Death and Funeral of Mrs. Arthur Jones

Funeral Held on Wednesday Afternoon Very Largely Attended. Service at the United Church. Interment at Timmins Cemetery.

After a short illness Mrs. Arthur Jones, 154 Elm street, north, passed away at St. Mary's hospital Timmins, on Monday of this week, the funeral taking place on Wednesday afternoon. There was an unusually large attendance at the funeral service at the United Church, and this attendance and the large number of beautiful floral tributes spoke of the sorrow felt by wide circles in the death and the sympathy felt for those bereaved.

The late Mrs. Arthur Jones was a native of Scotland, but had been resident in Timmins for a number of years and had wide circles of friends here. The funeral service yesterday at the United Church was conducted by Rev. Crossley Krug, B.D., who is in charge of the United Church here during the absence on holiday of Rev. Bruce Millar.

In addition to the bereaved husband one child survives, while other relatives live in the Old Country.

Mr. and Mrs. Wm. Haggerty, of Montreal, were visitors to the camp last week.

THURSDAY Bulletin

Miss Jean McColeman has accepted a position as stenographer with the Peaty Washer Co.

Miss Ina Rein, who has been with the local office of the Robt. Simpson Co., has been transferred to the Toronto office of the company.

Both of the above girls are graduates of the Timmins Business College—"The Gold Medal School."

Graduation diplomas have been received for Misses Helen Barbas, Francesca Cattarello, Doris McLean, Lottie Charlton, Florence McIvor, Roma Cattarello, Jean McColeman, Mae Arsenault and Harry Martin. The above-named students are requested to call to the college office for their diplomas.

Enrollment or reservation may be made now at the college office for the fall term which begins Tuesday, Sept. 6th. Make this a business college year. Now is the time to prepare. Even in these times we are placing students regularly. When positions are available they are usually filled by business college graduates and naturally positions are becoming more numerous as the business world adjusts itself—we have always said there are positions "just around the corner" and there always are. Every boy and girl needs a means of earning a living, and when there is a city business college in your town, why not give them a good business course regardless of what the intention of future may be—a good business course obtained in a dependable commercial training school is an asset and a stepping stone in almost any walk of life.

Call to the college and talk things over with the principal. We have helped hundreds and we can help you.
