

Lacrosse Tomorrow at South Porcupine

Sports at the Dome During the Past Week. Big Police Court Docket at South End. Other Items from Correspondent for South Porcupine and the Dome.

South Porcupine, Ont., Aug. 17th, 1932. Special to Advance.

In junior box lacrosse on Wednesday, August 10th, Lowry's "Fireflies" of the Dome won a decided victory over their South End opponents coming out on the happy end of a 12-2 victory in a game at the Dome grounds. The Dome lads are showing the results of their coaching. R. Murphy acted as referee. The teams lined up:—South Porcupine—goal, Burns; defence, Cattarello, Laffin; rover, Strange; forwards, Haneberry, Kauffman, Miller; spares, Myers. Dome—goal, Christie, then McGinn; defence, Mitchell, Grant; centre, B. Doran; home, Mitchell, Woods; rover, Millions; spares, A. McGinn, Parsons, McLean, Hughes, Thomas, Shumilak, Libby, L. Doran. B. Doran netted the first after eight minutes play. Woods made it two, McLean three, and Mitchell four before the period closed. In the next Myers came up was bumped by Grant but passed to Haneberry who tallied the first for the town. Haneberry got two minutes rest for rough play. Richardson got three minutes for being rougher still. Joe Mitchell scored again for Dome then Myers worked out a nice tally for the town. McGinn was in goal for Dome and doing great work. McLean netted a sixth and Parsons the seventh for Dome. The third spasm was all Dome, McLean getting their eighth within a few seconds of the starting whistle. Burns ran out to stop Lloyd Doran's long drive. Combined play, Parsons to McLean to Mitchell, beat Burns again. Then Richardson went on a scoring rampage and made three more, the final whistle blowing when the score was 12-2.

Mr. and Mrs. Ewing and little daughter, of Minneapolis, visited Mrs. Ewing's sister, Mrs. Leiterman, and other Dome friends last week.

In the softball league schedule being played off at the Dome the winning streak of the Mine team snapped off this week and it went down to defeat twice—on Thursday before the Mill, and on Monday by the Engineers. The Mill started off Thursday's game in real whoopee style, scoring eight times in the first innings. The Mine tied the score, then went one better in the fourth, but the Mill again had a frenzied fifth and brought in six more, running their total up to fifteen. At

unlucky thirteen the Mine stopped scoring giving the Mill the game in the 15-13 count. Ray was the only home-run artist of the game staging it in the fifth and scoring McLean and Mansfield ahead of him. Mill—p, Rudd; s, Longworth; 1b, Brooks; 2b, Lett; 3b, Ray; ss, Mansfield; outfield, Schumilak, Doran, Parsons. Mine—p, McLean; c, Ostrowsky; 1b, Johns; 2b, Burke; 3b, Massecar; ss, Heximer; outfield, Rasleigh, B. Brooks, Pollard.

In Monday's game the Engineers lined up:—p, Sullivan; c, McCaffrey; 1b, Crozier (Fell); 2b, Michaelson; 3b, Doran; ss, Cook; outfield, B. Doran, Richmond, Murray. Burke and Massecar scored for the Mine in the first and Michaelson for the Engineers. In the second B. Doran tied the count. In the third with a two-baser Brooks scored Clark and Johns; then McLean made a two-base hit to score Massecar and Brooks. Murray made the only tally for the Engineers. The fourth saw the Miners run up their score to nine points while the Engineer tally was stationary at 3. Three "outs" featured the Miners' fifth performance. Fell's two-baser let McCaffrey touch home then Cook scored Doran and Fell and later made home himself, through a jumble of errors on the part of the Mine. Luck left the Mine with that while the Engineers brought their tally up to ten.

In the playing of the Horseshoe Pitching Club schedule Timmins Firemen won from the Dome on Friday by 8-7 and Timmins Club on Wednesday by 9-6.

Dome Lacrosse Club Seniors meet Timmins Seniors in a league game, the fourth of the series at the South Porcupine arena on Friday night. These games are getting more interesting each time.

Mr. and Mrs. Levine and little daughter, Mavis, have returned home to Hamilton after a holiday spent under the parental roof of Mr. and Mrs. Beaudry, Dome Mines.

