ANOTHER KIWANIS MIDNIGHT REVUE TO BE PRESENTED

The Timmins Kiwanis Club in the past made a very decided popular hit in the line of midnight revues, and they intend to repeat the success of the past and better it if possible. The date for the event has not yet been decided upon, but in the meantime the Kiwanis are on the look-out for the very best talent available for the event. It is well known that Timmins has plenty of high-class talent, and any who can help in the revue or who can suggest talent available should get in touch with J. D. Brady, chairman of the committee in charge.
