

## R. Richardson, Mayor for 1934 Twelve Running for Council

### R. Richardson, After Six Years' Service in Council, Elected Mayor by Acclamation. All Members of 1933 Council in the Field. Seven Others Qualify. Election on Monday Next. Committee Rooms Opened.

Elsewhere in this issue will be found a full list of the candidates nominated for mayor, council and public school trustees for 1934, together with the movers and seconders.

There were seven nominations for mayor and twenty-two for councillors, with six nominated for public school trustees.

When the time expired for the qualification of candidates, R. Richardson was the only one remaining for mayor and was accordingly declared elected by acclamation. There were twelve qualifying for councillors and four for public school trustees.

The candidates qualifying to run for council for 1934 are the following members of the 1933 council:—

- Dr. S. L. Honey.
- J. K. Massie.
- Geo. W. Parsons.
- J. Morrison.
- And seven others as follows:—
- D. H. Chateaufort.
- D. Larrarrie.
- Len Cousins.
- Alex Beis.
- J. P. Bartleman.
- Albert Paquette.
- Wm. Stewart.

For the public school board there were four candidates for three places open:—H. W. Hooker and I. E. Dunn, who have served on the school board for years; T. A. Skelly, an old-time resident of the town; and H. S. Bayne.

A committee room has been opened in the Dasher building (formerly the Dominion Dollar Stores) on Pine street south, by Dr. Honey, J. K. Massie, J. Morrison, Geo. W. Parsons and Len Cousins.

Another committee room for J. P. Bartleman has been opened opposite the Goldfields Hotel building on Pine street.

The Mayor-Elect  
R. Richardson, who was elected mayor for 1934 by acclamation, has

## Mayor-Elect Thanks Electors of Timmins

### R. Richardson, Mayor of Timmins for 1934, Expresses Appreciation for the Support Given Him by the Voters of Town.

Councillor R. Richardson, elected last week as mayor of Timmins for 1934 has given the following letter to The Advance for publication:—

To the citizens of Timmins:—

I wish to express my appreciation for your continued support in electing me to represent you on the Town Council for the past six years, which has resulted in my acclamation to the mayoralty for 1934.

I appreciate very much your faith in me and I will endeavour to demonstrate to all during the coming year that your confidence has not been misplaced.

I also wish to publicly state that I appreciate the sportsmanship of Dr. Lee Honey who withdrew in my favour after being nominated for the position.

I have, as stated above, served you in the capacity of councillor for six years and have acted in various capacities on all six committees. For this reason I felt I had won the right to a chance to serve as mayor.

While I have possibly made errors in judgment, yet I have tried to do my duty honestly and uprightly and will endeavour to carry on in the same way in the capacity of Chief Magistrate for 1934.

R. RICHARDSON,  
Mayor-elect.

## Road Should be Kept Open All Winter to Porcupine

So far this winter the Tisdale snow plough has kept the road open from South Porcupine to Porcupine to the benefit of the people of both communities. This has been possible through arrangement between Tisdale and Whitney townships. It is a splendid arrangement for all concerned so long as there is not too much snow falling. In case of severe storms, however, Porcupine can scarcely be other than out of luck. Tisdale has many roads on which the use of the snow plough is necessary. Naturally, Tisdale has to look after its own roads first. By the time that Porcupine could have the use of the snow plough in some cases, it would mean a difficult blockage of the road to Porcupine. A gentleman from Porcupine this week suggests that the Northern Development Department might well take over the keeping open of this strip of the highway between South Porcupine and Porcupine. It would not cost the department much as the Northern Development has the men and the equipment. It is worth the consideration of the Government, as the keeping open of this strip of road would be of decided advantage to a goodly number of people.

Born—At St. Mary's Hospital, Timmins, on Tuesday, November 28th, to Mr. and Mrs. W. H. Hansen, 68 Tamarack street—a daughter, (Betty Ann).

