

Timmins Rinks Doing Well at Big Bonspiel at Haileybury

Geo. Drew's Rink Hadn't Lost a Single Game up to This Morning. Noranda to be Place of Next Bonspiel. Kirkland Lake Man New President of the T. & N. O. Curling Association. Some of the Results to Time of Going to Press.

The four annual bonspiel of the Temiskaming and Northern Ontario Curling Association opened at Haileybury on Monday with forty-four rinks competing, all clubs of the district being well represented. Timmins has five rinks in the competitions. Drew's rink has won 6 games and lost none up to this morning. Lang's rink has won 3 and lost 4; Solomon, won 3, lost 3; Rev. Fr. O'Gorman won 3, lost 2; A. E. Prout won 2, lost 4. The members of the Drew rink are—Geo. S. Drew, skip, W. Rinn, Geo. Lake, A. W. Pickering. The bonspiel is going along nicely. It is interesting to note that it has averaged 14 below zero inside the rink during the bonspiel.

Mr. Degett, of Kirkland Lake, was elected president of the association, and P. L. Fleming, Haileybury, vice-president. The next bonspiel is to be held at Noranda, it was decided.

The following are the results of the competition up to this morning—

The following results in detail were sent from Haileybury to The Advance on Wednesday morning—

Geo. W. Lee Trophy
Murdoch, Englehart won from Herbert, Haileybury.

Patterson, Englehart won from Arnold, Haileybury.

Abrams, Kirkland Lake won from Pickard, Haileybury.

Dunbar, Haileybury won from Tooke, Kirkland Lake.

Graham, New Liskeard won from Solomon, Timmins.

A. W. Lang, Timmins, won from White, New Liskeard.

Taylor, New Liskeard won from Evans, South Porcupine.

Prout, Timmins won from Pipe, Haileybury.

Stephenson, New Liskeard won from McNiven, Noranda.

Fleming, Haileybury won from Doggett, Kirkland Lake.

Bulger, Haileybury, won from Fr. O'Gorman, Timmins.

Nixon, New Liskeard won from MacDonald, North Bay.

Second Round
Murdoch, Englehart won from Patterson, Englehart.

Abrams, Kirkland Lake won from Dunbar, Haileybury.

Taylor, New Liskeard won from Graham, New Liskeard.

A. W. Lang, Timmins, won from Prout, Timmins.

Stephenson, New Liskeard won from Fleming, Haileybury.

Bulger, Haileybury won from Nixon, New Liskeard.

McKnight, New Liskeard won from Pearce, South Porcupine.

Drew, Timmins won from Mac Lang, Haileybury.

Isherwood, Haileybury won from Hibbert, Noranda.

Hawes, Noranda won from Goddard, New Liskeard.

Thompson, Haileybury won from Dr. Smith, Englehart.

Shave, New Liskeard won from Scharr, Noranda.

Neelands, New Liskeard won from Hartman, New Liskeard.

E. Smith, Haileybury won from McKee, North Bay.

Gibson, Haileybury won from Pollock, Englehart.

Poppleton, Haileybury won from Donovan, Boston Creek.

Canada Northern Power Trophy
Goddard, New Liskeard won from Pollock, Englehart.

Thompson, Haileybury won from Neelands, Kirkland Lake.

Donovan, Boston Creek won from Gibson, Haileybury.

McKee, North Bay won from Isherwood, Haileybury.

Poppleton, Haileybury won from Hawes, Noranda.

Hartman, New Liskeard won from Scharr, Noranda.

Drew, Timmins won from E. Smith, Haileybury.

Dr. Smith, Englehart won from McKnight, New Liskeard.
Mac Lang, Haileybury won from Shave, New Liskeard.
Stephenson, New Liskeard won from Murdoch, Englehart.

17th Anniversary of United Church Here

Rev. Geo. Easton, Preaches Two Inspiring Sermons at Timmins United Church Sunday. Attractive Music, Travelogue at Sunday School.

Sunday last was the 17th anniversary of the formal opening of the older part of the present building of the Timmins United Church, and the occasion was fittingly observed. Rev. Geo. Easton, M.A., B.D., of St. Andrew's church, North Bay, was the special preacher here for the anniversary occasion, and he delivered two very able and inspiring addresses that gripped the hearts of the large crowds present for the occasion. In the morning Rev. Mr. Easton's subject was "The Present Crisis—a Call for Character." He made it plain that the remedy for the ills of the day rested with the development of strong character and Christian attitude to life. His evening topic was "Shifting Foundations," and the address on this topic was equally enlightening and inspirational. There were large congregations at both services. The musical features were attractive and in keeping with the occasion. At the morning service the solo by Mrs. P. H. Carson was a feature of the occasion. In the evening the choir rendered two anthems in effective way.

