THREATENED DOUKHOBOUR PARADE AT HAILEYBURY

At the last regular meeting of the Haileybury council W. C. Thuerck, the relief officer, said that some indignant ladies had threatened something in the nature of a Doukhoubour parade unless they were supplied more clothing by the town while they were on relief. The council were of opinion that the issue of clothing should be kept down to the minimum, but in cases where children hadn't the clothes to attend school, sufficient suitable clothing should be supplied. At the same meeting of council when a lady in business in the ladies' and children's wear line asked for a share of the town's orders for clothing, it was decided to arrange for this share, the idea being to divide up relief purchases according to the amount of taxes paid by the dealers.

Porcupine Couple Wed at Burks Falls

Frederick John Mason, of South Porcupine, and Miss Jean Aloise Harris, Married on Saturday.

Hosts of friends in the camp will extend best wishes to the popular couple on the occasion of the marriage on Saturday last at Burks Falls, Ont., of Miss Jean Aloise Harris, and Mr. Frederick J. Mason, of the Dome. The bride formerly was on the teaching staff of one of the Porcupine camp schools, and the groom has been well-known and popular in the camp for many years. The Toronto Star of Saturday last gives the following report of the wedding:—

"A picturesque autumn wedding took place in the United Church, Burks Falls, this afternoon, when Jean Aloise, daughter of Mrs. John W. Harris and the late Mr. Harris, became the bride of Frederick John, son of Mr. and Mrs. E. J. Mason, of South Porcupine, the Rev. A. Rintoul officiating. Ferns and yellow and white 'mums decorated the church for the occasion. The service was fully choral, the surplined choir preceding the bride up the aisle singing "The Voice That Breathed O'er Eden." During the signing of the register the choir sang "O Perfect Love." The bride, given in marriage by her brother, Mr. Max C. Harris, wore an Empire model of ivory satin with fan-shaped train. Her veil was of exquisite Brussels' lace, and tulle, caught to the head in cap shape with orange blossoms. She carried white roses and lilies-of-the-valley. The bride's attendants were her three nieces, Jean Aloise Harris Macgregor, her namesake; Berenice Gordon Watson, and little Elizabeth Ann Sumner, as junior bridesmaids. They were all frocked alike in old-fashioned dresses and hats of white, ruffled organdie, with yellow sashes and silk mittens. Their bouquets were yellow 'mums. Mr. George Mason, brother of the groom, was best man, and the ushers, Mr. William A. Harris and Mr. R. Gordon Watson. After the ceremony a reception was held at the home of the bride's mother. Later the bride and groom left on a motor trip south, the bride travelling in a smart suit of Araby red and Persian lamb, with matching hat. Mr. and Mrs. Mason will reside in South Porcupine. Out-of-town guests included: Mrs. E. J. Mason, Mr. George Mason of South Porcupine; Mr. and Mrs. N. Henry and son John, of Kirkland Lake; Mr. Max C. Harris; Mr. and Mrs. William A. Harris; Mrs. Sybil Campbell of Noranda, P.Q.; Mrs. W. D. Sumner and daughter of Montreal, P.Q.; Mr. and Mrs. R. Gordon Watson and children of South River; Mrs. James Tilson; Miss Florence Tilson of Brampton; Miss Winnifred McKelvey of Toronto."

BUNGALOW BAZAAR TO BE HELD ON SATURDAY, NOV. 18

The Ladies' Aid of the United Church this year have named their annual bazaar, "Bungalow Bazaar" and a number of novel features are planned to make the event live up to the high promise of its name. The Bungalow Bazaar is to be held in the basement of the United Church on Saturday, Nov. 18th. Each year's bazaar has been more interesting than the year before and it is hoped to make the event of 1933 the very best yet. There will be further details announced of the event in the next few weeks. In the meantime it would be well to note the date, Saturday, Nov. 18th, and keep that date in mind.

Discussions Being Held at Young People's Society

Young men and young women who enjoy discussion of live topics and are ready to voice their opinions or listen to the ideas of others will find the meetings of the Young People's Society of the United Church very interesting indeed.
Last week the topic was introduced by Jerry Roach, this year's president, after a short but pleasing programme which included a piano solo by Miss Wilson, a reading by Miss Paterson and a vocal solo by Miss Isobel Lang.
The first item on the programme, and one that proved very impressive was the election of the new officers, elected a couple of weeks ago. These officers were:—
Past president, Farquhar Anglin.
President, Jerry Roach.
Vice-president, Gladys McIvor.
Secretary-treasurer, Edith Richardson.
Conveners—Missionary, Miss Florence Peters; Devotional, Miss Tina Lang; Citizenship, Jack Quirt; Social, Roy Hardy.
This week the meeting will be in charge of the Devotional committee for the first time. Their topic is one to impress all, "What is God?" All young people are invited to attend and hear the discussion and join in the meeting. The meeting will be this (Thursday) evening. The hour is 8.15 p.m. There should be special interest among young people in these meetings on Thursday evenings.

