

Talk About Another Parade to Be Held Sunday, May 1st

United Front Group Ask Council for Permission for Parade on Sunday with Banners, Etc. Don't Want the Union Jack; Prefer Another Flag. Council Asked to Suggest Name for New Park. Other Business Before Town Council on Monday.

The regular meeting of the town council of Timmins was held on Monday afternoon with Mayor Geo. S. Drew in the chair and Councillors A. Caron, R. Richardson, Dr. S. L. Honey, J. T. Chenier, A. P. Dooley and J. Morrison present.

The necessary permission was given the Salvation Army to hold their annual tag day on May 28th. Permission was also given the St. John Ambulance Brigade for a tag day on June 25th.

A number of petitions and requests for water service, sidewalks, sewers, etc., were received and referred to the various committees. R. Hardy addressed the council in regard to the request for water service on the power line at Rex street. There were three houses to be served. The waterworks committee will look into the matter and report. A petition for water and sewers on Kirby avenue between Preston and Cameron was signed by seventeen names. The petition will be considered by the committees concerned and reported on later.

A letter from the Deputy Minister of Education in response to a letter from the town gave the information that for the present the provincial government is not guaranteeing the debentures for new public schools or extensions.

Council received a letter from Frew W. Sims, who claimed to have an all-Canadian show with many returned soldiers employed. Mr. Sims wished to show at Timmins this summer and wanted the goodwill of the council.

A communication was received from the United Front Conference asking for permission under the town by-law to hold a parade here with banners, etc., on Sunday, May 1st. N. Thachuk spoke to the council on behalf of the United Fronters. He said May 1st was the workers' day and they wanted to celebrate it.

Mayor Drew thought Sunday not a suitable day, and suggested the council might be asked for permission for the parade on Monday. Mr. Thachuk said he did not think that would suit the United Fronters. In answer to a query from the mayor as to whether the group had not made the statement that they intended to hold a parade with or without permission, Thachuk kept silent. Mayor Drew then called attention to the fact that the group had agreed not to parade in March but to wait until May 1st. Despite this understanding they had proceeded with the March parade. The mayor felt that in view of this breach of faith they had forfeited any claim to consideration.

Mr. Thachuk enumerated the various groups, including the Ukrainian and Finnish organizations that he said were affiliated with the United Front Conference.

"If permission is given for the parade will you carry the Union Jack?" asked Councillor Morrison.

"We don't intend to," replied Thachuk. "We would sooner carry another flag." Many in the group have suggested the red flag, according to Thachuk, who added that if the Russian emblem were carried the Union Jack might also be carried as was done in the West sometimes.

A handbill calling on workers to get out on the streets on May 1st at 2 p.m. at the corner of Second avenue and Mountjoy street (Ukrainian hall corner) was read and Thachuk admitted it was secured by the United Front group but it had not been issued as yet for distribution. "It has been printed," commented the mayor, "and it looks as if this were done before trying to secure permission for the parade."

Mayor Drew was opposed to consideration of permission for this sort of a Sunday parade, and asked Thachuk if the application might not be changed to read Monday, May 2nd. Thachuk said he did not think this would be agreeable to the United Fronters who wanted to celebrate May 1st. The mayor said that if the United Fronters wanted to make an application for Monday a special meeting of council might be called to consider the matter.

The council were unanimous in refusing permission for the Sunday parade. Mayor Drew said that if application were made for a parade on Monday and if the permission were given, any floats or banners would have to be submitted to the police first, as it was not intended that insulting or objectionable banners or devices should be carried.

A letter was received from the Davey Tree Expert Co. of Canada, Limited, inquiring as to how the trees in Timmins had come through the winter and offering the town a free inspection of the town trees with expert tree surgery available at the town's request later, presumably at specified rates.

Councillor Chenier called the coun-

cil's attention to the case of a lady who had been a resident of Timmins for two years past. She had been in the hospital and was handicapped by illness. She was 69 years of age. She thought that if the town could arrange to pay for a room for her she might be able to keep herself otherwise though she could not work steadily. The matter was referred to the contingency committee for further investigation and consideration.