At the Sunday School in the afternoon there was an open gathering to enjoy the special feature provided by Rev. Mr. Easton. Mr. Easton has travelled very extensively and with seeing and understanding. On one occasion he visited the Holy Land and studied the country and its people and history. At the Sunday School he gave a travelogue on the Holy Land, his illuminating address being accompanied by many notable pictures that he had photographed during his visit.

The anniversary services on Sunday and the excellent addresses by Rev. Mr. Easton will long be remembered for their inspiration and interest.

Cochrane Man Given Six Years in Prison

Sam Abraham Gets Stiff Sentence for shooting Helim Chamandy at Cochrane Last Week. Trial on Monday.

Sam Abraham, 60-year-old Cochrane resident was convicted on Monday at Cochrane to shooting and wounding Helim Chamandy, merchant, and was sentenced to six years in Kingston penitentiary. He was given four years on the charge of wounding and an additional two years for carrying firearms. Recently effort is being made by the courts to discourage the use of firearms illegally and additional terms of 2 years are being imposed to this end in all cases where carrying firearms is added to other crimes. There have been two recent cases where this penalty was imposed in Timmins. As noted in The Advance last week Abraham shot Chamandy when the latter tried to protect two girls who were frightened of Abraham and took refuge in the Chamandy store. The shooting occurred on Jan. 27th. At police court on Monday in Cochrane Abraham pleaded not guilty and elected summary trial by Magistrate E. R. Tucker. Abraham conducted his own defence. The evidence showed that Abraham had met the two girls on the street with a young man. The latter urged Abraham to leave the girls alone, but instead Abraham chased one of the girls into the store. As Abraham was brandishing a revolver Helim Chamandy attempted to disarm Abraham and received a gunshot wound in the breast, the bullet lodging in his neck. In the meantime the police arrived and the wounded man was taken to the hospital and the man using the gun was locked up. In giving evidence in his own behalf Abraham said he remembered going into the store and coming out again but that he had no recollection of what occurred inside. He blamed the young man who had been with the girls for the trouble but could not give any lucid explanation of what he meant by this. He was equally uncertain as to why he was carrying a gun and what he intended to do with it. He claimed that he had not intended to shoot anybody, but at the same time he admitted that if the young man had advanced towards him he would have shot him in the legs or feet. It was also brought out by the evidence of Provincial Constable McClelland that the revolver used by Abraham could not be discharged except with intent as the trigger action was stiff.

Domestic Science Books are Now Available Here

Great interest is being taken by readers of The Advance in the series of weekly articles now running in this paper—the Canadian Cooking School—a college course in cooking and allied arts in twelve easy lessons. These articles by the noted domestic science expert, Anna Lee Scott, are considered by most lady readers as a notable and valued feature of this paper. In conjunction with the course, running weekly now in The Advance, Anna Lee Scott has prepared three booklets of special interest. These three booklets are now available for readers of The Advance at the nominal price of 25 cents for the three—less than the actual cost. They may be secured from any of the newsboys or news-girls delivering The Advance. Order your copy now from the newsboy or news-girl.

Mrs. A. R. Swayne, of Temagami, Ont., visited her sister, Mrs. J. T. Easton, last week.

MRS. EASTON HAS STORMY VOYAGE ON RETURN TRIP

Mrs. J. T. Easton returned last week from a very pleasant and interesting trip to Scotland and England, the only unpleasant feature being the return voyage when severe storms were encountered on the ocean. Mrs. Easton visited many places of special interest in the Old Country and saw a number of old friends, including Mrs. J. K. Moore and girls, the latter now being young ladies. On the return voyage on the Duchess of York, severe storms were encountered and so dangerous were the waves and the wind that for a time the safety of the passengers was doubtful despite the size and modern type of the boat. After several days of most trying and unpleasant experience the ocean trip was completed in safety, the passengers being specially delighted to see the land that for many hours they feared they might never hope to see. Despite the realization of danger and the fury of the storm the passengers and crew displayed no sign of panic or undue excitement, but actually minimized the real danger by the cool and patient way in which they bore the perils of the storm.

Death of Little Son of Mr. and Mrs. B. Rutherford

Wide circles of friends and acquaintances will extend sincere sympathy to Mr. and Mrs. B. G. Rutherford in the death of their little son, Kenneth William Rutherford, aged seven months three weeks and one day. The little lad was taken ill on Saturday, an immediate operation being necessary, the baby passing away on Monday, Feb. 5.

