Schumacher People Pleased With Play

Northern Lights Girls' Club Stage Successful Event, Powder Causes Fire and Injury, Other Schumacher News.

Schumacher, May 11th, 1932. Special to The Advance.

Mrs. Ellis is visiting her son, Leslie, in Toronto.

Mr. and Mrs. E. Pooley have moved to Timmins to reside.

Mrs. D. Greer, Mrs. A. Rioux, Miss Caroline Baldwin and Miss Margaret MacDonald were among some of the people who went to Toronto on the special on Friday morning.

The ladies of Golden Glow, L.O.B.A. lodge, intend holding a whist party in the Orange hall, Second avenue, on Thursday, May the 19th at 8.15 o'clock.

Mrs. J. W. R. Byers was down to Toronto over the week-end.

Mrs. Groves, who has been a patient in St. Mary's hospital for some time, is able to be home again, although she is still confined to her bed.

The play by the Northern Lights Girls' Club on Friday night drew one of the largest crowds seen in the basement of the church for some time.

The house was packed, and Mrs. W. J. Wylie is to be congratulated on the success of the play, each girl taking her part splendidly. The play was in three acts. The first act was a scene in the home of the Misses Martins, Cherry and Ann (Doris Ooke and Dorothy Heath), whose father had re-married and sailed for Italy, leaving the girls nothing but debt, and before this shock was over, Cherry's lover sends her a telegram he is bound for South America.

The girls realizing the necessity of keeping a roof over their heads decide to open the house to tourists and paying guests. After consulting Susan, the housekeeper (Kathleen Barron) and the Swedish maid, Olga (Evelyn Leck), they all begin to work out plans for the future. But on one condition—no men are received as lodgers. Susan says she can get rid of Mike Mulligan who has been pestering her to get married, for if no men are allowed in the parlour, they certainly won't sit in the kitchen and eat up profits. Olga says all men are alike, her boy in Sweden taking money she sent to bring him to this country and marrying another girl and settling down in Sweden. Olga puts out the sign—"Wimm Inn. Bored and Bed. No Men Admitted." When the guests begin to arrive complications commence. The guests included:—Miss Eina Sandler, a detective (Dorothy

Crockett); Dr. North and her invalid sister (Joan Huxley and Lillian Hancock); Mrs. Thaddeus Upham, a grass widow, (May Tinsley); Mrs. Lela Preston, a politician, (Beatrice Leck); Miss Lanning, a poetess, (Mary MacDonald). An accident occurring near the inn a man has to be admitted and this gentleman in his delirium keeps things very lively for the characters and very amusing for the audience. The play has a happy and snappy ending with men getting another chance all round. Before the first act a piano duet by Mrs. Huxley and Miss Gwen Thompson was very much appreciated. At the end of the first act Miss Helen Newcombe played very nicely, and between the second and third act Mrs. Huxley and Miss Gwen Thompson again played. With the play and the music, everyone spent a delightful evening and hope Mrs. Wylie will put on another play in the near future. Mr. Wylie officiated as chairman for the evening.

Born—Saturday, May 7th, 1932, to Mr. and Mrs. Peter Hunter, 43 Second avenue,—a son (Alexander Condie).

Mrs. S. Fulton spent a few days last week visiting friends in Matheson.

The Rt. Rev. Bishop Rheume, of Halleybury, paid his official visit to the parish on Sunday, when special services were held during the day, and at forty-three about fifteen children were confirmed. The church was very prettily decorated with flowers and ferns for the occasion.

Mrs. Tom Feldman is spending a few weeks in Toronto with her parents.

Messrs Tom and George Leck, Billy McKay and Edward Sheculski were at Kirkland Lake on Saturday playing in the Timmins basketball team.

Gun powder stored in the attic in the home of J. Gregulski, Fourth avenue, was on Saturday the cause of an explosion and fire, when their son went up to inspect some wiring. The torch or match came in contact with the powder which exploded immediately, causing injury to the boy, and damaging the roof considerably. People using and storing such explosives should use the greatest caution as there has been numerous accidents from children getting access to explosives and causing serious damage to themselves and others.