## COMMENCEMENT EXERCISES AT HIGH SCHOOL TO-NIGHT

The annual commencement exercises of the Timmins High and Vocational School will be held this (Thursday) evening in the High School auditorium. The programme for the evening will be an interesting one, a special feature being an address by W. J. Dunlop, director of the Dept. of University Extension Work of the University of Toronto.

## Timmins Kiwanis at Tenth Anniversary

### Event in Charge of Past Presidents. Tin Plates, Tin Cups, Tin Horns, for the "Tenth" Says Irishman A Pleasant Occasion

On Monday the regular weekly luncheon of the Timmins Kiwanis Club took the form of an observance of the tenth anniversary of the establishment of the Kiwanis in Timmins. The day was in charge of the Past Presidents of the club. Past President R. Dye was in the chair and carried proceedings through in his usual happy and efficient way. The speakers for the day were Past President Lee Honey, who reviewed the history of Kiwanis in Timmins in graphic way, and Past President Robt. Dye who touched on the work of the Kiwanis Club since 1923. Looking back on the record of things accomplished by the club, he felt that all would agree that it had all been well worth while. He emphasized the friendships developed, the spirit of co-operation and understanding, that all would have lain dormant without the inspiring force of Kiwanis. To the members of the club and to the community alike the Kiwanis had been a benefit and advantage, he believed.

The dining hall was duly decorated for the occasion. There was the traditional birthday cake with ten candles. There was tin plates, tin cups, tin horns. An Irish member explained the tin by pointing out seriously that it was the "tenth" anniversary. About the tin horns, there was a rumour that anyone blowing the horn at his place, or at any other place before the direct signal was given would be fined. Accordingly, all the Scotsmen from both Aberdeen and Jerusalem steadfastly forbore blowing the horns. They were proven right. Soon announcement was made that all who had blown their horns would be fined 10 cents each. Those who had not blown their horns had to pay a fine of 25 cents each.

Past President W. Rin introduced the speakers for the day and did it just right. Jack Walker and Rev. Bruce Millar led the singing. There was lots of happy community singing, all the old favourites being enjoyed in honour of the "Tenth."

Percy Moisey reported on the bridge tournament which is to end this week. There was a report given by Karl Eyre on the Kiwanis Milk Fund boxing tournament held recently. Only a small amount was netted for the fund but otherwise the event was successful and pleasing.

President-elect Vince Woodbury, who left this week for Austin, Texas, for a visit was given a great send-off by the club members, being showered with good wishes for a pleasant holiday.

The visitor for the day was F. M. McConnell, of Welland.

## ANOTHER LEGION SMOKER ON MONDAY NIGHT, DEC. 4TH

Timmins branch of the Canadian Legion will hold another of their happy smokers in the Oddfellows' hall on Monday evening next, Dec. 4th. There will be a pleasing programme for the occasion, with variety in everything but the excellence of the different items. All members of the Legion are urged to attend and enjoy the evening.

## TWO PETTY ROBBERIES REPORTED TO THE POLICE

During the past week a couple of robberies have been reported to the police. One was at 5 Birch street, north, where a silver-plated razor, an alarm clock and a wrist watch were stolen in the late evening or early morning of Nov. 21st. Another day last week the robbery of a shed at the rear of 104 Birch street, north, robbers succeeded in getting away with a quantity of clothes, sporting equipment and other valuables.

## Ambulance Figures in Auto Crash Tuesday

On Tuesday about 6:45 p.m. there was an accident on the Hollinger road in which the mine ambulance was damaged. The ambulance usually figures in auto accidents after they occur, rather than at the time they happen. In the case referred to the ambulance was struck by another car and some damage done. The ambulance was coming into the town when a Schumacher car returning to the neighbouring town tried to pass a car on the road and crashed into the ambulance. The ambulance had its left rear fender damaged while the Schumacher car sustained a little damage to the left fender and the running board.

## Two for Reeve and Sixteen in Tisdale Council Contest

### C. V. Gallagher and Mrs. Thomas Again Contesting Reeve. All 1933 Councillors in Field Again, with Fourteen Others on the Ballot. Electors in Tisdale have Wide Choice in Election.