The funeral service was held at the family home, 119 Maple street, south on Tuesday at 2 p.m. Floral tributes included—pillow, from Mother, Daddy and Harold; cross from Grandma and Grampie McCarthy; cross from Auntie Joy and Auntie Ruby; star, from Dorcen and Rita; gates ajar, from Hazel Harry and Barbara Johnstone, and from Grannie Rutherford and Uncle Gordon; wreaths, Arbutus Chapter No. 123, O.E.S., and from Oddfellows Lodge; basket, from Mrs. E. King and Mrs. F. Clarke; sprays from Mr. and Mrs. Jas. Whaley and Bobby; Holden Helen and Kiddles; Mr. and Mrs. Campbell Angus; George Gillgrass; Don Kelly; Mrs. Spencer and Owen Mrs. T. Clarke and Mrs. E. Moore; Mrs. Hart and Betty; Mr. and Mrs. W. H. Pritchard; Mr. and Mrs. J. H. Sullivan and family; Bettie, Shirley and Stanley McDevitt; Billie, Bernice, Paula and Doris Whaley; Mr. and Mrs. Jas. Cowan; AMOS; Mr. and Mrs. H. See; Mr. and Mrs. Geo. Elliott; Mrs. Boyd and Harry; Mr. and Mrs. Don McInnis; Mr. and Mrs. Matson; Mr. and Mrs. Sberd, Miller; Mr. and Mrs. Jack Weir; Mr. and Mrs. Loney; Mr. and Mrs. Jas. Holland; Mr. and Mrs. Arch Wright; Mr. and Mrs. Vaughn Baker; Mr. and Mrs. R. S. Anderson and family; Mr. and Mrs. Russ Fraser; the Webb family; Mr. and Mrs. Wm. Stanley; Mr. and Mrs. Jack Kelly; Mr. and Mrs. McChesney; the Shantz family; Miss Betty Sinclair; Mr. and Mrs. Cliff Thomson; Gold Nugget Rebekah Lodge. A message of sympathy was also received by telegram from Mr. Don Kelley, London, Ont.

Five Resolutions Passed by Timmins Curling Club

It is understood that seven of the larger dairies of the district have amalgamated with the idea of providing fuller safety and service for the public and to carry out to the fullest and best extent the idea of complete and effective pasteurization of all milk. Under the amalgamation the dairies concerned will use two pasteurization plants and all milk sold by the amalgamated dairies will be fully pasteurized. The dairies in the amalgamation are Sandino, Helmer Crown Dairy, South Porcupine, Timmins Dairy, Workers Co-operative Dairy, Korman, Farmers Associated Dairies and Nora Dairy.

Thieves Pay Visit to the Yolles Company Warehouse

Some time between Saturday night and Monday morning thieves visited the Yolles Furniture Company's warehouse across the track from the T. & N. O. station in the building formerly used as a roller skating rink and later as an athletic club house. The Yolles Co. had considerable stock stored in the building which has been remodelled for warehouse purposes. The fact that the place had been burglarized was discovered on Monday morning. A careful check-up of the goods in the warehouse indicated that all the thieves had carried away was three beds.

No "Fire" at Hollinger on Wednesday Morning

The story, spread by radio and other means, that there had been a "fire" at the Hollinger Mine just before noon on Wednesday with smoke coming from the shaft and so, had no further foundation in fact, and it is regrettable that people should be alarmed, as they naturally may be, by such stories, when enquiry could easily secure the facts. What actually happened was that the brake shoes on one of the locomotives underground became overheated and threw off some smoke, the operator not noticing this as he went along. Others, however, noticed a little smoke and an alarm was turned in. The mines rescue station made a record response, while the mines safety staff were already on the job. In a few minutes the sources of the smoke was located, and remedied. There was no excitement or need for excitement and no chance for danger the way even such harmless situations as this are handled at the mine.

Another Popular Concert by Community Orchestra

The Timmins-Schumacher Community Orchestra, under the direction of H. P. Schroeder, will present another of their popular musical events in the Goldfields theatre on Sunday evening next, Feb. 11th, after the church services. Previous concerts by this orchestra have delighted audiences here on previous occasions and the event on Sunday evening may be looked forward to as another treat for music-lovers.

Dome Won from Timmins Last Night in Fine Brand Hockey

Fair Crowd Present Despite the Very Severe Weather. Dome Played Good Combination Game. Notable Goal-tending by Porcupine Goalie. W. Bagshaw, of Haileybury, the Referee.

