Hockey Opens Here With Lively Match

Overtime Necessary to Decide Game with Kirkland Lake on Friday Last. Biggest Crowd at Match for Some Years. Good Brand of Hockey.

Fifteen hundred ardent hockey fans crowded the Timmins rink last Friday night to witness the first home game in which the Timmins Seniors participated this season. This makes the largest attendance at any hockey game in the history of the town, with the possible exception of the famous Sault Ste. Marie-Timmins game several years ago. And the fans attending the game were not disappointed, for the home lads came out at the end of the game at the long end of a three to two score.

The ice was in perfect condition for hockey, and probably the only thing to mar the perfection of the game was the delay in the large crowd gaining admission to the rink, and the heavy clouds of tobacco smoke which hung over the ice from the start of the second period to the finish of the game.

The teams lined up—Timmins—Hodnett, God; Porter and Krupka, defence; Godin, Lortie and Arundell, forwards; McKinnon, Laflamme, Richer and Auger, alternates.

Kirkland Lake:—Phillips, goal, Valentine and Rainville, defence; McDougall, Basset and O'Connor, forwards; Gleason, Morden, Calhoun, McFee, alternates; Burns, spare goalie.

Mayor Geo. S. Drew, of Timmins, faced the puck, and play was immediately started by the locals pressing. Kirkland Lake reversing the procedure right after. Some fine back-checking featured the next few minutes of the game, until Krupka and Lortie broke away, the latter scoring on Krupka's pass. Timmins—1. The next few minutes saw the Lake pressing hard to equalize, but failing to get away. The first penalty of the game came when Valentine went to the cooler for a trip. Several fine chances to score were missed by both teams, the Lake drawing their second penalty when Gleason went to the box for a trip. Phillips was kept busy, while Hodnett had a comparatively easy time, the southern Gold Miners failing to pass the Timmins defence, but it was with a distinct feeling of relief that the local lads welcomed the gong. Timmins 1, Kirkland Lake 0.

Individual rushes by both teams were the order in the second period, though once Auger called on Phillips to go to his knees to save. Hodnett saved a nice one from Basset who had skated through the whole Timmins team. Rainville drew the first penalty of this period, when he tripped Richer. The locals pressed hard, but could not pass Phillips. Valentine went off when he tripped Arundell, and right after Auger joined him when he tripped Basset. To make it a trio in the penalty box Porter tripped Marden. Kirkland pressed hard, but McKinnon and Laflamme were working hard. Some fine combination work featured the forward line of the Timmins team, but Phillips could not be passed. Basset again tried a lone rush and beat Hodnett for the Lake's first tally. Both teams worked hard in the dying minutes of the period, the gong ringing with the score a tie.

The third period opened in a startling fashion for the locals. Before either team could get going properly O'Connor got the puck, skated down and sent a hot one past Hodnett with a backhand shot, the puck glancing off the Timmins goalie's arm into the net. With one goal to the good the Lake team pressed hard, and Hodnett was kept busy. O'Connor was hurt and had to be carried off the ice, but returned to the game later on. Basset had an enforced rest for hooking, and Arundell and Calhoun followed him for mixing it. Valentine tripped Porter as the Timmins man was about to shoot and got a trip out of it. Auger went down in a lone rush, playing the boards and scored the equalizer in a fine shot. Porter went off when he threw his stick saving what looked like a certain goal. Rainville took an enforced rest for tripping. Both teams were working hard to get the lead when the gong sounded. Timmins 2, Kirkland Lake 2.

The overtime period was full of thrills, the local lads pressing all the way through. Three minutes from the face-off Arundell scored on a clever pass from Lortie. Valentine went off for tripping Auger. The locals kept pressing keeping the Lake for the biggest part of the overtime in their own territory. Just before the final gong Porter broke away, and sent what looked like a sure one at Phillips who saved in skilful fashion. Timmins 3, Kirkland Lake 2.

For the locals it would be difficult to pick out the best player. Krupka and Porter proved a stonewall defence, while the forward line gave them good support.

Basset was the outstanding player on the visitors' team, Rainville coming a close second, while Phillips in goal could not be condemned for the goals he failed to stop.

The crowd was well pleased with the brand of hockey provided, and will be on deck for more of it.

Toronto:—Grace United Tuxis, Trail Rangers and Explorers promoted a

very successful "Dad's Night" on Friday last. One hundred fathers were present. A varied programme of songs, music, skits, stunts was greatly enjoyed by all. Gord Lapp was the speaker of the evening, and Mr. Ed. Newbery of Westminster United, Weston, entertained with a mystery story.

News from the North.

In the Tuxis Boys and Trail Rangers' Corner appearing in the city papers last week the following paragraphs were featured:—

"The Excelsior Tuxis Square of Timmins recently qualified for the certificate of recognition. Among its varied programme come the following programme suggestions. The boys assisted the C.G.I.T. Club in their rummage sale by calling for bundles, wrapping same and generally making themselves useful. The group is adapting the new Trail Ranger Code to Tuxis and plan to have it painted in colours on a canvas 5' x 5' for the purpose of hanging on the wall of their meeting place."

Schumacher; A new Trail Ranger camp, known as the "Troquois," has recently been organized with a membership of twelve boys. Harold Craig, is mentor."

SOCIAL THIS EVENING BY THE CORNISH SOCIAL CLUB

This (Thursday) evening the Cornish Social Club are holding one of their pleasant social evenings in the Hollinger Recreation hall. The programme for the evening will include solos, duets, quartettes, etc., and Cornish readings. The event is for all Cornish people or people of Cornish descent. Members are asked to kindly bring refreshments. It is also noted that the pie social has been postponed to Thursday evening, Jan. 28th.

St. Mary's Journal-Argus:—Stratford and Woodstock voted decisively against daylight saving. The scheme is now down and out in this province except for Toronto and a few industrial towns.

Caller (inquiring for son of the house)—"Wharf's young Angus, Mr. McFee?"

Mr. McFee—"He's dock in the shed sharpening the gramophone needles. We're giving a wee party the night."

BIG PRIZE WHIST DRIVE BY AMBULANCE BRIGADE, JAN. 29

Another of those pleasant prize whist drives under the auspices of the St. John Ambulance Brigade, Timmins Division, will be held in the Hollinger Recreation hall, on Friday, Jan. 29th, commencing at 8.15 p.m. The prizes will include two \$10.00 vouchers, two \$5.00 vouchers, two \$2.50 vouchers, two other prizes and a door prize. There are two special reasons why this event—and all other events under the same auspices—should be largely patronized. One reason is that the S.J.A.B. deserves the heartiest support for the good work it is doing, and the other is that the event itself is sure to be a very enjoyable one. Accordingly all should remember the big prize whist drive on Friday evening, Jan. 29th.

CULBERTSONS WIN BRIDGE TOURNAMENT BY NICE MARGIN

Word from New York last week was to the effect that Mr. and Mrs. Ely Culbertson were at the top of the bridge world and the Culbertson system upheld by the result of the tournament concluded between the Culbertsons and Sidney S. Lenz and partners. The contest developed from wagers as to whether the Lenz or Culbertson systems were the best for contract bridge. Culbertson's side was 8,980 points ahead at the conclusion.

In nineteen nights and one afternoon, 150 rubbers and 879 hands Culbertson with one or another of five partners won 77 rubbers and 122,925 points as compared with 73 rubbers and 113,945 points for Sidney S. Lenz and two partners. More than a million words were wired about the matter.

The daily newspapers will now have to go back to the war in Manchuria. And that's that.
