

TO PERPETUATE MEMORY OF DR. DRUMMOND, HABITANT POET

The memory of Dr. William Henry Drummond, Canada's great writer of poems, is to be lastingly commemorated by the Kiwanis Club of Cobalt. A bronze plaque has been secured and will be placed on the fireplace of the Drummond home at Kerr Lake. Unfortunately the fireplace is all that now remains of the place that once housed the author of "The Habitant."

Former Resident of Camp Passes at Wahnapiatae

The following reference to the death of a former resident of the Porcupine camp will be of interest to acquaintances here. The reference is from The Sudbury Star of Saturday of last week, being in the form of a despatch from Wahnapiatae, near Sudbury. The Sudbury Star says:—

"Wahnapiatae, April 8.—A resident of Sudbury district since 1901, Mrs. Louise Dixon, relict of the late Henry Dixon, died at the home of her daughter, Mrs. Adney Cryderman on Wednesday in her 74th year. Born in England, Mrs. Dixon on coming with her husband and family of seven children to Canada, first took up residence at Copper Cliff. After two years, they moved to Sudbury remaining here for 10 years. Mr. Dixon conducted a farm in Bröder township. In 1912, Mr. and Mrs. Dixon moved to Australia, where they operated a sheep ranch for eight years. The appeal of Northern Ontario, however, proved too strong for them, and they returned to Sudbury. Mrs. Dixon often said the North was the best country in the world. Later they went to reside with their daughter, Mrs. Alfred Glazier at Schumacher, and subsequently opened a boarding house at the Vipond Mine which they ran for about two years until Mr. Dixon's death. Four years ago Mrs. Dixon came to live with Mrs. Cryderman. As well as her two daughters, she is survived by five sons, and all of them saw service in the Great War, the strain of which Mrs. Dixon endured with commendable fortitude, being

proud that her sons had joined the colours. Four of them followed her to the Antipodes, Harry Dixon, of Sydney, New South Wales, William, a detective of Ashfield, New South Wales, and James and Frederick, sheep ranchers in the same land. The other Frank, resides in Toronto. Mrs. Robert Brown of Sudbury, is a sister. The funeral, which was largely attended, was held from Mrs. Cryderman's home yesterday afternoon. Rev. C. C. Simpson, of the Anglican Church, Coniston, officiating. The pallbearers were: Edward McCann, Charles Lochhead, Napoleon Reoux, and three grandsons, Frank Racicot, Vernon Cryderman and Osborne Stevens."

FREIBURG "PASSION PLAY" RECENTLY GIVEN AT COBALT

The Northern News last week had the following paragraph in reference to the Freiburg Passion Play recently shown at Timmins by the original Freiburg players from Germany.—"Cobalt—The Freiburg "Passion Play" was presented in the town hall here on Friday and Saturday nights of last week and was held over for another presentation on Monday night. The performances were under the auspices of the local relief committee and were not nearly as well attended as had been expected. The play itself was good, the work of the cast being worthy of note, although the first presentation was somewhat marred by the inability of some of the local young people recruited for the occasion to appreciate their position in a play of a serious nature."

W. A. Christie Dies in Toronto Hospital

Highly-esteemed Resident of the Dome Passes Away After Operation. Other News from Correspondent for South Porcupine and the Dome.

South Porcupine, Ont., April 12th, 1933. Special to The Advance.

Under the presidency of the Ven. Archdeacon Woodall an enthusiastic meeting was held in St. Paul's Church, South Porcupine, after the service last Sunday evening in connection with the Restoration Fund of the Anglican Church. The Archdeacon, who is secretary of the Diocese of Moosonee and treasurer of the Restoration Fund for the diocese outlined the plan of the campaign to be pursued by the whole Anglican communion in Canada. To raise the \$1,000,000.00 required to repair the breach in the finances of the missionary dioceses of the North an "every-member" canvass is to be made from Halifax to Victoria during the last week in April, when young and old, rich and poor will be asked to contribute as generously as possible to the appeal. The amount apportioned to the diocese of Moosonee is \$8,000. A committee consisting of Maxwell Smith, Sr., convenor, W. Skinner and Ivan Lang with Mrs. Fairhurst and Miss Marjorie Andrews was appointed to organize and direct the campaign in South Porcupine. The Archdeacon had on hand many most interesting pamphlets in sets of five written by representative churchmen on the laying of the foundations of the Anglican Church in (1) the Maritime provinces, (2) Quebec, (3) Ontario, (4) Rupert's Land, (5) British Columbia. These were eagerly taken. Any quantity, single or in sets, may be ordered through the Archdeacon.

At a meeting of the Sunday School teachers previous to the service it was decided to open a Restoration Fund Bank for nine Sundays in the year when in special envelopes, provided for the purpose, the children will bring their bricks for the repair of the breach. Miss Elva Wilkes will take charge of this work. The Bishop of the Diocese has appointed Mrs. W. Johns (Dome) as diocesan organizer of the Women's Department. The Archdeacon has appointed Mrs. W. Fairhurst as secretary-treasurer of the Women's Department of the parish of St. Paul's, South Porcupine.