In the police court there was the aftermath of a Schumacher wedding. The bridegroom was charged with having liquor in other than a public place. He rented the kitchen and dining room of a vacant building, which had been a hotel, for the purpose of the wedding entertainment, but did not reside there, living on the back of the same lot. He had made inquiries and probably thought he was acting in good faith but his own evidence showed it was not his residence. He was fined \$100 and costs and the charge against the owner of the building was withdrawn. There were five charges for cows running at large, four paid fines. A woman whose husband is in hospital was dismissed with warning. One of the men accused thought to get off by saying his cows stayed with the woman's cows but

McIntyre Athletic Track and Field Day

Results of Events on Wednesday Last at the Big Day put on by the McIntyre Athletic Association at Schumacher.

On Wednesday of last week, August 10th, the McIntyre Athletic Association presented a track and field day at Schumacher that is worthy of special mention.

Some of the highlights of the day may be summarized as follows:—The M.A.A. track team won the cup for most points.

Angrignon ran a nice race in the 220 yards.

Brown came from behind to win from Barnett by six inches in the 440 yards. Eastman, of New Liskeard, came in with a 220-yd. sprint to beat Leng out in the half mile event.

The girls from the Alerts Club in New Liskeard showed real class. Mr. Craven, the manager is to be congratulated on the club's success.

The extent of the programme and the excellence of the events may be judged by the following list of prize winners, etc.—

Hep, step, jump—Brown, 40 feet 4 in.; McLaughlin, 39, 9 in.; Cattarello,

as his wife did not happen to be sick in the same hospital as the woman's husband he was fined. Liquor cases featured the session. Two men—partners in a pavilion in the Bayside Beach area were each fined \$100 and costs for having liquor in a place other than their private dwelling. A man by the name of Saari guilty of being drunk in charge of a motor vehicle and sent to Halleybury for ten days. Another man was fined for having liquor in his possession not on his permit. A man charged with allowing a vicious dog at large declared it had been sent out to the country now, so case was dismissed. A lad of seventeen out of work in Schumacher was charged with theft from a freight car. The boy claimed having been thrown out of his room he had gone to the car to sleep. The charge of theft was dismissed, there not being enough evidence, the magistrate stating it really was more a case of trespass. The lad's father went away to other parts and left him here. He is an Italian.

Mesdames Yeomans, MacDonald and Trullife, of the Dome Mines, returned home from England on Sunday evening. Mr. Yeomans went to Montreal to accompany them home.

Mr. and Mrs. J. Prior and Mr. and Mrs. A. C. Morley, of Kapuskasing, spent the week-end with Mr. and Mrs. R. Mansfield.

Red Cross Must Get Funds for Outposts

Some Branches Operating at a Loss, Says Ontario Director. Great Work Being Done for Pioneers of North.

One branch of the good work of the Canadian Red Cross Society, Ontario Division, that perhaps is not as widely known or as keenly appreciated as it deserves, is the hospital and nursing service provided for outlying parts of the newer sections of Ontario. Extending over an area of hundreds of miles there are now twenty-four outposts in Ontario maintained by the society, equipped by local branches, financed by gifts from all over the province, and directed from the Ontario headquarters in Toronto. The first of the outposts of the Red Cross were established at Wilberforce in 1922, and there are now ten other single-nurse outposts—Whitney, Reddith, Quibell, Loring, Lion's Head, Kakabeka Falls, Coe Hill, Bonfield, Atkoken and Apsley. In addition there are twelve regular hospital outposts with a staff of nurses each. These twelve are Englehajt, Kirkland Lake, New Liskeard, Nakina, Bancroft, Hornepayne, Rainy River, St. Joseph's Island, Thessalon, Blind River, Dryden and Bracebridge. There is a staff of 49 trained nurses in charge of the outposts. One of the outposts is a Red Cross railway car which travels wherever there is need of its services and rails to carry it.

