

Schumacher Mourns Death of Miss Elley

Passing of Miss Gladys Elley Greatly Regretted by Wide Circles in Schumacher and District. Other Items from Schumacher Correspondent.

Schumacher, February 24th, 1932. Special to The Advance.

Mrs. E. Keelan returned on Sunday from Arthur where she had been called a few weeks ago, owing to the illness and death of her father.

Mr. and Mrs. S. Fulton returned on Wednesday from Owen Sound.

The Ladies' Auxiliary held a very pleasant time on Wednesday evening in honour of one of their members, Mrs. A. J. MacDonald, who has moved to Timmins. An address was read and on behalf of the members Mrs. MacDonald was presented with a silver cake plate. Mrs. MacDonald will be greatly missed as she always for a number of years gave very generously of her time and talent to assist the church and its various organizations. She leaves a place which will be hard to fill. She responded to the presentation by saying that she really did not feel she was going far away as she would always be able to visit with the members often, although she would work in another church.

Mrs. J. MacKenzie and small daughter, Jessie, left on Tuesday for Scotland. Miss Meda King, small daughter of Mr. and Mrs. R. L. King, who is a patient at St. Mary's hospital, is doing nicely.

Sympathy is extended to Mr. and Mrs. H. Elley and family in the sudden passing of their youngest daughter, Gladys. Although Miss Elley has been ill for the past thirteen months and did not seem to improve much, no one thought the end was so near until Thursday morning when she seemed to collapse and passed away that evening. Miss Elley, who was only twenty years and seven months old, had lived here nearly all her life. Upon finishing her school she worked as bookkeeper for N. Blaney, and later for Mr. Pexton, insurance agent, where she was employed when she took ill. She leaves to mourn her parents, two sisters, Mrs. J. Shields, of town, and Mrs. Robert Ellerton, of Charlton, and one brother, Richard. The funeral was held on Saturday afternoon from her parents' residence, 116 Fourth avenue. The Rev. Mr. Slade, of Timmins Baptist church, conducted the service, assisted by Mr. Lennox, of Grace Chapel. Mr. Slade spoke of the young girl's passing, her long illness which was very patiently borne and always looking forward to being better. One of her favourite hymns was sung, "What a Friend We Have in Jesus." Interment was made in South Porcupine cemetery at the girl's own request. The pallbearers were:—Val Ray, G. H. Ray, R. Proulx, Abe Sinclair, W. Young, George Fenwick, L. Drady. There were many beautiful floral tributes:—a pillow from the parents, brother and sisters; wreath employees of the Steel Shop, McIntyre Mines; wreath, Mr. and Mrs. W. J. Lampron and family; cross, Mr. and Mrs. L. A. Wilson; wreath, Mr. and Mrs. R. J. McLeary; heart, Mr. W. P. Shields; cross, Mr. and Mrs. Cory Miller and family; wreath, Mr. and Mrs. Ray and family, Timmins; Gates Ajar, Abe Sinclair and R. Proulx; wreath, Mrs. M. Wilkinson, Toronto; sprays, Mr. and Mrs. Ringstead and family, Timmins; Fred Dwyer, Mr. and Mrs. Z. F. Mansfield, Timmins, Mr. and Mrs. G. H. Cooke and family, Nick Blaney, Mr. and Mrs. J. Caddy, Carl and Hazel Hicks, Mr. and Mrs. L. Bailey, Timmins, Jean and Whitton Young, Coniaraum Mine, Mr. and Mrs. H. Leng, Mr. and Mrs. Eddy Hunt, Timmins, Mr. and Mrs. Robinson, Coniaraum Mines, Mr. and Mrs. F. Simms and Mrs. Malone, Dr. Weston, Miss Mary Mur-

Eleven Cases at Police Court Here This Week

The police did not think they had much of a docket at police court this week, yet there were eleven cases, though some of them were remands from last week and some were remanded to next week.

A. C. Chenier was again charged with conducting an undertaking business without complying with the transient traders' by-law here. Judgment in this case is to be given next week.

On the charge of keeping a gaming house, Wilbert Brewer was allowed to go on paying the costs of the case, sentence being suspended. The case arose from a raid on a club conducted in the basement of the Ideal Poolroom building. Another man was fined in connection with the case some weeks ago and a number of those "found in" at the time also paid fines. Although Brewer was one of those in charge of the club, he was not there at the time of the raid.

The charge of permitting drunkenness on his premises, as preferred against Isaac Brisbois was dismissed in court this week.

