

Development Commencing on Clear Lake Porcupine Claims

Arrangements Completed to Start an Extensive Diamond Drilling Programme on the Clear Lake Porcupine Syndicate Claims in McArthur Township. Financial Interest Made Initial Deposit and Work to Start at Once. Plans Under Way for Incorporation of Company.

Arrangements have been completed to commence an extensive diamond drilling programme on the Clear Lake Porcupine Syndicate claims in McArthur township, and the initial deposit has been made by representatives of new financial interests. Drilling will commence as soon as practical, probably during May, and tenders will be called immediately.

Plans are also nearing completion for incorporating a company for the purpose of taking over the syndicate properties, and those interested are most enthusiastic over the prospects. O. M. Walsh, legal representative, of Hamilton, visited Timmins over the week-end to complete arrangements. Mr. Andrew Nicolson, who has been local manager for the T. Eaton Co. Ltd., mail order office, is to remain in Timmins for the present as special representative for the Clear Lake Porcupine Syndicate with office at the Empire hotel, Room 70.

Those interested locally in the development of this promising property in

McArthur include J. A. Theriault, Wyman W. Orr, Jos. Berini and Frank Baderski.

A competent engineering staff will be in charge of development, and the management gives assurance to all holders of units in the syndicate that it does not intend to solicit funds for more capital than is required to carry on a successful and profitable operation on a sound economical basis.

The Clear Lake Porcupine property has been in the public eye for some time past. The results from work done on the property have been most encouraging and there is a general tendency to be confident that this is a property that is going to develop into a real mine. The general feeling is that the Porcupine camp at the present time is on the eve of a wide revival of interest in mining development and that the Clear Lake Porcupine Syndicate claims are among the first of a number of very promising properties that will be developed in the near future. Operations will be watched with close interest.

SPECIAL SERVICES AT THE SALVATION ARMY TO-NIGHT

Special services are announced for this (Thursday) evening at the Salvation Army, Timmins, the services to commence at 8 p.m. The speaker will be Rev. W. H. Summerell, of Schumacher.

There will be the usual week-end services, Sunday at 11 a.m. and 7 p.m. All are cordially invited to these services.

May Day Parade Here by Aliens Quiet and Orderly

The May Day parade in Timmins passed off quietly and orderly. Permission for the parade had been granted by the town council on the condition that the Union Jack be carried and that the banners be submitted for approval to the chief of police. The wording of the banners this time was not libellous, though not particularly sensible or helpful, but not being very harmful and the parade being a legal one, there was no interference with the event. The police were out in force in case of any disorder, but in view of the fact that those in charge of the parade lived up to their agreements this time, the police confined their efforts to seeing that the paraders were not molested and that traffic was not unduly delayed. During the afternoon three truckloads of men for the parade came in from South Porcupine. In the week or so previous men had been coming in from outside points for the parade, some being here from Toronto, Winnipeg, Sudbury and other points. It was expected that a larger parade would have resulted in view of the number from outside, but only 483 were counted in the line, including women and children. The parade started from the corner of Birch street and went up Third avenue, along Spruce, down Fourth avenue, and back to the starting point. The parade was only a brief affair, the paraders assembling on the vacant lot near the rink, where they were addressed by several of their speakers. There was a crowd of two or three thousand spectators out to see the parade, large numbers of these being children. It was impossible to hear the speakers, but they did not seem to mind this, so long as they had the opportunity to speak. The paraders agreed that this was to be the last parade of this kind, but they did not seem to mind this, so long as they had the opportunity to speak. The paraders agreed that this was to be the last parade of this kind, but they did not seem to mind this, so long as they had the opportunity to speak.

Traffic "Dictator"?

LORD ASHFIELD
It is regarded as certain that Lord Ashfield, chairman and managing director of the London Underground Railways, will become the first "Dictator" Chairman of the London Passenger Transport Board, the body which is to exercise unified control over the rail and road transport agencies in the London area.

ODDFELLOWS TO ATTEND SERVICE AT SCHUMACHER

The members of Timmins Lodge No. 459, I. O. O. F., will attend evening service at Trinity United Church, Schumacher, on Sunday, May 7th. The members will assemble at the Schumacher ball grounds at 6:30 p.m. All Oddfellows are cordially invited to be present.