There was a cloud thrown over the whole community when word came on Sunday, April 9th, that W. A. Christie had died at Toronto hospital at one o'clock that afternoon. He had undergone a delicate operation the Tuesday before and it was thought at first his recovery was assured. Dr. Harper, who had accompanied him, came back on Saturday. Mrs. Christie remained in the city to be near her husband. On Saturday complications set in that proved fatal. Mr. Christie came to the Dome in June, 1930, as mechanical superintendent and since that time both he and Mrs. Christie have become very popular citizens. Mr. Christie was closely associated with the social and sporting life of the camp. During the season of 1930-31 he was president of the Dome Hockey Club and always has shown an active interest in the welfare of the team. For the past two years he has been president of the Dome Football Club. Having been connected with the Canadian General Electric before coming to the Dome Mr. Christie was widely known throughout the North Land and his genial disposition won him many friendships. Besides his wife there are three children surviving two sons and a daughter, Jack in high school, Dick and Nanette in the public school. The heartfelt sympathy of the community goes out to Mrs. Christie and her young family in the loss of a devoted husband and father. The three children accompanied by Mr. and Mrs. Burton left on Monday's train for Toronto. Interment took place at Grimsby, Mr. Christie's former home, on Tuesday, April 11th, at three o'clock.

There will be a service in the United Church on Good Friday evening at seven o'clock. Then on Sunday evening the choir will render the cantata "Easter Day."

Married—in South Porcupine on Saturday, April 8th, at the manse by Rev. L. Hussey, Joanna Jeanette to Leo Faubert, both of Connaught Station.

There was a heavy docket in the police court this morning (Tuesday). Six drunks were fined \$10 and costs or given the option of thirty days. There was one the police had missed. While the magistrate was busy meting out justice, he came to the bar of his own accord with the words, "I want thirty days and I want it quick." The magistrate requested Constable Brooks to take him to the jail till he would be sober enough. Then he could decide whether he paid the fine or got his request for thirty days. Several of the had-been inebriates were Finns with the most peculiar of peculiarly-spelled Finn names. One Finn seemed inclined to stand up to answer for every Finn name called, then decided that was not his. So Constable Fulton was asked to retire with the Finns and the list of names and get the right name tacked on to the right person. A man charged with driving a motor vehicle without a license was given until next court to get one. For allowing a vicious dog to run at large another man paid \$8 and costs and will have to keep the dog tied. He had promised of his own accord to pay medical expenses for the child bitten. A woman charged with assaulting another woman with a razor had her bail renewed and the case adjourned. The case re possession of furs was adjourned until next court. A man charged with stealing money from a sick woman elected to be tried at a higher court. The preliminary evidence was not very definite as to what amount if any, was taken but it was deemed that further investigation into the case was justified. R. Langdon appeared for defendant. "Eva" somebody was called charged with assault and a

husky-looking young Finn answered the charge. The complainant was brought in to tell his story but one look at him was convincing enough that there had been assault and plenty of it. There was not a natural-coloured inch of flesh on his face. Even the defendant looked rather horror-struck and conscience-stricken at the sight of him. He said, through his interpreter, that he did not know why he had done it except that he was drunk. He was given two months hard labour where he could not get drunk for a while. He wrote down his name so no daughter of Eve should have to answer the call for his misdoings. It was such a difficult task trying to elicit any explanation from the next Finn, charged with drunkenness, that the magistrate wondered if he had been really drunk or was just naturally stupid like that all the time, but the constable said his breath told he had been drinking. A man was charged with threatening to shoot his erstwhile inamorata, a buxom dame, who looked capable of protecting herself, but who said she was afraid of him when he had a gun. He said he was afraid of himself with a gun but that while he had been working at the Dome and getting a good pay-check he had been used fine, now that his pay envelope was very small he had been kicked out. He was put under bond to keep the peace for a year and stay away from his former abode. Owing to religious reasons a man charged with debt did not appear, but sent word he would pay it. Another case of threatening to shoot took up some time in the court, the wife claiming the husband was always threatening "to fix her." She had taken his revolver from him and this was confiscated by the court and the defendant was warned to keep the peace.

On Thursday last Mr. John Isaacson one of the early pioneers of the camp died at his home at Pottsville. He would be seventy years old next June had he lived. In 1911 he came to Canada from Finland and to Porcupine at that time, being employed at the West Dome Mine. For some years past he has been caretaker of the Two-in-One Mine, the president of the company, Mr. Cochrane, being up here last week and among those attending the funeral. He is survived by two sons, one living in the United States, the other George, residing at Golden City. Another son, Verner, lost his life a few years ago by being run over with a tractor. The funeral took place on Saturday, April 8th, Rev. L. Hussey conducting the service and burial was made in the South Porcupine cemetery.

TWO CONVICTED OF FRAUD ON RELIEF AT COCHRANE

Last week at Cochrane two men were convicted of improperly receiving relief from the town. The men were A. Lajoie and R. Prevost. Both were remanded for a week for sentence. Lajoie pleaded not guilty, but the evidence showed that he had over \$80.00 to his credit in a Cochrane bank when he had received relief. Prevost pleaded guilty. In applying for relief he had referred to two children that he did not have in reality.

SECOND-HAND DEALER GIVEN THIRTY DAYS AT COBALT

At police court at Cobalt on Saturday last Patrick Martin, a second-hand dealer, was sentenced to jail for thirty days when he pleaded guilty before Magistrate Atkinson to a charge of theft. At the opening of the court the accused first denied that he was guilty and elected to be tried before a higher court. However, after he had been committed for trial he changed his plea and asked that the magistrate try him at once. The case concerned a three-cornered transaction in which an automobile tire and the transfer of seven dollars in cash seemed to figure. After hearing the evidence Magistrate Atkinson found the accused guilty and sentenced him to jail for a period of thirty days.
