

WHAT IS CONSTIPATION ?

It is Not Brought About in a Day. Nor Can It be Overcome in a Day.

The intestines consist of a winding tube about twenty-six feet in length. Constipation is delay in the passage of waste matter through this tube. The waste matter which is discharged to-day should have been discharged yesterday, the day before, or even several days before. Hence masses of waste matter accumulate near the end of the intestinal tube. The longer these masses remain, the harder, drier and more difficult it is to move them through the balance of the winding intestinal tube. Laxatives and cathartics, by drawing moisture into the tube from the surrounding body tissues, or by causing violent action of the intes-

tinal muscles, may secure the expulsion of this waste. But later moisture is re-absorbed from the intestinal tube back into the tissues to restore the balance, the bowel muscles become exhausted, constipation returns, and the waste matter again becomes hard and dry. Never Die, the Indian Herb Tonic is a positive remedy for constipation. It acts as a tonic to the bowels as well as the whole system. It tones the nerves and stomach and purifies the blood. It builds up the whole system, creates a healthy appetite after driving the poison out of the system. Sold in Timmins at The Goldfield Drug Store and at South Porcupine at Pearce's.

SMALLER SYNDICATES ARE NOW EXEMPTED FROM ACT

Mining syndicates with capital not exceeding \$35,000 will not have to register under the Security Frauds Act, according to an order-in-council passed by the Ontario government and announced by Hon. W. H. Price, acting premier. The order has the approval of Hon. Charles McCrea, minister of mines, mining promoters and prospectors generally, and Col. George A. Drew, commissioner under the Security Frauds Act. Col. Price explained that formerly all such syndicates had been forced to have their prospectuses rigidly approved by the Security Frauds branch,

which regulations they have held are too rigid, and do not provide the small mining man with proper opportunities for financing.

Two motor cars collided on Friday morning on the crest of a hill on the Ferguson highway, about 41 miles north of North Bay. Both cars were badly smashed but no one was injured. One car was driven by J. Kravitz, Ottawa, and the other by Prof. C. R. Wason, Toronto. The cause of the collision has not been given out. The provincial police made an investigation of the accident. Both the cars had to be towed to North Bay for repairs. The Kravitz car was going north, while the other one was southbound.

Communists Said to be Drilling Below

Camp Near Toronto Raided. Search for Guns, Red Flags, Etc., Not Successful. Police in District to Co-operate.

Last week, following direct information given to the police to the effect that alleged communists were openly drilling at a camp they had on the Rouge river near the city, the provincial police showed activity in regard to the Reds and their work. The claim is made that Toronto has made it too hot for the alien agitators and so they have moved out to neighbouring townships and towns.

Among the raids carried out by the provincial police following the reports of drilling with guns was a search of the children's camp of the Toronto Labour League Benefit Society on the banks of the Rouge river. The police demanded all red flags, guns, communist accessories of any kind, etc. A pile of suspicious looking tins was found. The police were leary of these tins which might easily have been bombs, but actually were described as roofing tar. There were no flags or guns, found, but information continues to be given the police in regard to drilling with rifles and also that children are being taught communistic doctrines.

The dance by the Cornish Social Club in the Hollinger Recreation hall was a very attractive event on Saturday night, with all attending having a good time.

Sentenced for Being Drunk in Charge of Car

It has been the custom of The Advance invariably to publish the names of all those convicted of being drunk in charge of a car. There is so much danger to the public in the attempt of anyone under the influence of liquor to drive an automobile that the offence is looked upon as a particularly serious one. The number of accidents in Ontario in connection with motor cars is simply appalling. Many of these accidents occur, despite the greatest care and skill on the part of drivers. It is essential therefore that every possible means be used to frown upon unnecessary risks, such as occur when men under the influence of liquor attempt to operate cars. Believing that publicity has a restraining influence in the matter The Advance has given the name of each one found guilty of being drunk in charge of a car. At times great pressure has been placed to try to avoid this practice in some particular case. None of these attempts has been successful, nor will they be. The Advance believes that every lawful means should be used to impress upon all the seriousness of attempting to drive a car while under the influence of liquor.

Last week there were three cases of being drunk in charge of a car and the three accused were sentenced to jail. Through the omission of a sentence in the report of the police court cases only the name of one of these men was given in these columns. The other two were Victor Roy and Robt Leask, each of whom was given a ten-day term at Halleybury.

