Church Anniversary at South Porcupine

Eighth Anniversary of St. Paul's Anglican Church, Sunday, Wedding at South Porcupine Last Sunday. Other News from South End and the Dome.

South Porcupine, Ont., Nov. 29th, 1933. Special to The Advance. St. Paul's Anglican Church is celebrating its eighth anniversary on Sunday next (Dec. 3rd). Special services will be held:— Holy Communion, at 8 a.m. Children's service at 10.30 a.m. Evening Prayer and sermon at 7 p.m., with Archdeacon Woodall officiating. Special music is to be rendered. There is a genuine feeling of regret among old-timers here at the rumour of another land mark being uprooted. We hear on good authority that the Recording Office is to be moved to Timmins at the new year. The Anglican Young People's Association spent a very pleasant evening last Friday at the home of Mrs. W. H. Johns, Dome Mines. Games were played and a very happy time spent by all members. Miss Bess Hendry returned on Sunday from a vacation spent in Toronto and Kirkland Lake. Miss Elva Wilkes is out of the Timmins hospital and is convalescing at the home of her aunt, Mrs. F. C. Evans. We are glad to report Miss Wilkes as being well on the way to health again. Born—On Nov. 25th at 60 Bruce avenue, South Porcupine, to Mr. and Mrs. James Byrtle Cunningham—a daughter. Born—To Mr. and Mrs. Genereux, at the Presbyterian hospital, this week—a daughter. Mr. and Mrs. Wm. Gagnon, formerly of South Porcupine, and recently of New Liskeard, have returned to South End to live. Mr. and Mrs. Ed. Ahr returned on Sunday. Mr. Ahr has been on a hunting trip and brought back a fine deer which fell to his gun. Mr. and Mrs. Steinberg are guests of Mr. and Mrs. Ahr, having accompanied them back. Married—At Connaught on November 8th, by Father Gellinas, Gabriel Racicot and Marie Bernard. A very pretty wedding took place at the R.C. church here on Sunday when Miss Annie Szczyanski became the bride of Ladimir Hrynuk (Capyk). The bridegroom is well known in the town, having been brought up here, and now occupying a position in the machine shop at the Dome. The bride looked lovely in a beautiful dress of

white satin with white veil and carried a bouquet of lilies-of-the-valley. The two bridesmaids were dressed in salmon pink and carried also bouquets of lilies. A reception was held late at the home of the young couple on Commercial avenue and numbers of friends were present. The new "Dry" at the Dome was visited by over six hundred people on Sunday at its official opening. Mrs. Ingram, of Utterson, is spending a holiday with her daughter, Mrs. McCaffrey, of the Dome Mines. A man came in from the Miracle Mine in Langley township on Monday, to be treated by a doctor for a badly cut knee; an axe was responsible. Mr. T. J. Wright left on Monday for Toronto. Mrs. J. Thomas is in Toronto this week-end attending a meeting concerning the creditors of the Triplex Mine. Mr. O'Rourke, of Tashota, is acting as mining recorder here. A number of firemen responded to a call on Sunday afternoon which turned out to be a chimney fire in the Leonard block, Golden avenue. This was promptly prevented from doing further damage. Mr. Stevenson, field engineer for Consolidated Smelters, returned on Friday with Mr. J. Spence from sampling at Triple Lake in MacArthur township. He is returning this week to examine further. Mr. Wm. Armour is back from Wau-bushene, arriving in town on Saturday. There were no cases for hearing at Tuesday's police court. Mrs. C. Cook of the Paymaster Mine, with her brothers, Messrs Martin and Gus Knutson, were called to Sherbrooke this week to attend the funeral of their brother, Victor Knutson, of that city. Mr. G. E. Banning, who has spent the last four years at Red Lake at the Howey Mine, has returned to the Paymaster as accountant. He reports that he left Red Lake on the first plane out after the freeze-up, this year having the shortest tie-up—thirteen days only, between open water and ice for planes taking off and landing. Miss B. Brinton has returned from Smooth Rock Falls where she was visiting her sister, Mrs. J. Brown. The bridge club met last week at the home of Mrs. F. LaForest. Mrs. Bassette and Mrs. Cahill carried off the honours. This week the club meets at the home of Miss S. Slotnick. Do not forget the euchre, bridge and dance, which is to be held on Friday in the Oddfellows' hall (see notice elsewhere on this page). A good time is assured to all. Schumacher Events During Past Week

