Owing to their first base girl, Mrs. A. Fiendel, being indisposed, the girls had their positions in the field changed which accounted for their opponents getting such a score. At the end of the fourth the McIntyre were leading by two runs but from there on the game was the Kirkland Lake girls, and they certainly put up a good game. The score—7-3.

Hardships of Honest Folk Forgotten by the Public

The following from The Sudbury Star is timely and well worthy special consideration at this moment when too many seem to be worrying over yarns about prison hardships while the victims of the criminals are too often forgotten.
"A couple of hundred duped investors stood in a New York courtroom and cheered when a man they had trusted was jailed on a fraud charge. Hard-working house servants, charwomen, storekeepers and others of small means were victims.
"However, after the agent has been released from prison he can have a fine time writing long articles telling about the terrors of punishment in jail and how prison wardens make the inmates toe the line can spin quite a yarn against harsh treatment of prisoners.
"Of course, he need never mention the hardships endured by all the people he duped. Nor need he say that if he had been honest as his victims he would never have been jailed.
PRESCRIBES ADVERTISING FOR ANY SICK BUSINESS
(From The Simcoe Reformer)
The man who says business is too poor to justify a small advertising expenditure is in the same boat with the man who says he is too sick to take medicine. We have heard men say it doesn't pay to advertise but as we look at the advertisements of merchants we know are successful we prefer their opinion on the matter, says the Almonte Gazette. Advertising is like everything else—it pays, and pays well, if looked after properly. If neglected it is almost worthless. The successful business men look after their advertising like they look after their buying and displaying of goods.

Boxing Bouts Here End in Hectic Time

Fights on Monday Develop into Sort of General Melee, when the Referee Awards Decision in Bout Between Hamilton and Dempsey.

Fans saw plenty of action last Monday night in the bouts staged at the skating rink. They wanted more, however, and excitement rose to a high pitch when the referee, Cliff Caesar, a recent arrival in town, stopped the main bout in the fourth round. The crowd, unable to control themselves, jumped into the ring. The referee and fighters were mildly mobbed, before the police were able to restore order. The ring was broken down, but no serious damage done. The police had no trouble in getting everything under control.

Roy Hamilton was given the Northern Ontario lightweight championship when the referee stopped the Hamilton-Dempsey fight in the fourth round. Both fighters opened fast and kept the fast pace for the whole fight. It was evident that neither of them could have kept that killing pace had the fight lasted ten rounds. Dempsey surprised everyone by unleashing a burst of speed in the second and third rounds that took Hamilton by surprise. He had Hamilton shaky two or three times and any man who can do that must be fast. However Roy was doing something too and also had Dempsey in bad shape a few times. Roy had a slight edge in the early part of the fight because his footwork was perfect and he was able to leave a one-two punch and dance out again fast. Dempsey was warned a few times about breaking clean. In the fourth Dempsey still refused to break clean so the referee warned him again. This time Dempsey started to tap the referee and tried to push him out of the way. The referee then disqualified him and Dempsey rushed at him. Hamilton jumped at Dempsey then and all three were rolling around on the mat. The crowd, unable to stay back, all crowded into the ring and in the rush the ring was torn down. Hamilton and Dempsey were like two tigers trying to break loose and finish it. The police, however, cleared everybody off and started to get a little order.

Most of the people there were of the opinion that the fight was stopped too soon and that the referee should have passed off those taps and let the fight continue. From the beginning the referee was not in favour with a large portion of the crowd. Roy seemed none the worse after the fight and Dempsey said he was just getting warm when it was stopped. Dempsey says that with another referee he'll beat Hamilton any time. That's a hard thing to tell because on Monday neither fighter showed any very special superiority. The one noticeable thing was the decided improvement in Dempsey. He's real fast now.

