McIntyre Tennis Players Lose Round to Kapuskasing

Some weeks ago The Advance reported the tournament in which McIntyre and Kapuskasing took part at Schumacher on Civic Holiday here. The following from The Northern Tribune of Kapuskasing gives the return event at Kapuskasing:—

Kapuskasing Tennis Club members were hosts to visitors from the McIntyre Tennis Club of Schumacher on Sunday, Aug. 20th. Playing conditions were anything but ideal during the day, as it was quite cool in the morning, and although much warmer in the afternoon the players were hampered by a high wind. Sixteen members of the McIntyre Club were here for the day, but unfortunately some of their best players were unable to make the trip, which explains the one-sided score. The club wishes to thank the spectators who watched the games for their interest and to assure them that their presence at the courts during the visit of another club is appreciated.

On Saturday evening the Tennis Club held a dance in the dining room of the Club for the visiting players. The music was provided by Fred Service and his orchestra, who succeeded in making an entertaining evening for all present.

Death of the Baby Son of Mr. and Mrs. John Power

The deepest sympathy of all will go out to Mr. and Mrs. John Power, Matagami, in the death on Saturday afternoon of their baby son, Edwin, aged 20 months. The child was ill only a few days. The baby was attacked by the prevalent summer complaint and as soon as it was seen that the child was seriously ill it was hurried to St. Mary's hospital, but died shortly after admission. In addition to the bereaved parents, four brothers and two sisters survive. One of the little girls, Anna Mary, aged three years, is also quite ill at present, but is reported as improving. The funeral of little Edwin was held on Sunday afternoon at the Church of the Nativity. The pallbearers were:—Paul Laprairie, Jules Laprairie, Leo Copps and Billy Copps.

In the local and personal news of Cobalt in The Halleyburian last week, there was the following item: "Mr. and Mrs. Basil O'Malley and young son Kenneth, of Timmins, stopped over to visit the former's parents, Mr. and Mrs. O'Malley, when returning from a holiday in the south."

Boy and Girl to Have Free Visit to Fair

Timmins Allocated Place for Boy and Girl in Wrigley Company's Plan to Treat 500 Children Each to Visit the Toronto Exhibition.

The Wm. Wrigley, Jr. Company, Limited, this year is putting into effect a plan that promises a genuine treat of much value to no less than 500 boys and girls of the province. If the plan works, as it is believed it surely will, it will be made an annual feature.

Mayor Drew this week received an outline of the plan from the Wrigley Company, with the information that the town of Timmins would be given the opportunity to send one boy and one girl. The particulars of the proposal is given in the following letter to The Advance from Allan Ross, president of the William Wrigley, Jr., Company:—

"The Canadian National Exhibition is the greatest educational opportunity in the Dominion to view world progress, done up in package form, so that it can be quickly seen and absorbed. This form of going to school particularly appeals to children. There are thousands of boys and girls in Ontario who, because of lack of means to get there, have never seen the Canadian National Exhibition, with its vast opportunities for study and pleasure. We all know of some of these children who are hungry to attend."

"In an effort to help solve this problem, the Canadian Wrigley Company now inaugurate what they hope will be an annual plan to bring 500 boys and girls between the ages of 12 and 16 from all parts of Ontario for a two-day visit to the Canadian National Exhibition, paying all expenses from the time they leave home until they return."

An Annual Event

"The Wrigley Company's reasons for doing this are as follows:—

1. To enable 500 children (boys and girls) to see the great educational features at the Canadian National Exhibition.

2. To see some of the great sports events.

3. And, to have a lot of fun.

"We hope to make this an annual event, bringing different children each year, so that in time thousands will have had the opportunity."

"We feel that it is fitting to start this Wrigley-C.N.E. plan in 1933 because this year celebrates the twenty-fifth anniversary of the sale of Wrigley's brands of chewing gum in Canada—we are a quarter of a century old this month, in the Dominion."

"This is not an advertising stunt. As a corporation having done business for a great many years in Canada and knowing the beneficial results of the Canadian National Exhibition to children, it is our sincere desire to bring these children for the good it will do them."

Policy is Outlined

"The manner of choice of which boy and girl shall come will be as follows:

1. Only children who have never before been to the Canadian National Exhibition will be eligible.

2. The number chosen from each municipality will be on a basis of population.

3. It is our desire that the most deserving children will be selected without any particular set of rules, and definitely no requirements from the children except that they are deserving children.

4. The choice of the children to come will be left in the hands of the Mayor, or chief officer of the municipality. In other words, the Mayor, or a committee of his selection, shall make the choice.

