Cobalt Woman Convicted of Hitting Chief Delves

Two convictions, both on charges of assaulting an officer in the execution of his duty were registered in police court at Cobalt last Saturday against Mrs. Albina Landry, of Cobalt. The first was on a charge of having thrown a glass at O. P. P. Stromberg, while he was at her residence serving a summons on her daughter. The second was for having hit Chief Delves with the heavy bar used to keep the door closed against undesired intruders. After the chief had seized the bar, the accused is said to have attacked him with a broom in attempting to get the bar back, the chief beating a retreat with the evidence, later returning and commanding the broom at which time, it is stated, another assault with the same weapon occurred. Both weapons were produced in court, the former being a heavy piece of scantling. The attack was denied by the accused. After leaving the witness box, she staged a demonstration in court, her lawyer, George Mitchell, K.C., explaining that she was just recovering from an attack of the "flu." Due to her condition, sentence was postponed until December 31.

Toronto Star:—Next year's high school examinations are to be written in July instead of June, the idea being, no doubt, that it is hotter in July and that fewer unworthy students will have a chance of passing when thus handicapped.

TEN YEARS AGO IN TIMMINS

From data in the Porcupine Advance Files.

In this column last week a paragraph was inadvertently omitted, this paragraph referring to the death of Bishop Latulippe, of Halleybury, who passed away on Dec. 14th, 1922. Bishop Latulippe was the first bishop of Halleybury diocese and he had a notable influence on the life of the North. He came to Halleybury in 1906 and his remarkable energy and organizing ability won him admiration and preferment. In two years he had succeeded in having built a presbytery at Halleybury and chapels at Halleybury, Cobalt, New Liskeard, Englehart and Latchford. In 1908 Father Latulippe was named Bishop of Catena and Vicar-Apostolic of Temiskaming, in 1915 the vicariate was given the status of a diocese and Monseigneur Latulippe was made the first Bishop of the see at Halleybury on March 28th, 1916. In 1919 the Northern part of the see was made a separate diocese under Bishop Halle, who established himself at Hearst. For some time previous to his death Bishop Latulippe had been in poor health.

Ten years ago the opening match of the N.O.H.A. senior series was played at Timmins between Timmins and Iroquois Falls. It was a classy game, with Timmins winning out in the last period. The game was full of snap and interest. The rink was well filled and the fans looked upon the match as an augury of good hockey for the season. The crowd showed its confidence in Jack Marshall, the new coach, and in the players on the Timmins team. The Timmins players included:—Scully, Fournier, Roche, Cameron, McGuire, Behan, Campbell and Rais, and Baridon (spare goalie). Geo. Lake was referee and K. McConomy good umpire. Corbould won praise for his good work. The final score was 5 to 4. Special reference was made in the report to the work of Frank McGuire, and Cameron and Campbell all specially good.

There were eleven candidates nominated ten years ago for the reevehip of the township of Tisdale for 1922. C. V. Gallagher, reeve of the township for the previous two years was re-elected reeve for 1922 by acclamation.

The Caledonian Christmas Tree ten years ago was a notable success and very enjoyable. The I.O.O.F. hall was crowded for the occasion. A. F. Downie presided very capably. Before the arrival of Santa Claus a very attractive programme was presented. This included:—recitations by Annabelle Murdoch, Margaret Gells, Clark Robertson, Jean Scott, Geo. Dewar, Stewart Dewar, Kenneth Adamson, Jessie Watt, Jack Robertson, Esther Robertson, Margaret Easton; solos by Billy Shewan, Margaret Easton; vocal duets by Billy and Helen Shewan, Maisie and Bobbie Roberts, Margaret Gells and Margaret Easton; pianoforte solo by Anne Scott; piano duet by Mary Moore and Mrs. Moore. These numbers were all of special excellence. A solo by W. Shewan was another special feature. W. M. Whyte deputized for Santa Claus even better than St. Nicholas could have done it himself. Of course, there was a supper, with fruits, candies, etc. The ladies' committee, with Mrs. Patrick in charge, certainly made a big success of the event.

The Advance ten years ago says:—"The death occurred on Friday of last week, Dec. 22nd, at his home in town of Richard Cole, son of Mr. and Mrs. Robt. Cole. Death was due to tuberculosis, from which the young man had suffered for perhaps a year or more past, though not confined to the house until about three weeks ago when the disease assumed a more serious aspect. The late Richard Cole, or "Dick," as he was more familiarly known, was born in Hastings County, and was a little over 27 years of age at the time of his death. For many years the family have been residents in the North Land, living at Cobalt previous to coming to Timmins in the early days of the camp. The late Richard Cole was well known in town and district and there will be general regret at his death and sympathy for the bereaved family. In addition to the bereaved parents there are several brothers and sisters surviving. Interment was made at Marmora, Hastings County, Ontario, Mr. and Mrs. Cole and other members of the family going down from here for the funeral which

took place at Marmora on Christmas Day, Dec. 25th." Mayor and councillors for 1923 for the town of Timmins were elected by acclamation when nominations took place on Dec. 22nd. Dr. McFinnis was the only nominee for mayor and was thus elected by acclamation for his fifth term as mayor. The council elected by acclamation for 1923 was:—E. L. Longmore, L. S. Newton, J. E. Sullivan, J. H. Bacon, J. E. Morin and F. Myles Wallingford.