Mr. Babcock showed the council the plans for the proposed new park for Timmins being under way at present, work having started this week. Though it was just outside the town and so no permit or license was required from the town he was anxious for the support and co-operation of the council. The park was being installed on the Wilson farm just across the river, this site being favoured by the people of the town as evidenced in the recent contest. There were to be amusement features, bathing facilities, tourist camp, etc. There would be several buildings erected and these would be protected from fire by means of chemical extinguishers, etc.

Mayor Drew said that the town had no criticism to offer and he felt sure the townspeople would support the park if it were properly conducted as no doubt it would be.

Mr. Babcock read some suggested names for the new park—Timmins park, Mountjoy park, Joy park, River park, Mattagami river park. He asked the council to select or suggest a name but the council left this over. Mr. Babcock said a band stand was to be erected at the park and the Timmins Citizens' was ready to co-operate by giving band concerts there in the evenings and Sunday afternoons.

A. G. Carson, superintendent of the District Children's Aid suggested to council that the annual grant to the society be increased this year. The society felt the effects of the depression in its finances and at the same time found even more than the usual number of calls this year. Mr. Carson touched briefly on the value of the work of the Children's Aid and showed how it really saved the town money. G. A. Macdonald, president of the District C. A. C., also spoke briefly along the same line. Mayor Drew remarked on the good work of the society, and commented that it had been suggested that the proper way to support work of this kind was by placing it on the rates, but the difficulty in this connection was that the work applied to all the district and all the municipalities were not ready to follow the plan of providing for it by taxation. Eventually the council made the usual grant of \$500.00 and if more is required later will re-consider the matter.

A. E. Phillips spoke to the council in regard to a man in one of his houses. This man had been out of work, indeed, was not able to work in any regular job. He had not paid any rent for four months and Mr. Phillips did not like to put him out of the house as there was no place he could go. Mr. Phillips was willing to take three months' rent for the four owing. The council had a rule against paying rent except in unusual cases, but thought Mr. Phillips might be helped in getting free of this tenant by having the little girl there taken to the Shelter, and the man then could go away to follow his regular business of cook.

Mr. Phillips also presented a bill for coal supplied Mr. Flanagan to test out the disposal plant. The bill went back to 1923, and the council thought it was too long overdue for anything to be done now. The bill should have been paid by Mr. Flanagan.

Comrades Greaves and Beilamy of the Canadian Legion asked the council for a grant to carry on the relief work of the Legion. Mr. Greaves said that the relief fund was about exhausted. About \$2,000.00 had been expended by the Legion for relief during the past year. There were still cases to be dealt with and the Legion's relief fund was now exhausted. The Legion's work during the past year had relieved the town to a large extent. Comrade Beilamy spoke along similar lines, asking council for a grant to carry on the good work.

Mayor Drew said he fully appreciated the good work of the Legion, but he could not see how the town could give a grant. The town maintained a relief department with a paid official to investigate cases. If a grant were made in the case of the Legion other organizations could request the same help for relief work which was carried on by the town itself. The only way donations could be made by the town would be to give grants to all the churches and other organizations doing relief work and for the town itself then to discontinue its relief work. Death of John Riley on Sunday Morning

Popular and Esteemed Resident Passes After Only a Week's Illness. Had Lived in Timmins Since 1916.

Large circles of friends were shocked this week to learn of the death of John Riley, 163 Balsam street, north, "Jack" as he was known to hosts of friends here had been ill only a week death taking place at St. Mary's hospital on Sunday morning after an operation for stomach trouble. The operation was successfully carried through but pneumonia developed and he passed away.

The late John Riley had been a resident of Timmins since 1916 with the exception of a short period spent in Detroit. He was widely known, being an ardent football fan for years, and wherever he was known he was popular and esteemed. He was a citizen of fine type and his loss is one that will be deeply regretted indeed. He was on the electrical department staff at the Hollinger and was highly regarded by both the mine and his fellow employees.

