

### Events of the Week at South Porcupine

**Dome F.C. Holders of Boxer Cup.** Rev. F. J. Baine to be at Anniversary Services, Oct. 26th. Popular South Porcupine Man Wedded. Other South End and Dome News.

South Porcupine, Oct. 4th, 1932. Special to The Advance.

Her friends will be glad to know Miss Sarah Slotnick is now able to have her broken arm out of the cast it has been in for the past three months, ever since

the car she was in went into a ditch near Golden City.

Mr. and Mrs. Maxwell Smith were in Kirkland Lake the first part of the week. Mr. Smith attending the Firemen's Convention there in his capacity as chief of the South Porcupine fire department.

Mr. and Mrs. H. Allard, of Haileybury, are visiting their cousin Mrs. J. Huot, and also friends in Timmins.

Mr. Arturo Cappellari is leaving for Italy on the Ascania which sails from Montreal on October 7th.

Misses Isabel and Marita Arbour, of Kirkland Lake, spent the week end with relatives here.

Mrs. P. Andrew and little son, Billy, are leaving for a visit to her parents in

Scotland next week.

Mr. G. Chambers left by motor for Hamilton on Saturday last for a two-months' vacation.

Among those from South Porcupine taking in the excursion to Toronto were Messrs G. McIntosh, Alex Grentz, J. Naish, F. Rogers, W. McManus and Mrs. Hamilton.

The Dome are now the possessors of the Boxer Cup for football prowess. They won their right to hold it by defeating McIntyre on Thursday evening last at Timmins. There will be a league game played in Timmins on Saturday next, between McIntyre and Dome. Then on Tuesday next these same two teams will play a sudden death game, also in Timmins, to decide in whose

cupboard the Dickson Cup will rest for the following year.

The final league game and the final game of the season will be played on Dome grounds on Saturday, October 15th.

On Sunday next there will be special Thanksgiving services in the United Church for which the choir are preparing special music for the evening service. Sunday, October 26th will be the date of the Anniversary service. It is hoped that Rev. F. J. Baine, of North Bay, a former pastor here, will take the service on that day and also take part in the concert that is being planned. The Ladies' Guild are holding their anniversary turkey dinner in the Masonic hall on Wednesday, October

26th.

The marriage was solemnized on Sunday, October 2nd, of Rocco, younger son of Mr. and Mrs. R. Spadafore of South Porcupine to Rose, daughter of Mr. and Mrs. Ralph Grimaldi, of Timmins. The groom's brother-in-law, Mr. Frank Adamo, of South Porcupine, was best man. Mrs. Adamo was matron of honour while Frank Spadafore and Miss Ada Spadafore also supported the young couple. The flower girls were Gena and Rita Grimaldi, Evalene Spadafore and Gena Presta. They were married in the Church of the Nativity, Timmins, by Rev. Father O'Gorman, and after getting their photos taken, drove to South Porcupine, after which there was a sumptuous wedding

supper and a dance. Many friends from Dome, South Porcupine and Timmins attended the ceremony besides the relatives of both parties. The young couple will reside in South Porcupine where the groom has a woodyard and truck business. The Advance joins in the good wishes for a happy future.

Mr. Harry Costain, of the Dome, was the holder of the lucky coupon obtained with a purchase from the South End Pharmacy. This entitled him to a Waterman fountain pen.

There were five carloads of young people from the Young People's Society of the United Church who went to Cochrane for the district rally there on Tuesday evening. Mr. Bryn Saunders of this society was to give a paper on

the work and various programmes planned for this fall. Several choruses were also planned by this group as their share of the programme.

On Monday night next there will be a variety programme under the leadership of the choirmaster and others; light refreshments and the sale of all vegetables used for the Harvest decorations of the church. This will take place in the United Church on Monday next, October 10th.

Mrs. Burton is giving a tea and sale of home cooking at her home at the Dome Mines, on Wednesday, October 12th.

The police court on Tuesday resembled the stock market on a bullish day. A woman from Matheson township, near Connaught, was charged with allowing a bull to run at large. According to evidence she had three, all of which were beyond the calf age and all so well that they brought the rest of the family, viz. sixteen cows, along with them to enjoy it. Neighbour objected. One bull was killed and another also disposed of by the owner but the third still made raids into the neighbour's domains. As the woman had seven children to support by her own efforts no fine was levied, provided the third marauder was also despatched or tethered.

A woman charged with keeping a common bawdy house pleaded guilty and was sentenced to three months in jail. Another young woman, guilty of being an inmate was given thirty days. Two youths held for questioning in connection with these cases admitted losing a considerable sum of money but the keeper of the house claimed they were so drunk they couldn't know what had happened to their money. These two cases were conducted in a closed court.

Mrs. P. Richards and daughter, Molly, accompanied by Mrs. E. Ahr, spent the week-end with Mrs. Richards' parents in Haileybury.

Mrs. McRea, Sr., is the guest of her son, Mr. James McRea, and Mrs. McRea, at the Dome Mines.

### Commercial League Makes a Good Start

Power Bowlers Wreck T. & N. O. Gamble's and The Advance, Gambol and Advance Together at the Local Bowling Alleys.

The Commercial Bowling League got away to a good start on Monday evening at Stevens' Bowling Alleys. Gamble's crew looked very smart in the sweaters won by them as champions of last season.

The Advance started off by playing the champions and when the smoke cleared after the first game they looked like the champion by rolling a fairly good score of 1099 pins and winning by 141 pins, but the champs unloaded their carload of fruit in the next two games winning first by 70 pins, and the final game by 29 pins, thus splitting the points of two each.

On the other alleys the railroaders gave the electricians a jolt in the first stanza by winning by 73 pins. Then they changed their lineup, and the electricians put on more voltage and gave the trackmen a shock and won the second by 48 pins. The voltage was hardly strong enough so they put on extra power and electrified the railway men by trimming them the last game by 187 pins.

All were glad to see the old friend and his famous cigar, rolling again. Bowlers are anxious to know what new antics the spier was doing. Maybe the keys were overbalancing him, or was it other attractions that may have kept him quiet?

There were six men who got on the honour roll. This is a good record for the start of the season.

The scores are as follows:—

T. & N. O.			
E. Armstrong	262	204	192
A. Allen	146	164	310

Despatches from Sudbury last week say that Clyde Landry, of Timmins, won third prize, \$100.00 in the recent Boosters' Day celebration in aid of the champion Sudbury Cub Wolves.

Invitations have been issued for a Masonic dance to be held in the Masonic hall at Timmins on Friday evening of next week, Oct. 14th, under the auspices of Golden Beaver Lodge A.F. & A.M. All Masons are invited to the event.
