

Firemen of Cochrane District Stage Big Event on July First

Large Crowd at First Tournament of Cochrane District Firemen. Timmins Firemen Get Full Share of Prizes for Event on Saturday. Large Number from Timmins and Porcupine Attend Tournament. Good Programme Well Handled.

The first annual tournament of the District of Cochrane Firemen's Association was held at Cochrane on Saturday, July 1st, and proved a success in every particular. The weather was ideal for the occasion and there was a particularly large attendance from all over the district. Timmins was particularly well represented. Dalton and Dwyer's bus lines alone took three big bus loads, which meant over sixty people. Then private cars and the train service accounted for several hundred others from Timmins. Other parts of the Porcupine, especially Schumacher, were also well represented, and the attendance would have been still greater had it not been for special counter attractions here, such as the Dominion Challenge Football Cup game.

If the crowd and the weather were good, the programme was equally excellent and was well carried through. The fire brigades represented at the tournament were Timmins, Schumacher, Ansonville, Iroquois Falls, and Cochrane. It is very likely that Kapuskasing and Kirkland Lake will join this district's association next year, and with South Porcupine added, this will make the list complete.

The work of the various brigades at Cochrane caused much favourable comment, as did also the appearance and bearing of the groups of firemen. Timmins brigade was represented by a particularly smart-appearing company, with all in correct uniform dress. In the parade they looked especially well. The P.F.D. Girls' football team, also in uniform, marching behind the Timmins brigade and adding much to the parade by their fine bearing and the way they kept step.

The whole day at Cochrane was both pleasing and successful. The Cochrane Citizens' Band added much to the success of the day by the excellent music provided. Much of the credit for the day's pleasure must be given to the capable Cochrane Band.

In the winning of prizes it will be noted that honours were fairly well divided between the various brigades taking part. In the general distribution of prizes for the day, however, members of the Timmins Fire Dept. certainly secured a goodly share, as will be noted in the list below:

Firemen's Events
Best dressed brigade, Cochrane, first. Ladder race, Timmins, first, time 16 seconds; Schumacher, second, 16 1-5 seconds; Iroquois Falls, third, 16 2-5 seconds.

Wagon race, Ansonville, first, 53 sec.; Schumacher, second, 55 sec.; Iroquois Falls, third, 56 3-5 sec.; Timmins, fourth, 59 seconds. In this event Timmins team had one of those unavoidable accidents that sometimes occur, leaving the team without a chance in the event.

Firemen's 100 yds.—D. Brown, Timmins, first; E. Angrignon, Schumacher, second.

Firmen's Wives race—Mrs. Owen, Cochrane, first; Mrs. W. Stanley, Timmins, second.

Fire Chiefs' race—Chief Belanger, Ansonville, first; Chief Jucksch, Schumacher, second; Chief Caswell, Cochrane, third.

The Jos. A. Bradette shield was won by the Schumacher brigade. This was for the most points in firemen's events. The following were the points made by the several teams:—Schumacher, 4 points; Ansonville and Timmins, 3 points each; Iroquois Falls, 1 point.

Other Events of the Day
Softball game (men) won by Schumacher.

Softball, ladies, won by T.F.D. team, Timmins, with the score 11 to 8.

Single ladies' race—Miss Gardner, Cochrane, first; Annie Lukon, Timmins, second.

Girls over 16—Annie Lukon, Timmins, first; Nellie Ploplis, Timmins, second. Girls under 16—Annie Lukon, Timmins, first.

100 yards, open—Smith, Cochrane, first; P. Letang, Timmins, second.

220 yards—D. Brown, Timmins, first; Lloyd Chisholm, Timmins, second.

440 yards—A. Parden, Timmins, first. Relay race—Timmins, first; Cochrane, second.

Broad jump—D. Brown, Timmins, first; P. Letang, Timmins, second.

Hop, step, jump—D. Brown, Timmins, first; S. Walsh, Timmins, second.

Swimming
Swimming, 600 yards—Miss Ivy, Cochrane, first; Red McNulty, Timmins, second.

Swimming, 300 yards—Red McNulty, Timmins, first.

Swimming, 100 yards—Red McNulty, Timmins, first; G. Strickland, Timmins, second.

