The Business Men Represented in the Kiwanis "Buy at Home" Campaign and listed on this page have a total of well over \$1,000,000.00 in stocks of High-Class Goods. A careful estimate of the various businesses listed in this page shows this to be the fact.

When you deal with the Business People of Timmins and District you have a million dollars in stocks of one kind and another to make your selections from.

In dealing with the Merchants of Timmins and District you do not have to take anything "sight unseen." The goods are here. You can examine them. You can be suited. Your range of selection is practically unlimited. This is one place that the merchants of Timmins and District have the advantage over all the peddlers and out-of-town stores. It is an advantage that should appeal to every thoughtful buyer.

Those on this page who may be said to deal chiefly in Service also have the same advantage implied. They are right here to serve you. You can see them, discuss matters with them, take up any grievances, have any troubles remedied to your satisfaction.

It is a supreme advantage to have your merchant or business man right at your door—as close as your telephone. And always anxious to serve you.
