They will be decidedly missed here Mrs. Sellars has been active in church and lodge work. She was a member of the United

Church choir and on Sunday after the evening service the members of the choir and their friends were entertained at the home of Mr. and Mrs. G. McIntosh, where Mrs. Sellars was presented with a Choir Note Hymnary. Mr. Suttle, choir leader, made the presentation while Rev. L. Hussey in a short address told how helpful the guest of honour had been in church work during her stay in camp.

On Friday last there was a senior lacrosse game at the Dome between Dome and Timmins teams. H. Sullivan acted as referee. The teams lined up—Timmins—goal, Beaulieu; defence, Arundel and Porter; rover, McCabe; centre, Kincaid; forwards, De Saiberry and Laflamme; spares, Groulx for McCabe, Knott for De Saiberry, Campbell for Laflamme. Timmins were handicapped by their shortage of spares, two of their good men being unable to come. Dome—goal, Clark; defence, Smith and Massecar; rover, Murphy; centre, Cook; forwards, Lowry and Pollard; spares, Michaelson, H. McLean, W. McLean, Ostrowsky, Cattarelo, Richardson and Mitchell for Clark. For the greater part of the first period play was very evenly divided. Massecar got as far as Porter but was well checked there. A Campbell-to-Kincaid play looked as if Timmins might count but Clark caught the ball on his chest. H. McLean was rushing strongly. He was checked well by Knott who pestered him all the way down the field but soon got away again and counted one for the Dome. Pollard in quick succession got two more. Cook's first goal in the second period was not counted as he was waiting on the goal crease. Michaelson, M. McLean and Cattarelo combined well. McLean got the rebound for a fourth and Pollard intercepted a Timmins pass to throw in the fifth. Campbell went down the field like a flash, made a perfect pass to McCabe who drew Clark out, to make Timmins' first tally. This clever piece of work got a glad hand from all. Arundel, by a determined rush, scored the next for Timmins. Mitchell went into goal for Dome. Michaelson and Cattarelo went up together Michaelson carrying. "Mike" had his eye on Cattarelo. Beaulieu glanced that way too when "snap!" and the ball was in the cage beside him. Richardson coolly tossed back Lowry's rebound, Murphy made sure of two counts more so the final score was 9-2 for Dome.

On Monday evening the Juniors tried conclusions in box lacrosse at the Dome the South End Juniors meeting Dome Juniors. H. Sullivan coaches the town
