Hollinger Winner Football Fixture

Defeats Timmins Team by Score of 9 to 1, but Timmins Team Take it All with Good Grace. Interesting Match on Tuesday Evening.

In football on Tuesday in a league fixture Timmins team took another bad defeat but took it like the good sports they have shown themselves to be. They deserve a lot of credit for the way they have stood up during the season. The score Tuesday evening was 9 to 1 for Hollinger. Seven of these came in the first half without Timmins retaliation.

Timmins made a couple of changes on their team but their combination was lacking and they missed several good chances in front of the goal in the first half. They had one golden opportunity when Deross got the leather and was either over-anxious or wanted to get a good kick at goal, but whatever it was, Welsh raced across and robbed him of the shot, where a first-timer might have beat Gaw.

In the second half the Hollinger did not press but gave Timmins a chance and nice football was played. Deross made amends and scored on another occasion. Timmins gave the Holly a fine tussle and they were raining in a few shots but could not get one between the sticks. One shot went high, and McWhinney fisted over, thinking Gaw was not on the job, and a penalty was awarded. Meredith took the spot kick and shot it high and Gaw saved, but an infringement occurred and the referee called it back. Meredith again shot it high and Gaw saved. The Holly scored twice in this half. The scorers were Hollinger—Rodgers 4; Johnston 2; Carroll, Aspin and Welsh 1 each. Timmins, Deross.

Timmins—Cunningham, goal; Stanlake and Street, backs; Burt, Madden and Anderson, half-backs; Weir, Tremouth, Deross, Meredith and Doddridge forwards.

Hollinger—Gaw, goal; McWhinney and Welsh, backs; Robson, McConnell and Hill coat, half backs; Aspin, Phillips, Johnston, Rodgers and Carroll, forwards.

Alex Cadman, referee.

WORKERS SOCIETY BEING FORMED AT STURGEON FALLS

The Ontario Gazette gives notice that letters patent, dated July 18, 1932, have been issued, constituting Joseph Odilon Brousseau, John Lynch, Joseph Auguste Gaudreau, Joseph Thomas Fournier and Joseph Alexander McConnell, all of the town of Sturgeon Falls, a corporation without share capital under the name of The Workers' Protective Association, Nipissing, to further the working conditions, and generally to protect the working men of every trade and standing, to raise funds directly and indirectly for general relief, and to assist generally all labouring classes. The head office of the corporation is at Sturgeon Falls.

Man Wounded by Police Said to be Recovering

Last week Edouard Tasse was shot through the head when he attempted to escape from Sgt. Turnbull, of the Quebec Provincial Police. According to the story given out at Amos Tasse is said to have been one of two or three men alleged to have taken part in a hold-up at Amos. Afterwards, it is said, Tasse fled to his father's home in Trecasson township on the shore of Lake Gauvin. Sgt. Turnbull got on the track of the men suspected of the hold-up at Amos, and when the officer was after them to place them under arrest, they made apparent attempt to escape by rowing away in a boat. Sgt. Turnbull called to the men to halt but they did not obey the order. Instead they seemed to only speed up the more. In the hopes of frightening the escaping men Sgt. Turnbull fired a shot or two in the air and when this failed to stop them a shot was fired at the boat. This latter shot struck Tasse on the head. Sgt. Turnbull took Tasse's companion into custody and then set out to see what could be done to help Tasse. First aid was given him and then he was hurried to the hospital. At first it was believed that he did not have a chance at all for recovery, but later word from Amos is to the effect that he is now making good recovery. The third member of the trio accused of staging the hold-up has been arrested and the three men will be tried as soon as Tasse is sufficiently recovered.

YOUNG WIDOW APPOINTED TAX COLLECTOR AT COBALT

Cobalt has put into practice the idea of giving widows with children the preference over single girls. By a decision of the Cobalt town council, reached at a special meeting, Miss Dorothy Boughton, who has been assistant in the town office for three years past and who also holds the post of tax collector, will be released at the end of the present month, and her position given to Mrs. Reta Lockhart, a young widow with six children. The salary is \$87.50 per month, and Miss Boughton is to be given a month's notice and two weeks' holidays with pay.

