A & P Finest Quality BEEF

Only the choicest beef is bought by A. & P. experts. This beef is then hung in the great A. & P. mammoth refrigerating plant, the most modern of its kind in Canada. Here the beef stays until temptingly tender. From the A. & P. refrigerating plant the beef is delivered FRESH DAILY to A. & P. Stores . . . no wonder it tastes so good! Guaranteed satisfaction—or your money cheerfully refunded. Furthermore, A. & P. prices are as attractive as the beef itself. Shop WHERE ECONOMY RULES.