A remand of two weeks was made in the case of a Deloro man who was charged with theft from John Jones and also with retaining stolen property.

Mrs. Vincenzo Frattoni was charged with obstructing the police in their duty. The police said that on a recent visit there she had struck a bottle of liquor in the stove to prevent the police finding it. As the police had not had time to produce their search warrant before the action objected to, it was held that there had been no obstruction on the part of the woman and the case was dismissed.

Paul Pasquin was found guilty of the theft of a timer from a car on Wilson avenue and he was sentenced to not less than three months nor more than a year.

Two common drunks paid the common penalty of \$10.00 and costs each.

One woman for drinking in a public place was fined \$25.00 and costs, a more serious liquor charge against her not being pressed.

A charge of reckless driving was remanded to next week.

The Club Royal orchestra announces a dance to be held in the McIntyre Recreation hall on Friday evening of this week, Feb. 26th. Dancing will be from 10 to 2:30. He will be with the Club Royal orchestra from now on. The orchestra for Friday evening will be a 7-piece one and the music will be something to write home about. Public Library has Membership of 4121

There were 72,690 Books Taken Out Last Year. The Timmins Public Library Now Has Nearly 10,000 Volumes.

There is probably no other public institution in the town that gives so much of value, interest and pleasure to as large a number of citizens and their families at so notably small a cost as the Timmins public library. During the few days when the library was closed down on account of the necessity for moving into new quarters people were impressed with the large place filled by the library in the public interests. It is well occasionally to emphasize the fact of the public library's usefulness and benefit to the community. It took a long time and a lot of effort and patience to establish the public library here in the first place, but those concerned may well look back now with the feeling that it was all well worth while.

With the re-appointment at Monday's town council meeting of Mr. Ringsleben as a member of the public library board the executive is again complete. The following are the members of the Timmins public library board:—Rev. R. S. Cushing, chairman; Mrs. Jos. A. Theriault, vice-chairman; E. L. Longmore, treasurer; Mrs. D. Grimston, secretary; Rev. Bruce Miller, W. C. Ringsleben, A. J. Transom, and Rev. Fr. O'Gorman.

It is interesting to note the growth of the public library here from its small beginnings in 1924. At the present time the following are the books in the library:—Adult, fiction, 4,751. Adult, non-fiction, 2,777. Juvenile, 2,649. Total, 9,877.

It should also be mentioned that the library board has used special care and skill in the choice of books with the result that the selection is an unusually good one and meets in excellent way the general requirements.

The total number of members on the roll during the past year was 4,121.

The circulation of books during the past year reached the impressive total of 72,690 volumes, which is an increase of about 1,000 over the previous year, showing that the library is not only maintaining but increasing its popularity.

In addition to the library features, there is a reading room that is proving of increasing value and interest, leading newspapers, magazines and reference works being available in the reading room.

It is not out of place to add a word of praise for the effective public-spirited service of the chairman and other officers and members of the board in the success of the public library here, and also to state that the advancement and benefit of the Timmins public library is due in large measure to the patience, skill and interest of the librarian, Mrs. D. Grimston, who has carried on the work very effectively since the organization of the library here.

WHIST DRIVE AND SOCIAL AUSPICES SONS OF SCOTLAND

A whist drive and social will be held in the Moose hall, Timmins, on Tuesday evening, March 1st, commencing at 8:20 p.m. The event will be under the auspices of the Sons of Scotland and there is every reason to expect a very pleasant evening. The success of the recent Burns banquet is proof that the S.O.S. knows how to arrange delightful events and the whist drive and social next Tuesday is going to be an extra special. There will be right good prizes for the cards, and the social features are sure to be the best.

Mr. H. L. Laurent, of Toronto, is visiting friends and relatives in town.

NOTED SAXAPHONE PLAYER WITH CLUB ROYAL ORCHESTRA

The Club Royal orchestra is now featuring Al. Pierini on the saxophone and the addition of this musician to the orchestra should be of more than passing interest. Al. Pierini has played over W.J.R. Detroit, and has won considerable popularity as a saxophone player. He will be with the Club Royal orchestra at the dance in the McIntyre hall on Feb. 26th (to-morrow evening). The orchestra for the occasion will consist of seven pieces.

Juvenile Night at Band Concert Here

Concert in Goldfields Theatre Sunday Evening a Very Pleasing One. Next Band Concert St. David's (Welsh) Night, March 6th

There have been many favourable comments in regard to the band concert in the Goldfields theatre after the church services on Sunday last. It was "Juvenile Night" and the many young artists did credit to themselves and to their teachers. The selections by the Timmins Citizens' Band were also enjoyed, and the event generally was considered by the large attendance present as one of the best for a long time.