WHITE WHALES TO ABATTOIR FOR EXPERIMENTAL PURPOSES

From the schools of white whales in Hudson Bay, a number of specimens were taken to Winnipeg in an express shipment over the Canadian National. When these animals arrived the sub-committee on fish by-products of the Industrial Development Board turned them over to the Harris Abattoir for experimental and investigation purposes.

The mammals are rich in oil; it is estimated that there are from 15 to 40 gallons in each, according to size. They weigh about 1,500 pounds. Portions of the hide are said to produce high quality leather.

THE MAN SAID WORK IS WAR AND HE DIDN'T LIKE WAR

A man named Kerr from Gowganda was in police court at Halleybury last week charged with vagrancy. Kerr, whose name was given as George, apparently did not believe in the idea of "letting George do it," if by it anything like work was meant. The case was remanded for a week and in the meantime Kerr will be examined by the doctors. Kerr said he had been working since he was 16 years of age, but Provincial Constable J. R. Dickson suggested that if the accused had been working in any recent times it was news of the community. One thing that Kerr told the court was that "work is war." From the evidence it would appear that the accused does not like war. The provincial officer said that the accused was dependent upon the bounty of the people of Gowganda for sustenance. Kerr claimed he had been a member of the old Western Federation of Miners, and he said he ran "a small bill at the store," and took whatever odd jobs offered, but the officer said he was "absolutely hopeless" when put to work on the road, and that he would not work, anyway.

Dividends of Mines Total \$387,822,592

Gold and Silver Mines of North Have Paid Large Amounts in Dividends Since Established. This Year's Probable Dividends.

With total declarations for 1932 set at \$10,948,854.38, dividends paid by northern gold and silver mines to date have reached the lifetime total of \$387,822,592.57, according to figures compiled by the Standard Stock and Mining Exchange at Toronto.

These figures include those for the Porcupine gold group including Dome, Hollinger and McIntyre; Kirkland Lake gold group including Lake Shore, Sylvanite, Teck-Hughes and Wright-Hargreaves; Quebec gold including Noranda and Siscoe and the silver camps of Nipissing, of Cobalt and International Nickel of Sudbury.

In 1931, the Porcupine group paid in dividends \$5,195,334. Dividends to July 20 of this year total \$3,272,667.30.

Kirkland Lake group in 1931 paid dividends worth \$8,875,123.60; dividends for the first six months of this year are set at \$5,209,130.70.

The Quebec gold group began paying dividends in 1930 when it disbursed a total of \$5,599,430; in 1931 this total was \$1,119,886 while dividends to date for the current year have aggregated \$1,499,886.

By the end of the year, it is estimated total dividend disbursements will have reached \$400,000,000, Ontario mines having given all but approximately \$9,000,000 which stands to the credit of Quebec. Manitoba, which is demonstrating its mining richness, may be expected to augment the big dividend total in the years to come.

BOYS AT SAULT STE. MARIE SAY THEY PUT UP RED BILLS

At Sault Ste. Marie the reds apparently are using boys to do the petty work of the alien agitators. In Timmins it is men who put around the silly bills they often distribute. This work is usually done at night, or, rather, early in the morning hours. On a couple of occasions or more the police have caught the simple aliens at this foolish work. At the Sault last week the services of a couple of boys was apparently enlisted for the bill-posting mischief. Some of the bills were posted on mail boxes, telephone posts and buildings. In Timmins last week a number of posters were pasted on the cement wall around St. Anthony's school. A gentleman living in the neighbourhood noticed the bills on this wall very early in the morning and he investigated. When he found what the posters were about he tore them down as far as he could. In any case they were not readable after he finished with them. The police here were not lucky enough to find the fellows that did the posting up of the bills on the wall, thus defacing the school property, but in Sault Ste. Marie there was more good fortune with the authorities. Two Sault Finlander boys, one thirteen and the other a year older were brought into court for defacing the mail boxes and other property by pasting bills on them. Each of the two lads were fined \$5.00 and costs, and in addition they were ordered to take down every bill they had so foolishly pasted up. The alien agitators behind this mischief on the part of the boys are said to have first taken the attitude that they would show up Canadian justice by refusing to pay the fines, and they won't dare send the boys to jail," was the idea of the alien agitators.