There is an old-time municipal election battle on in the township of Tisdale. C. V. Gallagher, who for many years served the township as reeve and who is very deservedly popular in the township, will again contest the reeve-ship with Mrs. J. A. Thomas, who has been reeve for this year. The others nominated for the reeve-ship have withdrawn. Mr. Gallagher and Mrs. Thomas being the only two to qualify. A full list of the candidates nominated for both the reeve-ship and the council will be found on the first page of the second section of this issue.

For the four places on the township council there are no less than sixteen candidates. These include all the members of the present council.—A. H. Cooke, J. A. Hawkins, Capt. D. Jones and Dave Kerr. In addition to these there are twelve others as follows:—M. G. Clark, W. Fairhurst, J. G. Harris, Geo. Henderson, Chas. J. Hill, Harry Hoffman, Mike Holgevac, Sylvester Kennedy, John Kostylnyk, Fred La Forest, M. J. McCre and Wm. McInnis.

It isn't a figure of speech to say that the Tisdale township ballot for the election on Monday next, Dec. 4th, is a long one. As a matter of fact it is

nearly fifteen inches long. In the names on the list there are enough good men to make three or more first-class councils. The very number of the candidates, however, is more or less confusing. It would seem that the electors of Tisdale should sit down before election day and figure out in each case the four men considered the best and bearing the names of these in mind be ready to mark their ballots accordingly. Unless four names are thus selected and kept in mind it would seem that there is danger of confusion at the polls for the average voter with the probable tendency to vote for an extra man or two, thus spoiling the ballot. Although sixteen candidates are running for council in Tisdale, only four are to be elected and only four names may be given the voter's cross on the ballot.

With the interest evident throughout the township in the contest this year, old-time election battles in Tisdale will be recalled by many. The fact that campaign meetings are being held in connection with the election is also reminiscent of older days in Tisdale. A list of some of the meetings to be held will be found elsewhere in this issue.

## Sees Recovery

R. H. STEEL-MAITLAND  
Canada appears to be on the way to recovery; Britain is definitely on the road; and the tide has turned for the better in several European countries, Right Hon. Sir Arthur Steel-Maitland told a large audience in Toronto recently.

## Lady Attacked and Men Steal Purse

### Young Woman Puts up Battle with Two Thieves, but has Purse Snatched—Despite her Determination to Escape Being Robbed.

At about ten minutes to eight last night two men thieves were able to secure a purse containing a small amount of money. First they had to knock a woman down and use other force to make the theft of the purse possible. Miss Rena Lachance was the victim of the robbery, but she put up a good struggle before the robbers were able to get her purse. She was walking south on Maple street between Kirby and First avenue when two men jumped on her and threw her in the snow. They then snatched her purse and ran west on First avenue towards Mountjoy. Miss Lachance made her way to the nearest phone and secured the services of the police. The police made a thorough search of the whole locality but found few clues and were unable to locate the guilty men. It is thought that after the crime the two thieves went home or into the house of a friend. In any event the police have not yet given up the search for the thieves. Miss Lachance was not badly hurt. She is a young woman of considerable strength and purpose, and she put up a real battle before she was overcome. The purse was a black leather one with one compartment. It has the name of its owner on the inside. The purse contained a five-dollar bill, a pearl rosary worth about \$10, and a fountain pen worth \$8.00.

## District Organized For Midget Hockey

### South Porcupine, Ansonville and Monteith Enter Teams in Juvenile League. Look for a Successful Season.

F. E. Miller, of Iroquois Falls, was in the camp last week in connection with the organizing for midget hockey for the season in the district. There was a meeting at South Porcupine on Friday night and organization was completed. Al Kerr, of Iroquois Falls, as the president of the district midget hockey, and he has been empowered to attend to any disputes that may arise. The secretary of the league is to be appointed. The executive will include a representative from each club.