Gun Club Shoot
The Gun Club shoot for the Cochrane Board of Trade trophy was won by Timmins Gun Club. Best shot, J. Stanton, Timmins.

Best Comic Costume
There was very special interest taken in the best comic costume in the parade. This was a sure and easy win for D. Brown, of the Timmins fire department. His costume and make-up added much to the amusing features of the parade.

Nominated

JOHN J. ALLEN

Mayor of Ottawa, who has been nominated by the Canadian-Newfoundland delegation to Rotary International as a candidate to fill one of the five vacancies on the Rotary directorate.

Induct Minister at Schumacher Church

Rev. Murray Tait, formally inducted in Pastorate of Trinity United Church, Schumacher, on Tuesday Evening This Week.

The formal induction of the new minister, Rev. Murray Tait, who succeeds Rev. Mr. Summerville in charge of the Trinity United Church, Schumacher, was held at the Schumacher church on Tuesday evening of this week, and the service proved inspiring and encouraging. Rev. Murray Tait, M.A., B.D., commences in his new charge under auspicious circumstances.

Rev. Bruce Millar, of Timmins, as chairman of the Presbytery of Cochrane, had charge of the service on Tuesday evening and gave the charge to the congregation. Rev. Mr. Hussey, of South Porcupine, gave the charge to the new minister. By this service Rev. Mr. Tait is made a member of the Presbytery of Cochrane, and received as a fellow minister in the Porcupine camp.

After the service a social evening was held in the basement of Trinity United Church, and a very pleasant time enjoyed by all. Rev. Mr. Tait has been given very hearty welcome to Schumacher and there is every reason to believe that his ministry there will be successful. There was an unusually large attendance at the induction service, while on Sunday Rev. Mr. Tait was also greeted by large congregations. Rev. Mr. Tait is well acquainted with the North Land, having been in charge of churches at Kirkland Lake and at Massey, Ont.

Church of Nativity Bazaar Big Success

Best Yet in Every Way, According to Reports. List of Winners of the Prizes Given Away at Event Last Week.

The annual Church of the Nativity bazaar concluded a successful week on Saturday evening last. The concluding evenings were the best of the week in every way—in attendance, entertainment, receipts. It may be added that the bazaar closing last Saturday is considered as the very best held by the Church of the Nativity, the event itself and the returns alike exceeding previous years.

The bazaar had all the usual features with some novelties that proved especially popular. All attending enjoyed the event, and there were many who did not miss an evening of the event.

There was a goodly array of prizes given at the bazaar. The following is a list of the winners of the prizes, all of them being Timmins people:—
Car, won by Lester Riopelle.
Tea wagon, won by Rev. Fr. O'Gorman.

Table, won by Miss Jeanne Tirnan.
Doll, won by Mrs. H. Petcher.
Rug, won by Mrs. Ferrari.
Lamp, won by H. Helne.
Vase, won by B. Pearce.
Cake, won by Mrs. Banning.
Picture, won by Mrs. C. McCann.
Dog, won by Mrs. R. Copps.
Cushions, won by Mrs. Munn and Miss Andrews.
Spread, won by Mrs. L. Tait.

Mr. and Mrs. Stalmaker and children motored up from Atlanta, Ga., and are visiting at the home of Mr. and Mrs. H. W. Hooker. Mrs. Stalmaker is a sister of Mr. Hooker. Mr. Hooker's father of Sheffield, Ontario, accompanied them on the trip to Timmins.

Pinned for Hours Beneath Car, But Recovering Now

Albert Vaillancourt, who has been in the hospital since June 25th, following a motor accident on Dalton's hill, is now making good progress to recovery. He was driving a truck owned by the New Transfer. Going down Dalton's hill the truck got out of his control, he says, and upset at the foot of the hill. He explains the trouble by saying he was not an experienced driver. The truck turned over and he was pinned underneath the vehicle. It is thought that he must have been imprisoned in this way for five hours. Mr. Bunce, who is living in the new house on Dalton's farm was passing and heard the groans of the injured man. Mr. Bunce, with the assistance of two men living in a tent near by, were able to release Vaillancourt and took him to the hospital. Vaillancourt had a couple of ribs broken and also suffered some minor injuries.