This idea was spoiled when it was announced that if the fines were not paid the boys would be committed to the custody of the Children's Aid Society Shelter at the Sault for ten days each, and this in holiday time, too. The boys said they printed the bills themselves on a typewriter at the Finnish hall, the wording on the bills being taken from a copy of The Worker, the advocate of the sort of thing that the alien agitators like. "Workers of the So, Protest!" was the way the poster read. "Send in your protest against the electrocution of the eight Scottsboro Boys to the Governor of Alabama. Down with American torturers! Free the Eight Scottsboro Boys!" It was odd that there wasn't a thing about the war with China or the usually noble Soviet.

Death and Funeral Ferdinand Lafleur

Father of Mrs. Todhunter, Schumacher, and Mrs. P. Theriault and Mr. Jos. Gagne, Timmins, Passes Away at Amos, Que. Funeral Largely Attended.

To the bereaved family and friends the sympathy of all in Timmins and district will be extended in the sudden death of Ferdinand Lafleur, bailiff for the Amos district in Quebec, who passed away while in the discharge of the duties of his office, suddenly dropping dead while in the act of serving a legal document. Death was due to heart failure. The late Mr. Lafleur had accompanied Sgt. Turnbull, of the Quebec Provincial Police, and other officers who were going to the farm of M. Tasse a few miles west of Amos. Mr. Lafleur was on his way to serve a summons while the other officers were seeking the capture of Edward Tasse and two others accused of robbery with violence. At the approach of the police Tasse and a companion attempted to escape across the lake. They refused to halt on demand or even for shots fired over their heads. A shot aimed at the occupants struck Tasse in the head and brought the fugitives to a stop. While the police were apprehending the one man in the boat and looking after the wounded Tasse, Mr. Lafleur proceeded to serve his summons. In the excitement of the occasion his heart gave out and he passed away.

The late Mr. Lafleur occupied a high place in the regard of all who knew him and he was one of the best-known men in the Amos district. He was a native of Ottawa, and at the time of death was sixty-four years of age, being born on June 6th, 1868. He leaves to mourn his loss, a widow and six children, as well as a brother, Albert, of Labelle, Que. The children are:—Mrs. Phil Theriault, Timmins; Mrs. R. Todhunter, Schumacher; Mrs. Jos. Gagne, Timmins; Mrs. E. Argouge, Montreal; Antoinette Lafleur, of the office staff of the Abitibi Co., and Lionel Lafleur, of the McIntyre Mine staff, Schumacher. Another son, Armand, gave his life in the Great War.

