Turkey Stag Plans Toy for Every Child

Famous Annual Event Offers Ladies and Others a Chance to Help Christmas Joy for the Children of the District.

As will be noted by the full page advertisement elsewhere in this issue the Eleventh Annual Charity Turkey Stag Party has a plan whereby it is hoped that in addition to the food and clothing distributed here at Christmas time, every child in the whole district will be assured of toys for Christmas. The arrangement made by the Turkey Stag with the Buckingham Tobacco Co. will assure toys for many, and the new plan is to secure enough more toys so that no children need go without this joy, the lack of which makes Christmas incomplete. The idea is to send toys to all families to whom hampers are sent. With the co-operation of others interested the Turkey Stag will be able to avoid duplication and at the same time see that no child is missed.

The idea brought forward by Manager "Lap" Laprairie is to the effect that the ladies who cannot attend the Stag party and any men who for one reason or another may not find it possible to be present be given a chance to help gladden the hearts of the children by contributing to the supplying of toys. To this end the co-operation of the following leading merchants has been secured:—Chas. Pierce & Sons, Geo. Taylor Hardware, Marshall-Ecclestone Ltd., Porcupine Hardware Ltd. (South Porcupine) and Schumacher Hardware (Schumacher). The plan is for any not able to attend the Stag and thus contributing to the work to give Christmas joy in the district, to go to any of the six stores noted above and purchase one or more toys, the merchant wrapping each toy separately and marking it for boy or girl, or either, and the merchant delivering it on Dec. 18th to the Charity Stag. Any presents so purchased will be acknowledged in The Advance, with the name of the donor given or a non-de plume used if desired. The toys will be delivered to the homes of the poor families along with the Turkey Stag Christmas hampers.

Last year the Turkey Stag distributed 36,000 pounds of food to 312 families in the town and district. Complete outfits of clothing were also given to 106 children. As the advertisement points out a total of \$3,087.44 was expended last year for charity through the proceeds of the Charity Turkey Stag. The ladies and some men unable to attend the Stag, but wishing to help along the work, may do so by following out the new plan—buying one or more toys from the merchants listed so that every child on the Charity Stag's big list may have all the joys of Christmas. In buying toys on this plan it would be well to see that they are not too bulky.

It may be noted that the tickets for the Stag are selling unusually well. Also that the Buckingham packages are being deposited in the boxes in pleasing way. The Buckingham people are to supply toys in proportion to the number of wrappers from their cigarettes and tobacco. There are boxes at various business places in town to receive these wrappers for the Turkey Stag.

Hallowe'en Party at the Y. P. S. on Thursday Last

A Hallowe'en party would not be complete without surprises and thrills, and in this respect the annual Hallowe'en social of the United Church Young People's Society held on Thursday last was complete.

Those who successfully navigated the dark and turbulent passages at the entrance gained admittance to the "witch's cave", where the contests, games, and singing were. And were there thrills? Pumpkin pie to complete the feast! And a ghost story to end the fun! Oh! that ghastly story! Horrors! And, oh, that ending!

New Liskeard Rugby Team Appreciates Timmins Spirit

Last week the Timmins High School Rugby team received the following pleasing letter from New Liskeard:—

New Liskeard, Ont., Nov. 2, 1933
Timmins High School Rugby Team, Timmins, Ontario.

Dear Sir:—On behalf of the rugby team of New Liskeard High School I wish to thank you for your kindness and genial hospitality during our recent sojourn in Timmins.

We would like to congratulate you on your good sportsmanship. We can certainly appreciate it for we have not played a game this year in which decisions were accepted with such a fine spirit. We were pleased with your referee, Mr. McKelvie.

All concerned have expressed their pleasure in the trip, the game and the lodgings. We enjoyed your thoughtfulness in arranging the party afterwards as much as we enjoyed the party.

We came away with the impression that in Timmins were the best sports in the North and we shall keep this thought. If it ever happens that you come to Liskeard we shall try to make your visit pleasant.

Thanking you again for all your kindnesses, I remain,
Yours truly,
ARTHUR BINKLEY,
Secretary-treasurer, N.L.H.S. Rugby team.

Aaron Parcher Died at Cobalt on Wednesday

Aaron Parcher, one of the most popular and highly regarded residents of the North, and for several years chief of police at Cobalt, passed away on Wednesday morning of this week at Cobalt. He was 74 years of age. He had been in poor health for about a year past but was only really ill for a couple of weeks before he succumbed. Death was due to heart trouble.

The late Aaron Parcher was widely known in the North and had had hosts of friends wherever known. As chief of police at Cobalt he was noted for his fairness and his kindly good nature beneath a severity sometimes assumed.

In addition to the bereaved widow several children survive and to these the sympathy of all will be extended in their loss. Mrs. Alex Craik, of Timmins, is a daughter of the late Mr. Parcher. Wm. Parcher, formerly on the Timmins police force, is a nephew of the late Aaron Parcher.

Born—Sunday, November 5th, 1933, to Mr. and Mrs. J. Pezalla, 112 Second avenue—a daughter.

There was an unusually large attendance at the anniversary services in Trinity United Church on Sunday, and the minister, Rev. M. Tait, gave a very impressive sermon, taking for his text the apostle Paul's voyage to Rome, taking the dangerous, voyage and comparing it to the uncertain conditions of the present day. Mrs. Roberts sang very sweetly, "Queen of Angels" and two anthems by the choir brought to a close another very successful year for Trinity United Church.

Mr. J. R. Todd returned last week from an extended visit to Toronto.