Special Meeting of Legion Here Monday

President J. J. Ferry of the Provincial Command, Along with H. Wyse, Pension Adjutor to be Welcomed Here.

All members of the Canadian Legion are urged to make a very special effort to attend the special meeting of the branch at the Oddfellows' Hall on Monday, July 10th at 8.30 p.m.

The meeting has been called for the purpose of welcoming to Timmins Comrade J. J. Ferry, the provincial president of the Canadian Legion. Comrade Ferry will give an address on Legion affairs and is said to be a very able and interesting speaker. He has expressed a desire to meet as many of the veterans as possible, so a very large attendance is anticipated.

In addition, Comrade H. Wyse will speak upon the new amendments to the pension act and give other valued information desired by the members. Those seeking to see him regarding their pension problems may do so at Mr. Neame's office any time on Monday and Tuesday of next week.

It has been specially asked of The Advance to stress the matter of a full attendance and this is done herewith by stating that matters of extreme importance to all returned men will be mentioned in the address of President J. J. Ferry. No member should miss this meeting, Monday, July 10th at 8.30 p.m.

Timmins Wrestler Featured To-Night

Herman Nykanen, Finnish Champion, Matched This (Thursday) Evening with Jumping Gorilla Parker at the Timmins Rink.

Jack Milo, promoter, with the Northern Ontario Wrestling Association, is putting on another special wrestling programme at the Timmins skating rink this (Thursday) evening, July 6th. There will be three big wrestling bouts. The public has been pleased with the wrestling events featured by the Northern Ontario Wrestling Association at Timmins so far, and Jack Milo says that wrestling fans here will like this evening's bouts better even than the previous ones. It is also the intention to bring here all the "big shots" in the wrestling game to-day, and with this plan in view the various bouts shown here have to be kept to the highest standards of interest and excitement.

The main bout to-night is expected to be a humdinger. It is to be between Jumping Gorilla Parker, noted here now as "the Bad Man," and Herman Nykanen, European champion. Jumping Gorilla Parker needs no introduction here, after the two exhibitions given here. Many do not like his tactics, but it has to be admitted that he puts pepper, and perhaps some vinegar, into any battle he undertakes. No wrestling bout in which the Jumping Gorilla is concerned will be a tame affair. The crowd will get action and excitement for their money. Despite his reputation as a bad man, Herman Nykanen is not afraid to take on the Jumping Gorilla. Nykanen has good grounds for thinking he knows the wrestling game. Although he is at present working at the McIntyre Porcupine Mines and living quietly on Fourth avenue, Timmins, he has a wrestling record in which any man might take pride. He was champion wrestler in Finland in 1924 and again in 1926. He won from the Czech-Slovakian champion in 1926. He defeated the Olympian champion of the world (E. Verterlund) at Helsinki in Finland in 1926. In the same year he won from the European champion, Bagnor Bohman at Stockholm, Sweden. In 1927 he won the championship at Ottawa, Canada, in free style of wrestling. Jack Milo is of the opinion that Nykanen has not lost his cunning and skill as a wrestler and that the "Bad Man" is in for a bad time to-night. The bout will be the best two out of three falls to finish.

In addition to the main bout there will be two other high-class bouts, one fall to finish.

The event this evening, Thursday, July 6th, will have popular prices, and there will be a special section at the rink for children under fifteen years. The doors will open at 7.30, and the first bout will commence at 8.30 p.m.

Chautauquas to be Here End of August

Secretary of Committee in Town Receives Word that dates for Timmins Chautauquas will be August 29th, 30th, 31st and September 1st.

For some years past the Canadian Chautauquas have put on their entertainments at Timmins. This has been possible through the guarantees put up by local committees. This year there is a committee guaranteeing the Chautauquas. Ralph Elston is the secretary of this committee and this week he received word that the Chautauquas would be at Timmins on Tuesday, Wednesday, Thursday and Friday, Aug. 29th, 30th, 31st and September 1st.

The letter acquainting the secretary with the dates also notes that the programme this year will be up to previous high standards. In a few days programmes will be sent here giving details of the programme to be presented at Timmins this year by the Canadian Chautauquas. In the meantime, the letter to the local secretary says that the programme has unusual attraction. It will include:—Negro Jubilee programme, one thought-provoking play, a play of lighter vein, an informative lecture, special children's programme and other feature attractions.

