Beer Legislation in the Ontario House

Text of Amendments and Additions to Liquor Control Act. Concurred in by the Opposition. Various Clauses

The new legislation to provide for freer sale of beer and wine in Ontario was introduced last week in the Legislature and was sure of passing easily from the first. The Opposition caucus decided to acquiesce in the passing of the legislation, taking the attitude that it should not be made a political issue.

The following is a summary of what the new legislation provides:

- 1—Sale of beer and wine with meals in dining-rooms in standard hotels and such other places, which would include restaurants and clubs, as the board may decide.
- 2—Sale of beer by the glass in refreshment rooms in standard hotels, and in veterans' and labour union clubs.
- 3—Full control will be maintained by the Liquor Control Board.
- 4—The board may dispense with the present permit system.
- 5—The board may permit advertising in newspapers and by radio.
- 6—The board may grant permits for the consumption of beer and wine at banquets.

The beer will be in effect on royal proclamation, which may be at the conclusion of the present session or following the general election, which is believed scheduled for June.

Local option features of the present act are continued, but will be extended so local option districts may vote on whether they want beer and wine in dining-rooms or beer in refreshment rooms. A three-fifths vote will be necessary to change the act.

The following is the complete text of the bill, "An Act to Amend the Liquor Control Act."

1. This act may be cited as the Liquor Control Act, 1934.
2. The Liquor Control Act is amended by adding thereto at the end of Part III the following part and sections:

Fiancee Protects the Winner of \$10,000 Prize

A despatch this week from North Bay says:—"When the shop-girl fiancee of W. G. Brittain heard he was winner of nearly \$10,000 in the Army and Navy Sweepstakes, she left the store and went to a solicitor's office where she issued a writ against him as an informer. It was a protective writ to safeguard his winnings. Brittain held a ticket on Thomond II, third place horse in the Grand National Steeple-

chase, run at Aintree Friday. He is a telegrapher and has been doing part time work for the Temiskaming and Northern Ontario Railway in Porcupine Junction. The informer is Miss Evelyn Sharvell, North Bay, who met Brittain when he came to the city shortly before Christmas for a visit."

Among the relatives from out of town attending the funeral of the late John Maltby, Governor of the District Jail, at Halleybury, last week, was Hugh Armstrong, of Timmins.

WIFE'S DELIGHT AT HUSBAND'S LOSS

30 Pounds of Fat!

Here is something all wives of fat men will be glad to know. It is the experience of a woman whose husband recently weighed 230 lbs. She writes: "I really feel I must write and tell you that, after taking Kruschen Salts for nearly 3 months, my husband has got his weight down from 230 lbs. to 200 lbs. This has been achieved by nothing else but Kruschen. I am too heavy also, and I started taking Kruschen only three weeks ago. Already I have got down from 153 lbs. to 144 lbs. We are delighted."—(Mrs.) C. Kruschen combats the cause of fat by assisting the internal organs to perform their functions properly—to throw off each day those waste products and poison which, if allowed to accumulate, will be converted by the body's chemistry into fatty tissue.

(2) Where, as provided by sub-section 1, employees are required by the board to obtain an employee's authority no person who is not so authorized may be employed in the sale or serving of beer or wine in any authorized premises.

(3) This act shall come into force on a day to be named by the Lieutenant-Governor by his proclamation.

Shortening School Year in Sudbury for Economy?

Two weeks will be cut off the school term in Sudbury this year as an economy measure. This will mean a reduction of \$4,000.00 in the school expenditures, the teachers not being paid for the two weeks cut off. School is to commence this fall at Sudbury on Sept. 17th instead of the 4th. There are two questions arising:—First, is such a measure real economy? and second, will the department of education approve the plan?

SOURD ON THE WORLD?—THAT'S LIVER

Wake up your Liver Bile
—No Calomel necessary

Many people who feel sour, sluggish and generally wretched make the mistake of taking salts, oil, mineral water, laxative candy or chewing gum, or roughage which only move the bowels and ignore the liver.