## Sir Arthur Currie Died This Morning

### General who Led the Canadian Troops to Victory, Dies at Victoria Hospital, Montreal, at Early Hour To-day.

A despatch over the F. O'Hearn & Co. private wire this morning says:—  
Montreal, Nov. 30.—General Sir Arthur Currie who led the Canadian corps to victory culminating with the entry in Mons on Armistice Day, 1918 died this morning at Royal Victoria Hospital. He fell to rally after suffering blockage of a small vessel on the mid-brain which caused him to be taken to hospital, November 7th. His early improvement was set back by pneumonia which developed Sunday. Death came at 2.57 a.m.

Miss Gabrielle Larcher, who was operated on last week at St. Mary's hospital for appendicitis, was sufficiently recovered this week to be removed to her home on Wednesday where she is making the best of progress to recovery.

## Captures Seat in B. C.

E. T. KENNY, M.P.P.  
Member-elect for the Skenna Riding of British Columbia. Mr. Kenny captured the seat in the recent Pacific Province general elections.

## SEVEN FIRE CALLS DURING WEEK; SIX FOR CHIMNEYS

There were seven fire calls during the week, or at the rate of one a day, though some days had none, to make up for Tuesday with three. All were for chimney fires, except one at 2.30 p.m. on Tuesday. This was a verbal call to 10 Cedar street, north, furnace pipes becoming disconnected and filling the building with smoke. No damage.

## Curling Club Ready Now for New Season

### Officers and Committees Announced for Timmins Curling Club for Season 1933-1934. W. Rinn President; J. M. Belanger, Secretary.

The Timmins Curling Club is now all set for the new season. The new ice-maker, Frank Peters, formerly of Halleybury, is recognized as one of the best ice-makers in the North. It is expected that the ice will be ready for curling this week, the earliest on record.

At a meeting last week of the directors, the following officers were appointed for the 1933-1934 season:—  
President—W. Rinn.  
Vice-president—A. E. Prout.  
Secretary-treasurer—J. M. Belanger.

The following are the several committees for the year, the first named in each case being chairman of the committee:—  
Ice Committee—A. E. Prout, chairman; Harvey Graham, J. W. Dougherty  
Match Committee—J. M. Belanger, chairman; A. J. Moran, J. Gray, T. Blackman, L. Pare, A. W. Pickering, S. Shankman.

House Committee—J. R. Walker, chairman; E. H. Hill, J. Ann, K. Fitzpatrick, O. Farnham, H. J. O'Neill.  
Property Committee—R. E. Dye, chairman; C. P. Ramsay, J. S. Brough, I. A. Solomon.

## District Organized For Midget Hockey

### South Porcupine, Ansonville and Monteith Enter Teams in Juvenile League. Look for a Successful Season.

F. E. Miller, of Iroquois Falls, was in the camp last week in connection with the organizing for midget hockey for the season in the district. There was a meeting at South Porcupine on Friday night and organization was completed. Al Kerr, of Iroquois Falls, as the president of the district midget hockey, and he has been empowered to attend to any disputes that may arise. The secretary of the league is to be appointed. The executive will include a representative from each club.

There are three teams entered in the midget hockey league. These three are Ansonville, Monteith and South Porcupine. Neil Lothian is managing the team at Monteith. The Ansonville team is under the management of F. E. Miller, and they have the good luck to have Tommy Czubinski, the well-known Iroquois Falls hockey player, as their coach. South Porcupine team is under the management of Chas. Edgecombe, with that clever hockey player, Carlo Cattarello, as coach.

The schedule has been drafted as follows:—  
Jan. 6th—South Porcupine at Iroquois Falls.  
Jan. 13th—Monteith at South Porcupine.  
Jan. 20th—Iroquois Falls at Monteith.  
Jan. 27th—South Porcupine at Monteith.  
Feb. 3rd—Iroquois Falls at South Porcupine.  
Feb. 10th—Monteith at Iroquois Falls.

The first two teams in these games are to play off for the cup to be given in the Juvenile league. The play-offs will be home-and-home games, with goals to count.  
In the games of the schedule and play-offs each team is to keep the home gate and to billet the visiting team.

