A WORD TO TRAVELLERS . . . about Funds

It is desirable when travelling abroad to carry Travellers' Cheques and Letters of Credit rather than any considerable sum of cash. Apart from the extra risk it entails, Canadian currency carried abroad involves exchange, with consequent delays and inconvenience.

Letters of Credit and Travellers' Cheques issued by The Dominion Bank are honoured in United States, Great Britain, Continental Europe, and throughout the world. Our nearest branch manager will gladly arrange your requirements. Consult him.

Miss Ethel Chapman makes this novel

"My advice to all housewives, both skilled and inexperienced, is: Use Magic Baking Powder. Then there is no uncertainty about your baking," says Miss Ethel Chapman, Editor of the Home Section in the Ontario Farmer.

This unqualified statement is particularly impressive because thrifty Canadian home makers have learned that Miss Chapman's advice is invariably practical.

Other well-known food experts and cookery teachers in the Dominion share Miss Chapman's high opinion of Magic. In fact, the majority of them-and housewives, too-use Magic exclusively. No wonder Magic outsells all other baking powders combined!

Miss Chapman's recipe for *LUXOR CAKE