The late John Riley was a native of Wigan, Lancashire, England. At the time of death he was only a few days less than 45 years of age, his birthday being on Wednesday of this week. He came to Canada in 1913, and in 1916 moved to the town of Timmins where he and his family have been highly regarded citizens for the past sixteen years. To the bereaved widow and children and to the other relatives and friends the deepest sympathy will go out in their sad loss. He leaves a widow and five children. The children are—Jack, Gwendolin, Eva, Kenneth, and Lloyd. A brother, James Riley, is also a resident of Timmins. There is also one brother and one sister in the United States and another sister in England, while still another sister is at the present moment on the sea on her way from Canada to her home in the Old Country.

The funeral was held on Tuesday of this week. Service was conducted in the United Church by Rev. Bruce Millar, while the funeral was with Masonic honours, the late Mr. Riley being a valued member of the Masonic Lodge. He was also a member of the Oddfellows and there were many representatives of that order at the funeral. The funeral was very largely attended and would have been still more so had it been possible for all his hosts of friends to know of the death. Interment was made in Timmins cemetery. The array of beautiful floral tokens evidenced the regret at the death and the sympathy for those bereaved. Among the floral tokens were tributes from—Mr. and Mrs. Ormston, Joe and Alta and family, Mr. and Mrs. Beaven, Mr. and Mrs. R. J. Webber, I.O.O.F. To Present Hockey Trophies on Friday

Formal Presentation of N.O.H.A. Cup and Other Championship Trophies to Be Made at Hockey Club Dance To-morrow Night.

People in general and hockey fans in particular are looking forward to the Timmins Hockey Club dance to be held in the McIntyre Recreation hall, Schumacher, to-morrow night, Friday, April 29th. In addition to the special features of the dance, the evening will be made the occasion for the formal presentation of the N.O.H.A. Cup, emblematic of the senior hockey championship of Northern Ontario, to the Timmins Hockey Club, the Timmins team having won this honour this year for the first time in history. D. Sutherland, of Halleybury, president of the N.O.H.A. or some other high official of the association, is expected to be present to make the presentation. The handsome silver cups given to each member of the championship team will also be presented to-morrow night.

The dance itself will be a very enjoyable one. Music will be by Tommy Stephens and his classy orchestra. Refreshments will be served. Some novel specialties are expected for the evening, and the dance generally will be one that none should miss.

To Become Duke?

It is understood H. R. H. Prince George will probably be created a Duke in the King's Birthday honours list. The Prince will be thirty on December 20th, and he is already older than any of his brothers at the time they received their titles.

Timmins to Toronto and Return, at \$9.70

Special Coach Excursion on Friday, May 6th. Offers Remarkable Rates on T. & N. O. to Toronto and Return.

This week announcement is made by the T. & N. O. of remarkable rates for a special excursion from stations in the North to Toronto and return. It is announced as a "Coach Excursion" and is under the joint auspices of the T. & N. O. and C.N.R. The train will leave Timmins on Friday of next week, May 6th, at 7:00 a.m., and the fare from Timmins for the round trip is only \$9.70, which is less than the single fare. There will be no sleeping car accommodation and no baggage will be checked. Good going only on Friday, May 6th, on the train leaving here at 7:00 a.m. Return only on Sunday, May 8th, at an hour to be announced later.

This is the most unusual excursion rate offered to the North, at least for a great many years. Had such a rate been offered, say during the hockey play-offs, two trains would have been needed to accommodate the crowds. As it is, the excursion is likely to draw big crowds. It is an unusual opportunity for anyone wishing to take a trip to Toronto. Rates from other stations along the T. & N. O. are along similar reduced rates, and it would appear that the event will be generally well patronized throughout the North.

Timmins Once More in Senior Baseball

Officers Elected Last Night for the Season at Well Attended Meeting. Will Have Team in the Temiskaming League.

At a largely attended meeting last night the officers were elected for the Timmins Baseball Club for the season. The officers are as follows:—
Honorary presidents—A. F. Brigham, J. Knox, Mayor Geo. S. Drew, R. Dye, J. S. McGuire, Leo Mascioli.
President—K. Pierce.
First vice-president—S. A. Platus.
Second vice-president—Chas. Roach.
Secretary-treasurer—E. Blais.
The executive will consist of the above officers, the manager and coach (Geo. Belanger) and two others to be appointed.

