The annual meeting of the Porcupine Rod and Gun Club will be held in the council chambers, Timmins, on Monday evening, May 15th, at 8 p.m. sharp. In the notices sent out for the meeting it is noted that a motion will be placed before the meeting recommending the separation of the Gun Club from the Fish and Game Protective Association section of the Rod and Gun Club. For some time past the Rod and Gun Club has been wide in its scope and usefulness, not only featuring the gun club work but also dealing with fish and game protective measures. It is felt now by some of the members of the Rod and Gun Club that the fish and game protective features should be emphasized to the extent of having a separate organization to centre on these things.
