

Ford Announces New V-8 Truck with Full-Floating Rear Axle

TOP illustration shows the new Ford V-8 stake truck, on 131 1/2 inch wheelbase chassis, one of the many types of new trucks and commercial cars which are being displayed for the first time by Ford dealers. New features include a full-floating rear axle (lower left) and a new dual carburetor system (lower right). There are many other improvements in the special truck type 80 horse power Ford V-8 engine and a newly designed front end. The new full-floating rear axle is a type in which the housing carries the entire load, and all driving stresses. The axle shafts have nothing to do but drive the wheels, and are readily removable, without jacking up the wheels. For inspection or adjustment of wheel bearings or other maintenance operations. The new dual downdraft carburetor and dual intake manifold system increase fuel economy, engine efficiency and power output, by assuring more even distribution of fuel to all eight cylinders. This also aids in easier cold weather starting.

Welsh Glee Party at South Porcupine

Fine Choir in Charge of Musical Programme at United Church on Sunday Evening Last. Other South Porcupine and Dome News.

South Porcupine, Ont., April 4th, 1934. Special to The Advance. Our sympathies are extended to Miss Rose Donlevy, one of our popular public school teachers, on hearing of the serious illness of her mother. Miss Donlevy left on Friday for a visit to her brother in Kirkland but was given a message on the train, to go home to Pembroke as her mother had suffered a stroke. We sincerely hope to hear better news of Mrs. Donlevy soon. Mr. Wilkinson, of the Imperial Bank staff, visited at Halleybury for Easter. Messrs C. McInnis and P. C. Evans left on Friday for Toronto on business. Mrs. Ed. Rapsay spent the Easter holiday visiting her father, Mr. G. LaMothe, in Mattawa. Mr. George Humphreys, of Kirkland was a visitor in town over the weekend. Mr. Martin Storey, of Swastika, paid a flying visit to the camp over the weekend.

We are glad to report that the genial janitor of our public school—Mr. Hamar Disher—is progressing favourably in the Presbyterian hospital, after appendix operation. Born—On Saturday, March 31st, in the Presbyterian hospital, a son, to Mr. and Mrs. Gilbert Whyte, of Golden avenue. Mrs. Clifford Neal, of North Bay, was a visitor at the home of Mrs. P. C. Evans, on Easter Sunday.

On Tuesday at the curling rink, the finals for the Sky Cup were played. The results were—Costain's team won from Brooks; J. Costain skip; C. Kavanagh vice-skip; P. Richards second; W. D. Pearce lead. W. Brooks skip; N. Bodlovic second, P. Larsen vice-skip; J. Alexander lead.

Married—On Sunday, March 25th, in Timmins, by Rev. Father Pare, Violet, second daughter of Mr. and Mrs. Owen McKay, of Connaught Hill, to Mr. William Walmsley.

An exceptionally large congregation was present at the Easter morning service at St. Joachim's R.C. Church. The choir rendered special music including Leonard's Mass in E flat.

Of the school staff from the teachers' residence, Miss McNab is spending the Easter vacation at her home in Brussels; Miss O. Walker, in Calabogie; Miss Rothwell, in Englehart; Misses McPhail and Lucas are visiting in Uxbridge.

Misses Burns, Paice and Morris are vacationing here in South Porcupine. Miss Marjorie Briden, who has been visiting at her brother's home on Connaught Hill, returned to her home in Halleybury on Saturday.

Misses Marion Myers and Margaret Haneberry spent the Easter vacation at Charlton.

Master Donald Hardy, of Timmins, is spending the week's vacation from school with his cousins, Buddy and Stephen Evans, on Connaught Hill.

Born—On Easter Sunday, April 1st, to Mr. and Mrs. Ed. Chevrier, of Dome Extension—a daughter.

On Sunday evening the Welsh Glee Club Choir took charge of the musical part of the service in the United Church. Quite a large programme had been planned, but owing to the death of Mr. Ron Jones' father in Wales, news of which reached the boys on Saturday, the solo work which had been scheduled for Mr. Jones was omitted. Our very deep sympathies are extended to him and his brother Harry, in their trouble. The church was packed to capacity not another seat being available. The music was beautiful—twenty male voices blending in perfect harmony in that exquisite anthem, "Behold the King of Glory," at the close of the sermon two hymns, "Lead, Kindly Light" and "Jesus Lover of My Soul," were sung with deep feeling and perfect harmony, dedicated by the members of the choir to the memory of their leader's father.

Mr. and Mrs. Stovel left on Thursday to spend the Easter vacation with their sons in Montreal.