I.O.D.E. Sponsoring Picture at High School on Monday

The Timmins I.O.D.E. are sponsoring the picture, "Gift of Life" to be shown at the Timmins high school auditorium Monday evening next, May 8th, 8:30 p.m. This educational picture is from the Dept. of Health, Toronto. Miss Haygarth, Social Service Nurse, will also be present to give an address of great value. The event is for ladies only and no children will be admitted.

Annual Meeting of District Baseball

Temiskaming Baseball League in Annual Session at Iroquois Falls During the Week-end. Officers Elected for the Year. Prospects Good for Season.

The annual meeting of the Temiskaming Baseball League was held at Iroquois Falls during the week-end, with the various clubs represented, and a general discussion of baseball affairs and prospects. The following were the officers elected for the year for the T.B.L.:

Honorary presidents—John Knox, Timmins; R. J. Ennis, Schumacher; P. A. Magurn, Iroquois Falls; M. W. Summerhayes, Kirkland Lake.

President—S. C. Platus, Timmins. First vice-president—I. A. Solomon, Schumacher.

Second vice-president—I. K. Pierce. The prospects this year for a good season of senior baseball are especially good. Kirkland Lake is expected to field a team of notable stars. A reference elsewhere in this issue would suggest that Kirkland Lake expects to have a winning team this year. The McIntyre team this year will be much the same as last year, which means that it will be a good aggregation and even Kirkland Lake's prize team will have to step lively to beat the McIntyres. Timmins this year is banking on a home-brew team. They are going in to do their best for the old town and that's all any team can do. Before the season is over the Timmins team may give them all a surprise, however. South Porcupine may come in with Timmins this year, in which case the team here may be strengthened in notable way. In any event it looks as if there will be some good baseball here and in the district this season.

Meeting Next Monday to Organize Lawn Bowling

At a gathering of several enthusiasts of bowling on the green held last evening it was decided to call a general meeting of all those who are interested in the game. An ideal location for a bowling green has been procured and with the expenditure of a little capital the greens would be in good shape to start bowling early this summer. All those who are interested in lawn bowling are requested to attend a meeting to be held in the town hall on Monday, May 8th, at 8:00 p.m. Those who would like to join the club but who cannot attend the meeting are requested to get in touch with Chief Jones, so that the club can be assured of their support.

This (Thursday) evening there is to be a euchre, five hundred and bridge, under the auspices of the ladies of St. Anthony's church in the parish hall, commencing at 8 p.m. Good prizes for the cards, and all attending may be sure of a good time.

North Bay Basketball Team Here on Saturday

The North Bay Basketball team is coming here to play for the Patten Cup on Saturday, May 6th, at 2 p.m. Timmins has held the Patten Cup for some time—and intends to keep it yet a while. The cup is emblematic of the championship of Northern Ontario.

ANNUAL MEETING OF LADIES' SECTION OF THE GOLF CLUB

Attention is called to the hour of meeting of the annual meeting of the Ladies' Section of the Timmins Golf Club. The meeting will be held at the Directors' Lodge, Hollinger Mine, on Friday afternoon of this week, May 5th, at 4 p.m. All members are urged to attend. By error last week the time of the meeting was given as 3 p.m. The meeting will commence as noted at 4 p.m.

Opening Football at Timmins on Saturday

Dome versus League All-Stars to Start the Northern Ontario Football Association Season, on Saturday of This Week at Timmins

The opening game this season of the Northern Ontario Football Association will be played at Timmins on Saturday of this week. The opposing teams will be the Dome and the League All-Stars and a lively game is anticipated. The opening game will be on the Timmins grounds with the kick-off at 6 p.m. prompt. The admission fee for the game is put at the nominal charge of twenty-five cents, with ladies free, so if the weather is favourable there should be a big crowd of football fans out for the event.

In case the weather makes it impossible to hold the opening game on Saturday, May 6th, as now arranged the event will be played on Wednesday next, May 10th instead.

The N.O.F.A. looks forward this year to a good season and keen competition. It is hoped to have the interest and support of all football fans right from the start, so all should turn out Saturday for the opening feature so as to commence the season with a swing.

Visiting Experts Banquetted by Porcupine Badminton Club

Prof. Malcolm, Douglas Grant, Canadian Singles Champion, S. B. O'Hara, and Thos. B. Hayle, former Ontario Champion, Discuss Plans in Badminton and Give Exhibition Games of Much Interest at Porcupine Badminton Club on Saturday Last.