South End and Dome Picnic on Saturday

Event of United Church Sunday Schools Very Successful and Pleasing. Other News from South Porcupine.

South Porcupine, June 28th. Special to The Advance.

Mr. and Mrs. A. Kincaid, of Kirkland Lake, are renewing acquaintances in town.

The Continuation School assistants, Misses McPhail and Lucas, left last week for their homes in Uxbridge and Wyoming.

Jessie Hamilton is spending her vacation with her grandparents in Toronto.

Mr. B. Smith is back to town after a holiday in the South.

Mrs. O. Spiers and her brother, Mr. Ralph Smith, are motoring to Huntsville this week to visit their mother, who is ill in the hospital there. Their father lost a fine nine-roomed house by fire last week.

The annual picnic of the Dome and town United Church Sunday Schools held on Saturday last at Jack's beach, Golden City, has been generally accorded the most successful on record. The day was fine and there were plenty of cars to convey everyone comfortably to and from the picnic grounds. The sports were entered into with zest. The senior girls class of the town school ran a booth during the afternoon at which they made enough to defray the expenses of the prizes for the sports and still have a balance left over. Mrs. Coffey and Mrs. Clark looked after lemonade which was provided for all those present. Mrs. Purdy and Mrs. Hueston supervised the booth and the prizes while the sports were in charge of Rev. L. Hussey, Messrs Purdy, J. McCaffrey and H. Richmond. There was a splendid turn-out of parents as well as children and the response to the appeal for cars made by Superintendent Purdy and Mr. B. Saunders was particularly gratifying. Among those offering conveyances were: two trucks from George Helmer; cars from H. Doran, G. Countryman, H. Richmond, R. McWilliams, Jr., F. H. Hall, J. McCaffrey, Chas. McInnis, F. Purdy, G. McIntosh, W. W. Wilson, W. Andrew, J. Ostrom, R. Ledson, P. E. Cooper, Dr. Summerfield, F. Hepburn, M. Varker, L. Cameron, F. Young, Miss Paice. In the sports for the races of four-year-old and five-year-old tots each contestant got candy. The prize winners were:—Girls, four years, 1, Jean Purdy; 2, Beulah Lang (Dome); boys, four years, 1, Bob McIntosh; 2, Jack Jay (Dome) girls, five years, 1, Olive Hill; 2, Lois Countryman (Dome); boys, five years, 1, Eddie Syrett; 2, Tommy Houston. Miss Carne's Class (Dome), 1, Lois Countryman; 2, Evelyn Jay; Miss Paice's Class (town), 1, Margaret Foster; 2, Lois McLeod; Mrs. Coffey's Class (town), 1, Clara Lindross; 2, Aileen Purdy; Mrs. Libby's Class (Dome), 1, Helen Munro; 2, Clarice Curtis and Lyn Beard; Mrs. Andrews' Class (town), 1, Bob Pearce; 2, Douglas Deacon; Mr. Crozier's Class (town), 1, Harry Pyke; 2, Bill Lowry; Mr. Baxter's Class (Dome), 1, Ralph Mitchell; 2, Jim Curtis; Mr. Clark's Class (town), 1, Betty McIntosh; 2, Fern Helmer; Mrs. Hamilton's Class (town), 1, Irene Deacon; 2, Dorothy Couch; Rev. Hussey's Class (town), 1, Ray Montrose; 2, George Young; Mrs. Hueston's Class (town), 1, Viola Laffin; 2, Stella Brown; Mrs. Purdy's Class (town), 1, Annie Michaluk; 2, Celia Spitz; Mrs. Hussey's Class (Dome), 1, Jean Munro; 2, Dorothy McGinn. Wheelbarrow race, boys, under 12, Bob Pearce and Bill Lowry; wheelbarrow race, over 12 years, George Young and Charlie Ayre. Junior girls' three-legged race, Viola Laffin and Stella

St. Jean Baptiste Day at Moonbeam

Celebration of Anniversary Event at Moonbeam, West of Cochrane, on Sunday. Some Present from Timmins.