Miss Pearl Wilson left this week for her home in Campbell's Bay.

Mrs. W. Wilson, of Los Angeles, was visiting at the home of her sister, Mrs. Percy Richards, over the weekend.

Don't forget that on Wednesday, April 11th, the Ladies' Guild of the United Church are serving a hot supper in the church.

Miss B. M. C. Shaw is visiting Mrs. Heath in Kirkland this week.

Miss Lynch is away on holiday at the parental home at Orillia.

Predicts Provincial Elections May or June

Two predictions were made on Saturday last by The Toronto Telegram in regard to provincial matters. In both predictions the Toronto newspaper suggested that it had support

in its ideas from the parliament buildings.

One prediction was that the Ontario elections would be held either Wednesday, May 30th, or a week later, June 6th. It was added to this prediction that Premier Henry will announce the actual date of the election inside the next two weeks or so.

The other prediction was that beer and wine under the amended Liquor Control Act will be on sale in hotels and restaurants by July 1st, no matter who wins the provincial election.

"Political observers," notes The Telegram "believe that the date of the election will be not later than June 6th, as it is felt that the Government wants to keep the ball rolling and maintain the beer policy before the public while the matter is hot."

Musical Concert by Women of the Moose

Very Pleasing Programme Presented at Goldfields Theatre at Recent Event by the Women of the Moose, No. 303

The local Chapter of the Women of the Moose, No. 303, gave a musical concert in the Goldfield theatre on March 26th. Mr. A. Odgers, past Dictator of the Moose Lodge, was chairman. A programme of special merit was made up as follows:

Professor Barrette's pupils started the programme with their delightful Hawaiian music and in their appropriate costumes made an impressive opening.

The Cornish choir was ably represented by Mrs. Gay, Mr. Stevens and Mr. Mitchell; Mrs. Wilkins at the piano. Capt. Jones delighted the audience with monologues.

The Porcupine Quartette gave their usual high standard of entertainment, Mr. Jago giving a solo by special request; Mr. Jenkins at the piano.

David Gordon, boy violinist, and Herman Walters, boy pianist, were most appreciated.

Mrs. Surman gave most delightful numbers; Mrs. Wilkins at the piano.

Mrs. J. Theriault sang French numbers most pleasingly, with Miss Irene Gustin at the piano.

Dancing numbers were most efficiently given by Miss Margaret Easton, dancing teacher. The sailor dance and the Irish Jig were given by special request, and this gifted dancer delighted all with her talented dancing.

Miss Kathleen Wilkinson most delightfully danced the tamborine dance and received appreciative applause.

Four clever little dancing students of Mrs. Burt gave most delightful numbers: "The Glow Worm," "Irish Jig," "Butterfly Dance" and "Jack o' Jingles"; Mrs. Wilkins accompanying all the dancing numbers.

Boychuek's Hawaiians closed the programme with most pleasing numbers. "God Save the King" was played by Mrs. Wilkins.

SCHOOL CHILDREN SAID TO HAVE TRIED TICKET RACKET

A scheme to defraud the Nipissing Central Railway (subsidiary of the T. & N. O.) by the illegal use of street car tickets has been thwarted, it is understood.

T. & N. O. Railway detectives have the problem solved, and know the culprits. Suitable action will be taken.

The scheme originated amongst the large crowd of school children who travel between Halleybury, New Liskeard and Cobalt. Three-cent tickets sold to the children were split apart and as the cars are crowded at the school hour, conductors had difficulty detecting those responsible.

Cobalt youths travelling to the mining school in Halleybury are said to have aroused suspicion.

Miss Izelda Martin is spending her Easter holidays with her parents, Mr. and Mrs. B. E. Martin, 57 Kirby avenue.

Big Attendance at the Annual Paper Makers' Ball

Years ago the annual Paper Makers' Ball at Iroquois Falls was one of the big features of the year in the North, and so it was again on Monday of this week. The attendance was very large, greater than in any of the previous three years, and fully equal to the days when it was a notable event in the North. The Paper Makers' Ball at Iroquois Falls is an annual feature sponsored by Local 109, International Brotherhood of Paper Makers, Iroquois Falls. The event on Monday evening this week attracted attendance from all parts of the district as well as a large attendance from Iroquois Falls and vicinity. The music for the occasion was by Al Pierini and his Vagabond Kings, and this Timmins orchestra certainly delighted all with their fine dance music. Other features of the evening were up to similar high standards and the event throughout may be classed as a complete and enjoyable success. The committee in charge have received many compliments for the excellent music and the other features of the occasion.