Threatening Fire at the Kingston Hotel

Good Work of Fire Brigade Prevents Serious Loss by Fire on Tuesday of This Week. For a time this Fire Looked Dangerous.

Only the good work of the Timmins fire brigade averted what threatened to be a very serious fire on Tuesday afternoon just after three o'clock. A pile of crates and boxes took fire at the rear of the Kingston hotel, the fire spreading to the hotel building. When the firemen were summoned the fire had considerable headway having got under the tin sheeting on the building, this covering making the fighting of the fire more than usually difficult. Two lines of hose were laid and Chief Borland and his men fought the fire for over forty minutes before it was eventually conquered. For a time the fire looked very dangerous, but efficient work by the firemen removed the menace. There will be a water loss and smoke damage running into several hundred dollars. The loss is covered by insurance. The Kingston hotel is owned by Wm. Hass and occupied by Mr. Nathanson.

"All-Canada Day" at Kiwanis on Monday

Patriotic Music Features Meeting. Club Arranges to Help Children Needing Hospital Treatment. President Reg Smith Back.

President Reg Smith was back in his place at the Timmins Kiwanis Club on Monday at the Empire hotel after a trip to the Old Country. He was a little delayed in his return the boat on which they were travelling encountering fog and taking eleven days to make the trip from England to Canada. Next Monday President Smith will give the club a talk on his experiences and observations on his trip to England.

Monday's meeting was an "All-Canada Day" event in honour of the birthday of the Dominion. The meeting was featured by patriotic songs and national music.

Dr. H. H. Moore brought up the matter of the tonsil clinic. Kiwanis are again using their cars to take children home from the hospital after tonsil operations. They will be busy at this good work this week.

There was only one visitor to the club, a hitch-hiker who came up here from the South.

Mr. and Mrs. Reg Smith returned on Saturday from their trip to the Old Country.

Meets Corbett

BOBBY LEITHAM of Montreal, Canadian bantam-weight champion, who will fight Dick Corbett, British bantamweight at Manchester. Leitham hopes the fight will prove a stepping-stone to a return bout with Johnny King, British champion.

WOMAN RECOVERING AFTER TWO ATTEMPTS AT SUICIDE

The lady in town referred to last week as having made two decided attempts to commit suicide by poisoning herself is now well on the way to recovery. After the second attempt at suicide she was placed under restraint, and this week was formally committed to an hospital for treatment. In the meantime it was reported that she had died as a result of the effects of the second dose of poison taken. Her reported death, however, is not true and despite the fact that for a time she was in some danger, her health has improved so much that her removal from town to the hospital is warranted.

The young man reported last week as also attempting to take his own life, has been sent away for treatment, and hopes are entertained that he will make a good recovery and soon regain his normal health of mind and body.

Schedule for Games in Cup Finals Here

N.O.F.A. Schedule to July 22nd. Home and Home Finals in Foster Cup. Boxer Cup Finals July 18th and 22nd at Timmins.

Announcement was made yesterday of the N.O.F.A. schedule to July 22nd. Dates are given for both Foster Cup and Boxer Cup matches. The following is the schedule announced:

Foster Cup
Saturday, July 8th—McIntyre vs. Dome, at Timmins grounds.

Tuesday, July 11th—Dome vs. McIntyre, at the Dome Mines grounds.

Saturday July 15th—Winners of above vs. Kirkland Lake, at Dome or Timmins (This is the first game of home and home finals for the Foster Cup).

Boxer Cup Finals
Tuesday, July 18th—Dome vs. McIntyre, at the Timmins grounds.

Saturday, July 22nd—McIntyre vs. Dome, at the Timmins grounds.

Subject to Dominion Cup Games

The above dates are subject to McIntyre's engagements in the Dominion Challenge Cup competition, but at this time it is expected that the above games will be played without interruption.

Further competitions in the N.O.F.A. will be drawn up on July 15th.

To Discuss Express Rates Blueberries

Topic Expected to be One of the Chief Questions Before Associated Boards of Trade at Kirkland Lake To-morrow.

