was made to the inside of the hall.

### Noted Dramatic Troupe from Montreal Coming!

A noted dramatic troupe from Montreal, comprising fifteen actors of special talent, are to be here three days next week under the auspices of the R.C. church. On Thursday, Friday and Saturday evenings, Nov. 12th, 13th and 14th, they will present in St. Anthony's hall the thrilling drama, "The Martyr of a Priest," in 6 acts. This drama is thrilling, educational and should be seen by all. It tells the story of the most tragical murder case of history. On Thursday and Friday the drama will be presented in French. On Saturday, it will be given in English. On Thursday and Friday afternoons there will be matinees at 3 p.m., and on Saturday there will be a matinee at 2 p.m. Following the drama there will be presented the famous comedy, "Swiftly in Court." Also there will be an extra special attraction, "The Little China and Indian Dancer."

### RETURNED SOLDIERS' NIGHT AT GOLDEN BEAVER LODGE

The regular meeting night of Golden Beaver Lodge, A. F. & A. M., Timmins, on Wednesday evening next, Nov. 11th, will be an Armistice Evening. The night will be in the form of a Returned Soldiers' event, and will begin with a full course dinner to be served in the banquet room of the Masonic hall at 6.30 p.m. sharp. After the dinner, the regular work of the lodge will be carried on in the lodge room, with returned soldiers occupying the various chairs. An Armistice Day address will be given in the lodge room by Bro. P. A. Boyce. Tickets for the event may be secured from any of the officers of the lodge or at the hall.

### No Quota From Here for Trans-Canada Road Yet

No call has been made as yet on Timmins for any quota for the Trans-Canada highway, nor have there been any material number of men leaving here for other work. There have been few men going to Kapuskasing to cut pulpwood. Apparently the town is left to care for the hundreds of unemployed that may be left here from the influx of the past year to two. Reports from the Northern Development road camps, where there are about a hundred men from Timmins, are to the effect that conditions at the camp are as close to ideal as it is possible to get them. The men say they are fed well and used splendidly in every way. "Pikie" Beaudin, an old-timer of the North, who is in one of the gangs between Porcupine Junction and Cochrane, was in town last week and was enthusiastic about the conditions and the usage of the men. "Things couldn't be better," he said.

A few have come back from pulp cutting at Kapuskasing, but the majority are understood to be satisfied and doing well. The food there is reported as good and the camp conditions splendid. Some are reported as doing very well at this work.

Fine, unusually warm, weather has favored threshing operations in the north-west of Canada during October and has raised the grade of wheat substantially, according to the crop report of the Canadian Pacific's Agricultural Department.

Evaporators in the Annapolis Valley are now working full time and are consuming large quantities of low grade apples. Markets for the evaporated product are being found in Montreal and Toronto with an occasional car for the Canadian West.

The canoe continues to be popular. A recent official report shows that in the last five years in Canada building of canoes has increased by over 30 per cent. in the number of establishments making them and by 88 per cent. in the value of the output.

Canary Korndyke Alcatra is dead. This was the world-famous Holstein cow which in 1928 created a world record of approximately 1,080 pounds of butterfat in 305 days. She was later purchased by the Saskatchewan Government for \$10,000 for breeding purposes.

Due to fall of the Canadian dollar and rise in the French franc, there will be no reduction in the price of wines to Canadians this winter, according to L. B. Cordreau, Chairman of the Quebec Liquor Commission, interviewed aboard Canadian Pacific Empress of Britain on his return recently from a tour of Europe.

Visiting Canada for the purpose of studying all phases of the grocery trade, a party of British grocer apprentices are making a tour of the leading centres of Eastern Canada which includes Montreal, Ottawa, Toronto, Hamilton, London, Guelph, Welland and Niagara, travelling Canadian Pacific lines. They will return to England on S.S. Montclare.

Evangeline Memorial Museum at Grand Pre, N.S., repository of valuable Acadian and other historical relics of Nova Scotia, has been accorded the distinction of inclusion in the directory of the Museum Association, Empire-wide organization, headed by Sir Henry Miers, noted authority, who visited Canada this summer.

Captain A. J. Hailey, R.N.R., veteran commander of the Canadian Pacific liner Empress of Canada has been decorated with the Royal Order of St. Michael and St. George after conveying the Royal party and suite from Victoria to Hong Kong. Captain Samuel Robinson, of the Empress of Japan was similarly honored when he brought the Royal party to Canada.

Co-operation between Canada's two great railway companies registered an important advance recently when it was officially announced that an agreement had been reached whereby the Canadian National will co-operate with the Canadian Pacific Railway and the Canadian Pacific Steamships in the solicitation of freight, passenger and express traffic for Canadian Pacific ships to and from Canadian Atlantic ports. ### HAS REPLIES FROM LONG DISTANCE TO THIS ADVT.

Last week V. Woodbury placed an advt. in The Advance for a white husky pup. This week he had replies from as distant points as Hamilton, Ontario, and New York City. Mr. Woodbury thinks it odd that answers to a call for anything as distinctly Northern should come from so far South, but he says that it certainly brings results from a wide area to place an advertisement in The Advance. One former resident of Timmins has written Mr. Woodbury saying, "Every time I think of the good old days in the Porcupine I feel like a husky pup myself. How will I do?" Mr. Woodbury suggests this week that a line be added to the advt. to the effect that no outsiders need apply.

### Wedding at United Church Manse Tuesday Evening

There was a wedding of special interest to wide circles of friends in town on Tuesday evening at the United Church manse, when Rev. Bruce Millar united in marriage Alexander Buchanan Wilson, proprietor of the barber shop in the basement of the Gordon block, and Miss Jeannetta Iris Kelly, daughter of Mr. and Mrs. Alfred Kelly, of Timmins. There were many friends of the young couple present for the event. Bert Wilson, brother of the groom, was groomsmen, and Miss Ver-na Kelly, younger sister of the bride, was the bridesmaid. The wedding was a quiet but pretty one. After the ceremony a reception was held at the home of the bride's parents, Mr. and Mrs. A. Kelly, 59 Preston avenue, where a number of friends of the young couple gathered to wish them the best, and where all enjoyed a pleasant social time.
