### Symphony Orchestra Concert on Sunday

Attractive Event to be at the Goldfields Theatre After the Church Services on Sunday Evening, April 30th.

The hundreds of music lovers who attended the last concert presented by the Timmins and Schumacher Symphony orchestra will have another opportunity to hear this orchestra on Sunday, April 30th, at the Goldfields theatre. Mr. Schroeder has arranged several new scores—and added more players—so that the concert will prove worthy of those who appreciate fine music. Owing to the fact that many could not be admitted to the last concert because of lack of seating capacity, arrangements are now being made that children will only be admitted when accompanied by parents. Also, that the doors will not be open before 8:15 p.m. The church going public will thus have ample time to attend the concert after church services. The programme for the Timmins and Schumacher Symphony orchestra concert on Sunday evening at the Goldfields is one that is sure to delight all music lovers and none should miss this event.