## Improved Disposal Plant to be Operating in a Week or So

### Citizens May Not Realize the Value of This Work in Safeguarding Health, Says the Mayor. Will Accommodate Town of 25,000, Says Councillor Richardson. Other Matters of Interest at Meeting of Town Council on Monday Afternoon.

The regular meeting of the town council was held on Monday afternoon, with Mayor Geo. S. Drew in the chair and Councillors R. Richardson, Dr. Honey, J. K. Massie, Geo. W. Parsons, Mois Maltais and J. E. Morrison present.

A young man applied for a rebate of income tax in view of the fact that he was supporting his father, mother and brother and paying the bills of the house. He had documents to prove this, and the council authorized the writing off the tax as he was in the position of a householder or head of a family and so entitled to the exemption.

A gentleman who wanted to work on town work to pay his taxes and who had made the same request at the last two meetings of council was told again that it could not be. There were men waiting to get on town work to keep their families and the precedent suggested by the applicant could not be entertained. He was advised again to take work in the bush or elsewhere and rent his house, applying the rent on paying the taxes.

A lady who is running a little store to help keep her family of six children free to allow her to sell cigarettes and tobacco. Mayor Drew doubted if she could make any money out of this at the present season. He advised her to let the license matter rest until spring when the new licenses would be issued. In the meantime the police committee is to consider the suggestion that she be allowed to sell soft drinks. In regard to her request for further relief from the town she was advised to take the question up with the relief officer.

An old-time resident of Timmins who has been ill for some time and forced on relief as a consequence asked for help in paying his rent. He was able to work to some extent now and would like to get more relief work. He had

only had 21 days this year. "But you were too ill to work part of the year," commented the mayor. The rent matter is to be taken up by the relief committee. In reply to a question by Councillor Morrison the citizen said that the relief committee had recently provided clothes for the family.

A woman, who wanted her rent paid by the town as the landlord threatened to evict her otherwise, was advised to take the question up with the relief officer. She also said that she had received clothing for her children from the relief committee recently.

Authority was given for a rebate of taxes in favour of P. Carlin in a case where he had been assessed in error.

A motion was passed by the council for an agreement with a machinery company whereby the town could hire a new snow plough at the rate of \$650.00 per month, with the option of purchase at any time, the amount paid for rental to apply on the purchase price. The purchase price was set at \$7800.00. The deal for purchase could be closed at any time, or if the new council did not wish to purchase the plan could be dropped. The council considered the plan an excellent one.

A number of rebates on water rates were authorized where the water had not been used.

Routine accounts, payrolls, etc., were authorized for payment and other routine business dealt with.

Reference was made to the greatly increased work of the scavenger since the contract of 1929 was made. There had been no change in pay since then though the town had grown from 13,000 to 17,000 population. The mayor thought the scavenger should get more than he has been receiving for the work. It was decided to make him an extra allowance of \$100.00 per month, dating from Nov. 1st. At the beginning of the year contracts may be called (Continued on Page Eight)

## Band Selections on Sunday Pleased All

### Hawaiian Trio Made a Special Hit at Band Concert. Mouthorgan and Guitar Selection Another Favorite Number on Programme.

The band concert on Sunday evening in the Goldfields theatre after the church services was much enjoyed and appreciated. Bandmaster F. J. Wolno and his bandmen pleased all with the excellence of the presentation of the several band numbers given. These numbers included:—March, "National Emblem"; selection, "H.M.S. Pinafore"; selection, "Operatic Beauties"; concert waltz, "Queen of Erin"; selection, "British Beauties." Increased interest was given to the band numbers by the introduction given each selection by Bandmaster Wolno. The bandmaster's introduction of each selection gave something of its history and meaning and was a very interesting feature of the evening.

A big hit was made by the Hawaiian Trio, Messrs Hubert Cook, Pete Boychuk and Paul Laroux, whose guitar selections were very popular. They were insistently and enthusiastically encored and their music and talent were much appreciated. The instrumental duet, mouthorgan and guitar was another popular favourite and there was pronounced recall of these two from the trio.

