

## Crowds Delighted with This Year's Horticultural Show

**Timmins Band Added to the Attraction of the Event at the Rink Yesterday. Hope to Attend Again This Evening. Remarkable Display of Vegetables and Flowers. R. Whorley, of Haileybury, Judge for the Event, Comments on the Creditable Exhibition Here.**

The eighth annual exhibition of flowers and vegetables by the Timmins Horticultural Society is now in progress and is drawing large crowds, many of whom are amazed, and all delighted at the remarkably attractive and creditable showing made. This year the Horticultural Society is continuing the show for two days. It opened at the rink yesterday and there was a constant stream of interested people young and old to admire the high quality of flowers and vegetables on display. The rink opened again this morning to allow the public opportunity to visit the flower and vegetable show. The show will be open until late this evening and no one who can possibly attend should miss this event. It is a revelation as to what can be done and is being done in Timmins in the growing of flowers and vegetables. Anyone in the town or district who has visitors from outside points should be sure that the visitors see the horticultural show, as it is the best possible advertisement for this town and the North generally.

The annual horticultural show was formally opened yesterday by Mayor Geo. S. Drew, in a neat and appropriate address. R. Whorley, of Haileybury, also spoke most interestingly. Mr. Whorley, who is the best known and most expert of the horticulturists of the North, with a quarter century of experience in this North alone to add to the weight of his opinions, is the judge for the exhibition and also for the garden plots. Mr. Whorley comments on the fact that the frequent and heavy rains this year have done much to hamper the best results from lawns and gardens in the Haileybury and New Liskeard districts this year. In flowers and vegetables this year Timmins is much ahead of the Haileybury and New Liskeard areas, though lawns and gardens here have suffered a little from the effects of the heavy rains. The fact that the New Liskeard and Haileybury districts have clay soils while Timmins has a sandy soil this year has given this town and immediate district a very decided advantage. Among comparisons it will be agreed that Timmins this year in the horticultural line is occupying a very high place indeed. People in a position to know will endorse the suggestion of Mr. Whorley that Timmins vegetable and flower gardens this year have done themselves proud.

A specially appreciated feature of the opening of the flower and vegetable show yesterday was the playing of the Timmins Citizens' Band. The music by the band helped attract the crowds to the rink and added to their pleasure after they got there. The assistance of the band was much appreciated. There will be general pleasure that the band intends to be present again at the rink this evening and to add to the interest of the occasion by furnishing good music.

Next week The Advance hopes to publish the complete prize list of the horticultural show and also to make further mention of the success of this year's show. For the present, however, a few comments even at random may not be amiss.

The show this year appears to be even better than in past years. The officers and directors are certainly to be congratulated and commended on the general appearance of the show hall and the convenient and impressive arrangement of the exhibits. First, a special touch of attraction is given to the rink by the rows of evergreens planted in the sand of the rink. The arrangement of the display tables and the classification of the various exhibits has been very skillfully done. Anyone with any interest in vegetables or flowers can spend an hour or two in the rink with satisfaction and pleasure and return again to enjoy the exhibits once more.

Mr. Whorley said last night that the number and quality of the exhibits were at least up to last year's high standards. The general impression will be that the quality of this year's flowers and vegetables is even better than last year's showing at the rink.

Probably the first impression is that the exhibition of flowers is outstanding. The showing of flowers in all classes will be a delight to all who enjoy beauty and the results of skill and care in floriculture. Bouquets, house plants, baskets of flowers, and notable specimens of nearly every class of flower please the eye. Few will fail to be impressed with the showing of dahlias. The monster dahlias especially are sure to interest. In the gladioli there will also be special interest. Few will pass without pleased comment the beautiful display of gladioli exhibited by A. J. Carson, of Haileybury. Mr. Whorley commented that Mr. Carson has sent specimens to the Toronto Exhibition that far exceed the beauties displayed here. The Toronto Exhibition can cer-

### "Evans of the Broke"

REAR ADMIRAL EVANS

It is understood that Rear Admiral Evans, "Evans of the Broke" fame, is to succeed Vice Admiral H. J. Tweedie as Commander-in-Chief of the African Station of the British Navy. The popular Rear Admiral is pictured above.

