First Indoor Band Concert on Sunday

Timmins Citizens' Band Opening its Series of Concerts in the Goldfields Theatre on Sunday Evening, with Special Programme

The first indoor band concert of the season by the Timmins Citizens' Band will be given on Sunday evening, Nov. 12th, in the Goldfields theatre after the church services. The Timmins Citizens' Band, under the capable leadership of Bandmaster F. J. Wolno, has recently achieved a high efficiency and is winning general popularity. On Sunday evening they will present a varied and attractive programme of band music and in addition there will be vocal and instrumental numbers by talented local artists.

By special request the band on Sunday night will repeat the "Hallelujah Chorus" as one of the numbers on the programme. A lover of good music who heard the band's fine presentation of this selection at the band stand during the past summer has asked that the number be given on Sunday evening. In this connection it may be said that Bandmaster Wolno is anxious to please any of the lovers of good band music in this way and will appreciate any requests for the presentation of any special numbers by the band. Anyone who has a favourite number should ask Bandmaster Wolno to give this at any specified band concert, and the request will be acceded to if this is at all possible. The Timmins Citizens' Band hopes to present a band concert at the Goldfields theatre every second Sunday during the winter season. If these events prove as popular as in past years, the first of the series will be on Sunday evening, Nov. 12th.

Several Motor Car Accidents Recently

Serious Injuries to Young Lady in Accident at Schumacher. Cars Badly Damaged on Hollinger Hill. Mix-up Near Empire Hotel.

During the past week there have been a number of motor car accidents, most of them due to the slippery condition of the roads through weather conditions. Fortunately, most of the accidents were of minor kind with no one hurt and little damage done. Some of them were not of even sufficient importance to report to the police. All of them, however, suggest the need for the greatest care in driving, especially when road conditions are bad, and all of them also indicate the danger in any approach to speeding.

One of the serious accidents was that at Schumacher on Monday night shortly after ten o'clock when a car skidded just after going over the railway crossing at the entrance to Schumacher. The car went into the ditch, turning completely over. In this accident Miss Olive Hawse, who was a passenger in the car, was seriously injured.

The other accident that did the most damage to the cars concerned was the one that occurred on the Hollinger hill in front of the mine office about four o'clock on Tuesday of this week. In trying to avoid hitting a car in front of him that stopped unexpectedly, Leo Belanger applied his brakes and had his car skid to the wrong side of the road, hitting a car driven by Mr. Dillon, of South Porcupine. Both cars were badly damaged by this collision. Mr. Belanger's car had its right fender smashed, axle broken, wheel damaged, headlight put out of commission, the windshield knocked in and other damage. By odd coincidence practically the same damage was done to Mr. Dillon's car, except that the windshield on the South Porcupine car escaped damage.

For a regular mix-up of cars the accident on Spruce street, opposite the Empire hotel, was probably the leader. Russell Hall was driving his car on Spruce street. Felix Roy's car was right behind and skidded into Hall's car, the two cars being locked together as a result of the collision. C.A.S. Supt. A. G. Carson, who is an expert in getting people out of "jams," was behind the two locked cars and his car also skidded crashing into Roy's car with enough force to jar the locked cars apart. Then the three cars skidded to the bottom of the incline, but with no further damage done. Town employees later put sand on the roadway at this point to avoid danger of similar accidents. Hall's car had its left rear fender bent, door hinge broken and some scratches. Roy's car had the bumper broken off at the bolts, with some scratches on the fender. Carson's car had the front fender bent.

One new member, Harvey Graham, was accepted by the club.

The Kiwanis bridge tournament is now on.

Wm. E. Traynor, of Buffalo, N.Y., was a Timmins visitor this week.

The death took place on Saturday last of Mrs. P. Shinehoft, Cedar street, north, after an illness of about five months. Death was due to diabetes. The late Mrs. Shinehoft had lived in Timmins for some thirteen years past, her husband conducting a bakery on Cedar street, north, and during her residence in town she had made wide circles of friends who will deeply regret her death. In addition to the bereaved husband, four children survive. They are:—Manley Shinehoft, Mrs. R. Nednick, Max Shinehoft and Miss Esther Shinehoft.

Popular Young Lady Injured in Accident

Car Skids on Incline Past Railway Crossing at Schumacher and Crashes into Ditch. Miss Olive Hawse Badly Hurt.