Dr. S. Lee Honey, president of the band, presided for the evening with his usual genial efficiency.

## A. Dalpe Found Guilty at Court at Cochrane

Word from Cochrane this morning is to the effect that A. Dalpe, jeweler, committed for trial here some weeks ago on a charge of high grading, came before the court at Cochrane this week and was found guilty. Sentence was deferred until the conclusion of the court. Another case of interest in the camp, that of the three men charged with assaulting and robbing a Chinese cafe keeper at South Porcupine, is in progress now, but will not be concluded before tomorrow, other material witnesses not leaving the camp for Cochrane until to-day. This trial will likely be concluded to-morrow or Saturday.

## Cigar Store Robbed of \$248 Last Week

### Thief Gained Entrance by Way of Barber Shop Next Door and Thence to the Basement. Found Cash in Cigar Box in Cellar.

A robbery with some odd features took place on Friday morning some time between 2 o'clock and half-past nine when it was reported to the police. The thief, by the indications and by some of the clues left, first entered the Empire barber shop, going from the shop into the cellar. Taking a couple of boards out of the partition the thief was able to gain entrance to the store room under the Empire cigar store. In this store room the cash from the Empire Cigar Store had been hidden for safety, the money being in a cigar box placed inside a packing box. It was the intention to deposit the money in the bank in the morning, but if the money was thus deposited it was not by the cigar store, for the thief found the cigar box and departed with its contents. This made it not so bad a day's work as there was \$258.00 in the cigar box. Of this amount there was \$48.00 in nickels, while the balance was largely in \$1.00 and \$2.00 bills. As soon as the money was known to have been stolen the police were notified. A thorough investigation was made but clues were very few. The police, however, are carrying on enquiries and search in the hope of eventually landing the culprit. It is believed that the thief must have been someone very thoroughly informed as to the habits of the manager of the cigar store. The thief picked out the best night in the week for a robbery of this store, deposit being made at the bank each Saturday. The fact that entry to the store room in the basement was made the way it was suggested that the thief must have been well acquainted with the building and its occupants. Further, all the evidence seems to suggest that entry was gained to the barber shop by way of the front door, the culprit evidently have a key for this door.

## Timmins to Have Senior Team in the N.O.H.A. This Season

### Chas. Roach, President for Season of the Timmins Hockey Club, with Good Supporting Officers. Decision Made to Give the Public the Advantage of Senior Hockey Here This Season. Ted Bowles to be Coach.

Timmins is to have a Senior team entry in the N.O.H.A. this season! That is the decision reached by the committee appointed to enquire into the chances for hockey this season. And it is supported by the vast majority of the hockey fans, according to the findings of the Timmins Hockey Club.

At a recent meeting of the Timmins Hockey Club, a committee comprised of F. Finchen, Chas. Roach, F. Quesnell and Joe Eyeward was appointed to report on hockey and its chances in Timmins for this season. This committee reported back to a meeting of the Timmins Hockey Club held in the town hall on Friday evening last. The report was to the effect that Senior hockey was what was wanted and needed and that if a satisfactory arrangement could be made with the rink it could be carried on all right. The meeting on Friday evening was strong for Senior hockey and after the officers were elected for the year it was definitely decided to

have a Senior entry in the N.O.H.A. There is good talent in the hockey line in town and with good coaching it is expected to have a good team this season. The coach will be Ted Bowles, formerly of Montreal, who has a fine record in hockey. He is living now in Timmins and his services will be available as coach, without cost to the club, the new president, Chas. Roach, told the meeting.

The officers elected for the coming season by the Timmins Hockey Club were as follows:—  
President—Chas. Roach  
Vice-president—J. W. Dougherty  
Secretary-treasurer—F. Finchen  
Executive—A. Borland, Sr. Alex. B. Cadman, James Cowan, J. Matson and Fred Quesnell.

The new officers and executive are to make final arrangement with the rink and then the season is expected to start with the best prospects for good hockey for the coming winter.