Timmins this year will be in the Temiskaming Baseball League, delegates being appointed to attend the general meeting of the League at Iroquois Falls on Saturday of this week. It is not known definitely yet as to the teams entering the league in this part of the North, though it is likely that those in this group will be McIntyre, Timmins and Kirkland Lake. If so it is likely that there will be a double schedule with McIntyre and a single schedule with Kirkland Lake, thus assuring fans here of lots of baseball and good ball at that.

Meeting of Merchants Monday at Empire Hotel

A meeting of all the business men interested in the Kiwanis Buy at Home campaign now in progress is called for the Empire hotel at 2 p.m. on Monday next, May 2nd. All are asked to attend if at all possible as there are important questions to discuss. J. D. Brady, convener of the Kiwanis Buy at Home campaign committee has called the meeting on Monday afternoon to take up several questions and to keep up the interest and effort to make the campaign the greatest possible success. So far the plan appears to have been of very material benefit not only to the merchants but to the town as a whole and it is desired to continue and increase its effectiveness. Accordingly, all interested are asked to be on hand at the Empire hotel on Monday afternoon at 2 o'clock.

Large Crowds Liked 'Home-Again Harry'

Play Under Auspices of Young People's Society Tuesday and Wednesday Evenings Made Notable Hit.

The play, "Home-Again Harry," presented in the basement of the United Church on Tuesday and Wednesday evenings this week under the auspices of the Young People's Society drew a full house on each evening and pleased the audiences very much.

The play itself was interesting and amusing with many good lines, and it was exceptionally well staged and presented. The settings were appropriate and the event was skillfully handled throughout. It was a play in three acts by J. C. McMillen and the plot centred round the incidents and accidents arising from the confusion of the identities of "Home-Again Harry" and his double, a fugitive bridegroom. The play had humorous situations, love interest and lively action, and so won very general approval. Each and every member of the cast took his or her part with notable effectiveness, and the whole play ran along with a smoothness that would have done credit to a professional company. The director of the play is certainly entitled to a large measure of credit for the very successful presentation of "Home-Again Harry."

The cast of characters in the order of their appearance was as follows:—
"Caroline Stinch," the servant; Miss Colleen Phillips, who played the part very effectively.

"Abigail Lennon," Harry's aunt. Miss Muriel Brownell was unusually good in this role, her delineation of the character being natural and effective.

"Dr. George Addison," a friend of Abigail's; taken capably by John Bloedow.

"Mrs. Margaret Rowland," sister of Dr. Addison. Miss Gertrude Doherty filled this role in very acceptable way.

"Mary Rowland," the doctor's niece. Miss Idella Martin starred in this part, her interpretation of the role being unusually good and her acting very pleasing in its natural charm.

"Nelson Robey," in love with Mary. Grant Eddy made this part an important one by the able way in which he interpreted the role.

"Grace Rowland," Mary's youngest sister. In this character Miss Betty Patterson was another of the evening's stars. Her filling of the difficult role was very clever.

"Stuart Worthington," the fugitive bridegroom. Charles Napper took this leading part with the art and skill of a professional.

"Benjamin Barlow," Stuart's valet. Bill Turvall's role was a difficult one but he carried it through in good style. He won his full share of the laughs of the evening.

"Sir Robert Cosgrave," of Templeton Chase, England. In this part, F. Anglin gave a characterization of one of the types of aristocrat, making humorous situations and creating much amusement.

"The Honourable Enid Cosgrove," daughter of Sir Robert. In this role Miss Jean Fortin portrayed effectively a young lady given to tears, hysteria and infatuations. The part was very well taken.

"Harry Lennon," author of "The Excruciating Sinner." In this part Charles Napper scored a very signal success. His lightning changes from one role to another was another of the notable features of the play.

"Mark Worthington," Stuart's father. Alex Finlayson carried through this part in realistic way and made it one of the outstanding characters of the play in which not a single role was poorly taken.

All the members of the cast are to be congratulated on the excellent individual parts and also on the general effectiveness of the presentation.