"To inaugurate the plan immediately the following is a list of municipalities, and the number of children we are able to allocate to them to complete our list of 500 boys and girls. We hope that we have covered most of the municipalities, but, in the event of our not having done so, next year we will take care of those who are not included now."

"These Wrigley anniversary children will stay at the best hotels, and, see all that can be packed into a two-day visit at the Canadian National Exhibition. Mr. Denton Massey, founder and leader of the York Bible Class of Toronto, a great lover of young people, has agreed to act as master of ceremonies while the children are in Toronto. He will supervise the hospitality and safety of the children in every way."

Provide Chaperons

"Responsible chaperons will look after the children from beginning to end, supervised by the Young Women's Christian Association of Toronto. Arrangements have been made with the Canadian Pacific Railway and the Canadian National Railways officials to take care of the safety of the children from the time they are put on the train until they are handed over to us at the station in Toronto. Of course, this also applies to the return trip home."

SHE LOST 32 lbs.

New Frocks No Longer Worried Her

"How did she lose that 32 lbs. of fat?" is what you will be asking. Let her tell you herself:—

"About 18 months ago I weighed 178 lbs.—which I can assure you annoyed me very much. Everything seemed to worry me, especially new clothes. Nothing would fit me comfortably, and walking was unbearable. I was advised by a friend to try Kruschen Salts, and I am very glad I did, too. During the first ten months I lost 28 lbs. of fat. Now, for the last 6 months my weight has been 146 lbs., and I feel much better in health. I have all my weight tickets to substantiate my statements."—(Mrs.) M. P.

Kruschen contains those six mineral salts, proportionately balanced, found in the waters of those famous European Spas used by generations of fat people to reduce weight.

Kruschen helps blood, nerves, glands and body organs to function properly—you gain new strength and energy—feel years younger—look better, work better.

"The days of the visit are Friday and Saturday, Sept. 8 and 9."

Municipal Allotments

"Twenty boys and girls will be selected from Toronto and from Hamilton; nine boys and nine girls from Ottawa; six boys and six girls from London; and four boys and four girls from Brantford, Kitchener, Oshawa, Peterboro, Preston, St. Catharines and Windsor."

From Galt, Guelph, Kingston, Niagara Falls, Port Arthur, Sarnia, St. Thomas, Sault Ste. Marie, Stratford, Sudbury, Waterloo and Welland the selection (in each case) will be three boys and three girls.

"Two boys and two girls will be chosen in Barrie, Brampton, Belleville, Brockville, Cobourg, Chatham, Cornwall, Goderich, Ingersoll, Lindsay, Long Branch, Midland, Mount Dennis, Mimico, North Bay, New Toronto, Oakville, Orillia, Owen Sound, Pembroke, Port Credit, Port Colborne, Port Hope, Renfrew, Smith Falls, Trenton, Walkerville, Whitby, Woodstock and Weston."

"One boy and one girl will be selected from the following municipalities: Amherstburg, Alliston, Almonte, Aurora, Aylmer West, Arraprior, Blenheim, Bowmanville, Brantford, Burlington, Campbellford, Carleton Place, Clinton, Cochrane, Collingwood, Cobalt, Deseronto, Dundas, Dunnville, Essex, Forest, Gananoque, Georgetown, Gravenhurst, Grimsby, Hanover, Huntsville, Halleybury, Jarvis, Kenora, Kincardine, Kingsville, Leamington, Markham, Meaford, Merriton, Mitchell, Mount Forest, Napanee, New Hamburg, New Liskeard, Newmarket, Orangeville, Parry Sound, Palmerston, Paris, Penetang, Petrolia, Picton, Prescott, Richmond Hill, Ridgetown, Shelburne, Simcoe, Southampton, Strathroy, St. Marys, Stayner, Thessalon, Thorold, Tilbury, Tilsonburg, Timmins, Uxbridge, Vankleek Hill, Walkerton, Wallaceburg, Waterford, Waubushene, Warton and Wingham."

Stole Car and Money at Temagami Camp

Intensive Search Made by Provincial Police and Other Officers of Law for Two Men Playing Bandits.

On Friday last for the first time in the history of the Ferguson highway an armed thug got away with the car owned by a camper at Lowell Lake, five miles south of Temagami, as well as with a few dollars in cash, as the result of a hold-up with a gun. All day Saturday provincial police officers combed the highway north and south in effort to locate the robber. Sgt. T. W. Cousins, of the provincial police headquarters at Cobalt, returning late on Saturday evening from a search that had lasted until daylight waned expressed the belief that the armed thug and an associate believed to be with him, had slipped through the police net at North Bay by changing the license plates on the stolen automobile.