On Monday evening of this week about ten o'clock a motor car accident with serious results occurred at this side of the railway crossing at the eastern entrance to Schumacher. Geo. Dike was returning from South Porcupine where he had taken two young ladies for a drive when the car skidded in going down the incline, crashing into the ditch and turning completely over. The young man and the two young ladies were able to get out of the car and were driven by a passing motorist to the St. Mary's hospital. At first they appeared to have escaped any injury at all in the accident, but later in the evening it was found that Miss Olive Hawse, who is a nurse-in-training at St. Mary's hospital was suffering from a fracture of the skull. She had been able to walk into the hospital and at first said she was all right, believing no doubt that any ill-effects she felt were due only to the shock of the accident. Later in the evening, however, she was found to be ill and received very prompt attention and care. It was found that she had sustained a fracture of the skull, and for a time she was seriously ill. This morning, however, her condition is reported as favourable, being much improved from previous days.

Miss Olive Hawse is one of the popular young ladies of the town. She was a brilliant student at the Timmins High School and since joining the nurses-in-training at St. Mary's hospital has been equally capable and winning additional friends. There will be very general hope for her early and complete recovery.

At the time of the accident those who saw the accident say that the car was travelling at a moderate speed and that the mishap was due solely to the slippery condition of the road, the car skidding on the icy road and plunging into the ditch, striking a telephone pole and turning completely over. Miss Hawse was the only one of three injured, the other two escaping without even a scratch.

Woman's Eye Torn Out by Cow's Horn Near Matheson

A very unusual and regrettable accident happened to Mrs. H. Peart, of Alert, near Matheson, last week. She was standing at the side of a cow while it was feeding and the animal suddenly flung up its head, the horn of the cow striking Mrs. Peart in the eye and tearing the eye from its socket. Mrs. Peart was taken to the hospital at Matheson for treatment. She is making as good progress to recovery as can be expected.

Friday's Wrestling Card was Good One

Crowd was Small, But Bouts Roused Much Interest and Enthusiasm. Blindfold Boxing Also Enjoyed.

About 250 people saw Jack Milo's wrestlers in action last Friday night at the Ukrainian hall. The small crowd was very well pleased with the evening's entertainment and have the idea that the string of wrestlers that Jack brought up this time has the last bunch beat by a mile as far as action goes.

The night started off with a battle royal between five local lads, all blindfolded. When the time limit was up, Cops and Doucet were declared the winners.

The next was a wrestling match between Jim King, of North Bay, and Young Zbysko, nephew of the great Zbysko of New York. Jim King had no trouble winning with two straight falls.

Carl Dumler, the "Russian Lion," of Winnipeg, did away with Albert Lepic, local boy, in the second fixture. Pete Matzopolis, world's welterweight Army champion, held Charlie Joliet, French wonder of Montreal, to a draw in the final. It was a one-hour time limit and it went the full hour without a fall. Joliet proved to be another Pavich and was frequently enraged when booed by the crowd.

Bush Men on Strike in Kapuskasing Area

About Six Hundred Men Stop Work Claiming Conditions Bad and Pay Inadequate. Agitators Busy.

Last week about six hundred men went on strike among the bush workers in the Kapuskasing area. Agitators have been busy at the camps for some time, literature in several languages being distributed more or less regularly. While the work of the agitators is blamed for much of the trouble, there is also belief in the minds of many that conditions in the camps could have been improved. Complaints have been made about the food which is said to be inferior to that of the Abitibi camps, where, however, more is charged for board. Also bush conditions are said to be such that the men are not able to make a reasonable wage despite the fact that the prices offered seem better than given elsewhere. After going on strike the most of the men moved to "Little Canada," near Kapuskasing, where a soup kitchen was opened and other plans made to cope with the situation. There are said to be 300 men at "Little Canada." The agitators have drawn up a list of "demands" as to wages and conditions, and these have been distributed through the district. Up to the present there has been no disorder, though reports have been circulated that bridges were to be blown up and roads destroyed. No disorder of any kind, however, has developed yet. Provincial police from other parts of the district have been hurried to Kapuskasing to see that order is kept. The general feeling in the North is that the Government should investigate conditions and bring pressure to bear to improve camp conditions and rates of pay if necessary, and otherwise to curb the agitators.

Claimed Mask in Pocket Since Hallowe'en Night

On Saturday evening, Nov. 4th, the residence at 75 Maple street, south, was entered by the use of a pass key on the front door. The house was hurriedly ransacked, money apparently being sought. The thief secured some \$4.00 in cash left in a pair of trousers. This robbery seemed to have taken place about half-past nine and shortly afterwards a residence at 115 Maple street, north, was similarly visited, entry being again made by the use of a skeleton key. A wrist watch, a ring and a small amount of cash were secured in this case. The police were notified of the two petty robberies and at once got busy though there were no clues left. Eventually the police picked up a young man who has been in trouble before on account of his doubtful attitude towards the property of others. He was out late on street and did not give a very plausible account of himself when first questioned. On being searched at the police station it was found that a handkerchief he had in his pocket was fitted for use as a mask, with the necessary holes to serve for eyes and mouth. The young fellow explained the possession of this improvised mask by saying that he made it for Hallowe'en use and had simply left it in his pocket since then. After being held for a short time he was allowed his liberty, the police carrying on further investigations in the meantime.

