Heximer followed with another twobagger, scoring Thomas and Mason, but was left on third when Massecar was caught out by McCaffrey and Mc-Kinnon went down at first. The second innings was scoreless. In the third McCaffrey's two-base hit scored Crozier and he later galloped over the home plate himself. The Mine still clung to their brace of runs not getting away on any others. The Engineers got no farther than third base in the fourth but when the Miners got into the stope Bush, Thomas, Froulx, and Mason son's two-baser scoring the first two, Miss Gordon Smitton, of Toronto, is then Massecar's single to right letting Proulx and Mason make good. The game was tied. The Engineers went down one, two, three when at bat, for the fifth but for the Mine Esselstine banged a two-baser and later finished lied while Bush went down at second throw of Trueblood to Doran. Proulx was the home-run artist and Mason struck another two-baser but was left on third when Pollard flied to Crozier. Engineers couldn't get their gears set Bush whacked off a three-baser that sent Esselstine and Ostrosky across the plate and then he ambled that way himself piling up a dozen on the scorecard. In the last innings, Doran (2-(2-base) batted successfully and made Mr. T. A. Strain is on a business trip the diamond circuit but the team was out with two short of the Miners' card.

There was no game Monday night owing to the rain. The next game is team play at the Dome on Wednesday this week. Dome Football team journey to Kirkland Lake to meet their soccer eleven on Saturday afternoon.

Principal Furdy of the South Porcupine Continuation School has been making a special effort to see that all this school receive their diploma of graduation as well as having got their complete Junior matriculation certificates. Hugh Train is one of the graduates that he has discovered should be so honoured. If there be others he would be pleased if they would give him the full data in order that their diplomas may be got ready for them.

Trains Delayed by Heavy Fall of Rock

Friday Last When Train Ran into Rock Fallen on Track. No Other Damage.

An accident on the T. & N. O. last week had the usual T. & N. O. luck, Mr. Fred Dowzer, of Kirkland Lake, little damage being done and no one renewed acquaintances in town this being hurt. There was a slight delay for the northbound and the southbound Little Miss Dorothy Andrew, of the trains for the day but even this was by inviting forty of her young friends O, main line were delayed for a half hour late Friday afternoon when the In the police court on Tuesday there engine hauling one of them ran into were a few speeding and drunk cases, rock which had become dislodged and most of whom pleaded guilty and paid had fallen on to the tracks about three the usual fine. One case of reckless miles beyond here. The pilot of the driving was dismissed.