On Saturday last the Porcupine Badminton Club was honoured by the visit of four of the outstanding players in the game, namely:—Professor Lindsay Malcolm, Kingston, president of both the Ontario and Dominion Badminton Associations; Douglas Grant, Canadian Singles champion; Seymour B. O'Hara, Ontario Association executive; and Thomas B. Hayle, a former Ontario champion. On the occasion of their visit the guests were tendered a banquet at the Porcupine Badminton Club house, members of the club executive and conveners of the committee only being present. After a delightful menu had been enjoyed, John Knox, vice-president of the Porcupine Badminton Club introduced Prof. Malcolm, who spoke briefly but effectively on behalf of the visitors. Prof. Malcolm spoke of the increasing popularity of badminton in Canada and of the plans to further advance the sport. One of his suggestions was the dividing into regions or zones, with regional contests prepar-

atory to the provincial and Dominion contests, after the manner of baseball and hockey and other sports. Porcupine, Iroquois Falls, Kirkland Lake and other clubs in the immediate area could form one region, the same procedure could be followed in regard to North Bay, Sault Ste. Marie and other districts.

There was a large crowd present for the exhibition game played by the visitors on the Porcupine Badminton courts later in the evening. The visitors gave exhibition games in single and doubles, and with the assistance of lady members of the Porcupine club in mixed doubles. Prof. Malcolm explained many of the interesting plays and gave many of the new players a new conception of the possibilities of the game. The several exhibition matches created the keenest interest and enthusiasm, and the visit generally did a great deal to stimulate enthusiasm for badminton and the Porcupine Badminton Club.

Planning Now for Community Festival Week for Timmins

Merchants Uniting to Stage Week of Special Features in May or June. Parades with Brass Bands, Floats, and Other Features Daily. Entertainment for the People as Well as Special Buying Opportunities to be Offered to the Whole District. Purposes of the Festival Explained

It is proposed that a "Community Festival Week" should be held under the auspices of the Timmins merchants in an appropriate week during May or June.

A meeting in connection with the proposal was held at the Empire hotel (Wednesday) and was attended by over twenty-five representatives of different businesses in town. The meeting was a very enthusiastic one and in addition it may be noted that scores of other business men approached have heartily endorsed the proposed "Community Festival Week." At the meeting yesterday a temporary committee was appointed to carry on. This committee includes:—Bernard Sky, chairman; J. E. H. Chateauvert, Sam Bucovetsky, P. B. Carson, and Mr. Booth (Canada Packers). At the meeting yesterday it was decided to put the proposition before every merchant in town and have another meeting next Wednesday, May 10th, in the Empire hotel, at 3 p.m., to receive the general decision and if the plan is generally accepted, as it is confidently believed it will be, to proceed to carry it out in a big way. Under the present plan an extensive advertising campaign is being considered to cover the whole district between Cochrane and Kirkland Lake and make the Timmins Community Festival Week something to be long remembered.

The purpose of the "Community Festival Week," as outlined by the promoters, who by the way are all Timmins business men, is given as follows:

First—To advertise in a large collective way all the businesses and enterprises of Timmins.

Second—To create an enthusiastic buying spirit to take advantage of the remarkable values now obtainable.

Third—To give the buying public and especially the children a free form of amusement and entertainment, thereby

fostering appreciation and goodwill.

The Festival is to take the form of a daily parade with brass bands and decorated floats entered by the various merchants.

The streets are to be appropriately decorated and all stores to display "Festival Week" signs and streamers, as well as offering "Festival Week" special values.

In order to stimulate business further "lucky purchase" tickets may be distributed by the individual merchants with free goods or prizes.

The floats will all carry banners with the slogans, "Buy at Home" and "Back to Prosperity."

It is intended to induce all local business firms to be represented either by individual floats or by one float to serve a group. Thus every local enterprise will be featured in separate units as, "Clothing and Furnishings," "Lumbering Industry," "Hardware and Building," "Food Stuffs," "Automobiles," "Mining," and so on.

The idea is to have each division parade at a certain hour each day, culminating with a grand parade on Wednesday afternoon.

The skating rink may be obtained for Community Festival Week, and the larger floats may be stored there.

On one night during "Festival Week" some form of entertainment may be arranged, with a small admission fee charged, the latter proceeds to go for a worthy charity.

Of course, the above details as outlined by the temporary committee are only to give an idea of the basic plans. No doubt these plans will be enlarged and improved as circumstances and conditions suggest, and the "Community Festival Week" will be an event of importance and interest to all in the district.

