It is the picture of my dear Mother Whose memory will never grow old. —Always remembered by her Son, Willie, and Nellie, Grandchildren, June and Barbara. -29

ALLEN—In loving memory of my darling Mother, Lydia Allen, who entered the Homeland July 21st, 1932. The Master walked at eventide, Among the flowers so fair. He touched the lilies one by one, Then plucked this one of ours. We wanted so to keep her, We could not let her go, But Jesus willed it otherwise, He needed her in Heaven. Then like a ship that has lost its mooring And sailed bravely out to sea, So our lovely Mother Sailed away in calm serenity. —Ever loved and sadly missed by her loving Daughter, Beatrice, Harry, and Grandchildren, Basil, Reggie and Irene. -29

A despatch from North Toronto on Tuesday of this week says:— "J. Strang and his family who left New Toronto and went north under the provincial land settlement scheme two years ago, taking a farm on R.R. No. 1, New Liskeard, have made good, a letter read at council last night revealed. Conditions have improved so much that Mr. Strang, who had previously asked to come home, has decided to stay north. "His letter, addressed to the secretary of the relief land settlement scheme, pointed out that conditions had so altered that he is now self-supporting, having required no aid from his grant since last January. He asked that the transfer of the title to his stock and implements be made by the government, he having fulfilled the two-year residence required to secure the crown lands."

ALLEN—To the dear memory of my dear Mother, Lydia Allen, who crossed the bar, July 21st, 1932. Dear Lord, wilt Thou a message take, To one who walks Thy Golden ways. She was my own dear Mother, Without her all are empty days. Whisper that my heart is with her, In the kingdom up above. Tell her that I miss her always And send her all my love. Dear Lord you will know my Mother, By the beauty of her smile. Not till the boom is silent, And the shuttles cease to fly, Shall God unroll the pattern And explain the reason why. —I shall always remember, loving Daughter, Hetty, and Jack and Grandchildren, Lynn, Billy and Harold. -29

Report that Hitler Gives Resignation

A VENERABLE GYP

(Detroit Free Press) A correspondent writes from Madrid that the Spanish lottery, long one of the largest and most firmly established government gambling enterprises has fallen upon evil days. After 171 years of steady success the customers are turning away. Not only is the foreign sale of tickets falling off, but the domestic sale likewise. Competition from French and Irish lotteries is blamed by some, Latin American regulations against export of capital by others. In Spain a few of the newspapers, however, attribute the lottery depression to the fewness of the prizes and their relative smallness. Less than 4 percent of the sum paid in for tickets is distributed in the form of prizes! The rest goes to profits and expenses. What a racket! And it has been going on for 171 years and only now the "suckers" are beginning to complain!

Frood and Scottish Tie in Second Game

Second Match in the D.F.A. at Toronto Results in Draw, 1 to 1. Winner of Series to Meet Montreal. Toronto Scottish came close to passing out of the Dominion soccer picture at Toronto Monday night, says the despatches in the record game of their series with Frood mines. Crippled and leg-weary after playing through a tough series with Ulster, the Scots faltered again to-night, as on Saturday, when they dropped the first game to Frood, and it was only by superhuman efforts they battled the youngsters from the north to a 1-1 tie after 90 minutes of grueling soccer. Playing with the wind in their backs in the first half the Scots had ample chance to score, but faulty marksmanship kept them out. Six minutes after the interval, Frood mines broke into the scoring column when Wallace failed to clear as Macdonald drove the ball rolling into the net. The counter looked good enough to send Frood into the eastern Canada finals, but in spite of the rugged defence served up by the Northerners, Scottish tallied the equalizing counter when George Phillips banged home Bromley's well-timed pass.

ENGLAND'S HEAD IS UP

(New York Times) England has many reasons for satisfaction—unemployment figures, London's summer business, comparisons with her neighbours on the Continent. But it is doubtful if all such contributions to her pride equal the joy that has come to her recently in the achievements of her sons and daughters in the realm of sport. A native Briton has won her open golf championship, after ten doleful years. A native Briton has recovered the highest tennis laurels after twenty-five years. A British girl has triumphed over California tennis. A British crew has won the outstanding prize of the annual Henley regatta. Her cricketers are making a grand fight against the dread Australians. She even looks forward, with a perhaps justified optimism, to taking back home, a few weeks hence, the silver cup that voyaged to New York City after the visit of the yacht America in 1931.
