Three Months Term for Biting Officer

Two Fines of \$100.00 Each for Having Liquor Illegally. One of the Fines Paid. Other Police Court Cases.

At police court this week Pete Thelin, a Russian, was charged with assaulting Pete Dmyterko, a fellow countryman. A call was sent in to the police in connection with this assault and Thelin was locked up for the safety of others and himself. He made such an outrageous racket that it was decided to change him to one of the front cells where his noise would not disturb others in the jail who wanted to sleep. While being transferred from the one cell to the other Thelin sunk his teeth into Sgt. Craik's leg, making such a wound that the sergeant had to have medical attention. Thelin also sunk his teeth into Sgt. Craik's arm making another nasty wound. At court on Tuesday Thelin was assessed \$20.00 and costs, or thirty days, for his assault on Dmyterko, while for his vicious assault on Sgt. Craik he was sentenced to three months with hard labour. As a consequence he will spend the next four months in jail.

A woman who left her husband, taking away with her a trunk that carried some effects was charged with theft of the trunk. The case was dismissed.

The case against a man by his wife for non-support was adjourned until called on. Another husband and wife case was adjourned to next week.

Seraphin Drouillard, of Windsor, charged by Officer H. Allen, R.C.M.P., with violation of the Excise Act, was remanded for another week.

The charge laid on Sept. 2nd against Laura Larocque, 5 Kirby avenue, for illegally having liquor, after several adjournments came before the magistrate on Tuesday. She pleaded guilty to this charge and was fined \$100.00 and costs, the fine and costs being paid forthwith. In the meantime, however, on Oct. 2nd, another similar charge was preferred against her. This second charge was laid over for a week, the accused being allowed her freedom on her own recognizance. Another case of illegally having liquor was that against Frank Pietila, 21 First avenue. He was fined \$100.00 and costs, or three months.

On an assault charge one man was fined \$5.00 and costs.

There were two charges against Nick Pauff, 68 Pine street, south. One of these charges was for the alleged illegal possession of liquor and the other for obstructing the police. The police claim that liquor was found on the premises, though neither Pauff nor his wife have a permit, and also that Pauff tried to hinder the entry of the officers and their search of the place. Both cases were adjourned to next week to allow for analysis of the liquor seized in the visit to Pauff's place.

A Balsam street man faced two charges of breach of the Highway Traffic Act. On the one charge he was fined \$10.00 and costs, and on the other \$1.00 and costs, the non-observance of the law thus proving a very costly procedure in this instance; the total expense, to the offender being over \$25.00. Another offender under the Highway Traffic Act was fined \$10.00 and costs. In juvenile court the last of the four boys convicted last week of stealing from T. & N. O. cars recently was dealt with. This lad was allowed to go on suspended sentence, but must make restitution to the extent of \$14.55. He will also be on parole for a year, and his liberty will depend on his future good conduct.