Mr. P. A. Cameron spent a few days last week visiting at his home in town. A pretty wedding took place on Sunday at the Church of the Nativity by Father O'Gorman, when Kathleen Jarycka was married to William Wasylchuk. The bride wore a gown of shell pink satin, made on slender lines, with small folds of satin from the waist to the knees, long sleeves and large cape collar, and wore a bridal veil of silk net of pale pink, also white gloves, shoes and hose, and carried a bouquet of pink roses, lily-of-the-valley and maiden hair fern. The bride was attended by Miss Josephine Sopic. After the ceremony a reception was held at 122 Third avenue, friends of the bride, Mr. and Mrs. Wasylchuk will reside in Schumacher.

Mr. J. G. Harris, who is still confined to her bed from a recent motor accident, is progressing nicely and expects to be around again in about ten days.

The Young People's Society entertained the Young People's Society, of Timmins, to a social evening on Tuesday. A very pleasant time was spent by all.

Abusive Language Proved Expensive

Cost One Man \$68.50 This Week. Another Man Committed for Trial On Assault Charge. Other Police Court Cases.

There is a saying that "talk is cheap," but this apparently does not apply to abusive talk. At police court on Tuesday a man who used abusive language on street was fined \$50.00 and costs, a total of \$68.50. There would have to be a lot of relief to the feelings in abusive language to be worth that much. The fine was imposed on a Lake Shore road resident under a charge laid under a town by-law prohibiting the use of abusive language and other forms of rowdiness on street.

Ben Cossette, of Mountjoy township, was committed for trial before a judge and jury on a charge of assault. He is charged with striking Allen Macleod with a bottle, breaking the latter's nose and cutting him on the face and head. It is said that MacLeod will be disfigured for life as a result of the use of the bottle in this way. The trouble is stated to have occurred at a barn dance in the country.

Albert and Joseph Deraspe and Pat and Frank Brousseau were charged with stealing a quantity of goods of varied kinds from Kideckel's warehouse at the corner of Wilson avenue and Wilcox street. The goods taken ranged from a single bed to soap, and from old clothes to black beans. At police court the four accused asked to be tried by a judge and jury, and after hearing some of the evidence the magistrate decided to commit them for trial. In the meantime, however, the accused men found that they did not realize what they were asking when they elected to go before a judge, and they asked Magistrate Atkinson to be allowed to change their plea and be tried by him in the ordinary way. The Crown Attorney agreed to the change of plea and Magistrate Atkinson remanded the accused men until next week. The robbery took place Tuesday evening or Wednesday morning of last week and despite the fact that there seemed to be no clues, the town police had recovered practically all of the stolen goods and laid charges against the accused men within a few hours.

Mike Hautu or Luoma, 21 First avenue, was before the court on the charge of permitting drunkenness on premises occupied by him. The police visited his place and found several intoxicated persons but not enough evidence to lay any other charge against him. He was fined \$100.00 and costs, or three months. It appears as if he would take the three months.

Another man, Chas. Aistrop, 1 Balsam street, was also asked for \$100.00 and costs or three months for illegally having liquor. He too appears to prefer the three months.

Omar Decaire, 1 Birch street north, upstairs, was charged with illegally having liquor. It cost him \$100.00 and costs, because he paid forthwith.

A Mountjoy assault charge was dismissed and another assault charge withdrawn.

Peter Powers, who was arrested last week after his car had struck a taxi and also a parked car on Wilson avenue, all three cars being badly damaged, was found guilty of being drunk in charge of a car and sentenced to ten days at Haileybury.

Mike Nicolichuk, whose address was given as 211 Maple street north, was charged with vagrancy. He had been found posting bills on telephone or power poles late at night and could not give a satisfactory explanation of his actions. He was allowed out on his own bail but failed to appear on Tuesday for the trial. The case was remanded for a week.

One man was fined \$10.00 and costs for speeding.

Two car drivers were in court for making unnecessary and objectionable noise on street on Sunday last. They were part of a wedding party and without thinking about others had persisted in blowing their horns all over the place. They were sorry in court for creating a nuisance, and the magistrate adjourned the case until called on. Other wedding parties might well note this case, as disturbance is frequently created by this style of noisy wedding.

There was one solitary common drunk charge before the court. The fine was the usual \$10.00 and costs.

With a view to helping the Poppy Day fund the entertainment committee of the Timmins branch, Canadian Legion, decided that Armistice Day should have a fitting climax. The Hollinger Recreation hall was secured and plans laid for a real old-time Armistice dance. So that the dancers can have a good evening it is stated on the window cards that doors will be open at 8.00 p.m. and dancing commenced at 9 p.m., followed by 3-hours of fast and furious fun. All attending will receive a novelty noisemaker, and a paper hat. At a given time these will be let loose and with hundreds of streamers, etc., to add to the fun, all attending are assured of a big night. Those in attendance at the Legion Hallowe'en Frolic spoke so highly of the music of Stephens' Snappy Syncopators, that the committee immediately secured their services for this event.

Everyone will also be given a poppy upon entering.

It looks like a big Saturday night and the Legion is looking forward to turning over a good balance to the Poppy Day fund. As a last reminder—dancing starts at 9 p.m. and will quit sharp at 12 midnight, but with enough pep packed in the three hours to last a lifetime and it's at the Hollinger hall on Armistice Night.

Messrs Dwan Kester, Dr. G. F. Mitchell and Jack White are deer hunting in the Callenlar district, just below North Bay.
