

# DeFOREST CROSLEY CLEARS FACTORY STOCK to EATON'S

## Eaton's Purchase Manufacturer's Stock DeForest Crosley Radio-Phonograph Combination

The Famous "Operetta" Model. Thursday - **\$99.50**  
Friday - Saturday, Bargain, Each

Originally listed at more than twice the figure at which we now offer it—seldom, if ever, has it been possible to purchase so fine a radio combination at so low a price.

This radio has many features which made it outstanding value even at its regular price.

EIGHT-TUBE SUPER-NEUTRODYNE CHASSIS, OUTPUT REGULATOR, COMPLETE RANGE TONE CONTROL, HETROTONAL RESPONSE

See this radio Thursday, Friday and Saturday! Admire its sensitive, selective performance! Listen to the beauty of its fine, pure tone. Inspect the cabinet and you cannot fail to be impressed by the distinction of its workmanship—a skilful blending of matched and selected walnuts. This is one of the greatest radio values we have offered this season.

## 1932-Nine Tube Super-Heterodyne With Tone Control

The above is a Radio-Phonograph Value that stands head and shoulders over the ordinary. Hard to believe that you can buy an Radio Phonograph at such a low price