Reference is made elsewhere in this issue to the meeting of the Northern Ontario Associated Boards of Trade at Kirkland Lake to-morrow (Friday). Reference is made to the topics likely to be before the meeting. Land settlement in the North will likely be touched upon, but it is doubtful if any definite action will be taken by the Associated Boards of Trade on the question. The question of asking the Government to have the Hydro enter the North has been disposed of since the last meeting when a resolution from Ansonville asked for Hydro to be extended to the North. The resolution was laid over to the next meeting, following a more or less heated discussion. In the meantime, however, the Hydro Electric Commission has actively entered the Northern field through the acquiring of the Abitibi Canyon power project. President W. O. Langdon considers that in view of the subsequent action of the Government, the Ansonville resolution is practically disposed of. No doubt road maintenance will also be a topic of some interest but in view of the attitude of the Government in this matter, little of advantage will accrue from the discussion.

One of the topics that will have special interest will be an expected discussion on the express rates on blueberries from the North. This is a matter that has been considered before at Associated Boards of Trade meetings, but in view of all the circumstances this year it will have double interest. The blueberry industry has grown to large proportions in the North in recent years. As a means of relieving the unemployment trouble and helping the combating of the depression, the picking of blueberries on large scale plan has been of more importance than perhaps generally realized. Last year it helped a lot in this respect. One of the drawbacks to the blueberry industry has been the question of the cost of reaching available markets for the fruit in large quantities. In this matter express rates have added to the difficulty. There is a persistent belief on the part of many that fruit may be shipped in to the North at a lower rate than charged for shipping out blueberries. If this is the fact, it is difficult to understand why it should be so. Perhaps, there is a valid reason. Perhaps, the common opinion on the matter is not correct. Points like these will no doubt be gone into fully. In any event it is a fact that if lower express rates could be secured on blueberries shipped from the North it would be particularly acceptable at the present time. Anything that might give the industry a little more profit would help a lot. It would increase the blueberry industry and so help a lot of people in the North, including many settlers and many others in need. If the Associated Boards can do anything to help the

McIntyres Yesterday Kept Up Their Straight Win Record

Had No Difficulty in Taking Timmins Baseball Team into Camp with the Score of 12 to 5. Timmins However, Staged a Notable Rally in Latter Part of the Game. Standing of the Teams to Date. McIntyre Still Without a Loss This Year.

A Young Pitcher

JOHN L. JACKSON

University of Pennsylvania College hurler, who has been signed by the Philadelphia Nationals. He is 22 years of age, stands 6 feet 2 inches and throws and bats right-handed.

Hollinger Mine Team Wins McCrea Trophy

Results for 1933 in First Aid Competition. McIntyre Team Third Place. Other McIntyre and Hollinger Teams Tie for Fourth.

In first aid circles in the mining industry the winning of the Hon. Chas. McCrea trophy is considered a leading honour and one much coveted. This year Hollinger First Aid Team No. 1 is the winner. McIntyre No. 3 team takes third place, while Hollinger No. 2 team and McIntyre No. 1 team tie for fourth place. From this it will be noted that the Porcupine Mines, and especially the Hollinger and McIntyre teams have made an unusually pleasing showing.

The winning team, Hollinger No. 1, includes:—Thos. H. Richards, captain; M. Madden, B. Ash and F. Jackson.

The following are the official figures for the competition:—
First—Hollinger Mines, No. 1 team, 2244 points.
Second—Frood Mines team, Sudbury, 2223 points.
Third—McIntyre No. 3 team, 203 points.
Fourth—Hollinger No. 2 team and McIntyre No. 1 team, each, 2003 points.
Fifth—Coniston Mines team, Coniston, 187 points.

Three Car Crashes on Saturday Night

Two People Hurt in Three Accidents in Town. Six Cars Badly Damaged as Result of Collisions.

Apart from the motor accidents in the district, which included a car turned completely upside down near Hoyle, there were no less than three comparatively serious car crashes in town on Saturday. The three accidents in town happened in the space of two hours.

At 10.10 p.m., Saturday there was a car owned and driven by Alphonse Chener, of Mattagami, and a car registered in the Name of Kenneth Pearce. It was a head-on collision and after the crash the driver of the car gestered in the name of Kenneth Pearce left the car and could not be found when the police reached the scene. Mrs. Chener was in the car with her husband and sustained some bad cuts on the face, requiring medical attention. Both cars were badly damaged at the front and had to be taken to the garage for repairs.