Timmins Fire Department Seventeenth Annual Ball

For the past sixteen years the Firemen's Ball has been a big feature at Timmins. Everybody wants to show their regard for the firemen and everybody likes a first-class good time, so everybody turns out for the annual ball of the Timmins fire brigade. The seventeenth annual ball of the Timmins Fire Dept. will be held in the Masonic hall on Tuesday evening, May 23rd. Dancing will be at 9:30 p.m. Refreshments will be served. Tommy Stephens and his classy orchestra will provide the latest and best in music. There will be a good time assured for all attending. Tickets are now on sale. Be sure and buy a ticket for the Firemen's annual ball.

TRANSIENTS CLAIM MANY PLACES AS THEIR HOME TOWN

It is interesting to note that transients arrested at Sudbury, North Bay, and other towns and cities, and charged with vagrancy or stealing rides on the railways, have adopted the trick of giving their home address as Timmins, Kirkland Lake, Schumacher, Cochrane, or some place else in the North. In most of the cases noted the town given is not in any sense the home town of the transient. He may have spent a few days at the town he names, but originally he came from some other section of the country. The towns of the North are looking after all their own bona fide residents, as well as being further burdened with the care of thousands of transients who will stay until they are prodded on again. It seems like adding insult to injury for these transients to claim a town of the North as their place of residence.

May be Dismissed

KONSTANTIN VON NEURATH
Reports emanating from Berlin state that Konstantin von Neurath, German Foreign Minister, will soon be ousted by Chancellor Hitler. Theodore Duesterberg, leader of the Steel Helmets, has already been deposed by the Hitler Government.

Riverside Park to Open on 24th of May

Dancing Pavilion Under New Management and with Pavilion Remodelled and Enlarged and Fitted with All Conveniences.

Announcement is made this week by Mr. and Mrs. Walter P. Wilson regarding the grand opening of Riverside Park dancing pavilion under new management. The opening will be in the form of a dance event on May 24th, afternoon and evening. The pavilion has been completely re-modelled and much enlarged and is now one of the largest and best pavilions in the North Land. The modern touches to the pavilion include:—hardwood floors, first-class restaurant, refreshment booths, private change rooms and lockers for use of bathers, and canoes kept for rent.

The Club Royal orchestra has been engaged for the season so as to provide the best of music for dancing. The pavilion will be open to the public for dancing every evening, Sunday excepted, and also Wednesday afternoons.

Mr. and Mrs. Wilson promise the best of service, courtesy and consideration to the public and also earnestly solicit the fullest support from the people in general to maintain the pavilion on the highest standards of orderliness.

Help Unemployed by Giving of Odd Jobs

If You Have Any Odd Job Around the House or Store Just Phone 218 and Get a Man to do the Work

For the past two years the people of Timmins have done much to relieve unemployment by giving odd jobs. The hour or two hours work has proved a blessing to numbers of men out of employment. A number of men have actually been able to keep off relief and still keep themselves going simply by this plan of odd jobs. It is surprising how big a help this is. If you have an odd job that normally you would do yourself, just phone 218, the Employment Bureau, and Mr. Garner will send you a suitable man to do the work. You won't miss the small cost of this service and the man getting the work will benefit more than would appear possible.

This is clean-up time and there are scores of little jobs around to be done. There are also the odd jobs of repair or improvement around the house. Just sit down and think and you will be surprised at the number of odd jobs you will be able to give out. Every such job, even though it may mean only an hour or two of work will prove a blessing to the honest and earnest fellow who is trying to get along. This is one of the finest ways to help the unemployed. You will be sure that your money goes to deserving cases. You will get good value for the cost. You will get the best of service. If you have an odd job to be done phone 218 in the daytime and if you think of it in the evening Mr. Garner says he will be glad to answer at his home, phone 264. Help out!

Porcupine Lacrosse Holds First Meeting

Timmins and Dome to Have Senior Teams. Juniors to be Featured by South Porcupine, Dome and Schumacher. Next Meeting on May 11th.

The Porcupine Lacrosse Association held its first meeting of the year in the town hall in Timmins on Wednesday, April 26th, at 8:30 p.m. W. C. Arnott, of Schumacher, presided. There were twenty-five present, including several who are anxious to have junior lacrosse in the district this year.