At the present moment there is need for special consideration of the work of the Red Cross in its effort at these outposts, as The Advance this week received the suggestion from the Ontario headquarters that confronted with the steady growth of activities and a decrease in revenue, the Canadian Red Cross Society (Ontario Division) to-day faces the possibility of closing one, if not several, of its outposts in the outlying districts of the province. According to the information sent by the latter from headquarters, Dr. F. W. Routley, director of the Ontario division, is quoted as saying:—"All but three of these outposts are operating at a financial loss. Deficits must be made up through voluntary contributions and the province in general and the pioneer settlers of Ontario in particular would suffer beyond measure if this frontier phase of the society's work is curtailed in the slightest degree." On the contrary there is really urgent need for the extension of the single nurse outpost, Dr. Routley says.

Cost of maintenance for each patient per day in Red Cross outposts last year, was \$4.85, a figure higher than maintenance costs in city hospitals, where larger numbers of patients decrease the total cost of hospital upkeep. "It is not generally known that Red Cross outposts are recognized public hospitals, registered in the hospital blue book just like all other hospitals," Dr. Routley said. "They are staffed with graduate registered nurses and have modern surgical equipment. Operating, as they do, at a loss, with three exceptions, these outposts are giving serious concern to the Red Cross at this time."

Since 1922, Canadian Red Cross society outposts have provided 133,149 days hospital care to patients. In 1931 they gave 29,176 days care. During the past six months they have provided 16,685 days care.

More than 10,000 admissions have been made to Red Cross outposts in the ten years of their existence. Last year there were 2,630 admissions. In the past six months 1,518 patients have been treated.

Information sent The Advance includes the following:—From Reddith, the farthest-flung outpost, comes an account of a night's work. The report is written by the

Some Serious Cases at the Week's Court

Young Fellow Accused of Breaking into Fruit Car. Two Men Charged with Entering Dwelling by Night. Other Cases This Week.

Although there were not as many cases this week as in either of the last two or three weeks, there was a lengthy docket at the Timmins police court on Tuesday and some of the charges were serious ones.

One young man was charged with breaking into a T. & N. O. fruit car on the National Grocers siding and stealing a quantity of fruit. The case was remanded for a week. Constables Paul and Holley noticed two young fellows on Monday night coming out from behind the fruit warehouses carrying baskets of fruit. The officers called to the lads, and the two young fellows dropped the baskets and ran. The constables each took after a man and Constable Paul eventually captured his choice but Constable Holley's lad got away in the deep clover on the side of the cyanide. The captured lad, who is about 17 years of age admitted taking the fruit from the car but claimed that he did not know the other fellow. Half a dozen baskets of the stolen fruit were recovered by the police.

Another serious charge was that against Jas. Vallier who was accused of illegally entering a dwelling by night. He and another fellow entered a house on Pine street south and stole bread and a dish of stew. Constable Gauthier picked the two up as they were in the act of eating the stolen food. Vallier had three dollars in his pocket when arrested, but claimed that he just took the food because he was hungry. He had several previous convictions against him and was sentenced to three months. The young lad with him was allowed to go with a warning.

Germaine Lapointe, 155 Main avenue, was fined \$100.00 and costs on the charge of obstructing the police in the discharge of their duty. The police told the court that she poured some glasses of beer in the sink when the officers were making a search for liquor. The fine was paid.

One of the cases that created much attention was that of Alex Kideckel against a parachute jumper for wages said to be due for sandwich board advertising. The case was adjourned to next week.

Adjournment was also made in the case against Mrs. Mary Dagenais, 31 James avenue on a charge of creating a disturbance in public. As Mrs. Dagenais did not appear in answer to the summons a bench warrant is to be issued for her arrest.

The case against Stanley Lees for alleged violation of the Employment Agency Act was again adjourned for a week.

The charges of fraud against Geo. Anderson were also adjourned for a week.

A fine of \$5.00 and costs was imposed on a local young man for unlawfully playing cards on the Sabbath.

Two men charged with being the keepers of common gaming houses were remanded for a week.

One single common drunk was fined \$10.00 and costs. An adjournment of a week was made in the case of another man charged with drinking in a public place.

Ann Cop, 165 Balsam street, south, was fined \$10.00 and costs for illegally having liquor.

For driving without a chauffeur's license a man who had been found operating a truck was fined \$10.00 and a vagrancy charge was dismissed, the accused showing that he had money to pay his way, being in receipt of compensation.