Ten years ago there was a monster wolf shot in McArthur township. The pelt measured 6 feet 3 inches from tip to tip. The animal was one of a pack of big fellows encountered on the hunt in McArthur township. It took several shots to stop this big fellow. M. Harkness, a well-known trapper, shot this big wolf.

Ten years ago there was a contest for the reevehip of Whitney township. Geo. D. Hamilton and Capt. W. MacGregor being the candidates. There were eight candidates for the four places in council on the Golden City board.

Timmins was favoured ten years ago by the Cornish carol singing adding to the joys of the season by their carols on street. There were about 30 of the carol singers, many with remarkably fine voices, and all with notable musical ability. The Cornish carol singers made a great hit in Timmins ten years ago.

Ten years ago The Advance mentioned the pension plan inaugurated by the T. & N. O. Railway. The schedule of pensions adopted by the T. & N. O. was the same as that in force on the C. P. R. It was to apply to employees in good standing at the age of 65 years. It was the intention of the railway to finance the plan, the employees not being asked to contribute. The Advance complimented the T. & N. O. on its recognition of its responsibility to the old and faithful employees of the road.

The Advance ten years ago said:—"The beautiful new R. C. church here was sufficiently advanced in construction for the holding of Christmas Eve Mass there as planned several months ago. The attendance at the service was unusually large, the number being estimated at between 1500 and 1700. Every available seat was taken and many had to stand for parts of the service. Temporary altars, temporary seating accommodation and complete lighting and heating were installed for the occasion. The completion of the interior decoration and finishing is now being rushed along on the new church."

Ten years ago there were no less than ten drunks over the Christmas season. This was an unusual number, especially as the policy of the police has been to help a man home rather than arrest him for drunkenness. Usually the man charged with being drunk is really arrested for being abusive, or fighting, or being in such a condition that he is endangering his own safety. So it was with that dozen ten years ago. The Advance noted at the time that most of the drunks were endangered by their condition, and the O.T.A. was more or less blamed because men were tempted to drink so merrily when they got the chance and also because the liquor was not always as good as it should be.

Ten years ago, The Advance was urging the Government to take proper means and methods to protect the towns of the North from any menace there might be from the danger of bush fires. In the issue after Christmas ten years ago The Advance said it was given to understand that the Government was actually moving in the matter in a systematic way and that the whole North would be likely to benefit from this fact. Work was actually in progress in the district around Timmins. Investigation had been made around South Porcupine, Kirkland Lake, Cochrane and other centres and real action was promised.

The Advance ten years ago noted that the fire brigade had their first call to the new addition to the town on Sunday evening, Dec. 24th, when there was a bad chimney blaze at the residence of H. W. Darling, Mattagami. The firemen visited the house, saw that the chimney was a sound one and that there was no danger, but they did not need to use either water or chemical, the fire soon cleaning out the chimney and going out itself. While this is called the first response to the new section of the town, that does not mean that the brigade had not answered calls in Mattagami before—lots of them. What is meant is that this Dec. 24th call was the first call after Mattagami had become a part of Timmins by the annexation.

Four names were placed in nomination for the public school board ten years ago, these four being C. G. Williams, M. B. Scott, Walter Armitage and Mrs. L. E. Dorway. Mrs. Dorway did not qualify and as there were four trustees required another nomination had to be called, the three qualifying being elected by acclamation. The other members of the board that year were H. J. Marshall and Dr. A. S. Porter.

Among the local and personal items in The Advance ten years ago were the following:—"Mr. Digby Salkeld, of Kirkland Lake, spent Christmas in Timmins." "J. P. Bartleman spent Christmas in the South." "A thought for the new year:—How about that public library?" "A very successful Christmas tree was held last Friday for the children of the Baptist