Notable Boxing Bouts Next Wednesday at Skating Rink

Big Event Nov. 15th Under Kiwanis Club Auspices. Tommy Bland, Canadian Lightweight Champion to Meet Kid Lando, Olympic Champion in Ten-Round Feature. This Should be Good. Other Good Numbers. Proceeds for Kiwanis Milk Fund and Other Activities for Underprivileged Children.

One of the best boxing programmes presented to the public of Timmins and district will be given in the Timmins skating rink on Wednesday evening next, Nov. 15th, commencing at 8.15 p.m. sharp. Doors will open at 7 o'clock to give the crowd chance for a good place. The event is under the auspices of the Timmins Kiwanis Club and the proceeds will be devoted to the supplying of milk to children and to other activities of the Kiwanis for underprivileged children.

While the cause alone is worthy of a full house, the programme itself should attract all the fight fans in town and district. There is a general feeling that it promises to be the best yet. Frank Gray, promoter, has given his best to arranging a specially good card, and as he has always pleased the public with his programmes there is no chance of disappointment in this case. The headliner is a ten-round bout

between Tommy Bland, Canadian lightweight champion, and Kid Lando, 1928 Olympic champion. Both these jads are top-notchers, well-matched, and it should be a bout to be long remembered.

Denny Mahoney, of Kirkland Lake, vs. Battling Bush, of Queen's University Kingston, is another number on the card that should provide the fans with lots of thrills.

A five-round bout between Jackie O'Shea, and Spike McCaw, is a third special that will please the boxing fans.

In addition there will be other good preliminaries and the whole programme for the evening should be the kind that will delight the fans. No boxing enthusiast or anyone else liking lively sport should miss the event at the skating rink on Wednesday next, Nov. 15th. Plans of seats at Moisey and Ball's. Tickets are now on sale and are selling well.

Early Morning Fire at No. 5 Kirby Ave.

Threatening Blaze This Morning in Section Where Fire Would Do Much Damage. Other Fires During the Past Week.

At 2.10 this morning there was an alarm from Box 61 for a fire at No. 5 Kirby avenue. The fire had much headway before it was discovered and there being many buildings in the locality that are far from fireproof the blaze could easily have developed into a serious affair. The prompt response and the good work of the fire brigade, however, avoided serious danger. The building was at No. 5 Kirby avenue, owned by W. Lenchuk. The fire started in a building used as a store room for Lenchuk's store. The cause of the fire could not be discovered. The fire gutted the building in which it started and caught on the building on the west side but was extinguished before doing serious damage there. There was considerable loss to stock. Both building and stock were covered by insurance.

The other fire calls during the past week included:—Nov. 4th, 12.10 noon, telephone call to brewery warehouse, fire caused from stove in part of building where bottles are taken in. Damage about \$50.00. Extinguished by big chemical tank.

Armistice Night at Golden Beaver Lodge

Annual Event at Local Masonic Lodge Proved Very Interesting and Pleasing. Dinner Served by Ladies of the Eastern Star.

Last night (Wednesday) was "Armistice Night" at Golden Beaver Lodge, A. F. & A. M., Timmins. Dinner was served downstairs by the ladies of the Eastern Star who provided a most delicious turkey dinner with all the trimmings. To say that the menu and service pleased all is to state the case very mildly. About 200 sat down at the call of the "Cook House." Timmins Citizens' Band provided plenty of pleasing music for the occasion, while war-time songs were sung during the progress of the dinner to the strains of the music by the band.

After dinner had been enjoyed, all the brethren adjourned upstairs where the work of the lodge was put on, all the chairs of the regular officers being occupied for the evening by returned soldiers.

After the work of the lodge Wor. Bro. Wright was called upon for an address and responded in appropriate and interesting way. In brief, he told the brethren what happened around and about him at the signing of the armistice.

Bro. Boyce, of Schumacher, was then called upon for an address, and he and a very happy and impressive response. He gave the humorous side of the war, as well as referring to some of the sad features of the contest. His address was greatly appreciated. In concluding his address, Bro. Boyce asked all to stand with bowed heads in remembrance of those who had gone beyond, while the "Last Post" and "Reveille" were sounded by Bro. F. J. Wolno.

The various "chairs" were decorated with flags of the Allied Nations, including a naval ensign that had gone through the battle of Jutland.