## Bussineau Bouts on Wednesday, Sept. 21

**Definite Date Set for Attractive Boxing Card Postponed from Aug. 25th. At Timmins Rink, Wednesday, Sept. 21.**

Announcement was made this week of the date of the postponed boxing programme planned to be given here some weeks ago under the sponsorship of H. Bussineau and P. O'Grady. The date of the event will be Wednesday, Sept. 21st, and the Timmins rink will be the scene of the smart bouts to be presented.

The card was originally planned for Aug. 25th at Riverview Park, but the illness of Mr. Bussineau left no option but to postpone the event. Mr. Bussineau has been fully recovered for some days now and the date has been definitely set as Sept. 21st, and the rink secured for the occasion.

Readers of The Advance will recall the excellent programme prepared and now to be presented as noted. The big feature is to be an 8-round bout between Henry Bussineau, former sparring partner of Jack Dempsey, and Bill Archer, of Manistee, Mich. This is expected to be a battle that will give the fans more than their money's worth. Another 8-round bout will be one between Matt Roach, of Timmins, and a Kirkland Lake boxer of note.

There are also two 5-round bouts on the card, one between Bert Dempsey, Timmins, and Kid Johnston, Swastika, and the other between Red Gardiner and Pete Yawny, both of Kirkland Lake. Other bouts by promising local boys are also expected to round out a complete programme.

## Big Boxing Card to Give Championships

**St. Anthony's Boxing and Athletic Club Planning Meeting of Kirkland Lake and Timmins Teams for Championships of North.**

The St. Anthony's Boxing and Athletic Club, of which Rev. Fr. Theriault is president and Al. Pitcher the organizer and manager, is planning an unusual and most interesting event for the near future. It is the greatest fistic festival yet staged in the North Land, and takes the form of a contest between Kirkland Lake and district and Timmins and district for the championship of the North County. The event is in aid of the St. Anthony's Boxing and Athletic Club. The line-up of the teams is well worthy of note. Here they are in order, with a comment or two:—

Kirkland Lake team—Howard (Kid) Williams, Chester Gabrielle, Pete Yawny, Johnny Rocks, Jimmie Ross, Alex Casey, Al Sandrin.

Timmins team—Len Wadsworth, Sid Burt, Frank Dubois, Frenchy Morris, Kid Bergeron, Donat Richard, Johnnie Birch.

Such a card should attract the keenest interest. Howard Williams, of Kirkland Lake is an ex-champion of Canada and considered yet as one of the very best in the Dominion. He is said to believe that he can win over Len Wadsworth by the knock-out route, but all Len says is "Wait and see!" The Kirkland Lake boxer will have to go some for Len is one of the outstanding ones.

Donat Richard, champion of Ontario in his class, would make any card attractive, as he has won the highest opinions of all who follow boxing. Others in the two teams are equally worthy of special mention and the programme is one that should be looked forward to by all boxing fans.

The event is to be held in the Timmins skating rink, the date to be announced in the course of the next week or so.

## Third Annual Field Day by the Legion

**Interscholastic Field Day Under Auspices of Timmins Branch Legion on Wednesday, Sept. 21st, Commencing at 10 a.m.**

The Timmins Branch of the Canadian Legion announce their third annual interscholastic field day on Wednesday, Sept. 21st, 1932, commencing at 10 a.m. Each school is to be represented by at least one person in authority. Admission to the event will be free. The field day events will be held on the Timmins ball grounds. Applications for entry may be made to any of those listed in the advertisement elsewhere in this issue. In that announcement also will be found a list of the several events on the programme of the Legion's interscholastic field day. This field day has become a popular feature. Among the special items on the field day programme are the relay race and the tug-of-war. The relay race is one mile, with four runners, 440 yards each.

In the tug-of-war the event is for teams of six or eight men, weight 1200 lbs. The tug-of-war is confined to Percupine teams.

## Hon. Mr. Martin Here

HON. W. G. MARTIN  
Minister of Public Welfare, who will be the guest of the Kiwanis Club and the Children's Aid Society executive to-morrow (Friday) evening at a dinner in the Empire hotel.