What you need is to wake up your liver bile. Start your liver pouring the daily two pounds of liquid bile into your bowels. Get your stomach and intestines working as they should, once more.

Carter's Little Liver Pills will soon fix you up. Purely vegetable. Safe. Sure. Quick. Ask for them by name. Refuse substitutes. 25c. at all druggists.

PONTIAC

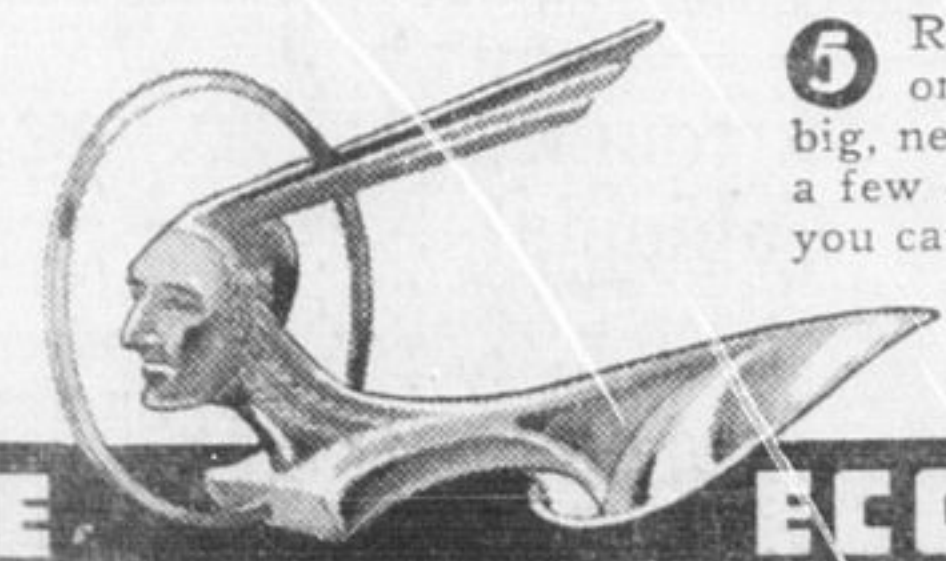

OFFERS 5 BUYING GUIDES

...to every
NEW CAR
purchaser

- 1 When you buy your next car, be sure it has beauty without being bizarre. At the big national motor shows, Pontiac was voted the second smartest looking automobile, (first place was taken by one of the highest priced cars). Valanced fenders, striking V-type radiator, and a new-design engine ventilator are essential contributors to Pontiac's eye-catching streamline.
- 2 Insist on smoothness! And let your standard be Pontiac's "Floating Ride", for there can be no more restful overland transportation. Knee-Action Wheels change an ordinary ride to an effortless glide. Bumps, jars, and shimmy are eliminated. The wheels take the full shock. No matter how rough the road, you feel only the exhilaration of Pontiac's easy onward sweep.
- 3 Get a Straight Eight for your money. Nothing less than a multi-cylindere, expensive automobile can duplicate the performance of an Eight-in-line. Pontiac's 84-horsepower engine is faster, quieter, quicker on the getaway. And best of all, it's more economical. Dependability, too, is a Pontiac characteristic that assures freedom from trouble and expense.
- 4 For the sake of yourself and your family, demand safety. Pontiac gives you big, air-cooled Bendix brakes, multi-beam headlamps, a mighty KY frame, Fisher Bodies of steel and hardwood, Syncro-mesh Transmission, and shatterproof windshield and ventilators. You feel secure in this great, General Motors-built automobile.
- 5 Remember this: if your present car will make the down payment on a low-priced car, it will probably make the down payment on a big, new Pontiac. And your monthly payments, in any case, will be but a few dollars more. Why then accept less than a Straight Eight when you can get such superior value at Pontiac's popular price?
