Trail Rangers and Tuxis Give Concert

Attractive and Interesting Programme Presented by Able Artists on Thursday Evening of Last Week, May 4th.

"A Day in Camp" would be an appropriate title for the Tuxis and Trail Rangers' concert held in the United Church hall on Thursday evening of last week, May 4th. The attendance was good, and all thoroughly enjoyed the excellent programme presented.

The curtain rose on a camp scene with the Trail Rangers and Tuxis Boys grouped around a comfortable log fire. The day was begun with fitting hymns and prayers of thanks to the Creator for all His good gifts.

Following this delightful programme the evening was brought to a suitable close with the Vesper Service and "O, Canada."

The proceeds of this concert will be used to assist the boys in establishing the permanent camp at Night Hawk Lake, which will also be available for the use of other church societies.

Football Opener at Timmins on Saturday

Exhibition Game Between Dome and All-Stars Delights Big Crowd of Football Fans, First Game of Season Sets High Standard of Football.

The N.O.F.A. opened its season last Saturday in Timmins when the Dome, champions of last year, journeyed over to face an all-star team picked from the other teams of the league.

The Dome had three new faces on their team, and all showed up well. Coule in goal, with Morrison and Barnes at back, make a formidable defence and will take some beating.

The All-Star team played well, considering they had not played together. The combination of both teams was of the best brand and the backs of both teams came in for extra work.

Both goalies cleared well and kept their sheets clean in the first half. The second half saw the reserves in action. Jackson and Dawson replaced Aspin and Callahan, while the Dome played the same team.

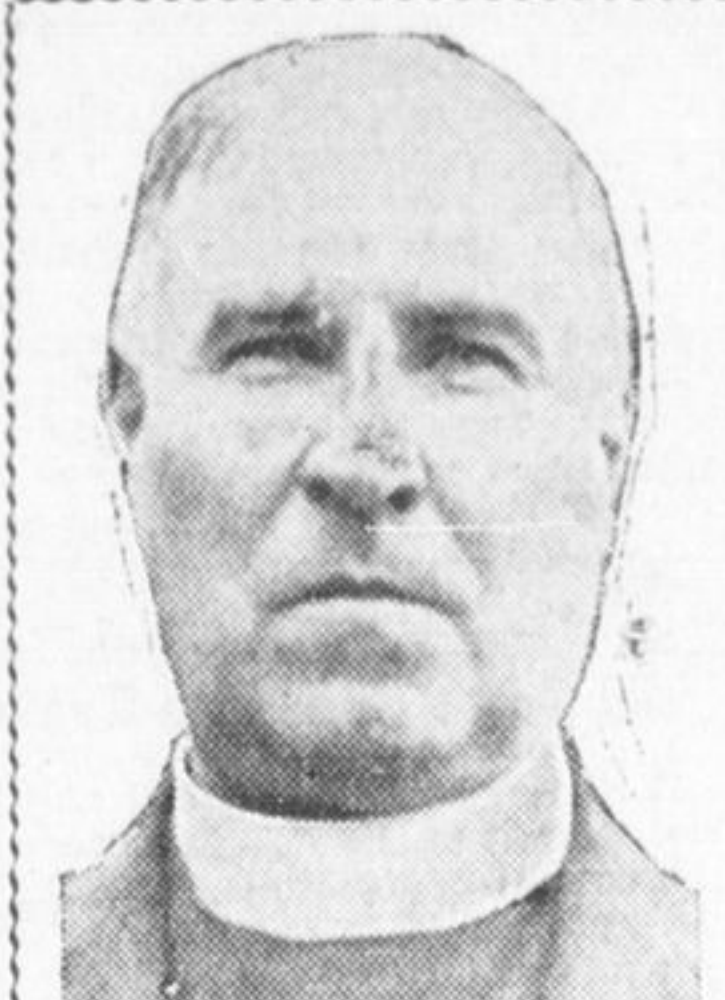

Welsh went to the half-back line and in twelve minutes sent over a centre, which Johnston shot into the net, giving Coule no chance.