HAILEYBURY NEARLY LOST DUMP WAGON THROUGH FIRE

Recently Haileybury came close to losing a perfectly good dump wagon when papers and rubbish were piled in it and then a fire started. The wagon was standing near the barn on Anwell street where the town's equipment is stored. The fire was noticed by Silas Magee, the town foreman, who was able by quick and active work to extinguish the blaze before it had too much headway. The attempt to cause damage by fire is blamed on boys, but likely these boys will be found to be big boys and old boys.

Fishing Speckled Trout Out of Season is Costly

A South Porcupine man found by hard experience this week that it is costly to catch speckled trout out of season. He was before Magistrate Atkinson this week on this charge, the information being laid by R. Edleston, game and fisheries overseer for this district. The fine imposed for the offence was \$10.00 and costs, the total amount reaching \$21.00. It is unfortunate that anyone should need to be assessed in this way, but if there is to be conservation of fish and game and if all are to have equal opportunity in securing their share, there must be observance of the rules and regulations set down for the common benefit.

Keep on Sending Toys and Dolls to Fire Hall

For some weeks past The Advance has been urging any who have any toys or dolls they wish to discard to send them to the Fire Hall. The call has been well answered, for the boys at the fire hall now have a great assortment of dolls and toys. In their off time the firemen take the dolls and toys and repair them, repaint and polish them and put them into first-class condition. The toys and dolls will be given at Christmas time to children who would otherwise go shy of this form of Christmas joy. Last year one hundred children were made happy through the kindness and hard work of the firemen who supplied over a hundred toys and dolls that delighted youngsters who would have otherwise been without presents at Christmas time. One family of children were fairly "pop-eyed" last Christmas when they saw the gifts from the firemen. It was the first time in their little lives that these youngsters had ever had a real Christmas. It is surprising what the firemen can do in the way of making old toys new again. They can repair nearly anything. They have now all sorts of toys and dolls and have them all in fine shape for Christmas. They are gluttons for work, however, and are ready to handle more. Accordingly, if you have any toys or dolls to give away, just pass them along to the fire hall; they will know what to do with them, and it will make a lot of youngsters happy this Christmas time.

Mrs. T. Wright Dies at South Porcupine

Death of Mrs. T. J. Wright This Week Great Loss to the Community. Funeral on Tuesday Very Largely Attended.

South Porcupine, Ont., Oct. 17th, 1933. Special to The Advance.
Our whole community is mourning to-day the passing of Mrs. T. J. Wright, one of our best-beloved and honoured citizens, who was borne to her rest this (Tuesday) morning from St. Joachim's church to the Timmins cemetery.
The shock of her death has been great to her friends and neighbours, for no one suspected that she was near her end, as patient and uncomplaining she has borne her sufferings unknown to even her best friends.

Last summer she went to the Porcupine hospital for an operation and blood transfusion and it was thought she was gradually gaining strength, but on Saturday after severe suffering she was taken again to the hospital for an emergency operation, from which she did not rally.

She leaves behind her a saddened host of friends, and a heart-broken family. Her husband, who was in Toronto, and daughter, Frances, in Ottawa, could not reach home in time to see her, which makes the blow all the harder to bear. Three other children, Jean, Owen and Tiberius, Jr., are left to mourn a devoted mother. In addition to the bereaved husband and family, one sister, Mrs. A. J. French, also survives.

The late Mrs. Wright, whose maiden name was Violet Alice Clara O'Connor, was the daughter of Owen Fletcher O'Connor and Jane Leonard, his wife, pioneers of Pontiac County, Quebec. She was educated at Gloucester Convent, Ottawa, and received the degree of A.T.C.M. from the Ottawa Conservatory of Music, where she studied under Professor Puddicombe. On Oct. 6th, 1909, she was married to Tiberius James Wright. Mr. and Mrs. Wright resided two years in Cobalt, coming to Porcupine in 1915.

The late Mrs. Wright was a member of the South Porcupine school board from 1927 to 1930, a position which she filled with the greatest ability, doing all she could to promote the interests of education in South Porcupine. She was, incidentally, the first and only lady member of the board that Tisdale has had.

She also organized and became president of the Ladies' Bridge Club eight years ago, a social body that we believe is unique in as far as that for eight years it has continued to function without a hitch, remaining with few exceptions the original body as organized. This is due in no small measure to the tact and lovable disposition of its one and only president.

The funeral was one of the largest we have ever attended in South Porcupine. In deference to the memory of an old member of the board, both schools (public and high) closed for the morning session, and the flag at the high school flew at half-mast all day. High mass was sung in St. Joachim's R.C. church, the officiating priest, Father Gelinas, being assisted by Father Theriault and Father Pare, of Timmins.

The pallbearers were:—Messrs C. V. Gallagher, John Costello, Fred LaForest, Sylvester Kennedy, Jos. Winklerford and W. C. Dillon.
The following is a list of spiritual offerings and floral tributes sent:—
Flowers from:—The Bridge Club, The Boy Scouts, Trustees S.S. No. 1 Tisdale, The Literary Society, Mr. and Mrs. John Fell, Mr. and Mrs. Maxwell Smith, Miss B. M. C. Shaw, Mr. and Mrs. Harold McInnis, Mr. and Mrs. F. C. Evans, Mr. and Mrs. J. C. Ostrom, Mr. and Mrs. R. Cameron, Mr. and Mrs. W. Lemmon.