## Hon. W. G. Martin to Visit Here on Friday

**Hon. W. G. Martin Minister of Public Welfare, on Brief Tour of North. Will be Guest of Kiwanis Club and Children's Aid Executive to-morrow Evening.**

Hon. W. G. Martin, Minister of Public Welfare in the Ontario Cabinet, will be a visitor to Timmins on Friday of this week, Sept. 9th, reaching here at 11 o'clock to-morrow and leaving again on Saturday morning. He is at present on a trip through the North and is accompanied by Mrs. Martin and daughters. They were at Kirkland on Monday and at Cochrane Tuesday evening. Hon. Mr. Martin addressed a meeting sponsored by the Cochrane Board of Trade, the minister touching on the work of his department, especially Children's Aid Work, Mother's Allowance, Old Age Pensions and the Veterans' Welfare Bureau.

Hon. Mr. Martin, Mrs. Martin and the Misses Martin will be the guests of the Kiwanis Club and the C. A. S. executive at dinner to-morrow (Friday) evening at the main dining hall of the Empire hotel. The event will commence at 7 p.m. The Kiwanis Club have kindly made it a ladies' night so that a large attendance is expected. Hon. Mr. Martin is an eloquent and able speaker and his address on the various phases of the work of his department is looked forward to. His address at Cochrane Tuesday evening roused much interest and enthusiasm for the good work being carried on by the various good causes that his department directs.

During their stay here Hon. Mr. Martin and party will visit the Children's Aid Shelter, the mines and other points of interest.

## Two-Year-Old Child Dies from Accident

**Little George William Holmes Passes Away in Hospital After Drinking Small Quantity of Gasoline. Funeral on Thursday Last Week.**

A sad accident occurred on Wednesday of last week, Aug. 31st, when George William Holmes, the two-year-old son of Mr. and Mrs. Charles Holmes, 419 Pine street south drank a little gasoline and died in a few hours. Some gasoline used for cleaning had been left for a minute or two on the table and the child managed to get hold of the gasoline and tasted it. Only a small quantity of the gasoline could have been taken by the baby before the danger was noted. The youngster was rushed to St. Mary's hospital where all that skill and care could do was in effort to save the child's life. All efforts were unavailing and the baby passed away some six hours after the accident.

The funeral took place on Thursday, Sept. 1st, at 6 p.m. from 419 Pine street south, to the Timmins cemetery. Rev. Mr. Millar conducted the funeral services. There were many beautiful floral offerings as evidence of the deep regret at the sad death and the sincere sympathy felt for the bereaved parents and family.

In addition to the bereaved father and mother, there are two brothers, Robert and Bruce and one sister, Helen, to mourn the loss of this bright little lad.

## Trophy Dance by McIntyre Track and Field Club

The McIntyre Track and Field Club announce a "Trophy Dance" to be held in the McIntyre Recreation hall on Friday of this week, Sept. 9th. Dancing will be from 9 to 3, and the best sort of a good time is assured to all attending. Events at Schumacher are always pleasing and this will be no exception to the rule.

## Ashley's Prospects Appear Very Bright

**Understood that Garvey Vein is to be Developed Now. Mine Likely to be Immediately Profitable, it is Said.**

For various reasons there is special interest in Timmins in the Matachewan gold area, while the Ashley Gold Mining Corporation in Bannockburn township comes in for very particular attention, because one of the original discoveries of the property is an old-timer, of the north and well-known in Timmins. Wm. Garvey, who has visited frequently in Timmins where he has friends as well as relatives, shares with Mr. Ashley, after whom the property is named, in the honour of the discovery and development of the property. One of the veins on the property is named the Garvey vein, and it is understood that it intended now to proceed with the development of this vein which is one of very particular promise. The progress being made by the Ashley Gold Corporation at the present time may be noted from the following reference in The Northern Miner last week:—

"Ashley Gold Mining Corporation, Bannockburn, started last Thursday night on schedule time. The plant is initially operating at 75 tons a day, and is running smoothly.

"The mine's staff set their starting objective as 90 days from the breaking of ground for mill foundations—and made good.

"At present feed rate, this Mining Corporation subsidiary will add about \$25,000 monthly to Ontario gold production. Prospects are that the mine will be immediately profitable."

## Timmins Boy Scouts Enjoy Summer Camp

**Interesting Time at Event that Concluded Last Week. Camp at Sese-kinika Lake Proves Happy One.**

The following report of the summer camp of the Timmins Boy Scouts this year was provided by one of the lads attending the event:—

On August 21st, 1932, the First Timmins Troop of Boy Scouts left for camp on Lake Sesekinika. They camped on Pearl Beach, two and a half miles from Sesekinika. Pearl Beach is an ideal place for swimming. You can wade out in the water for nearly a hundred yards, and the beach has a hard sandy bottom. Many of the Scouts passed swimming tests there.