Concert by United Church Choir. Death of Alex Corrigan, Formerly of Schumacher. Other Schumacher News. Schumacher, November the 29th, 1933. Special to The Advance. Maynard Raycroft who has spent the past year in Radisson, Saskatchewan, for his health, returned home last week looking much better for the rest and change. Messrs Jim Henry and Sam Shanks were called to their home in Perth owing to the illness of their father. Mr. and Mrs. Brownley, of Cochrane, arrived in town to take over the Ren-devous Tea Room, formerly run by Mrs. Wright and Dorothy Flynn. One of the best concerts of the season was held on Wednesday when the United Church Choir put on a musical evening directed by Mrs. Shippam and Organist Mrs. Huxley. The first number was a selection on violins by children. The orchestra rendered the popular song "In the Valley of the Moon." A reading by Mrs. H. Sky was equally enjoyed. A song by Wilson Thompson, piano solo by Agnes Rubic, laughing chorus by the choir, song by Gilbert Hill, piano solo by Doreen Willis, song by Doris Cooke, violin solo by Nobie Cousineau, song by Mr. Lowry, violin solo by Mr. J. Huxley, song by Mrs. J. Cretney, pianoforte solo by Maizie Eldridge, violin duet by Clarence and Reginald Dillon, school march by children's orchestra, song by Adelchie Bat-

tigello, song by Charlie Roberts, piano solo by Helen Newcombe, comic song by R. Villeneuve, violin solo by Stirling Hayward, solo by Mr. Christopher. "Flow Gently Sweet Afton" by the choir, were other excellent numbers. Rev. M. Tait acted as chairman for the evening and gave a short and humorous address, and special mention was made of the splendid talent of the very small children that took part in the programme. The friends of James Stratt will regret to hear of his serious illness from pneumonia, in St. Mary's hospital. Mr. and Mrs. L. Hannah were called to Perth owing to the illness of Mrs. Hannah's father in the Perth hospital. It looks as if Tisdale voters will have a long list of candidates to choose from on election day, two candidates for the reeveship and sixteen for councillors. Qualifying for reeve were Mrs. Josephine Thomas, the present reeve, and Charles V. Gallagher, who has had several years' experience as reeve. For councillors there are D. J. Kerr, J. A. Hawkins, F. LaForest, A. H. Cooke, Captain Jones, J. G. Harris, W. Fairhurst, M. McGee, G. A. Henderson, S. Kennedy, M. G. Clarke, H. Hoffman, C. Hill, W. McInnes, C. Holgevac, and F. Kostynyk. Monday, December the fourth will be election day. The polling booths will be in the public school. Mrs. J. G. Harris, who has been confined to her home for some time, the results of a car accident, is sufficiently recovered to be out again. The marriage of Pearl Frances, third daughter of Mr. and Mrs. Mike Walko, Fourth avenue, to Thomas De Bonovich, took place at the Church of the Nativity, Father O'Gorman officiating. The

bride wore a becoming gown of mauve satin, made on modern lines, white gloves and hose, silver shoes, and wore a bridal veil of silk net, caught to the head with a wreath of orange blossoms and carried a bouquet of pink roses and lily-of-the-valley. She was attended by her sister, Stella, and Kathleen De Bonovich, sister of the groom. Miss Walko was gowned in white satin with matching accessories, a white velvet turban with brilliant buckle, and carried a bouquet of pink roses and fern. Miss De Bonovich wore a gown of egg-shell satin made similar to Miss Walko's, and white accessories, cream velvet turban, with brilliant ornament, and carried yellow roses and fern. Mr. Thomas De Bonovich, cousin of the groom, acted as best man. After the ceremony a dinner was held at the home of the bride's parents, and later a reception was held in the St. Catherine's hotel, First avenue, where Mr. and Mrs. De Bonovich will reside. The bride received many beautiful gifts and cheques. Mrs. James Prentice, who underwent an operation at St. Mary's hospital last week, is making good progress toward recovery. Lois, the infant daughter of Mr. and Mrs. Mervin Corrigan, passed away on Monday evening. The funeral was held on Tuesday afternoon from S. T. Walker's undertaking parlours where Rev. Bruce Millar conducted the funeral service. Burial was made in Timmins cemetery. Mr. Corrigan then left on Wednesday to attend his father's funeral in Noranda. The sympathy of the old-timers goes out to Mrs. Alex Corrigan and family of Noranda, in the very sad death of

their father, who was killed by accident in Noranda on Tuesday. No details of the fatality are available so far. One son, Clem, working at the McIntyre, left on Tuesday and Mervin going down on Wednesday. Mrs. Wright left last week to reside in Kirkland Lake. Mr. and Mrs. C. Arnott and son, returned on Wednesday from Brice-bridge, where they had gone to attend the funeral of Mr. Arnott's mother. Mr. and Mrs. S. O'Hara left on Wednesday for Noranda to attend the funeral of Mrs. O'Hara's brother, Mr. A. Corrigan. **Central School Concert on December 7th and 8th**
Last year about this time of year the pupils of the Central public school gave a concert which was greatly enjoyed by the parents and others attending. This year a similar event is to be given on Thursday and Friday, Dec. 7th and 8th. The event will be held at the school and is scheduled to start at 8.15 p.m. each evening. The programme is expected to be even more interesting than that of last year. The programme will include Junior Red Cross plays, choral and other selections, with Ukrainian musical and dancing numbers as a special attraction on the programme. There is little doubt but each and all attending the concert, either the evening of Thursday or Friday, Dec. 7th and 8th, will find the numbers of very special attraction. There is much talent, musical, literary and dramatic, among the pupils attending the Central school, so a large attendance and a very enjoyable evening may be expected. It may be added that the proceeds from the event will be devoted to the purchase of some desired equipment for the pupils of the school in connection with their physical exercises, sports or other worthy cause.
