Declare Kirkland Lake Club a "Public Place"

Under the heading, "Heavy Fines Against Local Men," The Northern News last week said, in part, in its report of the police court at Kirkland Lake:—"Police court proceedings at Kirkland Lake on Thursday last took a sensational turn when a branch of the Tisdale Athletic Club at 25 Government Road, including any apartments connected with it, was declared a public place under the Liquor Control Act. This pronouncement followed convictions for having liquor illegally stored. Alex McGrath and Walter Roberts, who were arrested recently by local provincial police in an apartment at the rear of the above club. With each conviction Magistrate Atkinson imposed a fine of \$500 and costs or three months in jail. Both men were absent from the crowded court room when their names were called and thus bench warrants for commitment were issued. In the case of Roberts bail of \$125 was estreated while McGrath was only summoned to appear. A bench warrant was also issued for Alfonso Sgra, rear of 46 Teek Ave., who failed to put in an appearance to answer a third offence for having liquor not purchased on his own permit. His bail of \$120 was estreated. In connection with the McGrath arrest, Constable MacDougall, O.P.P., informed his worship that Constable Gall and he had visited the apartment at the rear of the club at 25 Government Road West, at 11:30 p.m. on April 5th and found a part bottle of liquor. In the room beside the accused at the time he said there were Jack Byrnes, alleged to be manager of the club, Walter Roberts and another man. McGrath claimed the liquor and stated he rented the apartment at \$40 a month. The constable stated there was no indication the apartment was used as a residence and also that the accused had a room at 36 Kirkland St. Byrnes, said the witness, averred the liquor was owned by his brother who rented the room. The magistrate found McGrath guilty of having liquor in other than his own private residence and gave out the fine of \$500 and costs or three months in jail. The charge of having liquor without being the owner of an individual permit was laid against Walter Roberts after a visit to the same apartment on the evening of March 30th by Constables MacDougall and Gall. Three cases of beer and some liquor were found on this occasion and Roberts, who was alone, said he was in charge of the apartment, according to the police. As the second fine of \$500 and costs was announced and the club declared a public place under the L.C.A. Magistrate Atkinson stochastically remarked, "It may hurt their feelings but it won't hurt mine."

Death by Accident the Verdict of Jury

No Blame Attached to Anyone in Case of Death of Messrs Keen and Sasseville. Fuse Likely Cut too Short.

The coroner's jury enquiring on Friday last into the death of Edward Keen and Lorenzo Sasseville who met death in a blasting accident at the Hollinger on April 12th brought in a verdict finding that death was due to accident and that no blame was attached to anyone. The jury's verdict, however, expressed the opinion that the accident was likely due to the fact that too much was cut off the fuse by the men. Pieces of fuse picked up in the drift after the accident and also other samples of fuse were tried out by the jury and found to be all good.

Coroner H. E. Montgomery presided at the inquest and Crown Attorney S. A. Caldwell and Mining Inspector R. H. Cleland were present, the latter assisting very materially in the bringing out of all possible information in regard to the accident. Dr. H. H. Moore gave evidence in regard to the injuries sustained by the two men. John Cattie shift boss in charge of the shift on which the two men were, told the jury that they had told him they might be late and so he had not worried when they did not come off shift at eleven. He went down at one o'clock and found the men. W. DeFeu, foreman of the jury, while commending the witness for his clear and straight-forward evidence, suggested that too long a time had been allowed to lapse before the men were again visited to see that they were all right. Messrs Thashow, R. E. Phillips, W. McDermott and others gave evidence, from which it seemed that the likely cause of the fatality was the cutting off of too much of the fuse used. The evidence of W. McDermott, mine captain at the level where the accident occurred was particularly clear and valuable. He said that 8 feet of fuse was the length supplied, and to judge from the pieces of fuse found in the drift too much had been cut off in the case in question. He said that the two men were good workmen and careful. Mr. McDermott said that he had never run into any "quick" fuse and did not think there was any such thing. One of the jurors did not agree with this, saying that he had seen "quick" and "slow" fuse. In answer to Foreman DeFeu, Mr. McDermott said he had instructed the men in regard to their duties and the care that had to be taken. Both men were experienced. Keen had been using powder for a couple of years and Sasseville the same.

The jury included:—W. DeFeu, foreman, F. M. Burke, J. Dalton, J. D. Brady, J. E. Dunlop, Mike Burke, Jack Dingley and E. L. Drew.

Her many friends will be pleased to know that Mrs. P. Maltas, who underwent a serious operation in St. Mary's hospital a couple of weeks ago, is now making satisfactory progress to complete recovery.

- Grilled Small Steak, Drawn Butter
- Vegetables
- Snowflaked or Au Gratin Potatoes
- Home Baked Beans
- Dessert
- Apple, Raisin, Lemon and Fig Nut Pie with Whipped Cream.
- Chocolate Whip

Another Big Docket at the Police Court

Cases This Week had Variety and Brought in a Nice Sum of Money. Some of Last Week's Fines Paid.

Police court this week was notable for the variety of the cases, the number of cases, and the amount of money coming to the town as a result of the activities of the police department. It may be also noted that the fines of a couple of those who were taken down to Haileybury last week were paid this week with the usual result that the two men concerned secured their liberty and the town has the money from the fines, some \$300.00.

A woman who charged her husband with failing to provide for her and her family did not win much sympathy in the court. The husband expressed his readiness to provide for his family if the wife would look after the house in any fair kind of way. In court she wanted about \$100.00 a month to support the family, and this looked a lot in view of the fact that the man was only making about \$130.00 a month. The magistrate dismissed the case against the man and gave the woman some good advice.