The first day of camp tents were pitched and the mess-tent was fixed up. All the meals were cooked by Scouts, each patrol taking two days at a time. Later, a dock and raft were built.

During the camp, Scout work was done and many tests passed. Two canoes at camp provided much fun. Fighting in the canoes in three or four feet of water was very exciting.

After a few days of camp the Scoutmaster had a competition. The winning patrol was to go to Kirkland Lake on Saturday. The competition was for the best-built, most useful camp article. The Fox Patrol built a platform at the creek. The Chipmunk Patrol built a tower in the trees. The Owl Patrol built a bridge across the stream, and the Moose Patrol built a packcase rack and a model bridge. The Fox Patrol won the contest and got the trip.

One day a treasure hunt was held. Two patrols were to find maps and locate the treasure, which was a box of chocolate bars. The treasure was hidden on an island.

Hikes were taken by each patrol and also a trip in the canoe.

Rainy weather spoiled a good part of the time, but even during the rain amusement was provided by way of games.

The Scouts attending the camp were in patrols. Fox Patrol—Clair Baker, Reginald Lainsbury, Tom Maxwell, Len Traver, Chipmunk—Merton Lake, Ken Blow, Tom Stonehouse, John Lago, F. Gagne, Owl—Jack Fortin, Ronald Lake, Alex McQueen, Moose—Jack Lake, Charlie Abraham, Ken Lainsbury, Armand Vezina, Eric Ormston. The Scoutmaster, C. B. Alton, and his wife also attended the camp.

## Timmins Band to Play at Riverview Park Sunday

Weather permitting the Timmins Citizens' Band will play at Riverview Park, near the Mattagami bridge on Sunday afternoon next, Sept. 11th, from 3 to 5. Those at the river and the park will appreciate the afternoon of good music thus provided.

Sunday evening the band will also give an open air concert at the bandstand on Spruce street, opposite the Empire hotel, if the weather is favourable, and people in general will be able to enjoy this musical treat.

Last Wednesday Timmins A.Y.P.A. held a bacon fry. All the members went to the Whelpdale Rocks. Out there a fire was started and everybody cooked bacon. The bacon was served with bread and coffee. Next week is to be a corn roast.

## Porcupine Fair to Have Many Special Features, Sept. 13-14

**Boy Scouts to Put up a Model Camp and Give Exhibition of Bridge Building. Many Special Prizes Listed for Event Next Tuesday and Wednesday. South Porcupine Band to be in Attendance.**

Not content with the usual prize list and a large number of specials, the Porcupine Fair this year on Tuesday and Wednesday, Sept. 13th and 14th, has added several new features. With good weather next week the Porcupine Fair at Porcupine, Ont., should attract a big attendance and prove an unqualified success.

One of the special attractions will be the fact that the Boy Scouts are putting up a model camp at the fair and are going to give an exhibition of bridge-building.

Harry Lottridge is to have some of his concessions on the grounds, which should add to the fun and liveliness of the occasion.

The South Porcupine band will be in attendance to provide good music for the occasion.

Another special attraction should be the art competition between the public schools in the camp. The Porcupine Agricultural Society is offering a trophy for friendly competition between the public schools of the camp. Three entries in each form, starting at first book, are to be made, the subjects including crayon, black and white drawings and water colours. The school obtaining the largest number of points will hold the trophy for one year. There will also be a special prize for the best piece of art, any subject, to the pupil whose age does not exceed fifteen years on Sept. 10th.

The usual features of the baby show, team-drawing contests, sports, races, athletics, etc., will be carried on, one of the popular items being horseshoe pitching.

Judging from the prize list and from past years there should be a good showing next week of—horses, cattle, hogs, sheep, poultry, dairy and other products, domestic science, ladies' work, house accessories, children's wear, men's wear, home manufactures, arts, handicrafts, paintings, baking, sewing, field grains, field roots, garden vegetables, flowers, plants, collection of weeds,

grass, woods, wild flowers, etc. There is a special section for the work of women over 60 years.

The list of special prizes for the Porcupine Fair this year is a notable one, including the following:—

\$500 worth of merchandise from the Simpson's Canada Wide, for the most prizes in fancy sewing.