At 10.50 p.m. at the corner of Third avenue and Elm street a car owned by Aloysius Tierney and driven by Gilbert Sullivan, struck a car owned and operated by Joseph Findlay, 16 Wilcox street, south. Both cars were damaged, though not seriously. Sullivan admitted that the crash was due to his fault.

At 12.25 p.m., Saturday accident occurred. One of Dalton's taxis driven by Fred Newbury, was struck by a car owned by David Small and driven by Syd Fairbrother, Schumacher. The taxi was well over on its own side of the road, so the blame for the crash seemed to be on the other driver. There were several passengers in the private car, but all escaped injury except Mr. Fairbrother who suffered stomach pains from being thrown against the steering wheel. He was attended by Dr. Stiles, of Schumacher. Both cars were considerably damaged.

blueberry industry the meeting will be well worth while even if little or nothing else is accomplished along other lines at the meeting to-morrow at Kirkland Lake.

McIntyre made six straight wins yesterday. Their winning streak that started with the season is not broken yet. It wasn't even threatened yesterday.

A small crowd saw the battle in which McIntyre emerged the victors by a score of 12-5. It was a very one-sided game. Had it not been for a lot of errors and a desperate rally by the Timmins squad in the last innings it would have been worse.

A lot of credit is due to Barton, Timmins' stellar third-baseman, who fielded everything that came his way and played a very fine game. One run was saved when he leaped over three feet in the air to catch Coleman's wild pop in the sixth. Eddie Angrignon shared the spotlight with him when he made a miraculous catch with one hand in centre field. It seemed impossible but Eddie had the ball.

The first three men up for Timmins, namely Barton, Brooks and Heximer were struck out and the first three men up in the second innings were easy outs at first.

The first scoring was in the second when McIntyre took in two runs. Cowden walked. Quinn doubled to left field while Cowden went to third and came home when McMillan dropped the throw-in. Adamson scored Quinn with a single to centre field.

The next scoring was also for McIntyre in the third. Boyd was brought in with Cybosky's long hit. Cybosky scored when McMillan threw to second and dropped the return.

In the fourth Gilbert scored on Boyd's double to right field. "Junior" Thomas took the mound duties over and on the first ball pitched, Cybosky hit to centre. Buck ran in after the catch. Thomas braced up and the next two were easy outs. In the next innings, Thomas sent back the first three men easily.

In the sixth for Timmins Brooks placed a beautiful bunt down between the pitcher and third. He practically told them what was coming but still they couldn't get it. To retire the side Angrignon made a sensational catch of Heximer's fly to centre.

In the seventh Woods started to pitch for McIntyre and Sadouski started catching. Timmins went down with three men.

McIntyre turned it on in their half of the seventh and when it was over they had another five runs. Cowden hit to third and Barton threw wild to first, Angrignon scoring. Cowden scored on Quinn's hit to short. Sadouski got to first on a walk. Quinn scored on Wood's hit to short. Buck hit a two-bagger to centre field and scored Sadouski and Weed.

The eighth innings saw McIntyre score again when Cybosky scored on Cowden's hit.

The ninth innings saw plenty of errors by McIntyre and a lively rally by Timmins. Coleman hit a single to left and went to third on the error. Thomas hit to centre and scored Coleman. Roberts and Donovan got on to fill the bases. McMillan hit one through second and Thomas scored. Chambers hit over short and scored Roberts. McMillan scored on a passed ball at first. Barton flew out to end the rally.

Timmins—Barton, 3rd; Brooks, c.f.; Heximer, 2nd; Coleman, 1st; Thomas, ss.; Roberts, lf.; Donovan, rf.; McMillan, c.; Darden p.; Lafamme, lf.; M. Thomas, p.; Chambers, p.

McIntyre—Buck, p.; Boyd, 2nd; Cybosky 1st; Angrignon, c.f.; Quinn, 3rd; Monaghan, lf.; Adamson c.; Gilbert, rf.; Wood p.; Saduski, c.; Gibson, ss.

Timmins 000 001 004—5
McIntyre 022 200 51x—12
