DEATH ENDS CAREER OF THE FAMOUS ACTOR, E. H. SOTHERN

E. H. Sothern, the famous actor, is dead at New York, at the age of 73 years. He died from pneumonia. When he retired from the stage in 1930 he completed a notable career on the stage extending over half a century. With his wife, known on the stage as Julia Marlowe, he won fame as a Shakespearean actor. Sothern and Marlowe were famous as headliners on the stage for an ordinary lifetime. Sothern whose life was given up to audiences, is being buried without an audience, the funeral being private. The body is being cremated, the wish of the deceased. Both the time and place of Sothern's funeral are being withheld at the direct request of the late Mr. Sothern.

RETURNED ON THURSDAY FROM VISIT TO THE COAST

The many friends of Mrs. Albert Cooper and daughter, Doris, were very glad to welcome them home again on Thursday evening last after their extended visit to the coast, where Mrs. Cooper visited her only brother in Vancouver, B.C. Previous to this visit, Mrs. Cooper had not seen her brother for 21 years. A very enjoyable month's holiday was spent and many places of interest were visited. The largest part of their journey took them through the famous Rocky Mountains. Other places of interest visited were Banff, Bellingham, Blaine, Washington, D.C. Mrs. Cooper and Doris are wife and daughter respectively of Albert Cooper of the Timmins Fire Dept.

Al Perini and His Vagabond Kings at Pleasing Dance

The opening dance at the McIntyre hall on Friday evening last was a specially pleasing event. (There was a large attendance and all present are agreed that the evening was an unequalled success. The music for the occasion proved unusually popular, the talented playing of Al Perini and His Vagabond Kings making a particular hit with the crowd. There was rhythm and pep with all the popular new dances played in attractive style. Valuable prizes were given for various features of the evening, these prizes being donated by merchants of Timmins, Miss Winnifred Wilson and Miss Joyce Patterson were among the prize winners.

Dr. W. E. George to Go to Hamilton, Ont.

Provincial Officer of Health in This District for 21 Years Transferred to Hamilton. Leaves Wide Circles of Friends Here.

Dr. W. Egerton George, provincial medical officer of health for the district for 21 years, has been transferred to a district in the South and will leave this week to take up his new duties. He will make his headquarters at Hamilton, Ont. His new district comprises the counties of Norfolk, Haldimand, Welland, Lincoln, Wentworth, Halton, Brant, Peel and York. While this seems like a large district it is not nearly as large as the district here. This district is made up of the territory covered by the judicial districts of Nipissing, Parry Sound, Temiskaming, Cochrane, and part of Sudbury. Compared with the area covered by these districts, his present territory will seem small. His new district has a much larger population than the Northern one he is leaving, but he will be able to go to his headquarters in Hamilton to the farthest part of his territory in two or three hours, while to cover this Northern district in the same way two or three days would be more like the time required. When it is remembered that Dr. George's territory in this district extended from North Bay to James Bay and from the Quebec boundary to Hearst, as well as including the immense area west and east of North Bay, the arduous duties involved will be apparent.

The transfer of Dr. George to Hamilton is in the nature of a promotion so hosts of friends all through the North will be pleased at this evidence of appreciation for the good work of Dr. George. There will, however, be general regret at the removal from the territory of a man who has done so much for the advantage of the public health. In Timmins Dr. George has many friends who will miss his frequent visits here.

Dr. W. Egerton George was born in Burlington, Ont., and thus his new headquarters will be near his old-time home. He graduated from the University of Toronto and in 1906 came to Northern Ontario, practising in Halleybury for six years. In 1912 he returned to Toronto University to take a special five months' course in public health. The same year he took an even more important step, marrying Miss Maema E. Huntington, of Halleybury. One day before his marriage he was notified that he had been appointed district medical health officer for this large district, the largest in the province.

Dr. George is well known and very popular in Timmins and district and indeed is esteemed all through the North. There will be general regret at the transfer of Dr. George, but best wishes to him in his new sphere. Dr. George made his headquarters at North Bay and there he will be particularly missed, as he has taken an active and helpful interest and part in civic activities and community welfare being a prominent member of the North Bay Rotary Club, Trinity United Church and other organizations. He has always stood particularly high in his profession and as a man he enjoys wide popularity because of his geniality and friendliness.