Pyrex baking dish from T. Eaton Co. for most first prizes in domestic science classes.

\$10.00 credit with the Massey-Harris Co. for most first prizes in garden and field vegetable sections.

\$5.00 from Geo. W. Lee, chairman of T. & N. O. Railway for best collection of vegetables.

\$5.00 worth of seed from Steel Briggs Seed Co., to be divided in two prizes, \$3.00 and \$2.00 for oats in field grain section.

\$5.00 from Sky Bros., South Porcupine, for house dress to be made from material to be bought from Sky's store, the cost not to exceed \$2.00.

Special by Beatty Washer Co. for most first prizes in domestic sewing section.

Blatchford Feed Co., 50 lbs. Blatchford's calf meal for best exhibit of cattle in show.

110 lbs. "Fill the Basket" egg mash, for best pen utility birds, (any breed) in show.

Lee Cup for best pumpkin pie; \$1.00 for second prize.

Fair 14-k gold cuff links for best 3 lbs. butter in 1 lb. prints, donated by Mr. Dalpe, jeweler.

Special for best piece art, any subject, boy or girl, whose age does not exceed 15 years on Sept. 13th, 14th and who has not had any private tuition, donated by L. Halperin, jeweler.

Special by W. C. Arnold, Schumacher, for best display of gladioli.

Special by H. Sky, Schumacher, for boy with most prizes in athletics.

Special by J. T. Hefferman, Timmins, for most first prizes in floral section.

Side of bacon, by Swift Canadian Co., for best display of dahlias.

## Apples Grown at Cobalt by Allan Orr This Year

The following despatch refers to Allan Orr, brother of W. W. Orr, of Timmins. The despatch says:—"Evidence that quite unsuspected products can be raised in a mining camp town is available at Cobalt in the two big barrels which Allan Orr has packed with the fruit of three trees he has been cultivating in his garden in that town. The trees are respectively, Yellow Transparents and English Pippins, with one of crab apples, and while the owner has been harvesting a crop regularly and in increasing quantity from the two last-named for ten years, 1932 has proved the banner season. The Yellow Transparents have been gathered for the first time. Mr. Orr planted the others back in 1919, and three years later they had started bearing fruit in small quantities."

Misses Jacqueline and Gaenne Canie, nieces of Mrs. C. Pexton, left on Tuesday to attend Haileybury high school.

## Premier and M.P.P.'s at Timmins Sept. 22

**Legislature Members to Visit Timmins on Their Tour of the North This Month. Expected to be Large Party.**

Premier Geo. S. Henry and the other members of the Ontario Legislature on tour of the North this month will visit Timmins on Thursday, Sept. 22nd. The party will reach here at 5 a.m. on the date noted, leaving here again at 1:30 p.m. the same day. That means that they will spend eight and a half hours at Timmins but as three or so are in the early morning the stay is not as good as it appears. However there will be time for the distinguished visitors to have a glimpse of the mines and the other centres of interest in the town and immediate district.

The tour of the North is organized to give each and every member of the Ontario Legislature an opportunity to see the North. All members of the Legislature, irrespective of party or anything else, have been invited to take in this trip, and it is expected that there will be a large number responding. In addition to the parliamentarians there will be about thirty newspaper representatives with the party, so the North should gain good publicity. Moonshine will be among the places visited.

The ladies of the Timmins Golf Club on Friday last had the pleasure of a visit from twenty of the lady golfers from Iroquois Falls. The weather was very pleasant and all had a delightful time during the visit. The ladies were entertained at tea at the home of Mrs. Brigham, this being one of the very pleasant features of the occasion. On the golf course an equally enjoyable time was passed. Mrs. Brydgc won the prize for the lowest score for the visitors. Mrs. McLeish won the driving competition for the visitors. Both the driving competition and the lowest score for the Timmins lady golfers were won by Mrs. C. G. Keddie.

At the last meeting of the Cochrane town council a resolution was carried that a memorial committee be appointed representing the different organizations in the town to erect a memorial for Memorial Day. The committee named was as follows:—Mayor Mitchell, E. M. Hobson, E. R. Tucker, His Honour Judge Caron, Edgar Bisson, S. Sheldon, Mrs. Bishop Anderson, Mrs. W. L. Warrell, F. Gardiner.