Dr. S. L. Honey, one of the members of the executive committee of the band, acted as chairman and filled the position very acceptably and effectively. Owing to the length of the programme it was not possible to allow encores, and in view of the fact that each and every item on the programme was exceptionally good it would not be fair to single any out for special mention.

The following is the programme with the names of the young artists and their teachers:—

Chairman's remarks, by Dr. S. L. Honey.

"O Canada," "Sandon," "Washington Greys," by Timmins Citizens' Band. Pianoforte solo, Miss Lillian Huot, South Porcupine, pupil of Mrs. Wilkins. Violin solo, Master David Gordon, pupil of A. Gordon.

Scarf dance, Misses Annie Jepson, Kathleen Wilkinson, Peggy Gedze, Winnie Jackson, Beatrice Pennington, pupils of Mrs. H. Burt.

Vocal solo, Miss Bellamy, pupil of Mrs. A. Bellamy.

Tambourine dance, Miss Kathleen Wilkinson, pupil of Mrs. H. Burt.

Overture, "Poetic Fancies," by the Band.

Piano solo, Miss Tonin, pupil of Mrs. Huxley.

Violin duet, Masters David Gordon and Stuart Scott, pupils of A. Gordon.

Vocal solo, Miss Linda Grant, pupil of Mrs. W. Roberts.

Violin solo, Miss Tomlinson, pupil of M. Ross.

Russian dance, by Miss A. Jopson, pupil of Mrs. H. Burt.

Pianoforte solo, Miss A. Paice, pupil of Mrs. Wilkins.

Minuet dance, Misses A. Jopson, K. Wilkinson, P. Gedze, B. Pennington, pupils of Mrs. H. Burt.

March, "National Emblem," by the Band.

National Anthem, by the Band.

The popularity of the programme for the evening is attested by the fact that there has already been a request for another "Juvenile Night" before the summer months.

The next band concert will be St. David's (Welsh) Night, Sunday, March 6th.

Annual Meeting of W. M. S. of District

Women's Missionary Society of Cochrane Presbyterian Met at Matheson on Saturday. Officers for Ensuing Year.

The annual meeting of the Women's Missionary Society, Cochrane Presbyterian was held at Matheson, Saturday, Feb. 20th, in the United Church.

The morning session opened at 10 a.m. and was well attended.

Miss Henry had charge of the luncheon and received many compliments on her spring-like decorations as well as for the delightful repast.

In the afternoon the Rev. Jones, of Smooth Rock, gave an inspiring address on the work of the W.M.S. in the Leithbridge District. The Christianizing influence of school, homes and hospitals in this part has been far-reaching in its results to new-comers in Canada.

The Communion Service was in charge of the Rev. Jones and the Rev. Burnett, of Matheson.

The following officers were installed for 1932-1933:—

2nd Vice-president—Mrs. Macartney, Monteth.

Secretary—Mrs. Leck, Schumacher. Treasurer—Miss Andrew, Cochrane.

The reports from all the branches showed advancement and the delegate from Hearst, gave a bright little sketch of the work being done in the W.M.S. hospital at that station.

The Literature Department in charge of Miss Brown was fairly well patronized.

The Sunbeam Mission Band of Cochrane were again successful in winning the banner.

Miss Henry very kindly invited the members to inspect the Matheson W.M.S. hospital after which supper was served in the church.

Votes of thanks were given Miss Perry and her Mission Band and to the ladies who provided such inspiring music.

Mrs. Miller moved a vote of thanks to the Matheson ladies who were untiring in their efforts to make the meeting a success.

DELEGATION TO OTTAWA ABOUT SECTION 98 OF CODE

A delegation, pretending to be from a workers' organization or group of organizations had a meeting with Hon. W. A. Gordon, Minister of Labour, at Ottawa this week. The delegation had representatives said to come from various cities. They asked for the repeal of Section 98 of the Criminal Code. Hon. Mr. Gordon took the matter under consideration and promised to draw the question to the attention of the Premier. The attitude at Ottawa this week in regard to Woodworth's proposal for the amendment of the criminal code shows that there is little chance of parliament even considering changing the law forbidding violence and force for political schemes and to overthrow all government authority. If any group can secure the repeal of Section 98, it is up to the thieves and burglars to have the sections against theft repealed.