N. Cicel and daughter, Rita, went to Toronto on the special on Friday and in the city little Rita was flitted with an artificial limb.

Mr. Edgar Eddie, of Kirkland Lake, is relieving in the office of the J. W. Fogg Lumber Company here.

Rt. Rev. Bishop Rheume Visits Churches Sunday

Rt. Rev. Bishop Rheume, Bishop of Halleybury Diocese, paid an official visit to the camp on Sunday. On Sunday afternoon he was at St. Anthony's R. C. church where there was a very large class for confirmation. During his visit to the camp the Bishop also was at the Schumacher church where there also were many children for confirmation.

No Parade Held Last Week But Another Reported

It was reported in town last week that the reds intended to stage another of those "fool parades" as the mayor termed them, the said other parade to be on Saturday as a protest against the breaking up of the illegal parade here on May Day. The fact that the authorities were fully prepared for any illegal performances on Saturday, and still more, perhaps, the effect of the arrests made of prominent agitators throughout the Dominion, had the effect of making the idea of another parade look not quite so good to the alien trouble-makers. The probability of deportation of the aliens who persist in refusing to live here peacefully and orderly has a great force in prevailing on the foreign agitators to show some regard for others. The men who are cursing Canada so harshly to-day do not know of a country anything like as free or good. Certainly, the one land that they are yapping about so much is the last place they want to go themselves. Wholesale deportation of those who are determined to disobey the law and insult this country seems to be the right answer as to what to do to stop the red racket. It would be the best thing for all concerned if the reds would see the uselessness of their foolish practices and try to behave themselves. There are reports, however, that even yet there is a dying intention for another parade in town. This parade is to be held, it is said, on May 16th. There will be no parade allowed, and attempts to stage the feature will do no more than create very serious trouble for those responsible for the senseless and pig-headed attempts to continue to flout the law.

The executive of the Timmins Horticultural Society are to meet in Smith & Elston's office, Third avenue, on Friday (to-morrow) evening at 8 p.m. for important business in connection with this year's show.

Breach of Game Law Brings Heavy Fines

Man Illegally Trapping Beaver and Muskrat and Shooting Ducks Draws Penalties in Court. Other Court Cases This Week.

At the Timmins police court this week W. Murphy, a trapper, faced three separate charges under the Game and Fisheries Act. R. Eddleston, game warden for the district charged him with illegally trapping both beaver and muskrats and also with shooting wild ducks illegally. The game warden being unsuccessful in attempting to have the accused observe the regulations for the conservation of game brought him to court. The result was three fines totalling \$85.00 and costs of \$33.75, or thirty days on each of the three charges.

Wilfred Dubeau was charged with failing to comply with the court order for payments for the maintenance of his wife and child. He was given opportunity to pay up, the arrears being \$90.00 and costs, \$17.26, the alternative being three months. The arrears and costs were duly paid.

A charge against a local merchant for violation of the Public Health Act by failing to comply with the requirements as keeping his yard and other premises in sanitary condition was withdrawn, the premises having been cleaned up satisfactorily.

Another remand was given to the two charges against a local woman, one under the excise act and another under the provincial liquor law.

On a charge of having liquor in other than his private dwelling place a fine of \$100.00 and costs was imposed on Philip Piltreault, with the option of three months. So far it looks like the option.

Two drunks fined \$10.00 and costs are accepting the jail term instead, either from choice or necessity. A third ordinary drunk paid \$10.00 and costs.

Bill Romanuk, Jr. was charged with breaking and entering. His case was remanded for a week.

A local taxi driver had a young woman arrested the other night for alleged fraud in securing taxi service and failing to pay for it. The accused said that the taxi driver had borrowed \$15 from her some time ago and she expected the taxi charge to go on this account. The statement of the account as presented by the taxi driver suggested that if there were a case it was on the division court and not the police court, so the case was dismissed.