Before the play commenced and between the acts Mrs. J. W. Faithful added to the interest of the evening by her selections on the piano.

Daughters of Empire Make Good Progress

Pleasant and Successful Tea Last Saturday Nets Neat Sum. List of Officers Completed Now.

In a previous issue of The Advance the list of officers of the I.O.D.E. was given. At that time the list of councillors was omitted, being incomplete then owing to a vacancy. The I.O.D.E. councillors for 1932 are as follows:—
Mrs. T. E. Pritchard, Mrs. J. Studor, Mrs. D. Maxwell, Mrs. T. Harky, Mrs. J. Gurnell, Mrs. T. Blackman, Mrs. J. W. Faithful, Mrs. W. D. Watt, Mrs. A. F. Carriere, Mrs. I. K. Pierce.

Through the kindness of Mr. W. Rinn in allowing the use of the store gallery, the ladies of the Timmins Golden Chapter I.O.D.E. held a very pleasant and successful tea and sale of home baking on Saturday afternoon last. The tea tables were attractive with fresh flowers and pretty china and the tea room with ferns which had been kindly loaned by the Timmins Flower Shop. A neat sum was realized which will materially assist the chapter in carrying on its work.

Porcupine Rod and Gun Club Re-Organizes for the Season

Large and Enthusiastic Meeting Held at the Empire Hotel on Monday Evening. Officers Elected for the Ensuing Year. Reports of Last Year's Work Very Satisfactory. Some Plans for the Present Year.

The Porcupine Rod and Gun Club is away to a great start for the year. The annual meeting was held on Monday evening of this week in the Empire hotel grill room. There was a large and enthusiastic attendance and everything looks promising for a successful and helpful season in 1932. The reports for 1931 showed a very satisfactory year with much of benefit accomplished.

At the meeting on Monday evening the financial report for 1931 was read and adopted, on motion of J. R. Todd and F. McGrath.

A report of all the activities of the club for the past year was given by the secretary, J. D. Brady, who pointed out that over one hundred and sixty thousand trout fingerlings as well as pickerel had been planted in the many streams of the district. Due appreciation was expressed to A. F. Kenning, M.P.P., for his interest in the work of the club. In the report of the year's requisition for trout and pickerel it was noted that all the requests of the club had been approved by Mr. Kenning.

The election of officers for the Porcupine Rod and Gun Club resulted as follows:—

Honorary presidents—A. F. Kenning, M.P.P., A. F. Brigham, R. J. Ennis, J. Knox, John Reddington, A. W. Young, J. H. Stovel.

Honorary vice-presidents—Douglas Jones, R. Dye, W. J. Casser, H. G. Skavlem, A. D. Campbell.

President—J. R. Todd.
Vice-president—Chas. G. Brown.
Secretary and field captain—J. D. Brady.

Treasurer—Francis McGrath.
Executive committee—James Cowan, Jos. Clemens, R. F. Francis, W. Hughes, Adna Mason, Harry Herman, Ernest Chapell, Frank Loney.

The question of the annual membership fee was discussed and an annual fee of \$3.00 was decided upon.

The invitation of the Iroquois Falls Rod and Gun Club to consider the formation of a district association was discussed, and it was decided to sponsor a meeting in Timmins on the evening of May 20th for the purpose of forming a district association. Invitation to attend this meeting will be extended to all clubs in the area.

It was decided to hold a dinner at the Empire hotel on the evening of Friday, May 20th, the evening of the meeting for organization of the district association. Invitations to attend this dinner are to be extended to Hon. Chas. McCrea, Minister in charge of Game and Fisheries, Hon. Mr. Black, chairman of the Fish and Game committee, to attend, when many matters of interest to the district will be discussed and recommendations made in the interests of fish and game conservation. The executive were appointed a committee to look after the arrange-

ments for the dinner on May 20th. The next matter to come before the meeting was the purchase of a new trap and the construction of a new trap house. The meeting was unanimously in favour of these matters as recommended.

The question of a club house was discussed but was left over for further consideration.