church." "Messrs R. Carmichael and O. Brown spent Christmas at their homes in Sudbury." "E. J. Stafford, C. N. express agent at Timmins, spent Christmas at his home in New Liskeard." "Among those returning last night after spending Christmas holidays in the South were S. A. Caldwell and Wm. Reid." "John Davis, of Timmins, spent Christmas in Sudbury." "Mrs. Rupert Hawkins recently returned to her home in South End after a few weeks' holiday in Ottawa." "Stanley Mahon, of Timmins, spent the holiday with his parents Mr. and Mrs. John Mahon, Sudbury." "Miss Claribel Taylor spent the Christmas holidays with her parents, Mr. and Mrs. Chas. Taylor Sudbury." "H. E. Montgomery spent the holidays at his home in Halleybury." "Gordon Ross is away on a visit to his home in Montreal." "F. J. Wolno, bandmaster of the Timmins Citizens' Band is spending the holidays at his home in Hamilton." "Miss Edith Haugland, who has been studying in Toronto, is home for Christmas at Timmins." "Mrs. Dr. Collin, of Grand Mere, Que., is spending a couple of weeks with her sister, Mrs. B. Charon." "Mr. and Mrs. Colin Ferguson have moved from Kirkland Lake and have taken up residence in Timmins, where Mr. Ferguson will make his headquarters. They have taken up residence in the house recently occupied by A. F. Kenning. Mr. and Mrs. Ferguson are well-known and esteemed residents of the North Land, in past years being especially regarded in hockey circles, both being skilled players, Mrs. Ferguson being one of the talented players in the noted Halleybury ladies' hockey team." "Miss Belle Stirling, who has been attending the Ladies' College at Whitby, and Kenneth Stirling, a student at St. Andrew's College, Toronto, are home for the holidays." "B. Newton, of Kitscoty Alberta, who was among the early residents of the Porcupine, spent Christmas with his brothers and other relations here. Mr. Newton still retains his interest in Timmins and district, and is delighted at the great progress and development of Timmins and the Porcupine." "C. P. Grill, who conducted the jewelry store, taken over some months ago by J. E. Garrett, sent the season's greetings to his friends in Timmins. Mr. Grill is at present at St. John, New Brunswick. Charley leaves the impression that there was a merry Christmas in New Brunswick by suggesting that a boat came into the port recent-

Pink Leader at Kirkland Objects to the Mounties

Last week at Kirkland Lake a fellow named Rakatta, apparently a pink Finn, but claiming to represent the ur. employed, made a number of demands upon the township council, the only new one of which was the demand that the Royal Canadian Mounted Police be withdrawn from Kirkland Lake. Apart from the fact that the township authorities have no control whatever of the "Mounties" and no word in their presence or removal, it may be wondered why the pinks asked for the removal of the Dominion police officers. Those who have been keeping track of the pinks and their Moscovite platforms can guess why men like Rakatti demand the transfer of the Mounties. Of course, the very demand of the pinks is one good reason why the Mounties should remain at Kirkland Lake. In interviewing the council Rakatti had to be rebuked for "impudence," the said impudence consisting in practically calling the reeve a liar when it wasn't the reeve that was lying, but as the darkey said, "Vica versa!"

Meaford Mirror:—If United States insists upon payment of war debts and gets all the gold in the world, it will be exactly like King Midas of mythical fame. It will have all the gold in the world. Like his, however, it will be worthless.

ly bearing 2000 cases of Scotch." "Dr. E. Behan is spending Christmas at his home in Pembroke." "Miss Irene Sauve and Miss Lucy Ethier spent the Christmas holidays in Ottawa." "Mrs. E. Chase, of Cobalt, spent the Christmas holidays in Timmins."

Looking at her lovely COMPLEXION

You'd hardly believe it was so low and blotched a shorttime ago. "Fruit-a-tives has made a new person out of me. Pimples disappeared and my complexion cleared up beautifully. My headaches stopped at once and I haven't been troubled with constipation since."

—Miss I. S., Guelph, Ont. Fruit-a-tives really will benefit you. Its discovery was the achievement of a distinguished Physician, graduate of the Royal College of Physicians and Surgeons, Edinburgh. It is a marvelous blood purifier because it stimulates FIVE vital organs to work naturally. At all druggists', 25c and 50c.

- Fisher No-Draft Ventilation prevents drafts and keeps glass clear in wet weather. Safety Glass windshield.
- Chevrolet's "Air-Streamed" styling gives a smart slipstream effect to the back of the car.
- New instrument panel has aviation-design indicators, compactly grouped, for easy visibility at all times.
- Valanced fenders enhance the car's streamlining. They lessen the need for frequent car washing.
- New pipe-and-panel type flush-and-slip-on upholstery. Reamer. Re-appointed rear compartment.
- New coil ventilator aids in front seat ventilation. Screened to keep out insects. Closes tightly.

and IT'S CANADA'S CHOICE in the

LOW-PRICE FIELD!

When a new car "clicks" as Chevrolet is clicking—pulls thousands to Chevrolet show-rooms for days on end—there's bound to be a reason!

It's a "value-conscious" year we're in—and it's value that makes the new Chevrolet Six Canada's choice again in 1933!

Value in proved design: Chevrolet pioneered the low-priced six-cylinder engine five years ago; built a strong, rugged chassis and a durable Fisher body around it. Today Chevrolet gives you the biggest, roomiest cars in the low-price field, bar none! A famous six-cylinder engine—one with a background—now Cushion-Balanced in a new patented way! Even smarter Fisher bodies—with Air-Streamed styling, safety glass windshield and No-Draft Ventilation! Low running costs that people have been

talking about for years—now whittled down amazingly! And a low first cost that finds its true appreciation when you size up the tag, that says, "Delivered Price!"

Value in the latest advancements: Certainly, the new Chevrolet has them all. "Because it's Made to Order for Canadians—with new features selected by thousands of Canadians in a nation-wide survey conducted by Chevrolet and General Motors. Study these features carefully. Better still, ride in the new Chevrolet and drive it! Nothing else so quickly reveals how natural it is that Canada awards first place to the car that's Made to Order for Canadians."