Timmins and the Dome will be again represented by teams and if present efforts are successful, Schumacher will also be included. The secretary of the association was instructed to write to Iroquois Falls and Cochrane in an effort to interest someone in organizing lacrosse in those towns.

The next meeting is to be held on May 11th at 8:00 p.m. in the town hall, Timmins, when the election of officers will take place. Everyone interested in lacrosse is asked to be present, and in particular anyone willing to further junior lacrosse teams. Mr. Arnott expects to present a junior team from Schumacher.

The encouraging number of junior players at the past meeting may indicate two teams from Timmins.

Prominent Mine Man Passes at Kirkland

L. B. Smith, Superintendent of the Wright-Hargreaves, Succumbs to Pneumonia. Was Able Mining Man and Popular and Esteemed Citizen.

Many friends in Timmins and district will be deeply grieved to learn of the death of L. B. Smith, superintendent of the Wright-Hargreaves Mine, Kirkland Lake, and prominent and popular in business, sport and social circles in Kirkland Lake. The death occurred on Monday evening at his home in Kirkland Lake. The late Mr. Smith had been ill with influenza for two or three weeks past, pneumonia developing, and death coming in the late hours of Monday night.

The late Mr. Smith had been in Kirkland Lake for the past four years, during which time he won very wide circles of friends and held the highest esteem of all. As a mining man he had unusually high standing and this was equalled by the regard in which he was held as a first-class good citizen. He was a native of Utah and a graduate of the University of Kansas. He was associated with mining companies in Butte, Montana, and later came to the Barry-Hollinger Gold Mine at Boston Creek, before going to Kirkland Lake as superintendent of the Wright-Hargreaves. He is survived by his widow, formerly Miss Helen Bertrand, of Butte, Montana, and three children, the youngest only four months old. His mother and sister are on their way to Kirkland Lake from California. To the bereaved widow and the other near relatives and friends the deepest sympathy of all who knew the late Mr. Smith will be extended in their great loss. Mr. M. Summerhayes, general manager of the Wright-Hargreaves, aptly summed up the general tribute that would be paid by all to the late L. B. Smith. "The town has lost a good citizen," said Mr. Summerhayes, "the men at the mine have lost a good friend, and the mine has lost a very capable and efficient executive."

At the time of death the late Mr. Smith was 44 years of age. He was a member of the Masonic order, a former president of the Kirkland Lake Curling Club, former president of the Kirkland Lake Kiwanis Club, and a member of the Kirkland Lake Sports Commission.

Trail Rangers and Taxis Concert This Evening

The Trail Rangers and Taxis are giving a concert this (Thursday) evening, May 4th, in the United Church, Timmins. The event will commence at 8:30 p.m. and the programme is one that will be generally enjoyed by all. Among those on the programme will be—the Miners' Quartette (Messrs. John, Street, Snow and Hoar), Mrs. F. B. Carson, M. Rose, Mrs. J. W. Faithful, and an instrumental quartette. A piano number by Miss Margaret Geils will also be a feature of the programme.

There should be a specially good attendance at this event to-night, for two reasons. The first reason is that the programme will be well worth while, and the second reason is the worthiness of the cause. The proceeds will be spent in the development of the camp site for the Trail Rangers and Taxis at Night Hawk Lake.

Partridge the Cause of Serious Accident

Robt. Garner Sustains Serious Injury to Eye from Broken Glass When Partridge Flies into Windshield of Car.

An odd but serious accident occurred on Wednesday evening about 7:30 when a partridge flew against the windshield of the R. Sinclair delivery car, breaking the glass and a flying piece of glass becoming embedded in the young man's eye. The car was returning from Iroquois Falls, Melville Carswell driving, and just this side of Connaught the partridge flew right at the car with such force that the glass in the windshield was broken and Robert Garner had the dead partridge and the flying glass strike him in the face. The eye was badly injured, and to add to their troubles, the young men had the misfortune to have a blow-out of one of the tires of the car, delaying their return to Timmins and medical aid. On reaching Timmins Dr. Day cleared the glass from the eye but found the eye so seriously injured that the young man was taken on the early morning train to-day to Kirkland Lake for treatment by a specialist there.

Receives Peace Award

RT. HON. ARTHUR HENDERSON
British President of the World Disarmament Conference, to whom the conference delegates extended their congratulations on his being awarded the Wateler Peace Prize.

The Kiwanis bridge tournament is to be completed this week.