Veteran Newspaper Man

With superior hockey and stellar goalkeeping of Essletine, the Dome gave the Timmins sextette a whitewashing by a score of 4-0 last night in an N.O.H.A. fixture on Timmins ice. There was a fairly large crowd in spite of the sub-zero weather. The Dome tried out Quinn with a couple of long ones. Then Timmins put on the pressure and got right on top of Essletine on three occasions but could not beat him. The Dome got right in on Quinn but the latter cleared. The game went nine minutes when Taylor broke away. With only Godin to pass he warmed his way round him and tricked Quinn with a shot, and scored. Both teams tried hard to get going but the back-checking was perfect and neither goals were seriously menaced for the rest of the period. Timmins started to press at the start of the second period. Arundell gave Walsh a pass. The latter went in, but Essletine met him and cleared in fine style. The period was only six minutes old when Taylor took the rubber down the ice and broke through and shot from the boards and the puck went into the net off Quinn's skate. Timmins played rings around the Dome goal for nearly five minutes and Essletine showed the greatest goalkeeping seen here for many a long day, for Timmins just peppered him from all angles but the goalie just turned them aside. Michaelson went down and got right in on Quinn and scored. The Dome now kept Timmins in their own blue line and from a scrimmage in front of the goal the puck came out to Taylor who shot it right back. Quinn was unsighted and the rubber nestled in the cage behind him. The third period was a defensive period for the Dome as they seemed to be contented with the lead and just shot the puck down the ice every chance they had with an occasional rush, while Timmins tried everything but combination plays to score. Essletine was very lucky in saving Lortie's shot; he fell as he stopped he shot and his leg got into the way as the bounding puck was going into the net. Kennedy shot twice from close in and Burns had a try but just could not beat the goalie. Tremblay tried one of his usual individual rushes but was tripped up by Smith who was sent for a rest. Timmins just let one man to look after the defence and the rest kept inside the Dome blue line, but do what they would, they couldn't score. Arundell and Auger got in with only Essletine to beat but couldn't manage it. During the fireworks Dunn tripped Taylor and Bagshaw sent Walsh off for the trip when the latter was five feet away. There was not further damage done till the gong rang to finish the game. Dome—Essletine, goal; Smith and Taylor, defence; Cattarello, Michaelson and McGarr, forwards; Thomas, Dunn, Huggins and Maki, alternates. Timmins—Quinn, goal; Porter and Godin, defence; Arundell, Auger and Walsh, forwards; Lortie, Tremblay, Burns and Kennedy, alternates. Referee—W. Bagshaw, Haileybury.

Seven Big Dairies Amalgamating Here

Will Use Two Pasteurizing Plants and Handle All Milk. Seeking Greater Public Service and Safety.

Two Resolutions Passed by Timmins Curling Club

There was a special general meeting of the shareholders of the Timmins Curling Club held in the curling rink on Friday evening last at 6:30 p.m. with the shareholders well represented in person or by proxy. The meeting was for the purpose of considering the following two resolutions, of which due notice had been given—

Resolution No. 1.—That the resolution passed at a meeting of directors of Timmins Curling Club Limited held on November 24th, 1933, authorizing the directors to write off any or all dues in suspense shown and set out in the last annual report as they see fit, be and the same is hereby approved and confirmed.

Resolution No. 2.—That the directors be and they are hereby authorized at any and all times when funds are available at their discretion, to buy in and return to the treasury any share or shares of any deceased member or member moving away from Timmins or vicinity, and to pay therefor whatever amount they think proper under the circumstances. Both resolutions were duly passed by the meeting and now form part of the regulations of the company.

Provincial Officers to go to Ottawa and Barrie

It is understood that Provincial Constable E. F. Hartlieb, who has been for some years in Timmins and who has had a long record of service in the provincial police force in the North is being transferred to Barrie. The other provincial officer here Provincial Constable Alex Craik is also to be transferred, his new post to be in Ottawa. In each case the transfer is in the nature of a promotion. Both officers have made many friends during their long residence in the North and they will be followed by the good wishes of all. The law and order shown throughout the North and the lack of serious crime or disorder proves the effective police protection given not only by municipal police but by provincial and Dominion police as well. Both Provincial Constables Hartlieb and Craik showed the right spirit of co-operation in working with the other police forces of the North and their transfer from the district will be much regretted.

Curling Decreased Kiwanis Attendance

Smaller Attendance than Usual at Kiwanis Luncheon on Account of So Many at Big Bonspiel at Haileybury

On account of so many members being away to Haileybury for the T. & N. O. curling bonspiel, attendance at the Kiwanis luncheon on Monday was down about fifty per cent. Even the temporary president, A. W. Lang, who has been conducting the meetings so ably during the absence on holiday of the president and vice-president, had to be in Haileybury for the big curling event of the North. Despite reduced attendance, however, there was a successful and pleasing meeting. Chas. Pierce was chairman for the day and carried everything along agreeably. The guests for the day were J. Jackson, Timmins' new legal light, and guest of Chas. Pierce, and the inspector for income tax for the district who was the guest of G. N. Ross.

There was no regular speaker for the day but P. T. Moisiey read a letter from a Kiwanian in Montreal giving a most interesting and valuable account of a trip from Montreal to Monterey, Mexico. Dr. H. H. Moore thanked the Kiwanis for their interest and help in the recent clinic held here.