The sergeant said that he and Constable R. O. Stromberg, of the Cobalt post, had examined every deserted lumber camp and had surveyed every bush trail south from Temagami in their efforts to find the two men alleged to be involved in the theft at the point of the gun from Mr. and Mrs. Clifford Hutton, of Mount Brydges, who had been camping at Lowell Lake, five miles south of Temagami.

While only one individual entered the tent while the couple were still in bed, the police learned that two men were observed by a truck driver to have occupied a coupe he met more than 20 miles down the highway and which corresponded to the machine owned by the Huttons.

Hutton had reported the hold-up to Constable William Hocken in less than 35 minutes after the robbery and the alarm had been sent to Halleybury and to North Bay without delay. The latter point is about 60 miles from Lowell Lake and police were on watch there within the hour. But the sergeant said Sunday night he had reason to believe the wanted men had another set of license plates in their possession and that these had been substituted for the proper markings of the Hutton car. Hutton had been rushed to Temagami by the owner of another machine, who was camped at the lake, and not long after he arrived police learned from a northbound truck driver he had passed a coupe at Martin River, 40 miles from North Bay, in which were two men.

Hutton's story to the police, Sergeant Cousins said, was that about five o'clock, standard time, on Friday, the tent he and his wife occupied at Lowell Lake had been entered by one man who flourished a revolver and demanded money. Hutton tossed his trousers to the intruder, who took five dollars he found in a pocket but overlooked a wallet containing a large sum of money. He decamped from the tent and going

Pay Your Taxes Now and Avoid Penalty

Sept. 5th is the last day on which the second instalment of taxes for 1933 may be paid without penalty. After that date a penalty of 5 per cent. will be added to all unpaid taxes.

Town of Timmins

GOING TO TORONTO AS GUESTS OF WM. WRIGLEY JR. COMPANY

Elsewhere in this issue will be found full particulars of the generous plan whereby the Wm. Wrigley Jr. Company are treating 500 children this year to a trip to the Canadian National Exhibition, with the company defraying all expenses. A boy and girl have been invited from Timmins to join the happy party. The selection of the two was left by the Wm. Wrigley Company with Mayor Geo. S. Drew, who has named Urial McMillan, 15 Elm street, north, and Adobe Arbie, 155 Pine street, south, as the boy and girl to go from Timmins. The Wrigley Co. have been notified and agree to the choice as being according to their plans. Urial is 14 years of age, and Adobe is 15 years old.

Chief M. Greer, of Renfrew, Ont., who was called here on account of the serious injury to his son, Denham, in an automobile accident some weeks ago on the road to Kirkland Lake, left again for Renfrew the end of last week. Denham and Mrs. Denham Greer are both well on the way to recovery from the injuries sustained in the accident.

Given Ride in Auto, Killed in Accident

Young Man Named Martin Dies in Motor Accident Through Tire Blowing Out. Was Coming to Timmins Seeking Work.

A young man named Martin, whose home is not known, was killed near Matheson yesterday afternoon when one of the front tires of the car in which he was riding had a blow-out, and the car took the ditch. The car concerned in the accident was owned by Wm. Boychuk, of Timmins, and driven by James Gardiner, also of Timmins. Mr. Gardiner picked up the young man on the road and was giving him a ride to Timmins where he said he hoped to secure work at his trade as a barber. Just near Matheson, however, the accident occurred and the unfortunate passenger met his death.

Word regarding the death was received here yesterday afternoon shortly after the tragedy occurred, but few details are to hand. Provincial Officer McCord phoned to Timmins shortly after the accident to see if anyone here knew the young man, Martin, or could give any information about him. No one here knew him so far as could be learned. The young man had a letter in his pocket for presentation on his arrival here. The letter was signed by the name "Pettery," and was addressed to Pat Nolan, Timmins. In the letter Mr. Nolan was asked to do all he could to help Martin secure a position. The police here got in touch with Mr. Nolan and found that he did not know Martin nor had he heard from him. The only Pettery he knew was an engineer in Cochrane. It is not considered likely that the letter of recommendation came from any Cochrane citizen. Martin was travelling to the North intending to try his luck in Timmins. Had he friends in Cochrane it is likely that he would have planned to go there rather than take a long chance here. However, the police are seeking to discover any relative or close friend who may be able to give particulars in regard to Martin.

ANOTHER IN THE CHAIN OF THE TRANS-CANADA AIRPORTS

Another of the chain of trans-Canada airway airports is being started at Tudhope, a small settlement 38 miles east of Kapuskasing, says The Northern Tribune. A carload of equipment has been received there from North Bay, and men have been sent from Cochrane to do the first work on this site.

Miss Kay Birmingham returned on Sunday to Sault Ste. Marie, after spending two weeks, the guest of Mr. and Mrs. Chas. F. Hitch, 20 Hemlock street, Timmins.