A number of resolutions were passed and are to be brought up at the district meeting. A committee consisting of A. W. Young, J. R. Todd, H. G. Skavlem, Jos. Amm and J. Reddington were appointed to bring in recommendations to the district meeting.

Reference was made to the question of the dam and water levels at Frederickhouse Lake.

It was decided that pressure be brought to bear on the Government to complete fish ladders in all dams on the Mattagami river as recommended by the special committee with Hon. Findlay McDiarmid as chairman.

The meeting was of the opinion that a rod and gun tax should be levied on all persons fishing and hunting. In this way means could be furnished whereby sufficient game wardens could be employed to cover the vast area concerned.

Strong objection was made to the method adopted last year in the distribution of trout by trucks, this being a very unsatisfactory method, many of the trout being destroyed in the delays along the road. The uncertainty in regard to the time of arrival of the trucks also made it impossible to arrange help for the distribution of the trout. It was believed that the rail service was much the better for the purpose.

An open season for partridge and pintail grouse was recommended for this season.

The meeting voted unanimously against the use of dogs in this district and in the province as a whole.

It was decided to repair the dam at Big Water. A committee including A. W. Young, R. Edleston and Adna Mason was appointed to look after the work.

A meeting is to be held on Monday evening, May 9th, at the grill room of the Empire hotel to report progress on arrangements for the dinner to be held and also in regard to the solicitation of members.

Each member present promised his heartiest support to the work of the Rod and Gun Club.

A vote of thanks was extended to Leo Mascioli and the management of the Empire hotel for the use of the grill room for the meeting.

Vacancy Filled on the Public School Board

On Friday of last week between 12 and 1, nominations were held to fill the vacancy on the Timmins public school board. Only one nomination, that of Thos. Blackman, was made, and accordingly he was declared duly elected by acclamation on qualifying for the position. This was the third nomination meeting for the filling of the vacancy caused by the leaving town of Geoffrey Johnston. At the first nomination no one qualified. At the second nomination two qualified but resigned to avoid the cost to the town of an election. All will be pleased to know the vacancy is now filled without the cost of an election. Mr. Blackman has had previous experience as a school trustee and is generally considered as a valuable addition to the board.

LEGION SMOKER ON MONDAY PROVED VERY ENJOYABLE

The monthly meeting arranged by the Timmins Branch of the Canadian Legion on Monday was another attractive event. Two visitors were present, Comrade Conover, of Ottawa, and Comrade L. MacLachlan, of Kirkland Lake. Both spoke very briefly and their remarks were listened to attentively. Comrade H. Jones, also addressed the members on points of interest to the welfare of the branch. Songs were sung by several comrades and some very humorous stories told. A fuller account of this smoker is being held over to next week's Legion Letter.

Refreshments of a special brand were served and cigarettes, etc., handed around. Comrade Jack Grant made a good chairman and Comrade Devine acted as the pianist for the evening.

Noble Farnum, who underwent an operation at St. Mary's hospital last week is progressing favourably. His many friends wish him a speedy return to recovery.

Another Juvenile Concert by Request

Event to be Held Under Auspices of the Timmins Citizens' Band in the Goldfields Theatre on Sunday Evening After Church Services.

By special request there will be another Juvenile Concert held in the Goldfields Theatre after the church services on Sunday evening, May 1st.

Owing to so many people having to be turned away from the Juvenile Concert in February on account of lack of further seating accommodation there has been a general request for another event of this kind. The February concert was a particularly attractive one. It was put on by the pupils of the various teachers in Timmins and Schumacher, and each and every number presented found very special appreciation.

This will probably be the last indoor concert for the season and it is hoped to make it the best.

As soon as weather permits the band will play out-of-doors concerts. All are invited to attend the event on Sunday evening and hear the musical talent of the Porcupine camp.

SOCIAL EVENING AT I.O.O.F. LODGE THIS FRIDAY EVENING

A social evening is announced by Timmins Lodge I.O.O.F. No. 459 to be held on Friday evening of this week, April 29th, in the Oddfellows' hall. All members are asked to attend this event and none should miss it because social evenings by the I.O.O.F. are always enjoyable and pleasing events.
