The current issue of K-Ray, the official publication of Kiwanis, contains a number of sketches of Kiwanis Clubs. The story of the Timmins Kiwanis Club is told by A. Wilson Lang, and a halftone picture of President Reg Smith is published along with the article. The story as given by Kiwanian Lang is in part as follows:-

Timmins Kiwanis Club In reference to the founding of the Timmins Kiwanis Club, The Porcupine Advance, Nov. 21st, 1923 reported in part as follows:-"Wednesday evening the organization of a Kiwanis Club was completed for Timmins. The following officers were elected:-President, L. G. NeVille; vice-president, Dr. .J A. Mc-Innis; secretary, Mr. Lang; treasurer, J. P. Taillen; directors, D. Ostrosser, Fire Chief A. Borland, E. J. Meyers, J. K. Moore, Rev. Fr. Theriault; district representative, H. G. Laidlaw. At the banquet in the Masonic hall last Thursday evening under the auspices

of the Timmins Kiwanis Club, official presentation was made of the charter of the local club from Kiwanis International, Chicago. President, Reg. Smith, of the firm of Smith & Elston, Plumbing and Heatin Engineers, was born in Surrey, Eng., on the twenty-sixth of March, 1888. He came to Canada in 1905 and in 1926 started his present business. Reg. joined the Kiwanis Club in 1927 and has been a 100 per cent. "attender" since the day he joined. He and Mrs. Smith just returned from a visit to England where, he states, there is every sign of prosperity nothwithstanding the reports over the last few years regarding the dole, etc. Income taxes in England are fairly high. As an example, an income of \$5,000.00 pays a government tax of \$765.00. Reg.'s report on conditions generally in the Old Country is favourable, but plumbing and heating are not nearly as advanced as in

New Vein Discovered on Shining Tree Property

The Sudbury Star last week says:-"Walter R. Knox, who is sponsoring plans for a programme of development on the Churchill Mining and Milling Company property at Shining Trte, returned this week from a visit to the property with word of a new discovery of gold on what is known as the Moose Hole group of claims staked recently by E. B. James, and located one mile south of Shining Tree lake. The vein is said to show about seven inches of quartz and has been traced for a length of 300 feet, with about 16 inches of well mineralized quartz and schist in the walls. The vein is said to lie along the strike of the Buckingham showing and is in line with the Buckingham shaft. Mr. Knox also stated that work would be resumed next week on the road from the main Westree-Shining Tree highway into the Churchill property, where a crew under Jack Knox | is engaged in surface prospecting. Newspapers are the Most Effective to Reach All

Newspapers to-day constitute probably the most effective means of presenting to the public the merits of premanufactureder's product, Wallace R. Campbell, president of the Ford Motor Company of Canada, Limited, declared last week in anopuncing plans for a new Ford advertising campaign.

The campaign, which will begin immediately, is scheduled to run almost wholly in pewspapers, more than 80 per cent of the total appropriation being devoted to that end, Mr. Campbell

In a message to Ford dealers throughout Canada announcing the new compaign, Mr. Campbell added:-

"Three months ago I said-"We are convinced that at the moment there is a definite evidence that improved conditions are in the making." We have all seen those improved conditions develop and we hope for further steady gains. All indications point to betterthan-usual sales for the balance of

"The Ford has shown a gratifying increase in sales-but that is only a start. Thousands and thousands more motorists will buy it when they know the true facts about its quality, comfort

performance and economy 'To help you get your full share of this business we have started another aggressive advertising campaign.