The semi-final on this fine card was an 8-round fight between Farmer Neabile and Porky Tomick, two fast middleweights. Tomick, the favourite, resorted to clinching too often and lost a lot of points this way. Porky was not in the best of condition and tired very easily. Neabile was never in trouble although he was groggy twice, but Tomick was groggy too. Neabile had no trouble getting the decision. Neabile is fast gaining favour with the fight fans as a first-class fighting man.

Jerry McNulty gained a technical knock-out over Ed. Godin in a 6-round battle. Referee Arnon's decision in stopping this fight was disapproved by the crowd although he said he was following the best ring practice in stopping the fight to save a drastic and unnecessary punishment. The public here, though, wants action and when the referee stops it when the action starts the fight fans do not like it.

The opening bout was a fight between two local boys, instead of the advertised fight between Young Dubau and Sonny Casey. Paul Lemay was seen in action again, this time against Basil McDonald. His usual good brand of boxing earned him the decision. He and McDonald put up a good fight, being very evenly matched.

An announcement was made from the ring to the effect that Bill Thompson, who never fails to please a Timmins crowd, would be seen in action here next Wednesday when he meets a former champion of Italy in a ten-round match. He expects to have a good supporting card of popular local boxers.

The Toronto Mail and Empire:—Nova Scotia gave the Liberals their chance to see the writing on the wall, and the Conservatives a chance to say that the result of the elections had only local significance. Probably when the election in Ontario takes place Liberals and Conservatives will exchange their philosophies.

In Juvenile football on Wednesday night last week Dome and South Porcupine schoolboy teams played a scoreless draw. The teams lined up with H. Richmond referee and he made them play real football, checking them up closely on their infringements of any rules. Dome—goal, Honer; backs,

Baker and Shumlak; half-backs, Procopio, Bigley, Lillihog; forwards, Procopio, J. Murphy, W. Murphy, Red Doran, Uren; spares, Arthur Moyle (goal), R. Moyle, Lightbody, Mike Baker, Teddy Spouth; backs, Robertson, B. Barbas; half-backs, Brown, Andrews, J. Barbas; forwards, Dysart, Capyk, Cummings, McCann, Manners; spares, Eyre, Spitz. Dome had a decided edge on the field play, Spouth, South End's alert little net-minder, having much more to do than Honer but with a clever style of his own Teddy stopped them all. Robertson and Barbas did good work as his rearguard but the town forwards were very lethargic. On the chances they had they should have bagged at least three goals. Schumlak and Baker gave Honer fine protection. McCann made a good start for the net but Lillihog, the platinum blonde young dynamo, upset him and a free kick was given, off which Baker made a dandy check. Bigley and Jimmie Procopio fielded some good combination but it ended in "hands" against Baker. Doran dallied too long with Tony Procopio's pass to convert it. Lightbody robbed Andrews and centred the leather but to no avail. Capyk made some good plays for town but they were lone efforts and fruitless. Manners was off colour from his last game. Brown was one of their best. Murphy brothers did not show their usual snappiness for the Dome and Uren's work lagged at times. "Midget" Baker was a small bundle of real energy.

The Dome and Dome Extension played on Friday night, Dome Extension winning in the 1-0 score. Richardson made the winning tally in the second half. Dome team lined up much the same as Wednesday except that Moyle was in goal and Honer instead right. Dome Extension—goal, Burke; backs, Pirie, Millions; half-backs, B. Chevrier, C. Chevrier, B. Curtiss; forwards, McGinn, Mitchell, S. McGinn, B. Richardson, S. Chevrier; spares, Thomas, Richmond, Libby.

The big brick building at North Cobalt erected originally as a boys' college, but unused for many years past, is likely to be one of the buildings that will be sold at the tax sale to be held by the township of Bucke this fall. The taxes in arrears on the building is said to reach the sum of about \$1,900.00. There was an offer made at a recent meeting of the Bucke township council to purchase the building for \$1,000.00. There was also an offer for the building by a Toronto wrecking firm. On the advice of the solicitor of the township, it is understood that both offers were turned down and that the property will go on sale with the other tax sale properties.