A girl of sixteen was charged with the theft of a dress from the home of a lady with whom she had stayed a couple of nights. The dress was found in the girl's suitcase, but she said it had been given to her by another girl. She elected to be tried by a judge and jury.

George Bacon and five others charged with assault some weeks ago upon three of their fellow countrymen came before the court. Bacon was fined \$20.00 and \$24.70 costs, while the charges against the other five were dismissed. The other five said they were not with Bacon at the time of the assault and did not take part in the trouble.

Paul Pelzer, rear of 79 Pine street, pleaded guilty to illegally having liquor, and was fined \$200.00 and costs.

A charge against a woman for keeping liquor for sale was adjourned for a week.

J. Manwell, charged with the theft of wood from a neighbour's yard, was sentenced to two months. The neighbour had been missing wood and so marked some of the sticks. Some of these marked sticks were found in Manwell's possession when a search warrant was issued.

Four common drunks were assessed the common ten and costs, one of them paying up promptly. On a charge of being drunk in a public place four others each paid \$25.00 and costs.

There were two charges against a Mountjoy lady. One of these was for a breach of the Inland Revenue Act and was laid by A. Moran of the Inland Revenue Dept. The other was a charge for permitting drunkenness on her premises. This latter charge was laid by Provincial Constable Hartlieb. Both cases were remanded to next week.

Bertha Terrabasse pleaded guilty to a charge of vagrancy and was fined \$25.00 and costs, paying up at the time.

Cast of the Play to be Presented Next Week

Elsewhere in this issue will be found reference to the play, "Home-Again Harry," to be presented in the basement of the United Church, Timmins, on Tuesday and Wednesday evenings of next week, April 26th and 27th, under the auspices of the Young People's Society. The play promises to be an excellent entertainment. The cast is an all-star one. Among those in the cast are:—Miss Colleen Phillips, Miss Muriel Brownell, Miss Betty Patterson, Miss B. Martin, Miss Gertrude Doherty, Miss Jean Fortin, Chas. Napper, Bill Turrell, Jack Bleadon, Grant Eddy, Farquhar Anglier, Alex Finlayson.

DEATH OF MRS. A. CHENIER, MOTHER OF A. C. CHENIER

There will be general sympathy extended to A. C. Chenier, undertaker, in the recent death of his mother, Mrs. Angelina Chenier, who passed away at Gracefield, Quebec, on April 13th.

New Schedule of the Amusement Taxes

Charity Events Included, but Refund Possible in Certain Cases. Tickets up to 25c are Exempt.

There are so many local events of one kind or another in this town and district that the question of the amusement tax is of special interest and importance to a large number of people. Recently there have been a number of enquiries in regard to the schedule of amusement taxes that will be in force, and for the general information The Advance is giving herewith the new schedule of provincial taxes on amusement events:—

The complete schedule of new provincial amusement taxes, which become effective May 1, was announced last week by Hon. E. A. Dunlop, provincial treasurer.

Inclusion among taxable events of entertainments for charitable and patriotic purposes is an outstanding feature of the new legislation, although the effect is modified by a provision that where it can be shown after the event that 66 2-3 per cent. of the gross receipts have actually gone to charitable or patriotic purposes, the department will refund the tax to the organization conducting the entertainment. In this way, entertainments coming within the proviso will actually benefit to the extent of the tax.

Exemptions from amusement tax include tickets to race tracks, on which there is a fixed tax of 25 cents, tickets to agricultural fairs where there are no shows held within the grounds, and church entertainments or socials where no one receives remuneration or expense and the proceeds are for church work.

The complete schedule follows: All tickets up to 25 cents, exempt. Over 25 cents, and not more than 33 cents, two cents. Over 33, and not more than 37, three cents. Over 37, and not more than 46, four cents. Over 46, and not more than 55, five cents. Over 55, and not more than 64, six cents. Over 64, and not more than 73, seven cents. Over 73, and not more than 82, eight cents. Over 82, and not more than 91, nine cents. Over 91, and not more than \$1, ten cents. Over \$1, and not more than \$1.50, fifteen cents. Over \$1.50, and not more than \$2, twenty cents. Over \$2, and not more than \$2.50, 25 cents. Over \$2.50, and not more than \$3, 30 cents. Over \$3, and not more than \$3.50, 35 cents. Over \$3.50 and not more than \$4, 40 cents. Over \$4, 50 cents.

The St. John Ambulance Brigade announce a bridge party to be held in the S. J. A. B. headquarters, Shankman's hill, foot of Third avenue, on Monday evening of next week, April 25th. There will be good prizes and all can be sure of a good time.

Unemployed Man Used Deceit to Secure Relief

Isaac Sello, a Finlander at Kirkland Lake, was recently charged in police court there with obtaining goods by false pretences, the goods being obtained from the relief department of the municipality. Sello was found guilty and sentenced to two months in jail at Haileybury. There have been a number of these cases in the North and all should take warning that jail terms will be the penalty for the contemptible crime of defrauding the municipal relief funds. This form of fraud implies hardship on the deserving poor as it means that others will not only find it harder to secure needed assistance but there will also be less for the honest poor to receive. In the case of the man at Kirkland Lake, he registered as a married man with a wife and four children. On the strength of the statement that the family were starving, Sello received about \$50.00 worth of groceries from the town over a period of time. Upon investigation it was found that Sello could not produce any wife or family at the address he gave. His explanation was that he had sent them to Montreal as it was cheaper to keep them there. This did not explain his continuing to secure the groceries but still worse was to be proven—namely that Sello did not have any wife or family in Canada at all. This was eventually admitted by Sello, who said he had been expecting his family to come here and so had registered them as living in Canada. He had not sent them money to come here, he said.