The funeral took place at Amos, Quebec, on August 12th, and was very largely attended, the church being filled to capacity. The pallbearers were Joseph Drouin, Demert Jobidon (officers of the Liquor Commission), Frank Dorval, Frank Blais, Adelard Massicotte and Israel Boucier. Representatives were present at the funeral for the following organizations:—Knights of Columbus, French-Canadian Society, Abitibi Liberal Association, Quebec Provincial Police, R.C.M.P., and others. Among the prominent citizens present at the funeral were:—J. O. Gauthier, Taschereau; Edmond Mercier, mayor of LaSarre; Ulderice Fortin, mayor of Senneterre; Oscar Roy, mayor of Baraboute; Jos. Drouin, St. Mathieu; Arthur Lefebvre, barrister, Rouyn; J. A. Lafontaine, Rouyn; Henri Forget, Rouyn; G. H. Dubois, Division Clerk, Ville Marie; Romeo Cotnoir and the Misses Cotnoir, Guigues; J. N. Fuser, Montreal; Medor Boucher and Gaston Boucher, Macamic; Joseph Paquette, Jules Lavigne, M.P., Paul Belanger, Philip Poulin, Aime LeTourneur, LaSarre; Jos. Chevalier, Cochrane; Y. Poirier, Taschereau; K. H. Turnbull, Emile Blais, G. Morel, Quebec; Orance Naud, Eugene Morin, Victorin Caron, J. H. St. Germain, Baraboute; J. H. Lemay, Landrienne; Leon Bertrand, Macamic; Jean Cyr, St. Mathieu; Paul St. Denis, La Ferme; Eliezer Pelletier, Villemontel; Georges Bussieres, Taschereau; Chas. Desrochers, Senneterre; Albert Tremblay, Landrienne; Joseph Biron, Horace Biron, Rouyn; Clement Duahemin, Taschereau; Ubald Morin, St. Marc; Theodore Vallieres, St. Nathieu.

Died in South Wales on News of Daughter's Death

A further touch of sorrow is added to the sadness occasioned by the recent death of Mrs. Geo. Nippers at Timmins, this being the death of Mrs. J. Pugsley, mother of Mrs. Nippers, at the old home in South Wales. Mrs. Nippers died here on July 20th, and Mr. Nippers cabled the sad news to relatives in South Wales. The news was naturally passed on to Mrs. Pugsley who was deeply affected by the death of her daughter. The shock of the news proved too much, and Mrs. Pugsley collapsed and died in a few hours, her death occurring on July 22nd, just two days after the passing away of her daughter at Timmins.

RUSSELL GRANT MAKING FINE PROGRESS TO RECOVERY

Russell Grant, who had his skull fractured in a fall at Cochrane over a week ago, and whose recovery at first was scarcely hoped for, is now making excellent progress to recovery. Word from Cochrane this morning is to the effect that he is now out of danger and that he is rapidly recovering from the injury received. This will be good news to his many friends in Timmins and district who will sincerely wish for him continued and speedy recovery.

ALLEGED COMMUNISTS TO BE TRIED AT AMOS, QUEBEC

Word from Amos, Quebec, last week was to the effect that two alleged communists, said to have been active in and around Rouyn and Noranda have been taken into custody by Sgt. Turnbull of the Quebec provincial police, and lodged in jail at Amos. The two men arrested are Emil Solonnen and Tony Pysanuk and they will be tried at once on charges of belonging to an unlawful assembly. It is evident that the idea of the Quebec provincial police is to clean up any activities there may be among alien agitators. The riots at Rouyn on May 1st when Chief Lapointe was shot in the arm by an alleged communist has stirred the authorities to action to weed out the disturbers and law-breakers. Some of those in the riots were tried and convicted a few weeks after. Others fled to Ontario and they have been traced, the evident intention being to round up all the guilty if possible. In addition to this it seems to be the intention to check up closely on all the foreign agitators and in case any are going outside the law to try them for this before, rather than after, they have stirred up trouble.

McIntyre Wins Nice Game on Wednesday

Yesterday's Game at Timmins Results in Nice Win, 3-2, for McIntyre. Timmins Still Leads the League.

McIntyre won another nice little game in the ball league yesterday when they posed out Kirkland Lake 3 to 2 in an interesting game at the Timmins athletic grounds. This leaves the league championship still anyone's meat. Timmins still heads the league with six games won, four lost, and two to play. McIntyre, with six won, five lost and one to play, can not do worse than second place. Kirkland Lake has won three, lost six and has three to play. The teams finishing in first and second place in the league, play off best three out of five games for the Temiskaming Baseball League championship and the R. A. McInnis trophy, and the right to go East for the E. O. B. A. championship and The Ottawa Journal trophy.

There was much interest in yesterday's game and a good crowd watched with keen attention the play throughout. The following summary of the game tells the story:—