Reference was made in The Advance last week to the observance at Timmins of St. Jean Baptiste Day. The event here was observed as a holiday occasion under the auspices of the Canadian Club in town. It was an unusually interesting occasion and attracted a great deal of attention. On account of Wednesday being a half holiday, it was felt that this would be a convenient day for the celebration here, the stores generally being closed. Accordingly the observance of the St. Jean Baptiste holiday was celebrated here last Wednesday. There were many unusually fine floats and the other features were equally pleasing. It may be recalled that there were many here from outside points for the occasion.

On Sunday of this week the people of Moonbeam, which is west of Cochrane some miles, also celebrated St. Jean Baptiste day. The weather for the day was just as near perfect as can be expected in the North Land. Word from the North suggests that the Moonbeam celebration was particularly pleasing and impressive. There were large numbers present at Moonbeam for the day. Some of the visitors came from as far away as the Pagwa River and from the town of Timmins on the south. Moonbeam never had as large a crowd of people as were in evidence for the St. Jean Baptiste occasion this year.

At 10 o'clock in the morning His Lordship Bishop Hally, of Hearst, conducted open air mass. After this, games and sports were enjoyed. These sports included baseball and practically every other kind of outdoor sports. Addresses were also a feature of the day, the speakers including:—Bishop Hally, of Hearst; Jos. A. Bradette, M.P.; and Rev. Fr. Simon, the parish priest at Hearst.

The procession was an extra special one, the floats and decorations pleasing all who saw them. The Cochrane band was in attendance and under the leadership of that very able bandmaster, A. Crossdale, furnished excellent music for the day.

RUPTURE

Neat, cool sanitary appliance. No springs, wires or hard cruel pads. Weighs only 3 oz. Complete comfort, day and night. Worn by Doctors, Nurses, Ministers and Men and Women in every walk of life. Inexpensive. Free booklet and chart sent in plain envelope. Write the Hyde Hernia Belt Company, Dept. TA-2, 2 Toronto Street, Toronto.

CHAUTAUQUA TENT TO BE ON CENTRAL SCHOOL GROUNDS

There have been some interesting articles in The Advance in the last two or three weeks in regard to the Chautauqua coming to Timmins July 11th to 15th but where is the event to be held? asks a reader of The Advance this week. He suggested that all other information was indicated, except the most important, that is, where to find the Chautauqua. The reason the location of the Chautauqua was not mentioned before was because it was not definitely arranged. Now, however, it may be said that the Chautauqua this year, as last, will be held in the big tent, which will be erected on the Central public school grounds. Accordingly, now it may be said that the chief thing to remember about the Chautauqua this year is that the programme is reported as especially good at every session, that the tent will be on the Central public school grounds, that

The tie game in box lacrosse last week is reported as the best yet between Timmins and Dome. The town boys are busy practising. Dome's games for this week are out of town, one of them being booked for Kirkland.

The football games in the schedule for this week are also out of town. Dome playing Timmins team on Thursday in league fixture and then playing McIntyre team in a first game of the King Cup series at Timmins grounds on Saturday next. The following Saturday the return game of the King Cup series will be played on Dome grounds. On Tuesday next Dome and Timmins play a league fixture on Dome grounds.

The Dome Athletic Association are planning their usual big day for Dome employees on July 1st. Free lemonade and circus ice-cream is being provided for the children of employees. The list of sports includes a long series of events for men, women and children.

In the police court this morning there was one high-grading case for which the plea of “guilty” was made and a sentence of three months imposed.

Mr. and Mrs. Hugh Boyle and two daughters of North Bay were the guests of Mr. and Mrs. F. Reynolds.

Miss Wenger, superintendent of the Porcupine Presbyterian hospital, is holidaying in Toronto.

Miss Beatrice Brinton is visiting her sister, Mrs. F. Brown at Smooth Rock Falls.

The Anglican Sunday School has closed for the months of July and August.

On Saturday afternoon last the Women's Auxiliary of St. Paul's Anglican church held a tea at the home of Mrs. W. Fairhurst. It took the form of a strawberry festival and was very much enjoyed. The door prize was won by Miss Gladys Hermant. A special prize a fine pyrex pie plate was won by Mrs. J. Alexander. This prize had very kindly been donated by Mr. Cantor.

Mr. H. Duggan, Mr. F. Labelle and Mrs. MacMillan, of Kirkland Lake, spent the week-end at Mr. Duggan's home here.

There were quite a number of pupils here who took the Toronto Conservatory of Music examinations which were held in Timmins this week.

Mr. T. J. Wright is home from Ottawa.
