Enter Your House Plants Now for M. M. Fair

The display of house plants under the auspices of the Timmins Horticultural Society will be one of the features of the big fair at Timmins from May 23rd to June 6th to celebrate the 25th anniversary of the discovery of the Porcupine gold mines. The support of all is asked by the Horticultural Society to make this feature a pleasing success and to help beautify and

brighten the big fair. Entries of house plants must be made no later than Saturday of this week with the Timmins Horticultural Society. George Hogg, secretary, P.O. Box 2293, Timmins. The entry fee is only 10 cents per plant, and there is a good list of prizes.

Timmins Garage invites you to see these wonderful looking Nash automobiles and drive them.

Bridge Club Event, Y.P.S. Visits Schumacher; Benefit Bridge at Dome Other South Porcupine and Dome News

South Porcupine Ont., May 9th, 1934. Special to The Advance.

Mesdames Besette and Martin entertained the bridge club on Thursday at the home of the latter. Two extra tables of guests were present and a very happy evening was enjoyed by all. Mrs. Maxwell-Smith was the club member to carry off the highest honour. Mrs. W. W. Wilson coming second. Mrs. J. Kinsman received the guest prize, with the highest score of all.

Congratulations to Mr. Harold Michelson! We see by the lists of Queen's graduates that Harold has obtained his B.Sc.

Miss K. Page, who has been visiting Mrs. Thomson, has returned to her home in Severn Bridge.

Rumor has it that the Furness Mine

may re-open soon. Also that the Sunray, on the borders of Adams and Deloro, may be opened in the near future. A new company has taken this mine over.

We also hear that on D. McLaren's claims the new Kennedy-Nutt ball mill is working satisfactorily and profitably. This is the first of this type of mill to be set up in this district. It is able to mill from three to five tons a day, and can be taken into the bush on sleighs or trucks or by aeroplane. These mills are equipped with their own power plants.

In the local police court to-day, two men were found guilty of having liquor; one was fined \$200 and costs, the other \$100 and costs. Three drunks paid \$10 and costs. Two drunks were sent to jail for thirty days, one without the option of a fine. An assault case was withdrawn.

Our sympathies are extended to Archdeacon Woodall on hearing of the sudden death of his sister in England recently. Many will remember her visiting here some five years ago.

Friends of Mr. Wm. Whatman of the Dome will be glad to hear he has resumed work after being on the sick

list for a couple of weeks.

Mr. and Mrs. Harry Turner were visiting in town from Toronto over the week-end.

After nine years of faithful and devoted service Mrs. M. Bettette has resigned as organist at St. Joachim's R.C. church.

Mr. Ed. Sloan, of Vinton, is visiting his sister, Mrs. C. Kavanagh.

Mr. Andrew Harty left on Monday for a short visit to his parents in Campbell's Bay.

On Tuesday evening Mrs. H. Hall, of the Dome, held a benefit bridge in her home under the auspices of Chapter 84 O.E.S. Both ladies and gentlemen were guests, and six tables of bridge were accommodated. Prize winners were:—First, gentlemen, Mr. W. H. Phillips, of Timmins; second, Mr. J. Costain. Mrs. Hall is entertaining again on Wednesday evening for the same good cause.

On Tuesday a merry party of over eighteen young people of the Y.P.S. motored to Schumacher to join with the Y.P.S. there, and the A.Y.P.A. of St. Matthew's church, Timmins, in a group gathering for which a program had been planned. Our South End members contributed a piano solo (Mary McIntosh) and a vocal solo (G. Trueblood), and lots of fun was provided by a mock trial, in which the Rev. L. Hussey acted as presiding judge, Canon Cushing as prosecuting attorney and Don Miller as defending counsel. The verdict was "not guilty." It proved to be a very interesting and entertaining evening for all. We understand that the Y.P.S. will hold a concluding evening here next week. A project is in the air for forming a softball association for summer pleasure among the different groups of young people.

The Bazaar under the auspices of the C.W.L. will be held for three days in the Oddfellows' hall, commencing on Thursday at 2 p.m. Afternoon tea is to be served each afternoon and a lovely collection of work of all descriptions is to be on sale.

The blowing of a fuse in a washing machine at Kirkland Lake saved a youngster's arm last week. The child, about four years old, turned on the wringer and her arm was drawn between the rolls. The arm was bruised but no bones broken. The blowing of the fuse saved the child from more serious injury. The cries of the mother on returning to the room and finding the position the youngster was in resulted in a neighbour turning in an alarm of fire.

"BEAT IT"

Black Fly, Mosquito and Sand Fly Repulser

Include "Beat It" in your supply list this Spring. Has been used for past 10 years by over 90 p.c. of the mining lumbering and pulpwood companies in protecting their men against the intolerable man-eating flies.