Dr. Murray Thompson, of Toronto, has been appointed medical officer of health for this Northern district, to succeed Dr. George. In a few days Dr. George will return to North Bay and spend a couple of weeks with Dr. Thompson to assist the latter in familiarizing himself with the duties of the provincial medical officer of health for this wide district.

Hopes New Road be Extended to Abitibi

Hon. J. E. Perreault Says it is Necessary that the North be Linked with the Heart of the Province.

Opening of the "Cure Labelle boulevard" which connects the island of Montreal to the Laurentian highway at Ste. Rose and celebration of the 100th anniversary of the birth of the late Monsignor Francois Xavier Antoine Labelle, better known as Cure Labelle, famous for his colonization work in northern Quebec, coincided at Ste. Rose Quebec, over the week-end.

The highway was officially opened Monday by Hon. J. E. Perreault, Quebec Minister of Roads. The Minister stressed the importance of roads in connection with sound colonization work.

Almost New Province "Cure Labelle wanted colonists to settle beyond Mont Laurier," Mr. Perreault said, "on the plains which lie over the mountains." In the last 15 years, we have gone ahead and created almost a new province beyond the Laurentians.

"Cure Labelle wanted to halt emigration of our people to the United States. He wanted our people to keep close to the soil so that we might retain our national soul, our Catholic and French pride. What was true in those days is true now. We must deplore the exodus of our people to the United States and also to the big cities of Canada. In Montreal alone resides more than one third of the population of Quebec and that is not a true balance between rural and urban population. We need farmers.

"We opened up Abitibi and have founded 30 parishes there, but there is still room for 300 or 400 more parishes. There is a road which links Abitibi and Temiskaming. And I dream, as did Cure Labelle, that this road we are opening today will be extended before long to Abitibi. It is essential that the north country be linked with the heart of the province, which means Montreal.

Wants Trade in Quebec "Think of the situation as it is at present. These people 250 miles away from the centre of the province are doing all their business in Toronto (due to better rail and road connections). I do not dislike Toronto. On the contrary I am happy they are getting the business, but I will be still more happy when this commerce flows down to Montreal and Quebec."

Celebration of the centenary of the birth of Cure Labelle began Sunday with celebration of a pontifical high mass by Mgr. Arthur Beliveau, Bishop of Joliette. A commemorative tablet on the house where the famous priest was born—the home of his father, the village blacksmith—was later unveiled.

Timmins Branch, Canadian Legion B. E. S. L. AN OPEN LETTER TO THE CITIZENS OF THE PORCUPINE Fellow Citizens of the Porcupine: With the near arrival of our Annual Poppy Day, Friday and Saturday, November 10th and 11th, the Timmins Branch of the Canadian Legion of the British Empire Service League wish to bring to the notice of the general public the following facts: Since its formation in the Porcupine the branch has maintained a Relief Fund of its own to assist in helping out returned men and their families in time of need. Up until the inception of the Timmins Relief Committee its calls were many and figures available for the past two years from March 30th, 1931 to April 1st, 1932, show that \$1,900 was expended in this work, and from April 2nd, 1932 to March 30th, 1933, the sum was \$1,654.00. It can be shown also that the amount expended was to genuine distress cases only. On Poppy Day 1932 the public gave the fund a total of \$404.08. Other generous men in the district sent in various amounts to the extent of approximately \$150.00. This left over \$1,000 to be raised by branch activities. The Week of Wonders, 1932, Conklin Shows, 1933 and other attractions netted fairly good returns, and the fund was able to carry on. Owing to the Week of Wonders, 1933, not being near the financial success as formerly the Legion Relief Fund is in a position whereby it may be impossible to meet the calls which it necessarily receives at this time of the year. These calls include fuel, clothing, etc. The Timmins Branch therefore ask all citizens, men, women and children, to help by wearing a Poppy on November 10th and 11th. In asking this of you the Legion does so with a three-fold purpose: 1st. The wearers show that they are not forgetting the sacrifices made by those who served that they may now enjoy world peace. 2nd. The Poppies sold are made in the Veterans Shops, and are distributed by the Canadian Legion. Only 280 men are employed at present. It is the aim of the Canadian Legion that the demand will cause over 1,000 men to be employed making Poppies next year. 3rd. The profits of Poppy Day go to augment the local Legion Relief Fund. We have stated the facts, now all we ask is for you to BUY AND WEAR A POPPY ON POPPY DAY. --TIMMINS POPPY DAY COMMITTEE