The Dome still played their fine game and Cook drove the leather into the net, but it entered by the way of the side entrance at the back of the post. It was so fast, that only those standing at the goal saw it.

The match was evenly contested. Dome:—Coule, goal; Barnes and Morrison, backs; Munro, J. White and Blair, half-backs; W. White, Cook, Chambers, Winning and Rodgers, forwards. Rudkin and Fell, reserves.

All-Stars:—Gaw, goal; McWhinney and Walsh, backs; Rankin, Hampton and McMillan, half-backs; Aspin, Callahan, Johnston, Roy and Gray, forwards. Dawson, Jackson, Boyd, reserves.

Lacrosse Re-organized at New Liskeard Last Week

A despatch last week from New Liskeard says that a large number attended the lacrosse meeting which was held in the New Liskeard fire hall on Tuesday evening last. The club was re-organized for the ensuing year with hope of Halleybury and Cobalt following suit.

EATON GROCERIA AT NEW LISKEARD IS DISCONTINUED

The New Liskeard Speaker last week says:—"Over the week-end the Eaton Groceria, which has operated in the Evan's block on Whitewood avenue, for the past two years, discontinued to do business in this town, and during the early part of this week the employees have been busy packing and shipping the stock to various other points."

Wages Standardized for Relief Roadwork

Amount of Labour to be Given in Return for Relief in Northern Ontario Now Set Forth in Memorandum by the Government.

With a view to setting regular standards for amounts paid for roadwork in the North to those on relief, Hon. Dr. J. D. Monteith, Chairman of the Unemployment Relief Committee of the Ontario Government, on Friday last at Toronto announced the scales of wages that are hereafter to apply on account of relief obtained.

There has been a variance in the amounts allowed in different sections, and it is stated that abuses have crept in. Many complaints were heard which necessitated extra checking by inspectors. The memorandum on the standardization of amounts which had been sent to the North is as follows: "Persons on relief in Northern Ontario can be called upon to do an amount of work somewhat equivalent to the amount of relief given."

Basic Rate Cited "The amount of work required from a person getting relief will be estimated at 20 cents per hour per man, and at 40 cents per hour where a man getting relief has a team, and such team, as well as the man, is working. In other words, if a man gets relief to the extent of \$20, he can be called upon to do 100 hours of work, and where a man has a team, which is also working, he and the team can be called upon to do 60 hours of work."

Tools, Materials Provided "The Northern Development Branch is to provide all the tools and materials and to pay the foremen and engineers in charge of the work. "Relief officers will render their accounts for food, fuel, clothing, shelter, etc., in the usual way. So far as regards accounts for transportation of the men to perform work and trucks, these should be rendered separately."

Activity Reported in Lightning River Examination Being Made of the Grimston-Porcupine Syndicate Claims by McIntyre. Work at Other Properties in Lightning River Area.

A despatch from Matheson last week says:—"McIntyre-Porcupine Mines, Limited, has sent a crew of men in charge of H. S. Robinson, geologist, to examine the claims of the Grimston-Porcupine Syndicate in Garrison township, Lightning river area. Examination of the claims is presumed to be preliminary to commencing a program of work this summer."

Another property in the same area on which more extensive work will be done this year is the Teddy Bear Valley Mines, Limited, a property composed of 38 claims in Harker and Halloway townships. Considerable prospecting was done on these claims last year with satisfactory results and plans are afoot to follow these up with further work this year.

Mrs. Albina Landry, of Cobalt, was sentenced recently to two months in jail for breach of the liquor laws, but is appealing the sentence. From the police evidence, there were 109 bottles of home-brew beer on the premises at the time of one police visit and four days later this had shrunk to only fourteen pints, the consumption of the balance being considering too much for one woman and her immediate family.
